WELLINGTON: FRIDAY, 17 NOVEMBER 2006 — ISSUE NO. 141

MAINPOWER NEW ZEALAND LIMITED

INFORMATION FOR DISCLOSURE

PURSUANT TO
SECTION 57T OF THE COMMERCE ACT 1986

MAINPOWER NEW ZEALAND LTD**Notes to and Forming Part of the Financial Statements
For The Year Ended 31 March 2006****Statement of Accounting Policies Specific to MainPower's Lines Business Activities**Reporting Entity

MainPower New Zealand Limited is a company registered under the Companies Act 1993.

The financial statements have been prepared in accordance with, and for the purposes of, complying with the requirements of the Commerce Act (Electricity Information Disclosure Requirements) Notice 2004, pursuant to Part 4A of the Commerce Act 1986.

MainPower New Zealand Limited is a reporting entity for the purposes of the Financial Reporting Act 1993.

Special Purpose Financial Statements

These financial statements have been prepared for the specific purpose of complying with the requirements of the Commerce Act (Electricity Information Disclosure Requirements) Notice 2004, pursuant to Part 4A of the Commerce Act 1986.

Allocations of the costs, revenues, assets and liabilities of the Company have been made in accordance with the mandatory methodology as required by the Commerce Act (Electricity Information Disclosure Requirements) Notice 2004, pursuant to Part 4A of the Commerce Act 1986.

This approach defines the line business as the company's core business, and makes an assessment of the costs, revenues, assets and liabilities that would be avoided by the line business if all non-core businesses were to cease operation. The costs, revenues, assets and liabilities that would be avoided are allocated to those non-core businesses. Costs, revenues, assets and liabilities that would not be avoided are allocated to the line business.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on an historical cost basis, modified by the revaluation of certain fixed assets, have been followed.

Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

1.1 Fixed Assets and Depreciation

All fixed assets are initially recorded at cost. Distribution assets are subsequently revalued on an Optimised Deprival Valuation (ODV) basis and are revalued at least once every three years.

Distribution assets were revalued by PricewaterhouseCoopers on an Optimised Deprival Valuation (ODV) basis as at 31 March 2004.

Depreciation is provided on all tangible fixed assets at rates that will allocate the assets' cost or valuation, to their residual values, over their estimated useful lives. All other assets are depreciated on a diminishing value basis.

Depreciation rates for major classes of assets used in the preparation of the financial statements are based on periods not exceeding:

Distribution System	-	70 years
Motor Vehicles	-	5 years
Plant and Equipment	-	14 years
Office Furniture and Equipment	-	10 years

The electricity distribution system economic lives have been set consistent with the Ministry of Economic Development's ODV Handbook. The economic lives range from 15 – 70 years for the different components of the distribution system.

Gains and losses on disposal of fixed assets are taken into account in determining the operating result for the year.

MAINPOWER NEW ZEALAND LTD**Notes to and Forming Part of the Financial Statements
For The Year Ended 31 March 2006****1.2 Income Tax**

The income tax expense charged to the Statement of Financial Performance includes the current year's provision after allowing for permanent differences. Deferred taxation is determined on a partial basis using the liability method. Deferred tax assets attributable to timing differences or tax losses are only recognised if there is virtual certainty of realisation.

1.3 Goods and Services Tax

The financial statements have been prepared exclusive of goods and services tax (GST) with the exception of receivables and payables which include GST invoiced.

1.4 Allocation of Costs, Revenues, Assets and Liabilities

The allocation of costs, revenues, assets and liabilities are in accordance with Requirement 6 of the Commerce Act (Electricity Information Disclosure Requirements) Notice 2004, pursuant to Part 4A of the Commerce Act 1986.

1.5 Business Accounting Separation**Lines Business**

The Lines business provides and maintains the electricity distribution network throughout the North Canterbury and Kaikoura regions.

1.6 Rebate Shares**i) Redemption**

Rebate Shares are only held by Qualifying Customers and the Trustees of the MainPower Trust. They are not transferable and are subject to compulsory redemption at a nominal value of ten (10) cents when a person ceases to be a Qualifying Customer of MainPower.

ii) Rebates

The Rebate Share entitles a Qualifying Customer to a rebate of fixed and variable distribution line charges. The accumulated rebate paid to Qualifying Customers is disclosed separately in the Statement of Financial Performance.

1.7 Capital Contributions

Where Distribution System network assets are gifted to MainPower in recognition of MainPower accepting responsibility for the continued maintenance of those assets, MainPower recognises the gift as income and treats the asset as an addition to the company's asset base.

1.8 Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

MAINPOWER NEW ZEALAND LTD**Lines Business****Notes to and Forming Part of the Financial Statements
For The Year Ended 31 March 2006****11. Transactions with Related Parties****(i) MainPower Trust**

The major related party of MainPower is the MainPower Trust and during the current financial year there were no related party transactions and no related party debts written off or forgiven and no transaction took place at nil or nominal value.

(ii) MainPower Contracting Limited

MainPower Contracting Limited is a wholly owned subsidiary. MainPower Contracting is recognised as a leading power systems contractor, and undertakes a wide range of electricity network construction and maintenance for MainPower and for the contestable power systems contracting market as a whole.

There were no related party debts written off or forgiven and no transaction took place at nil or nominal value.

The amount owing by MainPower New Zealand Limited to MainPower Contracting Limited at balance date was \$877,857 (2005 \$796,455) while the amount owing by MainPower Contracting Limited to MainPower New Zealand Limited at balance date was \$23,057 (2005 \$15,703). Both amounts are payable on normal trading terms.

MainPower Contracting Limited provides contracting services to MainPower New Zealand Limited, the value of which amounted to \$7,510,427 (2005 \$6,972,150).

End of year work in progress amounts to \$184,902 (2005 \$78,285).

The following services were supplied by MainPower Contracting Limited to the Lines Business.

	2006	2005
	\$000	\$000
1. Asset Maintenance	2,459	3,157
2. Meter Maintenance	2	3
3. Load Control Maintenance	23	36
4. Construction of Distribution Substations	519	252
5. Construction of Distribution Transformers	1,318	1,475
6. Construction of Low Voltage Reticulation	1,121	999
7. Construction of Distribution Lines and Cables	1,766	927
8. Construction of Subtransmission Assets	-	-
9. Construction of Other System Assets	29	48
10. Construction of Medium Voltage Switchgear	-	-
11. Construction of Zone Substations	-	-
12. Consumer Connections and Disconnection	-	-

(iii) VirCom Energy Management Services Limited

VirCom Energy Management Services Limited from time to time will provide contracting services to MainPower New Zealand Limited, the value of which amounted to \$129,913 (2005 \$105,364).

There were no related party debts written off or forgiven and no transaction took place at nil or nominal value. The amount owing by MainPower New Zealand Limited to VirCom Energy Management Services Limited at balance date was \$15,558 (2005 \$9,139) while the amount owing by VirCom Energy Management Services Limited to MainPower New Zealand Limited at balance date was \$20,524 (2005 \$5,645). Both amounts are payable on normal trading terms.

12. Reconciliation of Net Surplus to Net Cash Inflow from Operating Activities

	2006 \$000	2005 \$000
Reported Surplus After Taxation	5,251	4,081
Non Cash Items		
Depreciation	5,773	5,409
Customer Contributions	(4,156)	(3,842)
Movement in Gratuities	30	17
Redemption of Shares	(1)	-
	1,646	1,584
Movements in Working Capital Items		
(Increase)/Decrease Accounts Receivable	(116)	(922)
Increase/(Decrease) Accounts Payable	21	875
	(95)	(47)
Net Cash Inflow from Operations	6,802	5,618

13. Financial Instruments

Credit Risk: Financial instruments which potentially subject the company to concentrations of credit risk principally relate to bank deposits and receivables. Bank deposits are placed with high credit quality financial institutions. Concentrations of credit risk with respect to Receivables are subject to normal terms of trade. Regular monitoring of receivables is undertaken.

Foreign Exchange and Currency Instruments: The Company is not exposed to foreign exchange or currency risk.

Off-Balance Sheet Financial Instruments: The Company does not have any off-balance sheet financial instruments.

Fair Values: The fair value of the on-balance sheet financial instruments is represented by the carrying values.

14. Commitments and Contingent Liabilities

There are no significant capital commitments or contingent liabilities as at 31 March 2006 (2005, \$Nil).

15. Significant Events After Balance Date

There are no events subsequent to the balance date that would have or may have an effect on the operation of MainPower, the results of MainPower's operations or the state of the affairs of MainPower.

16. Segmental Reporting

The predominant activity of MainPower is the distribution of electricity. All operations are conducted within New Zealand.

MAINPOWER NEW ZEALAND LTD**ANNUAL ODV RECONCILIATION REPORT****PURSUANT TO THE COMMERCE ACT (ELECTRICITY INFORMATION DISCLOSURE
REQUIREMENTS) NOTICE 2004
REQUIREMENT 16, PART 8**

	2006	2005
	\$000	\$000
System Fixed Assets - at 1 April	120,609	112,069
Add System Fixed Assets acquired during the year at cost	12,455	13,710
Less System Fixed Assets disposed of during the year at ODV	-	-
Less Depreciation on System Fixed Assets at ODV	(5,505)	(5,170)
Add Revaluations of System Fixed Assets	-	-
Equal System Fixed Assets – at 31 March	<u>\$127,559</u>	<u>\$120,609</u>

MAINPOWER NEW ZEALAND LTD**DISCLOSURE OF ENERGY DELIVERED EFFICIENCY PERFORMANCE MEASURES AND STATISTICS
PURSUANT TO THE COMMERCE ACT (ELECTRICITY INFORMATION DISCLOSURE
REQUIREMENTS) NOTICE 2004, REQUIREMENT 20, PART 4**

For the Year Ended 31 March	2006	2005	2004	2003
1. <u>Energy Delivery Efficiency Performance Measures</u>				
(a) Load Factor				
<u>Electrical energy entering the distribution system</u> Maximum demand * Hours per year	69.65%	70.84%	69.69%	62.00%
(b) Loss Ratio				
<u>Distribution losses</u> Energy entering the system	5.11%	5.45%	4.56%	5.90%
(c) Capacity Utilisation				
<u>Maximum demand</u> Total transformer capacity	22.36%	22.82%	24.02%	28.25%

2. Statistics**(a) System length, by voltage:**

Voltage	Circuit Length Kms			
	2006	2005	2004	2003
400/230	841	627	691	583
11000/22000	3,269	3,241	3,179	3,161
33000	310	310	310	309
Total	4,420	4,178	4,180	4,053

(b) Circuit length of overhead electric lines, by voltage:

Voltage	Circuit Length Kms			
	2006	2005	2004	2003
400/230	240	237	326	284
11000	3,117	3,094	3,047	3,056
33000	307	307	307	307
Total	3,664	3,638	3,680	3,647

(c) Circuit length of underground electric lines, by voltage:

Voltage	Circuit Length Kms			
	2006	2005	2004	2003
400/230	601	390	365	299
11000	152	147	132	105
33000	3	3	3	2
Total	756	540	500	406

For the Year Ended 31 March		2006	2005	2004	2003
(d)	Transformer capacity, (kilovolt amperes):	355,895kVA	335,695kVA	309,926kVA	274,560kVA
(e)	Maximum demand (Kilowatts):	79,576kW	76,620kW	74,430kW	77,576kW
(f)	Total electricity entering into the system, before losses of electricity(Kilowatt hours):	485,537,696	475,505,176	454,357,817	421,312,647
(g)	Total amount of electricity supplied from the system, after losses of electricity on behalf of energy retailers (Kilowatt hours):				
	Retailer A	333,074,678	323,096,589	308,454,012	272,241,665
	Retailer B	10,524,845	10,167,829	9,979,410	11,866,784
	Retailer C	38,029,633	73,637,560	110,696,900	108,195,832
	Retailer D	2,183,651	1,396,115	1,950,240	1,324,564
	Retailer E	-	-	-	249,519
	Retailer F	76,916,134	41,300,025	2,571,320	2,576,003
	Retailer G	-	-	-	-
	Total	<u>460,728,941</u>	<u>449,598,118</u>	<u>433,651,882</u>	<u>365,454,367</u>
(h)	Total customers	30,671	30,283	29,082	25,997

Note: Disclosure of Energy Delivered Efficiency Performance Measures and Statistics for the financial years ended 31 March 2003 excludes the Energy Delivered Efficiency Performance Measures and Statistics applicable to the Kaiapoi Electricity Network. Disclosure of Energy Delivered Efficiency Performance Measures and Statistics for the financial years ended 31 March 2006, 2005 and 2004 includes the Energy Delivered Efficiency Performance Measures and Statistics applicable to the Kaiapoi Electricity Network.

**DISCLOSURE OF RELIABILITY PERFORMANCE MEASURES
PURSUANT TO THE COMMERCE ACT (ELECTRICITY INFORMATION DISCLOSURE REQUIREMENTS) NOTICE
2004, REQUIREMENT 21, PART 4.**

Disclosure for Statistics Year Ending 31/03/2006

Requirement 21(1)

1. Total number of interruptions, together with a breakdown of that total according to interruption class

NETWORK OR GENERATION OWNER	Disc Reg Class	CLASSIFICATION OF INTERRUPTIONS	
MainPower	B	Planned Shut-downs	201
	C + G	Unplanned Interruptions	107
		Subtotal	308
Trans Power	A	Planned Shut-downs	0
	D	Unplanned Interruptions	3
		Subtotal	3
Other Other	G	Other Interruptions	
	E	Unplanned Interruptions	
		Subtotal	
		TOTAL	311

2. Interruption targets for the following financial year for-
- (a) Planned interruptions by the line owner (Class B); and
- (b) Unplanned interruptions originating within the works of the line owner (Class C).
3. Average interruption targets for the following financial year and the subsequent 4 financial years for each of-
- (a) Planned interruptions by the line owner (Class B); and
- (b) Unplanned interruptions originating within the works of the line owner (Class C).

	Class B Interruptions	Class C Interruptions
Target 31/03/07	185	80
31/03/2007 Avg forecast	185	80
31/03/2008 Avg forecast	175	75
31/03/2009 Avg forecast	170	75
31/03/2010 Avg forecast	170	70
31/03/2011 Avg forecast	165	70

4. The proportion {expressed as a percentage} of the total number of Class C interruptions not restored within-
- (a) 3 hours and;
- (b) 24 hours.

Not restored within 3 hours- % of Class C	Not restored within 24 hours- % of Class C
10.2%	0%

5. With respect to faults per 100 circuit kilometers of prescribed voltage electric line, the following information:
- (a) The total number of faults; and
- (b) The total number of faults targeted for the following financial year; and
- (c) The average total number of faults for that financial year and the subsequent 4 financial years; and
- (d) A breakdown of the fault information in accordance with paragraphs (a) to (c) by different nominal line voltages.
6. The total number of faults per 100 circuit kilometres of underground prescribed voltage electric line, together with a breakdown of that total according to different nominal line voltages.

7. The total number of faults per 100 circuit kilometres of overhead prescribed voltage electric line, together with a breakdown of that total according to different nominal line voltages.

Nominal Voltage	Lines Faults per 100 km	Cable Faults per 100 km	Total Faults per 100 km
33 kV	0.98	40.50	1.30
11 kV	3.03	4.01	3.06

Note: Disclosure of Reliability Performance Measures for the financial year ended 31 March 2003 excludes the Reliability Performance Measures applicable to the Kaiapoi Electricity Network. Disclosure of Reliability Performance Measures for the financial years ended 31 March 2006, 2005 and 2004 includes the Reliability Performance Measures applicable to the Kaiapoi Electricity Network.

FORM 4**CERTIFICATION OF FINANCIAL STATEMENTS, PERFORMANCE MEASURES AND
STATISTICS DISCLOSED BY DISCLOSING ENTITIES (OTHER THAN TRANSPower)**

We, P A COX and A BERGE directors of MainPower New Zealand Limited certify that, having made all reasonable enquiries, to the best of our knowledge:

- a) The attached audited financial statements of MainPower New Zealand Ltd, prepared for the purposes of Requirement 6 of the Commerce Commission's Electricity Information Disclosure Requirements 2004, comply with those Requirements; and
- b) The attached information, being the Derivation Table, Financial Performance Measures, Efficiency Performance Measures, Energy Delivery Efficiency Performance Measures, Statistics, and Reliability Performance Measures in relation to MainPower New Zealand Ltd, and having been prepared for the purposes of Requirements 14, 15, 20 and 21 of the Electricity Information Disclosure Requirements 2004 comply with those Requirements.

The valuations on which those financial performance measures are based are as at 31 March 2006.

P A COX
Director

30 October 2006

A BERGE
Managing Director

Deloitte**AUDIT REPORT****TO THE READERS OF THE FINANCIAL STATEMENTS OF MAINPOWER NEW ZEALAND LIMITED**

We have audited the accompanying financial statements of MainPower New Zealand Limited. The financial statements provide information about the past financial performance of MainPower New Zealand Limited and its financial position as at 31 March 2006. This information is stated in accordance with the accounting policies set out on pages 1 and 2.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of MainPower New Zealand Limited as at 31 March 2006, and results of operations and cash flows for the year then ended.

Auditors' Responsibilities

It is our responsibility to express to you an independent opinion on the financial statements presented by the Directors.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing;

- the significant estimates and judgements made by the Directors in the preparation of the financial statements, and
- whether the accounting policies are appropriate to MainPower New Zealand Limited's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary. We obtained sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditor and the provision of financial advice, we have no relationship with or interests in MainPower New Zealand Limited.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been maintained by MainPower New Zealand Limited as far as appears from our examination of those records; and
- the financial statements referred to above:
 - comply with generally accepted accounting practice; and
 - give a true and fair view of the financial position of MainPower New Zealand Limited as at 31 March 2006 and the results of its operations and cash flows for the year then ended; and
 - comply with the Electricity Information Disclosure Requirements 2004.

Our audit was completed on 30 October 2006 and our unqualified opinion is expressed as at that date.

Chartered Accountants
Christchurch, New Zealand.

This audit report relates to the financial statements of MainPower New Zealand Limited prepared in accordance with the Electricity Information Disclosure Requirements 2004 for the year ended 31 March 2006 included on MainPower New Zealand's website. MainPower New Zealand's Directors are responsible for the maintenance and integrity of MainPower New Zealand's website. We have not been engaged to report on the integrity of MainPower New Zealand's website. We accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website. The audit report refers only to the financial statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements. If readers of this report are concerned with the inherent risks arising from electronic data communication they should refer to the hard copy of the audited financial statements and related audit report dated 30 October 2006 to confirm the information included in the audited financial statements presented on this website. Legislation in New Zealand governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Deloitte**AUDITOR'S OPINION OF PERFORMANCE MEASURES OF MAINPOWER NEW ZEALAND LIMITED**

We have examined the attached information, being-

- (a) the derivation table; and
- (b) the annual ODV reconciliation report; and
- (c) the financial performance measures; and
- (d) the financial components of the efficiency performance measures,

that were prepared by MainPower New Zealand Limited and dated 30 October 2006 for the purposes of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

In our opinion, having made all reasonable enquiry, to the best of our knowledge, that information has been prepared in accordance with those Electricity Information Disclosure Requirements 2004.
