 - (a) The names and a description of the boundaries of the proposed districts, including maps thereof; and
 - (b) a summary, in respect of each proposed district, of the reasons why the boundaries described are being proposed.
 The above descriptions in text and map form can be viewed on: <http://www.elections.govt.nz/mapping/>
2. The Representation Commission will receive written objections to the proposed boundaries, if in the hands of the Commission not later than Tuesday, 5 June 2007.
3. Objections must be in writing and should clearly state:
 - (i) the name, address and telephone contact number (day and night) of the objector;

Notes: Where objection is taken to different proposals of the Commission a separate objection should be filed in respect of each proposal.

A form for making an objection is available at places of inspection and on <http://www.elections.govt.nz>. It is not mandatory to use this form.

Objections and counter-objections may relate to the names of proposed electorates.

5. Late objections cannot be considered, ie those received after Tuesday, 5 June 2007.
6. Objectors to electoral boundaries are requested to relate the grounds of their objection(s), and the precise changes suggested by them, to the following statutory considerations:
All electorates must contain electoral populations varying not more than 5 percent from the following quotas:

	Quota	5% Allowance
North Island General Electorates	57,243	+/- 2,862
South Island General Electorates	57,562	+/- 2,878
Māori Electorates	59,583	+/- 2,979

Within those allowances, the Commission is required by law to give due consideration to certain criteria.

In the case of General electoral districts, these criteria are the existing boundaries of the General electoral districts, community of interest, facilities of communications, topographical features, and any projected variation in the General electoral population of those districts during their life.

In the case of Māori electoral districts, these criteria are the existing boundaries of the Māori electoral districts, community of interest among the Māori people generally and members of Māori tribes, facilities of communications, topographical features, and any projected variation in the Māori electoral population of those districts during their life.

7. All objections will be published in a summary form (which will include the objector's name) and will be open for public inspection for the purpose of allowing counter-objections to be filed. A public notice inviting counter-objections is expected to be gazetted on Thursday, 14 June 2007.

Notice of Making of Electricity Governance Amendment Rules (No. 51) 2007 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992 ("Act"), I notify the amendment of the Electricity Governance Rules 2003 ("Rules") under section 172H of the Act.
2. The empowering provision for the Electricity Governance Regulations in relation to which the amendment to the Rules is made is section 172D(1)(a), (b) and (d) of the Act.
3. The amendment will require the pricing manager to publish demand half-hour metering information each trading day for each trading period of the previous trading day.
