Dumping and Countervailing Duties Act 1988

Final Determination of Dumping Investigation: Preserved Peaches From the People's Republic of China

Pursuant to section 13 of the Dumping and Countervailing Duties Act 1988 ("the Act"), I hereby give notice that I have made a final determination that, in relation to the importation or intended importation of the goods specified in the First Schedule to this notice ("the subject goods"):

- (a) the subject goods are being dumped; and
- (b) by reason thereof, material injury to the New Zealand industry has been and is being caused.

Notice is hereby given that, acting pursuant to subsections 14 (1) and 14 (4) of the Act, I have determined the amount of anti-dumping duty to be imposed on the subject goods to be the amount set out in the Second Schedule to this notice and detailed in the Third Schedule to this notice.

First Schedule

Goods Subject to Determination

Country of Origin

The People's Republic of China (China).

Description of Goods

Peaches in preserving liquid, in containers up to and including 4.0kg.

The goods are currently classified under tariff item and statistical key 2008.70.09.00L of the Tariff of New Zealand, which classification is provided for convenience and Customs purposes only, the written description being dispositive.

Second Schedule

Amount of Anti-dumping Duty

The amount of anti-dumping duty to be paid on demand, in respect of each importation of preserved peaches imported

or intended to be imported into New Zealand from China, shall be:

- A. For subject goods from the suppliers listed in the Third Schedule to this notice, for which the Chief Executive of the Ministry of Economic Development has established Normal Value (Value For Duty Equivalent) amounts, the amount by which the Normal Value (Value For Duty Equivalent) amount exceeds the New Zealand Value for Duty of the goods when entered for home consumption.
- B. For subject goods from all other exporters, the amount by which the Normal Value (Value For Duty Equivalent) amount exceeds the New Zealand Value for Duty of the goods when entered for home consumption.

Third Schedule

<i>List of Suppliers</i>	<i>Container Sizes</i>	
	<i>410g²</i>	<i>820g²</i>

Chairman's Report for the Year Ended 31 March 2006

The trustees are pleased to report on another successful year for the trust.

The trust has earned a record 14% return on its invested funds for the year to 31 March 2006. This gave the trust a highest ever net income of \$17 million (including unrealised gains) and has enabled us to restore our reserves to prudent levels. It has also enabled us to budget for increased donations of \$4,035,000 into the Bay of Plenty community in the year ahead. The approved donations into the community over the last 12 months totalled \$3,255,000 (not all were actually paid during the year).

The trust retains a policy of growing its funds invested to maintain the real value of this community trust fund relative to inflation and 50% of population growth in the Bay. In addition, reserves are maintained at a prudent level to ensure continued donations into our community in adverse times recognising that investment returns do fluctuate and will not always be at the level achieved in the past year.

The amount added to our reserves this year is much larger than normal. This has arisen because we had an exceptional income year with actual income ending up almost double the long-term expected average. We know that this is the exception and much lower returns can normally be expected. The actual returns are earned throughout the year and in this last year they received a strong boost from the exceptional growth in the value of the trust's investments, especially over the last quarter of the year. Our budgets are based on much lower long-term expected average returns and this is the way it needs to be for prudent management.

The funds of the trust are maintained in a broadly diversified but relatively low risk portfolio consistent with trustees' desire to have income flows for donations each year as well as building its investments to maintain this community fund in perpetuity so that its value is not lost over time. The total funds of the trust stood at \$135,940,000 at 31 March 2006.

We have relocated the trust offices to improved premises on the corner of Spring and Durham Streets in Tauranga – now enabling us to have meetings in our own offices and improved profile and accessibility to our stakeholders.

We have re-branded the trust to BayTrust to enable us to have better branding opportunities with a new simplified logo.

The trust has continued to be the cornerstone funder of Sport BoP's Coachforce programme which promotes, supports and plans sporting activity development and coaching development throughout the Bay. It is the foundation of sports development in the Bay and we are very proud to have funded this successful programme from its inception 10 years ago. We thank and congratulate Sport BoP for its success and enthusiasm in this programme which aims to build a significantly healthier, more active, able and proud community.

We have approved major contributions to two significant community development projects with a \$1 million donation to the large indoor sports and convention centre development in Rotorua and a \$200,000 donation to Opotiki District Council toward its detailed planning for the Opotiki Harbour all weather entrance development. Both of these projects have significant positive economic impact potential for their communities.

The trust is seeking community projects which will have significant potential to improve the regional economics in its area, especially where employment opportunities are poor. We are maintaining liaison with the BoP local authorities and their development agencies, the energy trusts and Environment BoP to try to ensure that we are aware of development opportunities and initiatives and that our efforts and funding are consistent with the desires and plans of our communities.

We continue to support the many small and larger community organisations throughout the BoP. These are the organisations which support our community in so many ways. Our trustees and staff get much of their reward from their contact with the people in these organisations, many of whom are volunteers. We thank all of these people for their contribution to our communities in the Bay of Plenty and feel gratified that we are able to help them through the trust.

We remind you, in our community, that we also provide funds annually to assist tertiary education costs for persons with disabilities. These are called Dillon Scholarships and application forms for these are available through our trust office.

I thank my trustees for their support of the trust. A great deal of trustee time, care and valuable expertise from a wide range of experience makes this trust very connected and relevant to the BoP community. One of our strengths is the grass roots connectedness of our 12 trustees to their individual communities throughout the BoP. Our system has people who know you and your organisation making decisions on your funding requests.

During the year we saw the retirement of Vaughan Payne and the appointment of Adrienne von Tunzelmann as trustee. Thank you Vaughan for your contribution, wisdom and enthusiasm during your time with the trust. Welcome to Adrienne who has extensive administration and policy development experience. The trust continues to have rejuvenation by a trustee replacement and retirement policy which I think is important.

Thanks also to our staff at the trust who work hard to make this organisation work. Bruce Cronin, Norma Kelly and Margo McCurdy are our staff face to the community. They are eager to assist you with your applications and dealings with our trust.

RAY SHARP, Chairman.

Notes to the Financial Statements for the Year Ended 31 March 2006**1. Statement of Accounting Policies****Reporting Entity**

The trust is a charitable trust in accordance with the provisions of the Community Trusts Act 1999. The group consists of Bay of Plenty Community Trust Incorporated and its subsidiary Bay of Plenty Community Trust Charities Limited which was wound up on 2 December 2005.

The financial statements have been prepared as required by the Community Trusts Act 1999 and the Trust Deed dated 17 August 2000 and in accordance with the Financial Reporting Act 1993.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by the group, with the exception of investments which are stated at market value as at 31 March 2006.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

(a) *Donations:*

Donations made during the year from revenue are included in the statement of financial performance. Those made from trust capital have been included in the statement of movements in equity.

(b) *Investments:*

All Investments are stated at assessed market value (refer Note 5).

(c) *Fixed assets:*

Fixed assets are stated at cost less accumulated depreciation.

(d) *Depreciation:*

Depreciation is charged to write off the cost of fixed assets over their expected economic lives using the diminishing value method at rates from 12% to 50% per annum.

(e) *Accounts receivable:*

Accounts receivable are recorded at their estimated realisable value.

(f) *Financial instruments:*

The trust includes all financial instrument arrangements in the balance sheet using the concept of accrual accounting. Financial instruments are valued as per Note 1, measurement base. These instruments arise as a result of everyday operations and include bank, accounts receivable, accounts payable and investments. Revenues and expenses in relation to all financial instruments are recognised in the statement of financial performance. Financial instruments are shown at their fair values.

(g) *Consolidation:*

The Bay of Plenty Community Trust Incorporated and its subsidiary charitable company, Bay of Plenty Community Trust Charities Limited, have been consolidated using the purchase method of consolidation. The company was wound up on 2 December 2005.

Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

4. Financial Instruments

Investments are stated at market value as at balance date. Accrued interest, accounts payable and donations approved not yet paid are stated at the amounts expected to be received or paid. Accordingly, the trustees consider that the fair value of each class of financial assets and financial liabilities is the same as the carrying value in the financial position.

Concentration of Investments

Ninety-eight point five percent (98.5%) of the assets of the trust are represented by investments held with a range of financial institutions (2005 – 98.9%). However, the trustees consider the risk of non-recovery of these investments to be minimal. Maximum exposure to credit risk as at balance date is:

	2006	2005
	\$000	\$000
Bank balances	14	42
Bank term deposits	664	280
Accounts receivable	4	11
Interest free loans	987	1,053
Investments	135,527	122,885

Currency Risk

The trust incurs currency risk as a result of investment transactions entered into by fund managers. The trust has a policy of fully hedging global bonds and global equities.

Interest Rate Risk

The investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, government and local authority securities, and securities held by fund managers.

Fair Value

The carrying value is considered to be the fair value for financial instruments.

5. Investments

The value of investments which are held in equities, fixed interest, property and hedge funds are subject to market fluctuations. The total investment portfolio is diversified in such a way that over time reductions in value in particular asset classes should be more than offset by increases in other classes. Investments are disclosed at market value at balance date and any gains (losses) arising from that treatment are shown as “investment gains (losses)” in the statement of financial performance. Therefore, no provision has been made for potential gains or losses that could occur due to future market fluctuations. The investment portfolio as at 31 March 2006 is diversified as follows:

6. Taxation

Bay of Plenty Community Trust is exempt from income tax with effect from 1 April 2004, under section CW 44 of the Income Tax Act 2004.

7. Goods and Services Tax

The trust is not registered for goods and services tax purposes. Accordingly, these financial statements are stated on a GST inclusive basis.

8. Related Party Transactions

Bay of Plenty Community Trust Charities Limited (the company) was wholly owned by Bay of Plenty Community Trust Incorporated (the trust). No related party debts have been written off or forgiven during the year. The company was wound up during the year and assets were distributed to the trust.

9. Adoption of International Financial Reporting Standards (NZ IFRS)

In December 2002, the New Zealand Accounting Standards Review Board announced that International Reporting Standards (NZ IFRS) will apply to all New Zealand entities for periods beginning on or after 1 January 2007. Entities also have the option of a voluntary early adoption of NZ IFRS for periods beginning on or after 1 January 2005.

While NZ IFRS are similar to New Zealand Financial Reporting Standards, there are a number of significant differences mainly in the areas of accounting for financial instruments, leases, financial liabilities and taxation. These differences may affect the results of Bay of Plenty Community Trust upon adoption of NZ IFRS.

A project team will be established to identify the financial implications, disclosures, presentation or classification differences that would impact the manner in which transactions or events are recorded and reported. At this time, the trustees are not able to quantify the effects of the differences discussed above.

Bay of Plenty Community Trust currently intends to adopt NZ IFRS for the year ending 31 March 2008. To comply with NZ IFRS for the first time, the trust will need to restate the comparative balances applying the new standards. This will affect the earnings and cash flow statement and the statement of financial position. Most adjustments required on transition to NZ IFRS will be made retrospectively to equity. The actual impact of adopting NZ IFRS may vary from the information presented, and that variation may be material.

10. Segment Information

The trust's activity is to receive income to allocate for charitable, cultural, philanthropic, recreational and other purposes beneficial to the community, principally in the Bay of Plenty area.

11. Contingent Liabilities

The following future donations have been approved but are subject in each case to the applicants satisfying particular criteria specific to each recipient.

Jambalaya Education Charitable Trust	10,000	–
Te Wharekura o Huiarau	20,000	–
Total contingent liabilities	<u>68,500</u>	<u>–</u>

12. Commitments

Capital commitments:

There are no capital commitments (2005 – Nil).

Lease commitments:

Lease commitments under non-cancellable operating leases:

Less than one year \$45,082
(2005 – \$7,000).

13. Investment Income and Advisory Fees

An investment fee is charged by Russell Investment Group before distributions are made from a Russell unit trust. In previous years, the investment fee has not been disclosed separately in the statement of financial performance. In 2006, the investment

fee has been disclosed separately, increasing income from Russell Investment Group accordingly, whereas the 2005 comparatives show the investment fee deducted from income. For 2005, the fee is estimated to have been \$277,000. The additional disclosure does not have any impact on the net surplus.

Auditor's Report

To the Trustees of Bay of Plenty Community Trust Incorporated:

We have audited the financial statements. The financial statements provide information about the past financial performance and financial position of the trust and group and its financial position as at 31 March 2006. This information is stated in accordance with the accounting policies set out in Note 1 of the accounts.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements, which give a true and fair view of the financial position of the trust and group as at 31 March 2006, and of the results of operations and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express to you an independent opinion on the financial statements presented by the trustees.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the trust and group's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors, we have no relationship with or interest in the trust or any of its subsidiaries.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust and group as far as appears from our examination of those records; and
- the financial statements:
 - comply with generally accepted accounting practice in New Zealand; and
 - give a true and fair view of the financial position of the trust and group as at 31 March 2006 and the results of operations and cash flows for the year ended on that date.

Our audit was completed on 3 July 2006 and our unqualified opinion is expressed as at that date.

INGHAM MORA, Tauranga.

Statement of Accounting Policies and Notes for the Year Ended 31 March 2006

1. Formation

The West Coast Community Trust (“the group”) was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. The trust’s original capital of \$3 million came from the proceeds of the sale of Westland Bank Limited. The group consists of West Coast Community Trust and its former subsidiary West Coast Community Trust Charitable Company Limited. This subsidiary was wound up pursuant to a resolution of trustees dated 22 July 2004. These accounts have been prepared in accordance with the Financial Reporting Act 1993. The group qualifies for differential reporting because its revenue and number of employees fall below the threshold set by the differential reporting standards.

The group has applied all the differential reporting exemptions allowed with the exception of SSAP3 – Accounting for Depreciation.

2. Measurement System

The measurement system adopted is that of historical cost.

3. Particular Accounting Policies

The particular accounting policies adopted in the statements, which have a significant effect on the results and financial position disclosed, are:

(a) *Income Determination*

Interest income has been accrued to balance date on a daily basis.

(b) *Valuation of Assets*

(i) *Investments*

Investments are stated at net realisable value.

(ii) *Fixed Assets*

All fixed assets are recorded at cost less accumulated depreciation to date.

(c) *Depreciation*

Depreciation has been charged on a straight line basis allocated over an estimated economic life of the assets. Depreciation has been calculated as follows:

<i>Asset</i>	<i>Cost</i>	<i>Depn to date</i>	<i>Estimated Life</i>	<i>Opening Value</i>	<i>Additions</i>	<i>Depn</i>	<i>Accum Depn</i>	<i>Closing Book Value</i>
	\$	\$		\$	\$	\$	\$	\$

	<u>5,749</u>	<u>5,346</u>		<u>403</u>	<u>–</u>	<u>121</u>	<u>5,467</u>	<u>282</u>

(d) *Goods and Services Tax*

The group is exempt from registration for goods and services tax under section 14 (b) of the Goods and Services Tax Act 1985.

These financial statements have therefore been prepared on a GST inclusive basis.

(e) *Consolidation*

The West Coast Community Trust and its subsidiary charitable company, West Coast Community Trust Charitable Company Limited, have been consolidated using the purchase method of consolidation.

4. Taxation

From 1 April 2004, the trust is exempt from income tax under section CB4 (1) (m) of the Income Tax Act 1994. As a result, the only taxation the trust pays is in relation to imputation credits and withholding payments deducted from dividends and overseas earnings, which are not eligible to be refunded.

5. Changes in Accounting Policies

There have been no changes in accounting policies.

Total remuneration paid in the financial year ended 31 March 2006 – \$23,587.

Rates of remuneration, including honoraria and meeting fees, are set by the Minister of Finance. The group has also insured all trustees against liability to other parties that may arise from their position as trustees, excluding liability for gross negligence or criminal actions.

A register of interest is held at the office of the trust and is available for public inspection.

The trustees have adopted a Code of Conduct. There were no breaches of this code during the financial year ended 31 March 2006.

7. Trust Funds

Although the trust does not maintain an inflation reserve, it does seek to maintain the trust capital in real terms. The trust calculates that an amount of \$1,296,651 is required to be retained to stabilise the original \$3 million fund from inflation. Our current retained earnings is \$2,085,994 which leaves \$789,343 as the growth of the trust in real terms.

8. Investments

The value of investments which are held in equities and fixed interest are subject to market fluctuations. The total investment portfolio is diversified in a way such that over time reductions in value in particular asset classes should be more than offset by increases in other classes. Investments are disclosed at market value at balance date and any gains (losses) arising from that treatment are shown under Revenue in the Statement of Financial Performance. No provision has been made for potential gains or losses that could occur due to future market fluctuations. The investment portfolio as at 31 March 2006 is diversified as follows:

Audit Report

To the Readers of the Financial Statements of West Coast Community Trust

We have audited the consolidated financial report. The financial report provides information about the past financial performance of the West Coast Community Trust and group and its financial position as at 31 March 2006. This information is stated in accordance with the accounting policies set out in the financial report.

Trustees' Responsibilities

The trustees are responsible for the preparation of a financial report which gives a true and fair view of the financial position of the West Coast Community Trust and group as at 31 March 2006 and the results of operations for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial report presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- the significant estimates and judgements made by the trustees in the preparation of the financial report; and
- whether the accounting policies are appropriate to the West Coast Community Trust and group circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand auditing standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial report.

The offices of Wilding Smith & Co act as the registered office of the West Coast Community Trust Charitable Company Limited, a wholly-owned subsidiary of the trust.

Our firm provided administrative services to the company in relation to this function from time to time. Our firm has no other interests in the West Coast Community Trust or its subsidiary.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the West Coast Community Trust and as far as appears from our examination of those records; and
- the financial report:
 - complies with generally accepted accounting practice; and
 - gives a true and fair view of the financial position of the West Coast Community Trust and group as at 31 March 2006 and the results of operations for the year ended on that date.

Our audit was completed on 16 August 2006 and our unqualified opinion is expressed as at that date.

WILDING SMITH & CO, Chartered Accountants, Hokitika.

(The West Coast Community Trust gives notice that the Minister of Finance has directed that they need not publish the full list of grants in the New Zealand Gazette but will provide a copy of its list of grants to anyone upon request from: The Secretary, West Coast Community Trust, P.O. Box 190, Hokitika.)
