Important notes relating to allocation tables:

1. The 2020 quota year for the United States of America, the European Communities and Dominican Republic is from 1 January 2020 to 31 December 2020. The 2020 quota year for prepared edible fat to Japan is from 1 April 2020 to 31 March 2021.
2. NSPF cheese is cows' milk cheese not specifically provided for elsewhere in the schedule of the United States tariff rate quotas for cheese.
3. All quantities listed are in kilograms. Some quantities listed have been rounded up or down to the nearest kilogram.
4. Companies listed with 'nil' have applied for export quota in that specific market but do not qualify as their share in that market is less than 20 tonnes of product.
5. Quota licences are subject to the European Communities requirements limiting total butter quota volume in sub-period one of the 2020 quota year for butter. No more than 50 percent of the total quantity for the year may be used in sub-period one (from 1 January to 30 June). However, any quantity not used in sub-period one
