Note:

This clause does not apply in New Zealand.

It is the intention that a variation to this clause will be developed for New Zealand. In the interim, however, New Zealand has varied from this clause under Annex D of the *Agreement between the Government of Australia and the Government of New Zealand Concerning a Joint Food Standards System*, and has issued a food standard under section 11C of the *New Zealand Food Act 1981*.

- (1) Subclause 1(2) of Standard 1.1.1 does not apply to this clause.
- (2) Wheat flour for making bread must contain –
 - (a) no less than 2 mg/kg and no more than 3 mg/kg of folic acid; and
 - (b) no less than 6.4 mg/kg of thiamin.
- (3) For the purposes of this clause wheat flour includes wholemeal wheat flour for bread making.
- (4) Subclause 4(2) does not apply to wheat flour for making bread, which is represented as organic.
- (5) Paragraph 4(2)(b) does not apply to wheat flour for making bread sold or prepared for sale in, or imported into, New Zealand.

Editorial note:

The maximum limit for folic acid given in paragraph 4(2)(a) ensures the addition of folic acid to wheat flour for making bread in Australia is in controlled amounts to provide for a safe population intake of dietary folic acid. Paragraph 4(2)(a) will be reviewed, when sufficient monitoring data are available to assess the impact of this mandatory requirement.

Paragraph 4(2)(b) will be reviewed to assess the future need for this mandatory requirement.

Standard 1.3.2 regulates the voluntary addition of folate to both cereal flours and bread. These permissions will be retained to enable manufacturers to fortify specialised non-wheat flour and breads, such as, gluten free bread.

The Community Trust of Mid & South Canterbury Incorporated

Community Trusts Act 1999

The Community Trust of Mid & South Canterbury Incorporated

Annual Report and Financial Statements for the Year Ended 31 March 2007

The purpose of the community trust is to provide charitable, cultural, philanthropic and recreational benefits to the community.

Bankers: Westpac Bank, 243 Stafford Street, Timaru.

Auditors: Martin Wakefield, Chartered Accountants, 26 Canon Street, Timaru.

Executive Manager: J. Wilson, PO Box 983, Community House, Timaru.

Trustees' Report for the Year Ending 31 March 2007

On behalf of my fellow trustees, I have great pleasure in presenting the annual report for The Community Trust of Mid & South Canterbury Incorporated for the year ending 31 March 2007.

Major Projects

The year was marked by the purchase, refurbishment and opening of the new community house on Strathallan Street in Timaru. Housing the offices of a great variety of not-for-profit organisations, the building also contains the trust's offices and has well utilised meeting spaces that are available for use by the public.

That this major project, representing an investment of \$2.4 million, was completed on time and within budget, is a credit to the efforts of Simon Dorman and the property committee as well as the trust staff – John Wilson and Sally Marsh, the contractor Ranger Construction, subcontractors and project manager, all of whom worked very well together to create the wonderful facility.

Another significant project was the facilitation of the establishment of the Volunteering Canterbury organisation in our region. This organisation complements the work of the community trust by training and supporting volunteers and doing much to recognise and promote the value of volunteers in our society.

In the general distribution rounds, 119 donations were made to a wide variety of groups from throughout the region, ranging from very small to \$150,000 for the Ashburton Aviation Heritage Museum. The wide variety of applications received always continues to impress the trustees as it is an indication of a healthy, vibrant and caring community.

Financial Position

The new community house building was purchased and refurbished by the trust during a time of strong investment returns. This was fortunate as the returns for the first quarter of 2007 were down significantly. Distributions were maintained at a level consistent with other years and the trust is continuing to build reserves so that the community will be able to be well provided for in the future.

Trustees

In May 2006, the trust farewelled Peter McIlraith, Carole Brand and Huriata Weeks. Peter McIlraith served the trust for 12 years and led the trustees as chairman from 1999 to 2005.

Carole Brand and Huriata Weeks both gave eight years of dedicated service and contributed greatly to the governance of the trust with their complementary skills. Carole Brand was deputy chairman from 1999 to 2005 and chairman from November 2005 until May 2006.

Sheryl Frew from the Waimate District, Lee Burdon from the Geraldine District and Stephen Wills from Timaru were welcomed to the board of trustees in June 2006. The considerable skills and community knowledge of all three new trustees means that the succession of the trust remains well balanced.

Trust Staff

There were no changes to the trust staff – John Wilson (executive manager) and Sally Marsh (administration officer) continue to serve the trustees and the community in a professional, friendly and helpful manner.

Professional Development

In March 2007, the Community Trusts of New Zealand held a combined conference with Philanthropy New Zealand at Te Papa in Wellington. Stephen Wills, Sheryl Frew, John Wilson and I attended this very thought-provoking event. Philanthropists, representatives of organisations that received funding and experts in the field of philanthropy from New Zealand and around the world, all told their stories and shared their knowledge and ideas willingly.

The knowledge that was gained will help to inform many of this trust's future decisions and has already helped trustees to better understand the role the trust can play in making grants and collaborating with other funders and the importance of having meaningful dialogue with the organisations seeking grants and providing services to the community.

NICOLA HORNSEY, Chairperson.

Notes to the Financial Statements for the Year Ended 31 March 2007**1. Statement of Accounting Policies****Reporting Entity**

The Community Trust of Mid & South Canterbury Incorporated is a charitable trust incorporated under the Trustee Banks Restructuring Act 1988. The financial statements have been prepared in accordance with the Financial Reporting Act 1993 and generally accepted accounting policies.

General Accounting Policies

The general accounting policies adopted in the preparation of these financial statements are:

- The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.
- The matching of revenues earned and expenses incurred using accrual accounting.
- The trust qualifies for differential reporting and the financial statements have been prepared taking advantage of the differential reporting exemptions with the exception of the preparation of a statement of cash flows.

Particular Accounting Policies

The following are the particular accounting policies which have a material effect on the measurement of results and financial position:

(a) Dividend Income

Dividend income is included in the statement of financial performance when it is received.

(b) Donations

Donations, special projects and community loans are accounted for when they are approved for payment.

(c) Investments

Investments held as managed funds are shown at market value. Net income including unrealised gains or losses from holding such investments are recorded in the statement of financial performance.

(d) Trust Capital

Trust capital is made up of:

- Capital fund – which records initial capital fund (being the realised value of trust bank shares).
- Inflation reserve – it is intended to increase the inflation reserve each year by applying the consumer price index to the sum of the initial capital fund and opening inflation reserve. This amount to be allocated from trust profit on an annual basis.
- General reserves – intended to enable the trustees to continue with distributions should the trust incur a deficit in a particular income year.

(e) Depreciation

The assets of the trust are stated at cost price less depreciation based on rates as allowed by the Inland Revenue Department.
