### ESTATE OF JOHN LOGAN CAMPBELL

#### Notice of Application for Approval of a Scheme

*Under the Charitable Trusts Act 1957*

CIV-2014-404-1169

Notice is hereby given that the trustees of the estate of **John Logan Campbell**, a charitable trust registered under the Charities Act 2005 as CC27100, have made application to the High Court at Auckland for the approval of a scheme under section 34 of the Charitable Trusts Act 1957.

The application is to be heard before the High Court at Auckland on Monday 28 July 2014 at 10.00am.

The trust's charitable purposes include distributing the income each year as directed by the will of **Sir John Logan Campbell**, testator, for which probate was issued on 29 July 1912.

Generally, charitable objects will fall into the categories of relief of poverty, advancement of education and other purposes beneficial to the community.

The scheme proposes to extend the investment powers of the trustees.

The investment powers sought are standard investment powers under the Trustee Act 1956 appropriate to the standard of a prudent trustee and reflect current best practice in terms of the management of trust funds.

Any person desiring to oppose the application is required to give written notice of intention to do so to the Registrar of the High Court at Auckland, the Attorney-General and to the trustee at the address below not less than seven clear days before the date of the hearing.

This notice is given by DLA Phillips Fox, Level 22, 205 Queen Street, Auckland 1010 (*Attention: John Hannan*) acting for the applicant, trustees of the estate of **John Logan Campbell**.

## **Social Security Act 1964**

### **Maximum Contribution Applying in Each Territorial Local Authority Region from 1 July 2014**

Under section 152 of the Social Security Act 1964, the Director-General of Health is required to notify the maximum contribution that applies in each region for long-term aged residential care.

The maximum contribution is the maximum weekly amount (inclusive of GST) that a resident assessed as requiring long-term residential care (through a needs assessment and service coordination agency) is required to pay for contracted care services provided to them in the region in which their rest home or continuing care hospital is located.

Contracted care services are services provided to needs-assessed people in a rest home or continuing care hospital that has a contract with a district health board.

The services provided are those necessary to meet the person's assessed care needs in accordance with the agreement between the district health board and the residential care provider.

This agreement covers residents who are:

- eligible for the residential care subsidy (under section 141 of the Act); or
- entitled to have funding paid to cover the difference between the maximum contribution and the cost of contracted care services provided to them (under section 140 of the Act).

The maximum contribution is the same for all residents regardless of the type of contracted care services they receive.

The maximum contribution set by this notice applies from 1 July 2014 and replaces the previous maximum contribution notice published in the *New Zealand Gazette*, 27 June 2013, No. 83, page 2231.

It is equivalent to the most recent, nationally agreed, rest home contract price applying to residential care facilities in each territorial local authority region.

The maximum contribution will change only when a new maximum contribution is gazetted.

New maximum contributions will reflect changes to rest home contract prices that usually result from the annual review of the residential care contract between district health boards and residential care providers.

The daily GST exclusive contract price for rest home services has been increased by 1%, GST has been added and the result has been multiplied by seven to determine the new maximum contribution. The calculations are rounded to two decimal places at each step.

### Canterbury Earthquake Recovery Act 2011

---

#### Direction to Develop a Lyttelton Port Recovery Plan

Pursuant to section 16(4) of the Canterbury Earthquake Recovery Act 2011, the Minister for Canterbury Earthquake Recovery gives the following notice.

#### Notice

1. **Title**—This notice is a direction to develop a Lyttelton Port Recovery Plan.
2. **Direction**—Pursuant to section 16(1) of the Act, I direct Lyttelton Port Company Limited and Canterbury Regional Council to develop a Lyttelton Port Recovery Plan in accordance with the process set out in this direction.
3. **Responsible Entities' Roles**
  - 3.1 Lyttelton Port Company Limited must provide Canterbury Regional Council with all necessary information to enable it to prepare a preliminary draft Lyttelton Port Recovery Plan.
  - 3.2 Canterbury Regional Council must develop a draft Lyttelton Port Recovery Plan for public notification by the Minister for Canterbury Earthquake Recovery.

#### **4. Geographic Extent**

- 4.1 The Recovery Plan must focus on Lyttelton Port and the surrounding coastal marine area as illustrated generally on Map A. (Refer to the website [cera.govt.nz/news](http://cera.govt.nz/news) for more detail and a copy of Map A). This area includes all land in the Lyttelton Port area owned, occupied or used by Lyttelton Port Company Limited at the date of this direction, pockets of land within that geographic area under separate ownership and the area of Norwich Quay.
- 4.2 Canterbury Regional Council may include other land or areas within the geographic extent of the Lyttelton Port Recovery Plan, if it considers it necessary after consulting the following agencies: Christchurch City Council, Waimakariri District Council, Selwyn District Council, Department of Conservation, New Zealand Transport Agency and Te Rūnanga o Ngāi Tahu.
- 4.3 In developing the draft Lyttelton Port Recovery Plan, Canterbury Regional Council must consider issues and effects that may occur outside of the geographic extent of the Recovery Plan, including matters relating to land use and transport associated with the recovery of Lyttelton Port, the social, economic, cultural and environmental well-being and effects on surrounding communities and Lyttelton harbour, and wider transportation issues across greater Christchurch.

#### **5. Matters to be dealt with**

- 5.1 The matters to be addressed by the Lyttelton Port Recovery Plan must include, but are not limited to:
- 5.1.1 The recovery of the damaged port, including the repair, rebuild and reconfiguration needs of the port, and its restoration and enhancement, to ensure the safe, efficient and effective operation of Lyttelton Port and supporting transport networks;
- 5.1.2 The social, economic, cultural and environmental well-being of surrounding communities and greater Christchurch, and any potential effects with regard to health, safety, noise, amenity, traffic, the coastal marine area, economic sustainability of Lyttelton town centre and the resilience and well-being of people and communities including the facilitation of a focused, timely and expedited recovery;
- 5.1.3 Implications for transport, supporting infrastructure and connectivity to the Lyttelton town centre, including, but not limited to, freight access to the port, public access to the inner harbour and the location of passenger ferry terminals and public transport stops;
- 5.1.4 The needs of users of Lyttelton Port and its environs, including, but not limited to, iwi, importers and exporters, cruise ship passengers and crew, tourism operators and customers, commercial fishers, recreational users and public enjoyment of the harbour and well-being of communities.
- 5.2 If Canterbury Regional Council considers that amendments to documents and instruments prepared under other legislation, including the Resource Management Act 1991, Local Government Act 2002 and the Land Transport Management Act 2003, may be necessary for implementation of the Lyttelton Port Recovery Plan it must state and describe the nature of those amendments. The Lyttelton Port Recovery Plan may identify programmes of further work to be undertaken before specific amendments are proposed.
- 5.3 Canterbury Regional Council must ensure provisions of the Lyttelton Port Recovery Plan are consistent with the Land Use Recovery Plan and the Christchurch Central Recovery Plan, and must have regard to any other recovery plans that are in force or being developed. It must consult with the Canterbury Earthquake Recovery Authority to ensure that the Lyttelton Port Recovery Plan is consistent with and supports existing or developing Recovery Plans.
- 5.4 The Lyttelton Port Recovery Plan must include a statement of the possible funding implications of its implementation and indicate the possible sources of funding. This may include the identification of options of different funding sources.
- 5.5 The Lyttelton Port Recovery Plan may not direct or implement changes to documents or instruments prepared under other legislation in relation to the re-opening of Sumner Road/Evans Pass; Lyttelton Town Centre and the Lyttelton Suburban Centre Masterplan; and the provision of Christchurch City Council community facilities (for example libraries) within Lyttelton town centre.

#### **6. Development of Lyttelton Port Recovery Plan**

- 6.1 Pursuant to section 19(1) of the Canterbury Earthquake Recovery Act 2011, and having regard to the matters in section 19(2) of the Act, I direct that the Lyttelton Port Recovery Plan is to be developed in the following manner, including the following consultation requirements:

##### **Lyttelton Port Company Limited**

- 6.2 Lyttelton Port Company Limited must undertake appropriate consultation with relevant communities and interested persons to inform and seek feedback on its proposals, including but not limited to:
- 6.2.1 Lyttelton Port Company Limited's long-term vision for the efficient, timely and effective repair, rebuild and restoration and enhancement of Lyttelton Port; and
- 6.2.2 The scope of, and matters to be addressed in, technical reports necessary to explain and justify the long-term vision, proposed activities and any amendments to existing instruments and strategies for recovery purposes.
- 6.3 Canterbury Regional Council may require Lyttelton Port Company Limited to undertake further consultation or engagement if it considers the process to be inadequate to properly inform the preparation of the draft Lyttelton Port Recovery Plan.
- 6.4 Lyttelton Port Company Limited's consultation must include, as a minimum, targeted stakeholder workshops. It must also undertake consultation in an appropriate manner with Te Rūnanga o Ngāi Tahu. A consultation strategy should be prepared with advice from Canterbury Regional Council, Christchurch City Council, Department of Conservation, Te Rūnanga o Ngāi Tahu and New Zealand Transport Agency.
- 6.5 Lyttelton Port Company Limited must provide Canterbury Regional Council with all necessary information to enable preparation of a preliminary draft Lyttelton Port Recovery Plan, commensurate with the scale and significance of the

recovery task and the complexity and interrelated nature of the recovery. This must include information to address the matters in clause 5 of this direction, and must also include, but is not limited to:

- 6.5.1 A port redevelopment plan, clearly illustrating and describing the necessary repair, rebuild, reconfiguration, restoration and enhancement proposals to facilitate recovery, including timing and sequencing of recovery activity;
  - 6.5.2 Amendments to relevant instruments considered necessary to facilitate recovery;
  - 6.5.3 All relevant technical reports to support proposed amendments to relevant instruments, to the satisfaction of Canterbury Regional Council;
  - 6.5.4 A Cultural Impact Assessment;
  - 6.5.5 The first phase of an "Impact Assessment", as required by section 7.1 of the Recovery Strategy for Greater Christchurch – Mahere Haumanatunga o Waitaha;
  - 6.5.6 An assessment of the proposal against the Canterbury Earthquake Recovery Act 2011, relevant considerations of the Resource Management Act 1991, the New Zealand Coastal Policy Statement 2010, the Mahaanui Iwi Management Plan and other relevant statutory and non-statutory plans;
  - 6.5.7 A report on consultation undertaken. That report must list the parties consulted, state how consultation was undertaken, and summarise the information received and how it influenced the preparation of information and redevelopment plans; and
  - 6.5.8 A statement on staging and funding of the restoration and enhancement of Lyttelton Port, including implementation of relevant actions to effect recovery.
- 6.6 This information must be provided to Canterbury Regional Council within four months after the date of this direction. If the necessary and sufficient information is not provided in accordance with clause 6.5 of this direction to the satisfaction of Canterbury Regional Council within the specified time period, Canterbury Regional Council may request further information from Lyttelton Port Company Limited.

#### **Canterbury Regional Council**

- 6.7 Canterbury Regional Council must develop a draft Lyttelton Port Recovery Plan for public notification by the Minister for Canterbury Earthquake Recovery within nine months after receiving all necessary information from the Lyttelton Port Company Limited. This time period does not commence until all information required by Canterbury Regional Council is received from Lyttelton Port Company Limited.
- 6.8 Canterbury Regional Council must develop the draft Lyttelton Port Recovery Plan in consultation with Christchurch City Council, Selwyn and Waimakariri District Councils, Te Rūnunga o Ngāi Tahu, New Zealand Transport Agency, Department of Conservation and Canterbury Earthquake Recovery Authority.
- 6.9 Canterbury Regional Council may consult to the extent it considers necessary with Lyttelton Port Company Limited and any central government department.

#### **Hearing on preliminary draft Lyttelton Port Recovery Plan**

- 6.10 Canterbury Regional Council must consult on a preliminary draft Lyttelton Port Recovery Plan before providing the draft Lyttelton Port Recovery Plan to the Minister for Canterbury Earthquake Recovery. Canterbury Regional Council must provide for an appropriate hearing process to inform decision making before finalising the draft Lyttelton Port Recovery Plan. In particular:
  - 6.10.1 Canterbury Regional Council must call for written submissions (such written submissions may include or attach expert opinion, technical information and any other relevant information) and must provide an opportunity to be heard in support of any submissions.
  - 6.10.2 The composition of any hearing panel and any matters not prescribed by this direction shall be at the discretion of Canterbury Regional Council.
  - 6.10.3 Any allocation of time to those parties being heard by a hearing panel (either personally or through representatives) on their written submissions shall be at the discretion of the hearing panel and must take into account the need for a focused, timely and expedited recovery.
  - 6.10.4 In conducting a hearing, the hearing panel must:
    - 6.10.4.1 Avoid unnecessary formality;
    - 6.10.4.2 Not permit any person other than a member of the hearing panel to question any person being heard; and
    - 6.10.4.3 Have regard to tikanga Māori and the New Zealand Disability Strategy.
  - 6.10.5 The hearing panel shall not make a decision but must make a report and provide recommendations to Canterbury Regional Council on the matters heard and considered. Canterbury Regional Council must consider these recommendations but is not bound by them.
- 6.11 Canterbury Regional Council must satisfy itself that a sufficient assessment of technical information and the views of the public have been undertaken, and provide a report to the Minister on how it informed its decision making on the content of the draft Lyttelton Port Recovery Plan, and the reasons for reaching its decisions.

#### **7. Making Information available**

- 7.1 At all stages during the development of the preliminary and draft Lyttelton Port Recovery Plan, Lyttelton Port Company Limited and Canterbury Regional Council must ensure that public information relevant to the preparation of the draft Lyttelton Port Recovery Plan is freely and easily available.

#### **8. Other Recovery Plans**

- 8.1 The Christchurch Central Recovery Plan and the Land Use Recovery Plan are the other Recovery Plans in force.

#### **9. Minister for Canterbury Earthquake Recovery**

- 9.1 Upon receipt of the draft Lyttelton Port Recovery Plan from Canterbury Regional Council, the Minister for Canterbury Earthquake Recovery intends to publicly notify it, in accordance with section 20 of the Canterbury Earthquake Recovery Act 2011. Written comments will be invited from the public.

Dated at Wellington this 18th day of June 2014.

HON GERRY BROWNLEE, Minister for Canterbury Earthquake Recovery.

## Ministerial Direction on Continued Eligibility for Social Housing

Pursuant to section 102(2)(b) of the Housing Restructuring and Tenancy Matters Act 1992 ("Act"), the Minister of Finance, the Minister of Housing and the Minister for Social Development ("joint Ministers"), after consultation with the Agency appointed under section 100 of the Act and the Regulatory Authority appointed under section 159 of the Act, give the following direction to the Agency.

#### Direction

**1. Title**—This direction is the Ministerial Direction on Continued Eligibility for Social Housing.

**2. Commencement**—This direction comes into force on **1 July 2014**.

**3. Interpretation**—In this direction, unless the context otherwise requires:

**accessibility** means whether a person has access to housing other than social housing.

**agency** means the social housing agency or agencies appointed under section 100 of the Housing Restructuring and Tenancy Matters Act 1992.

**affordability** means whether a person, including any other person who would, together with the person, be an applicable person in relation to any social housing that may be allocated to the person, can afford (with any financial assistance and resources available to them) suitable housing, other than social housing, in accordance with the calculation in Schedule 1.

**applicable person**, in relation to any social housing, means every person to whom the housing is or is to be let, and includes every person who is the spouse or partner of such a person.

**main benefit** means a **main benefit under this Act** as defined in section 3(1) of the Social Security Act 1964.

**ordinarily resident in New Zealand**, in relation to any person, does not include being unlawfully resident in New Zealand.

**social housing** means Housing New Zealand housing or community housing.

**sustainability** means the likelihood of a person being able to retain housing other than social housing, taking into account factors such as a person's money management skills and social skills, and history of transience.

**4. Continued Eligibility for Social Housing**—(1) For a person to continue to be eligible to be allocated social housing he or she:

- (a) must meet the residency qualifications in clause 5; and
- (b) must meet the income and asset thresholds in clause 6, except as provided for in subclause 6.3; and
- (c) must have a housing need of a kind set out in clause 7.

**5. Residential Qualifications**—(1) The basic residential qualifications are that the person is ordinarily resident in New Zealand and:

- (a) is a New Zealand citizen; or
- (b) is a permanent resident who has been in New Zealand for more than two years since he or she became a permanent resident.

(2) A person is deemed to have met the basic residential qualifications in subclause 5.1 if he or she is eligible for, and receiving, a main benefit.

**6. Income and Asset Thresholds**—(1) A person must continue to meet the income and asset thresholds in Schedule 2.

(2) The income and assets of a person include the income and assets of any other person who would, together with the person, be an applicable person in relation to any social housing that may be allocated to the person.

(3) Where a person does not continue to meet the income and asset thresholds in subclause 6.1 but continues to meet the criteria in clause 7, the agency may, in its discretion, determine that person as eligible for social housing.

(4) Despite the definition of cash assets in section 61E of the Social Security Act 1964, if the agency is satisfied that a person, including an applicable person, has not realised any assets available for the personal use of the person or the applicable person, the agency may treat those assets as the cash assets of the person or applicable person for the purposes of Schedule 2.

**7. Housing Need**—(1) A person must continue to have a persistent housing need that is:

- (a) serious; or
- (b) severe and must be addressed immediately.

(2) In determining whether a person continues to have a housing need in subclause 7.1, the agency must have regard to the following factors:

- (a) Affordability;
- (b) accessibility;
- (c) sustainability.

## Schedule 1

### Calculation of Affordability Formula

A reference to “person” includes any other person who would, together with the person, be an applicable person in relation to any social housing that may be allocated to the person.

Step number	Description	Total \$
Step 1	Calculate net <sup>1</sup> weekly income of the person (including the weekly rate of any family tax credit received)	Total A – income including Family Tax Credit received
Step 2	Calculate lower quartile weekly rent in the area the person needs to live minus the weekly amount of Accommodation Supplement under the Social Security Act 1964 the person may be eligible to receive	Total B – lower quartile rent minus calculated Accommodation Supplement
Step 3	Subtract Total B from Total A	Total A - Total B = Total C
Step 4	Divide Total C by the weekly unabated rate of main benefit the person is receiving or would receive for that household type (including any Family Tax Credit) x 100	Residual income %

## Schedule 2

### Income and Asset Thresholds

#### Part 1. Income

(a) For single persons who have no spouse or partner and no dependent children:

- (i) 1.5 x the net<sup>2</sup> weekly living alone rate of New Zealand Superannuation set out in Schedule 1, clause 1(a) of the New Zealand Superannuation and Retirement Income Act 2001.

(b) For any other persons:

- (i) 1.5 x the net<sup>3</sup> weekly married rate of New Zealand Superannuation set out in Schedule 1, clause 1(c) of the New Zealand Superannuation and Retirement Income Act 2001.

#### Part 2. Assets

A person must have cash assets (within the meaning of section 61E of the Social Security Act 1964) under 10% of the national median house price as determined and updated by the Agency, from time to time, with reference to the Real Estate Institute of New Zealand (REINZ).

Dated at Wellington this 11th day of June 2014.

HON BILL ENGLISH, Minister of Finance.

HON PAULA BENNETT, Minister for Social Development.

HON DR NICK SMITH, Minister of Housing.

**Explanatory Note**

*This note is not part of the direction, but is intended to indicate its general effect.*

*This direction by the joint Ministers sets the continued eligibility criteria for social housing. The Ministry of Social Development as the Social Housing Agency will use the affordability, accessibility and sustainability criteria along with the residential qualification and income and asset threshold criteria to review and determine continued eligibility for existing tenants.*

*This direction is effective from 1 July 2014.*

### Crown Entities Act 2004

---

#### **Directions to Support a Whole-of-Government Approach, Given to the House of Representatives by the Minister of State Services and the Minister of Finance Under Section 107 of the Crown Entities Act 2004**

##### **Direction regarding procurement functional leadership**

The Minister of State Services and the Minister of Finance, pursuant to section 107 and subject to the provisions of section 113 of the Crown Entities Act 2004, direct all entities subject to a direction as a group under section 107(2) and section 107(2A) of the Act, except school boards of trustees, as follows:

In order to complement procurement functional leadership in supporting a whole-of-government approach to procurement policy and practice, and in order to secure economies and efficiencies and develop procurement expertise and capacity, all entities subject to a direction under section 107(2) and section 107(2A) of the Crown Entities Act 2004, except school boards of trustees, are directed to apply the Government Rules of Sourcing (as amended and published from time to time with approval by Ministers), with effect from 1 February 2015.

The entities are further directed to be guided by the Ministry of Business, Innovation and Employment, as procurement functional leader, in any issues arising in the application of the Rules.

##### **Direction regarding ICT functional leadership**

1. The Minister of State Services and the Minister of Finance, pursuant to section 107 of the Crown Entities Act 2004, direct the entities as follows:

(a) in relation to the Government Chief Information Officer's (GCIO) mandate for functional leadership of government ICT:

(i) entities must secure the agreement of the GCIO to strategic ICT plans and ICT investment intentions before finalising or implementing them;

(ii) entities must:

(A) when they have a need for goods or services available through the relevant capabilities; and

(B) either do not have current contracts for such goods or services or have such contracts that expire or can be terminated without penalty (for example at the end of a current contract term),

adopt, where relevant within timeframes negotiated with the GCIO:

(C) the mandatory ICT common capabilities; and

(D) any new ICT common capabilities contemplated by the Government ICT Strategy and Action Plan to 2017 that the GCIO and head of State Services specify jointly are mandatory for departments (pursuant to the power of specification to this effect conferred on them by Cabinet (CAB Min (12) 35/4C refers)) (the effect of this clause 1(a)(ii)(D) is that a joint specification by the GCIO and head of State Services to departments applies automatically, under this direction, to entities).

(iii) if an entity wishes to be exempt from the requirement to adopt:

(A) a mandatory ICT common capability; or

(B) any new mandated ICT common capability, the entity must secure the agreement of the GCIO or, failing that, the head of State Services or, failing that, the Minister of State Services and the Minister of Finance.

(b) in relation to the GCIO's ICT assurance function, the entities must:

(i) if the GCIO requests, provide any information to the GCIO for the purpose of ICT assurance; and

(ii) if issues of concern are raised about ICT assurance, work directly with the GCIO on those issues,

except to the extent that any requirement in this clause 1 would be inconsistent with section 113 of the Crown Entities Act 2004 and provided that district health boards shall not be required to comply with clause 1(b) of this direction before 1 July 2015.

2. For Crown agents that are entities, this direction supersedes and replaces the whole-of-government direction regarding all-of-government shared authentication services dated the 21st day of July 2008, *New Zealand Gazette*, 18 September 2008, No. 141, page 3844. To avoid doubt, that earlier direction continues to apply to Crown agents that are not entities.

3. For the purposes of this direction:

(a) "entities" means the Crown entities that are the subject of this direction, being the Accident Compensation Corporation, district health boards, the Earthquake Commission, the Housing New Zealand Corporation, the New Zealand Qualifications Authority, the New Zealand

Transport Agency, New Zealand Trade and Enterprise, and the Tertiary Education Commission;

- (b) “Government ICT Strategy and Action Plan to 2017” means the document by that name (as may be updated from time to time) available at [www.ict.govt.nz](http://www.ict.govt.nz);
- (c) “ICT” includes information management, technology infrastructure, and technology-enabled business processes and services; and
- (d) “mandatory ICT common capabilities” means the ICT common capabilities that Cabinet has directed departments to adopt, being one.govt, Infrastructure-as-a-Service, and the login and identity verification services of RealMe (formerly igovt) (SEC Min (12) 10/2) and the security and privacy panel (SEC Min (13) 2/6).

#### **Direction regarding property functional leadership**

The Minister of State Services and the Minister of Finance, pursuant to section 107 of the Crown Entities Act 2004, direct all Crown agents<sup>1</sup>, except district health boards and the New Zealand Blood Service, to comply with the mandate of the Functional Leader for Property, or their delegated agent<sup>2</sup>, as it:

- (a) includes office and public interface areas<sup>3</sup>, but
- (b) excludes operational areas, and areas under the direct control of a Crown agent’s investment function and not occupied by the Crown agent itself.

This direction takes effect on 1 July 2014 as follows:

1. Crown agents will cooperate with the Property Management Centre of Expertise (PMCoE), as agent of the Functional Leader for Property, as it consults to develop or update property strategies, principles, standards, tools and processes that will prescribe how Crown agents will develop and manage their individual property strategies. In developing or updating these instruments, the PMCoE must give effect to the national property strategy (including principles) and standards, as approved by Ministers.
2. Crown agents must obtain the approval of the Functional Leader for Property or their delegated agent before entering into contracts for acquisition or disposal (in part or full) of leased or owned office accommodation or public interface accommodation. When deciding whether to give an approval, the Functional Leader for Property, or their delegated agent, must have regard to the Crown agent’s operational requirements as detailed in the Crown agent’s Strategic Property Plan, and must base the decision on the instruments developed in paragraph 1 above.

3. Crown agents are required to comply with standards, tools and processes that have been developed and updated by the Functional Leader for Property, or their delegated agent, where these have been approved by the relevant authority for each standard, tool or process.
4. Crown agents are responsible for developing agency strategic property plans every two years that align with strategies, principles and standards developed by the Functional Leader for Property, for approval by the PMCoE.
5. Crown agents must, at the soonest practicable opportunity, implement an average workplace density of 12–16 square metres per full-time equivalent. Examples of the soonest practicable opportunity are when the Crown agents are relocating offices, developing or changing office fit-outs, or where lease terms allow.
6. Crown agents will adopt and use the integrated workplace management system (IWMS) approved by the Functional Leader for Property, or their delegated agent<sup>4</sup>, to populate and maintain property data as required by the Functional Leader for Property, or their delegated agent.
7. Crown agents must use common capability contracts<sup>5</sup> for property-related goods and services established by the Functional Leader for Property, or their delegated agent, as existing contractual commitments allow.
8. Crown agents must contribute to any PMCoE cost-recovery model approved by Ministers, which may be updated from time to time in accordance to changes in actual operating costs.
9. Crown agents may agree with the PMCoE to transfer property management functions, including the operation and use of the IWMS, to the PMCoE (or their outsourced providers) on a cost-recovery basis.

Nothing in this direction applies to the extent that any requirement would be inconsistent with section 113 of the Crown Entities Act 2004.

Dated at Wellington this 22nd day of April 2014.

### **Electricity (Safety) Regulations 2010**

---

#### **Electricity Regulations (Prohibited Electrical Appliances – Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653, Produced Prior to May 2012) Notice 2014**

Pursuant to Regulation 87 of the Electricity (Safety) Regulations 2010 (“the Regulations”), I, Brett Murray, General Manager, High Hazards and Specialist Services, WorkSafe New Zealand, give the following notice.

**Notice**

**1. Short title and commencement**—(1) This notice is the Electricity Regulations (Prohibited Electrical Appliances – Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653, Produced Prior to May 2012) Notice 2014.

(2) This prohibition is to take effect on and from the date following the date of publication of this notice in the *New Zealand Gazette*.

**2. Prohibited equipment**—The sale (including offer to sell), and use of the electrical appliances, being “Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653, produced prior to May 2012”, as prescribed in this notice, are prohibited.

**3. Description**—(1) The Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653, produced prior to May 2012 (“prohibited appliances”) to which this notice applies are products that are used in domestic housing to transfer excess hot air produced by heaters in one room to other rooms and intended to be mounted in the roof space, further described below.

(2) Weiss Heat Transfer Systems have been sold nationally by Mitre 10. The prohibited appliances may also have been available elsewhere in New Zealand.

(3) The prohibited appliances have known markings that include “WEISS IN JUNCTION FAN UNIT”, “230-240V 50Hz”, “Climate Class T”, “AS/NZS 60335.2.89”, “IPX2”, “AIRFLOW DIRECTION” and includes the Class II double insulation symbol.

(4) The approximate overall dimensions of the prohibited appliances, being the In Junction Fan Unit and excluding the ducting and associated fittings, are: 32 x 42 x 18 cm.

(5) The prohibited appliances have a red or green coloured plastic enclosure. Mounted on top of this enclosure is a black plastic terminal box upon which the rating label is found. The unit has a single air inlet opening and either two or three air outlets depending upon the model. Fans are located internally in each outlet and, for the FV602 and FV603 models only, also internally on the air inlet.

(6) Other units, and Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653 that were produced after May 2012, are not subject to this prohibition, and can be distinguished from prohibited appliances by a white and black warning label mounted on an outlet that states “Mount this fan unit as close to the outlet vents as possible” and “DONT COVER WITH INSULATION”.

(7) The prohibited appliances do not have the label referred to in 3(6).

(8) Figure 1 below shows a view of one sample of the (three outlet) Weiss Heat Transfer System Model FV603, produced for identification purposes of later non-prohibited units. This item looks identical to prohibited appliance Model FV603 except for additional label close-up shown in Figure 2.

**Figure 1** View of non-prohibited Weiss Heat Transfer System Model FV603.

**Figure 2** Close-up view of label that does not appear on the prohibited appliances.

**4. Details of hazard**—The prohibited appliances being Weiss Heat Transfer System Models FV602, FV603, FV652 and FV653, produced prior to May 2012 are, or may be, electrically unsafe in that:

- The motors used in some of the prohibited appliances have ineffective thermal protection that, in certain circumstances, results in the motor overheating and consequent fires.
- There have been multiple house fires involving prohibited appliances, and there is a significant risk of further fires for equipment of the same construction as those involved in the earlier reported fires.

**5. Reasons for prohibition**—The prohibited appliances described in this notice are, or may be, electrically unsafe, in that there is significant risk that a person may suffer harm as a result of dangers arising from use of, or passage of electricity through, the fittings. The prohibited appliances are non-compliant and electrically unsafe, as defined in Regulation 5 of the Regulations, in that they are not constructed so as to be safe under both normal and abnormal conditions (Regulation 23(1)(b)).

Dated at Wellington this 13th day of June 2014.

BRETT MURRAY, General Manager, High Hazards and Specialist Services, WorkSafe New Zealand.

## Public Works Act 1981

### Easement Taken—Kaikohe to Wiroa Double Circuit 110kV Transmission Line Project, Far North District

LT GEN THE RT HON SIR JERRY MATEPARAE,  
Governor-General

Pursuant to section 26 of the Public Works Act 1981, I, Lieutenant General The Right Honourable Sir Jerry Mateparae, Governor-General of New Zealand, hereby declare the easement in gross over the land described in the First Schedule to be taken for the Kaikohe to Wiroa Double Circuit 110kV Transmission Line Project and vested, pursuant to section 186(2) of the Resource Management Act 1991, in Top Energy Limited on the 14th day after the date of the publication of this Proclamation in the *New Zealand Gazette*.

The terms of the easement are set out in the Second Schedule.

#### North Auckland Land District—Far North District

##### First Schedule

Part Lot 2 DP 197934 (part Computer Freehold Register NA126A/591); marked “A” on SO 471292 (“easement area”).

##### Second Schedule

#### 1. Grantee’s rights and powers

1.1 The grantee shall have the following rights and powers:

- 1.1.1 To construct the works and to remove, inspect, use, operate, repair, maintain, renew, alter, replace, upgrade, add to and modify the works or any part of the works on the easement area;
- 1.1.2 to convey, conduct, send, distribute, pass, convert, transport, transmit and receive electricity and telecommunications signals and computer media by means of the works;
- 1.1.3 to undertake all tests, inspections, investigations and surveys of the easement area that are reasonably necessary for the grantee to exercise its rights under this easement and in so doing the grantee may:
  - (a) drill for core samples and dig test pits;
  - (b) install and maintain testing and monitoring equipment; and
  - (c) take away samples from the easement area for analysis.
- 1.1.4 to enter and remain on the easement area and such other part of the land as is reasonably necessary in the circumstances with or without vehicles, machinery and/or equipment and with such personnel (including its employees, agents, contractors and/or consultants) for the purposes of exercising the grantee’s rights under this easement;
- 1.1.5 to construct, inspect, use, repair, maintain, renew, alter, remove and modify roads and access tracks on the land, to modify adjacent fences (including boundary fences) on the

land and to remove or trim vegetation on the access tracks at the cost of the grantee to the extent that is reasonably necessary for the grantee to exercise its rights under this easement with these rights to be exercised on the following terms:

- 1.1.5.1 Where any new roads and/or access tracks on the land are to be constructed, such will be constructed by the grantee as far as is practicably possible to enhance the land use operations on the land by the grantor;
- 1.1.5.2 if during the course of the construction of the works on the land the grantee uses any existing roads and/or access tracks on the land then these will be repaired and/or maintained as is necessary by the grantee so that at the conclusion of the construction of the works such roads and/or access tracks are left in as nearly as possible the same condition as they were in at the time of first entry onto the land by the grantee;
- 1.1.5.3 if the grantee in the exercise of access to the land for the purposes of inspection, use, repair, maintenance, renewal, alteration, replacement, upgrading, addition to or modification of the works uses roads and/or access tracks on the land, it shall, at the conclusion of such period of access, repair and/or maintain those roads and/or access tracks to ensure that the same are left in as nearly as possible the same condition as they were in at the time of the commencement of the exercise of the grantee’s rights hereunder.
- 1.1.6 to construct gates within fences (including boundary fences) located on the land and to inspect, use, repair, maintain, renew, alter, remove and modify those gates at the cost of the grantee to the extent that is reasonably necessary for the grantee to exercise its rights under this easement;
- 1.1.7 to clear and keep the easement area clear of trees, shrubs, vegetation, structures (including fences), earth, gravel and stone, and to clear and keep such other part of the land as is reasonably necessary in the circumstances clear of any trees, shrubs, vegetation, structures (including fences), soil, earth, gravel and stone which is or is likely to be or become, in the reasonable opinion of the grantee, a danger or hazard to the safety or operation of the works, will impede the grantee’s access to the works, or will otherwise interfere with the grantee’s rights under this easement;
- 1.1.8 to open up the soil of the easement area and excavate or remove timber, vegetation, soil, earth, gravel and stone from the easement area to the extent necessary for the grantee to exercise its rights under this easement; and
- 1.1.9 to temporarily occupy any part of the land that is reasonably necessary in the circumstances in order for the grantee to exercise any of its

rights under this easement including the right to construct the works and, in doing so, the grantee may fence off such part or parts of the occupied area as is reasonably necessary for a temporary period or temporary periods for health and safety purposes (subject to clause 2.1 of this easement).

1.2 In undertaking any one or more of the rights and powers hereby granted, the grantee:

- 1.2.1 may use its nominated employees, agents, consultants or contractors to perform the works;
- 1.2.2 will meet the full costs of the works it undertakes;
- 1.2.3 for the avoidance of doubt, the grantee may enter on to the land and undertake the works on any day of the year including days which are not working days subject to the provisions of the entry notice given by the grantee under clauses 5.1 and 5.2 of this easement.

## 2. Grantee's obligations

2.1 The grantee will use its reasonable efforts to cause as little interference as practical to the grantor, any crops or livestock and any farming activities on the land. The grantee shall, at its expense in all things, make good and reinstate the land as and when same shall require reinstatement to ensure that the land is left in as nearly as possible the same condition as it was at the time of the commencement of the grantee's rights hereunder. In particular, but without limitation, when exercising its rights under this easement, the grantee shall ensure that it leaves all gates as it finds them and reinstates all fences which are taken down so that the grantee does not negatively affect the stock proofing of the land.

2.2 Where any disturbance, damage or loss is incurred or suffered by:

- (a) the grantor; or
- (b) any occupier of the land undertaking, with the grantee's knowledge and in compliance with the terms of this easement, normal farming operations on the land, in particular sharemilking or forestry during any entry onto the land by the grantee to construct, repair, maintain, modify, replace, renew or remove the works or any part of the works, which is not remedied by the grantee under clause 2.1, including for example but without limitation, a business loss in respect of a business located on the land, the grantee shall compensate the grantor or the occupier, as the case may be, for such disturbance, damage or loss.

2.3 The grantee will bear the costs of managing vegetation on the easement area (excluding pasture land) including removing trees and other vegetation but will not be responsible for the cost of controlling weeds or removing any vegetation which is planted by the grantor in breach of this easement.

2.4 The grantee will bear the whole cost of maintaining the works apart from any works which the grantor and grantee have agreed are to become the property of the grantor, and any additional costs resulting from the grantor's breach of this easement for which the grantee can recover the costs under this easement.

2.5 The grantee will provide to the grantor copies of the grantee's plans indicating the proposed access routes

over the land used by the grantee in accessing the works.

2.6 The grantee has no obligation to construct the works or to convey electrical energy and power or telecommunications through them, after construction, continuously or at all, provided that this clause 2.6 shall not derogate from any obligation of the grantee to surrender the easement if the easement is no longer required for a public work under the Public Works Act 1981.

2.7 In the event that the grantee clears the easement area and/or any other part of the land or opens up the soil of same as contemplated by clauses 1.1.7 and/or 1.1.8 hereof, the resulting material shall be removed by the grantee from the land and deposited off-site at the expense in all things of the grantee unless the grantor and the grantee shall otherwise agree.

## 3. Grantor's rights

3.1 Subject to the restrictions set out in this easement, the grantor may use, occupy and enjoy that part of the surface of the easement area which is not occupied by the works for normal farming operations including cropping and horticulture to a maximum height of 2.5 metres and grazing.

## 4. Grantor's obligations

4.1 The grantor must not, without the prior written consent of the grantee (which will not be unreasonably withheld or delayed), do, procure, assist or allow the following to be done:

- 4.1.1 Alter or disturb the present grades and contours of the surface of the easement area except in the course of normal farming and grazing operations (but subject to the restrictions set out in this easement);
- 4.1.2 erect any building or other structure (including fences) on the easement area;
- 4.1.3 plant any vegetation on the easement area (excluding pasture, crops and horticulture to a maximum height of 2.5 metres);
- 4.1.4 operate any equipment or vehicles on the easement area within a minimum clearance distance of four metres from any electricity transmission line conductor;
- 4.1.5 excavate or deposit material on the easement area;
- 4.1.6 impede the grantee's access over the easement area and any access routes over the land or damage the surface of the access routes;
- 4.1.7 knowingly cause or permit flooding of the easement area except where such flooding occurs naturally and is beyond the control of the grantor;
- 4.1.8 light any fires or burn off vegetation within the easement area;
- 4.1.9 do any other thing on the land which may cause damage to the works or endanger the continuity or safety of the supply and distribution of electricity or otherwise impede, interfere with or prejudice any right of the grantee set out in clause 1.1.

## 5. Access

5.1 Where the grantee, together with or through its engineers, consultants, employees, contractors, workmen and anyone else authorised by the grantee, intends to enter upon the land to exercise and give effect to the rights of the grantee as listed in clauses 1.1.1 through 1.1.9 of this easement, the grantee must give at least 10 working days' notice ("entry

notice”) to the grantor except in an emergency situation, when prior notice is not required and the provisions of clause 5.6 of this easement apply.

**5.2** An entry notice is to identify the works the grantee intends to carry out with the entry notice to specify:

- 5.2.1 the location of the proposed entry;
- 5.2.2 the area on which the works will be undertaken by the grantee;
- 5.2.3 the nature of the works to be undertaken;
- 5.2.4 the date and time of initial entry;
- 5.2.5 the length of time that the grantee expects to be on the land; and
- 5.2.6 the nature of all other works that are to be undertaken on the land in accordance with the rights granted pursuant to clause 1.1.

**5.3** Upon receipt of an entry notice from the grantee of its intention to exercise the right of entry provided for in clause 5.1, the grantor may set reasonable conditions relating to the timing of entry and the access route but those conditions may not:

- 5.3.1 delay the exercise of entry by the grantee by more than 15 working days; or
- 5.3.2 require monetary or other consideration; or
- 5.3.3 otherwise defeat the ability of the grantee to exercise effectively the rights granted under this easement.

**5.4** Any dispute between the grantor and the grantee in relation to the terms of the entry notice or of the conditions set by the grantor pursuant to this clause shall constitute a dispute which is to be resolved using the dispute resolution procedure set out in clause 8 of this easement.

**5.5** The grantee, in entering the land, will take all reasonable steps to minimise inconvenience to the grantor, including (but without limitation):

- 5.5.1 the time of entry (unless this is not possible due to an emergency situation);
- 5.5.2 leaving gates as they are found;
- 5.5.3 driving in a safe manner and taking reasonable steps not to disturb stock; and
- 5.5.4 avoiding access through any specific areas within the land which have been identified by the grantor to the grantee unless necessary to access the works, but without limiting the rights of the grantor to claim under clause 2.2 of this easement.

**5.6** Where entry is effected by the grantee due to an emergency situation, the grantee shall as soon thereafter as is reasonable give an entry notice to the grantor such entry notice to be in terms of clause 5.2 of this easement.

**6. Ownership**

**6.1** The works and vehicles or any other property of the grantee will not, for any reason, become the property of the grantor and will at all times remain the property of the grantee, except in relation to any works which the grantee and the grantor agree are to become the property of the grantor.

**6.2** The grantee may transfer, assign, sublet, lease or licence all, but not part, of its rights created by this easement provided that the assignee, sublessee, transferee, lessee or licensee is financially solvent and has the financial resources to meet the grantee’s commitments under this easement.

**7. No power to terminate**

**7.1** There is no power in this easement for the grantor to terminate any of the grantee’s rights due to the grantee breaching any term of this easement or for any other reason.

**8. Dispute resolution**

**8.1** If any dispute arises between the grantor and the grantee concerning the rights and obligations contained within this easement, the parties will enter into negotiations in good faith to resolve the dispute themselves or through any informal dispute process they agree upon.

**8.2** If the dispute is not resolved within 10 working days then any party may at any time serve a mediation notice on the other party requiring the dispute be referred to mediation. The mediation notice shall set out the nature of the dispute. The parties shall in good faith endeavour to agree upon a mediator within five working days of the date of service of the mediation notice. If the parties cannot agree on the mediator, the President for the time being of the New Zealand Law Society (or any successor organisation) or the President’s nominee will appoint an independent mediator. The mediator’s costs are to be borne equally by the parties.

**8.3** If the dispute is not resolved within 20 working days of the date on which the mediation notice is served, the parties will submit to the arbitration of an independent arbitrator appointed jointly by the parties. If the parties cannot agree on the arbitrator within a further 10 working days, the President for the time being of the New Zealand Law Society (or any successor organisation) or the President’s nominee will appoint an independent arbitrator.

**8.4** Any arbitration proceedings will be conducted in accordance with the Arbitration Act 1996 and the substantive law of New Zealand.

**9. Severability**

**9.1** If any part of this easement is held by any Court or administrative body of competent jurisdiction to be illegal, void or unenforceable, such determination shall not impair the enforceability of the remaining parts of this easement.

**10. No waiver**

**10.1** A waiver of any provision of this easement shall not be effective unless given in writing and then it shall be effective only to the extent that it is expressly stated to be given.

**10.2** A failure, delay or indulgence by any party in exercising any power or right shall not operate as a waiver of that power or right. A single exercise or partial exercise of any power or right shall not preclude further exercises of that power or right or the exercise of any other power or right.

**11. Implied rights and powers**

**11.1** The rights and powers implied in specified classes of easements prescribed in the Fourth Schedule to the Land Transfer Regulations 2002 and the Fifth Schedule of the Property Law Act 2007 are negated and the rights and powers contained herein shall apply in substitution.

**12. Definitions**

**12.1** In this easement, unless the context requires otherwise:

- 12.1.1 “construct” means to build, construct, erect, install or lay the works, access tracks, roads, gates and/or fences contemplated by this easement and includes anything that is

reasonably necessary to give full effect to this easement including removing soil and water from the easement area subject always to the provisions of clause 2.7 of this easement;

- 12.1.2 “emergency situation” means a situation in which there is a probable danger to life or property or immediate risk to the continuity or safety of supply or distribution of electricity;
- 12.1.3 “entry notice” means the notice to be given pursuant to clause 5.1 of this easement;
- 12.1.4 “equipment” means cables, lines, wires, cranes, drilling rigs, vehicles, plant, tools and machinery and all material and items required for the purpose of exercising any of the rights under this easement;
- 12.1.5 “grantee” means Top Energy Limited, its successors and permitted transferees, assigns, lessees, sublessees and licensees together with the grantee’s servants, agents, employees, workers, invitees, licensees and contractors with or without vehicles, machinery or equipment;
- 12.1.6 “grantor” means the registered proprietor(s) for the time being of the land;
- 12.1.7 “land” means the servient tenement, which is the land being Lot 2 DP 197934 contained in Computer Freehold Register NA126A/591;
- 12.1.8 “temporary period” or “temporary periods” means such period or periods of time as are reasonable for the sole purpose or purposes of the grantee occupying such part or parts of the land as it requires for the purposes set out in clauses 1.1.1 through 1.1.9 and as detailed in the entry notice;
- 12.1.9 “vehicles” means four-wheel drives, motorbikes, cars and trucks, tractors, trailers, graders, pile drivers, drilling rigs, cranes, helicopters, aircraft, excavation and earthmoving equipment, whether wheeled or tracked;
- 12.1.10 “working day” means any day of the week other than:
- (a) Saturday, Sunday, Waitangi Day, Good Friday, Easter Monday, Anzac Day, the Sovereign’s Birthday, Northland Anniversary Day and Labour Day; and
  - (b) A day in the period commencing on the 24th day of December in any year and ending on the 5th day of January in the following year, both days inclusive.
- 12.1.11 “works” means electrical and telecommunications works and computer media and includes all or any part of any cables (including fibre optic cables), wires, earthwires, conductors, poles, pole structures, insulators, foundations, tunnels, buildings, repeaters, pipes, bridges, ground stays, supports, casings, devices, appliances, antennae, metering devices and other apparatus, structures, fixtures and equipment as are reasonably necessary to give effect to the grantee’s rights under this easement to install and operate an electricity transmission network.

### 13. Interpretation

13.1 In this easement, unless inconsistent with the context:

- 13.1.1 singular includes plural and vice versa;
- 13.1.2 references to “persons” includes references to companies, corporations, partnerships, joint ventures, associations, trusts, government departments or agencies and territorial local authorities;
- 13.1.3 references to the grantor and grantee include their subsidiary or related companies, their permitted assigns and, where appropriate, their employees, contractors, surveyors, invitees and inspectors;
- 13.1.4 references to any statute, Regulation or other statutory instrument or bylaw shall be deemed to be references to the statute, Regulation or instrument or bylaw as from time to time amended and includes substitution provisions that substantially correspond to those to which reference is made;
- 13.1.5 the headings and subheadings appear as a matter of convenience and shall not affect the interpretation of this easement.
