Matters to be taken into account

And, without limiting the order of reference set out above, We declare that, in conducting the inquiry and making recommendations, you must, under this Our Commission, take into account the implications of the findings of the Independent Inquiry into Local Government Rates for local government arrangements in the Auckland region:

Relevant matters

And, without limiting the order of reference set out above, We declare that, in conducting the inquiry, you may, under this Our Commission, investigate and receive representations on the following matters:

- (b) what changes to the boundary of the Auckland region, or to the collaborative arrangements or mechanisms involving other regions across New Zealand, are considered desirable to achieve or support the achievement of the inquiry's objectives; and
- (c) what is required for effective relationships and collaborative arrangements between central and local government; and
- (d) what ownership, governance, and institutional arrangements and funding responsibilities are required to ensure the effective, efficient, and sustainable provision of public infrastructure, services, and facilities to support and enhance—
 - (i) the current and future well-being of the Auckland region and its communities; and

Commerce Commission

Electricity Industry Reform Act 1998

Notice of Exemption—The Lines Company Limited

The Commerce Commission (“Commission”), pursuant to section 81 of the Electricity Industry Reform Act 1998 (“the EIR Act”), exempts The Lines Company Limited (“TLC”) from compliance with section 17 of the EIR Act in respect of the cross-involvement (as that term is defined in the EIR Act) that would be created through its investment in a hydro generation plant, located on the Waikohu Stream near Gisborne, through TLC’s wholly owned subsidiary Matawai Hydro Limited (“MHL”) outlined in its application for exemption registered by the Commission on 5 March 2007.

The exemption is subject to the following conditions:

- (a) TLC will ensure that no more than two-thirds of the Board of Directors of MHL are directors who are either:
 - (i) a manager of TLC;
 - (ii) an associate of TLC, other than by virtue of being a director of MHL; or
 - (iii) involved in the business of TLC;
- (b) MHL and TLC’s electricity lines business must comply with rules 1 to 6 and 11 to 15 of the Arms Length Rules set out in Schedule 1 of the EIR Act;
- (c) TLC must not be involved either directly or indirectly in the selling of electricity generated by the Matawai Scheme to any customer connected to TLC’s electricity network. This does not preclude the selling of electricity either into the New Zealand Wholesale Electricity Market, or to an electricity retailer for the purpose of supplying retail customers, whether those retail customers are connected to TLC’s electricity network or otherwise;
- (d) any generation asset to which this exemption relates must not be connected to electricity lines owned or operated by TLC except to the extent that is necessary

in order to connect the generation asset to the local distribution network; and

- (e) this exemption is specific to the cross-involvements created through TLC’s involvement in MHL for the purposes of developing the proposed hydro generation plant at Matawai. It does not extend to any other interest or existing or future cross-involvement of TLC.

The exemption takes effect from the date of publication of this notice in the *New Zealand Gazette*.

The Commission may vary or revoke the exemption in accordance with section 81(5) of the EIR Act.
