**3. Purpose**—The purpose of this notice is to set out the process by which an independent review panel is to be established to review whether, in developing an import health standard, there has been sufficient regard to the scientific evidence about which a person consulted under section 23(3)(b) of the Biosecurity Act 1993 has raised a significant concern.

**4. Interpretation**—In this notice, unless the context otherwise requires:

**Act** means the Biosecurity Act 1993;

**chief technical officer** means a person appointed a chief technical officer under section 101 of the Act;

**Director-General** means the Director-General of the Ministry for Primary Industries;

**import health standard** includes an amendment to an import health standard;

**independent review panel** means an independent review panel appointed under clause 11; and

**request** means a request made under clause 6.

**5. Establishment of an independent review panel**—

(1) The Director-General may establish an independent review panel for the purposes of section 24 of the Act as a result of accepting a request.

(2) An independent review panel may be established:

(a) after a chief technical officer has completed his or her consultation under section 23(3)(b) of the Act, but before making his or her recommendation to the director-general; or

(b) after a chief technical officer has made his or her recommendation, but before the Director-General issues the import health standard concerned.

**6. Request for review**—(1) A person consulted under section 23(3)(b) of the Act may request the establishment of an independent review panel to review whether, in developing an import health standard, a chief technical officer has had sufficient regard to the scientific evidence, if:

(a) the person raised a significant concern about the scientific evidence when consulted under section 23(3)(b) of the Act; and

(b) the person notifies the Director-General of his or her intention to request a review under clause 7(2).

(2) A request must be made in writing to the Director-General and must:

(a) identify the part of the person's submission that explains the person's significant concern with the chief technical officer's consideration of the scientific evidence;

(b) explain why the person considers that there has been insufficient regard to the scientific evidence; and

(c) include any additional scientific information related to the concern that was not provided to the chief technical officer during consultation.

**7. Timing of request**—(1) The Director-General must give a provisional version of the import health standard to persons consulted under section 23(3)(b) of the Act after consultation on the proposed import health standard has been completed.

(2) A person, who intends to request a review, must notify the Director-General in writing of the person's intention to make a request no later than 10 working days after the Director-General gives the provisional version of the import health standard to the person.

(3) A person, who notifies his or her intention to request a review in accordance with subclause (2), may make a request no later than 20 working days after the Director-General gives a provisional version of the import health standard to the person.

**8. Extension of time**—(1) A person, who intends to request a review, may ask the Director-General for an extension of the time for making a request at the same time as the person notifies his or her intention to make a request under clause 7(2).

(2) The Director-General may waive or extend any time period specified in this notice if he or she considers that it is reasonable to do so in the circumstances.

**9. Decision on request for review**—(1) In considering whether to accept a request for review, the Director-General must take into account:

(a) the extent to which the scientific evidence is or may be material to the measures in the proposed import health standard;

(b) the extent to which the request for review appears to be based on credible scientific evidence;

(c) whether the evidence has been the subject of an earlier review; and

(d) any other relevant matter.

(2) If the Director-General accepts more than one request for review in relation to an import health standard, he or she may treat the requests that are accepted as one request.

(3) If the Director-General refuses a request for review, he or she must give the reasons for the refusal to the persons consulted under section 23(3)(b) of the Act.

(2) The Director-General must appoint one member of the panel as chair.

(3) In appointing persons to a panel, the Director-General must have regard to the need for the panel collectively to have the knowledge, skill, and experience relevant to:

- (a) the area of science that is the subject of the review;
- (b) risk analysis; and
- (c) the conduct of a review.

(4) The Director-General may appoint to the panel a person who has knowledge, skill, or experience in an area other than those listed in subclause (3), if the Director-General considers that the person's expertise would assist the panel in the review.

**12. Terms of reference**—(1) The Director-General must set terms of reference for an independent review panel's conduct of a review.

(2) Before finalising the terms of reference, the Director-General must give a draft of the terms of reference to persons consulted under section 23(3)(b) of the Act for comment.

(3) The persons must send any comments on the draft of the terms of reference to the Director-General no later than the date specified by the director-general.

(3) The panel may seek advice or information relevant to the review from any person.

(4) The panel must consider:

(5) Subject to this clause, a panel may regulate its own procedure.

**15. Reporting**—(1) An independent review panel must report its findings and recommendations to the Director-

## Authorities and Other Agencies of State Notices

### Electricity Authority

#### Electricity Industry Act 2010

##### Notice of the Electricity Industry Participation (Automatic Under-Frequency Load Shedding Systems) Code Amendment 2012

1. Pursuant to section 38 of the Electricity Industry Act 2010 (“Act”), the Electricity Authority (“Authority”) gives notice of the making of the Electricity Industry Participation (Automatic Under-Frequency Load Shedding Systems) Code Amendment 2012.
2. The amendment is made urgently under section 40 of the Act.
3. The amendment comes into force on **3 January 2013** and expires on **2 October 2013**.
4. The amendment amends clause 7 of Technical Code B of Schedule 8.3 of the Electricity Industry Participation Code 2010 (“Code”) to provide that:
  - (a) if the system operator considers that the provision of automatic under-frequency load shedding by any participant as required by the Code will put the system operator’s ability to comply, or plan to comply, with its principal performance obligations at risk, the system operator may publish a declaration to that effect;
  - (b) if the system operator has published a declaration, the system operator may give notice to one or more participants specifying modifications to the extent to which the requirements to provide automatic under-frequency load shedding apply to the participant;
  - (c) the system operator may give a notice to a participant only if the system operator has consulted with the participant, and the participant and the system operator agree that it is reasonably practicable for the participant to comply with the requirements of the notice;
  - (d) a participant to whom a notice is issued must use reasonable endeavours to comply with the requirements of the notice; and
  - (e) a declaration or a notice may be revoked by the system operator.
5. The Authority considers that it is desirable to make the amendment urgently for the following reasons:
  - (a) Transpower is due to carry out commissioning tests on Pole 3 of the HVDC link in January 2013;
  - (b) there is an increased risk of an under-frequency event occurring during testing;
  - (c) the Code requires participants to have an automatic under-frequency load shedding system that enables

automatic disconnection of two large blocks of demand;

- (d) compliance by participants with the automatic under-frequency load shedding requirements during an under-frequency event may result in participants disconnecting more load than needs to be disconnected to respond to the under-frequency event, which could result in the system frequency exceeding acceptable limits, a consequential cascade failure of multiple generating units, and a system blackout during testing;
- (e) the effect of the amendment is that the system operator will be able to modify the automatic under-frequency load shedding system requirements to ensure that participants disconnect only as much load as is necessary to respond to an under-frequency event; and
- (f) a delay in making a Code amendment will mean that the system operator would not be able to modify the requirements for automatic under-frequency load shedding during the testing, and will be unable to effectively manage the risk of a cascade failure occurring during testing as the result of an under-frequency event.

6. A copy of the amendment and the Code is available on the Electricity Authority’s website at [www.ea.govt.nz/act-code-regs/code-regs/code-changes/proposed-amendments/](http://www.ea.govt.nz/act-code-regs/code-regs/code-changes/proposed-amendments/)

7. A copy of the amendment and the Code may also be inspected free of charge or purchased from the Electricity Authority, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.

Dated at Wellington this 20th day of November 2012.

#### Change #1

##### 11.14 Place6 Betting

###### 11.14.1 Interpretation

“**Place6**” is a bet type whereby the Investor endeavours to select a Placed Entrant in each of the six Races as designated by the Board.

“**Dividend Bearing Places**” on a Race that is a leg of a Place6, means the number of parts that the Dividend Pool for Place Betting on that same Race, will be divided and is determined as follows:

- (b) Dividend Bearing Places will be two where the number of Starters is five, six or seven. In such cases the first and second Entrants will be Placed Entrants for the purposes of Place6 betting.

#### Change #2

**APPENDIX 1** is amended with the addition of the “Place6” details in alphabetical order as follows:

BET TYPE	DIVIDEND UNIT	STATUTORY DEDUCTION	DIVIDEND, REFUND, RETURN ROUNDING	PAYOUT ROUNDING	% BETTING ?
