Electricity Commission

Electricity Act 1992

Notice of Making of a Recommendation and Assessment Concerning the Electricity Governance Rules 2003 – Rule Amendment Proposal No. 94

1. This notice of a recommendation and assessment concerning the Electricity Governance Rules 2003 (“Rules”), Rule Amendment Proposal No.94, is issued by the Electricity Commission (“Commission”) pursuant to section 172E (2) (c) of the Electricity Act 1992 (“Act”).

2. Section 172E (2) (c) of the Act provides that, no later than 10 working days after making a recommendation concerning the Rules to the Minister of Energy, the Commission must publicise the recommendation and the assessment completed under section 172F of the Act.

Recommendation

3. The Commission made a recommendation that the existing Schedule C4 of Part C of the Rules, which contains the system operator policy statement, be replaced in its entirety with a new Schedule C4 on 14 July 2006.

Recommended Amendment to the Rules

4. The key differences between the existing Schedule C4 and the one now recommended by the Commission are set out below:

- (a) Specific inclusion of events arising during asset commissioning (clause 12.1) as possible credible events that might cause cascade failure;
- (b) defining the term “transmission circuit”, the loss of which is described as a contingent event in clause 12.4, as being any transmission line owned by the grid owner, or any distribution line owned by a participant to which not less than a sum of 60MW of generation is connected and which distribution line is connected to the grid primarily for the purpose of injection into the grid;
- (c) a minor drafting change to the wording of clause 24 relating to frequency keeping and time error management;
- (d) inclusion of a new section on regional contingency planning (clauses 40 and 41) to reflect the role the system operator plays in co-ordinating management of power security in regions as may be required from time to time;
- (e) inclusion of new clauses (56 to 59) in the “Allocation of Demand Reduction” section, to outline the existing demand shedding process and, in particular, the status of, and process for, issuing demand allocation notices;
- (f) inclusion of new clauses (83 to 85) which provide a process by which asset owners can notify the system operator of temporary unexpected changes to asset capability via an urgent change notice (a newly defined term); and
- (g) inclusion of a new clause (108) to inform asset owners that they can use a template, which the system operator will publish on its web site, to inform the system operator of asset capabilities during commissioning or other testing.

5. A copy of the Commission’s recommendation and assessment is available, at no cost, on the Commission’s web site:

<http://www.electricitycommission.govt.nz/rulesandregs/recommend>

Dated at Wellington this 14th day of July 2006.

The Canterbury Community Trust Notes to the Financial Statements for the Year Ended 31 March 2006**1. Statement of Accounting Policies****General Accounting Policies**

The following general accounting policies have been adopted in the preparation of the financial statements.

- (i) The Canterbury Community Trust was incorporated as a charitable trust in accordance with the provisions of the Community Trusts Act 1999. These financial statements have been prepared in accordance with applicable financial reporting standards.
- (ii) The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.

Specific Accounting Policies**Depreciation**

Depreciation has been charged in the financial statements using rates allowed by the Inland Revenue Department which will write off the cost of assets less their estimated residual value over their estimated economic lives.

The depreciation rates used are:

Buildings	3% c.p.
Office equipment	6-60% d.v.
Furniture and fittings	14-40% d.v.
Computer	28-48% d.v

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

Investments

Where there is a quoted market value for the underlying investment, these are recorded at market value. Where there is no quoted market value then proxy valuations are used based on underlying yields. For certain investments net asset value is used. Where there is no quoted value and a reliable estimate cannot be determined then cost is used. Net income including realised and unrealised gains or losses from holding or trading these investments are recorded in the statement of financial performance.

Investment properties are stated at open market value less estimated costs of disposal as determined by independent valuers at balance date. Unrealised changes in the value of investment properties are included in revenue. Investment properties are not depreciated.

Donations

Donations are accounted for on a cash basis.

Dividend Income

Dividend income is included in the statement of financial performance when it is received.

Income Tax

For non exempt entities, income tax expense is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.

Goods and Services Tax

The subsidiary of The Canterbury Community Trust, Canterbury Trust House Limited, is registered for GST. Accordingly, its financial performance and financial position have been consolidated within the accounts on a GST exclusive basis.

Subject to the above, the trust is not registered for GST purposes and therefore the financial statements have been prepared on a GST inclusive basis.

Financial Instruments

Foreign currency transactions are translated to New Zealand currency at the exchange rate ruling at the dates of the transactions. Amounts receivable and payable in foreign currencies at balance date are translated at the exchange rate at that date. Exchange differences arising from the translation of amounts payable and receivable in foreign currencies are recognised in the statement of financial performance.

Off-balance sheet financial instruments that are designated as hedges are recognised on the same basis as the underlying hedged item. Off-balance sheet transactions that do not constitute specific hedges are stated at market value and any resultant gain or loss is recognised in the statement of financial performance.

Cash

For the purpose of the statement of cash flows, cash comprises Westpac balances only. Cash excludes bank deposits not used as part of the trust's day-to-day cash management.

Basis of Consolidation

The Canterbury Community Trust and its subsidiaries, Community Trust Charities Limited, Canterbury Trust House Limited, Canterbury Direct Investments Limited, Amateur Game or Sport Promoter Limited and District Improvement Organisation Limited have been consolidated using the purchase method of consolidation.

Changes in Accounting Policies

There have been no changes in accounting policies.

All policies have been applied on bases consistent with those used last year.

Auditors' Report to the Trustees of The Canterbury Community Trust

We have audited the consolidated financial statements. The consolidated financial statements provide information about the past financial performance and cash flows of the trust and subsidiaries for the year ended 31 March 2006 and their financial position as at that date. This information is stated in accordance with the accounting policies set out in Note 1.

Trustees' Responsibilities

The trustees are responsible for the preparation and presentation of the consolidated financial statements which present fairly the financial position of the trust and subsidiaries as at 31 March 2006, and their financial performance and cash flows for the year ended on that date.

Auditors' Responsibilities

We are responsible for expressing an independent opinion on the consolidated financial statements presented by the trustees and reporting our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the consolidated financial statements. It also includes assessing:

- the significant estimates and judgements made by the trustees in the preparation of the consolidated financial statements; and
- whether the accounting policies are appropriate to the circumstances of the trust and subsidiaries, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give reasonable assurance that the consolidated financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

We have no relationship with or interests in the trust and subsidiaries other than in our capacity as auditors.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion, the consolidated financial statements:

- comply with generally accepted accounting practice in New Zealand; and
- present fairly the financial position of the trust and subsidiaries as at 31 March 2006, and their financial performance and cash flows for the year ended on that date.

Our audit was completed on 29 May 2006 and our unqualified opinion is expressed as at that date.
