Notice of Decision of the Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand (Member Guilty of Conduct Unbecoming an Accountant, Breaching the Rules of the Institute and Failing to Respond to the Institute)

At a hearing of the Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand held on the 30th day of June 2005, which the member did not attend and was not represented by counsel, **Hari Krishna Ramlingam**, of Nadi, Fiji Islands (formerly of Auckland), was charged with the following charges and particulars.

Charges

THAT in terms of the Institute of Chartered Accountants of New Zealand Act 1996 and the rules made thereunder, and in particular Rule 21.30, the member is guilty of:

- (1) misconduct in a professional capacity and/or conduct unbecoming an accountant; and/or
- (2) (withdrawn);
- (3) breaching the institute's code of ethics, specifically the fundamental principles of integrity and/or objectivity and independence and/or professional behaviour; and/or
- (4) breaching the rules of the institute, specifically Rule 18.2 and/or Rule 22.1 and/or Rule 23.1; and/or
- (5) failing to promptly respond to communications from the institute; and/or
- (6) failing to pay a sum due to the institute by the date specified for payment.

Particulars

IN THAT in his role as a chartered accountant the member:

- (a) offered accounting services to the public in breach of Rule 18.2;
- (b) obtained a loan of \$25,000.00 from another person and did not repay this loan or interest due on this loan;

- (c) provided a cheque in repayment of the loan that was subsequently dishonoured;
- (d) made statements which he knew or ought to have known to be false, incorrect and/or misleading;
- (e) in these circumstances, inappropriately led another person to seek a summary judgment, which was subsequently awarded against him on the 9th day of November 2004 in the District Court at Auckland, for the amount of \$32,706.46;
- (f) offered to be a mentor to a provisional member of the institute, at the rate of \$100.00 an hour, thereby impairing his integrity and/or objectivity and/or the good reputation of the profession;
- (g) did not acknowledge a letter dated the 21st day of May 2004, from the institute, until the 9th day of June 2004 and/or did not provide a response to the complaint attached to this letter until the 19th day of July 2004;
- (h) did not respond to an email sent on the 16th day of August 2004, on behalf of the professional conduct committee, until the 20th day of September 2004;
- (i) failed to pay membership fees to the institute for the 2005 financial year, by the due date, as required by Rule 22.1;
- (j) failed to notify the institute as soon as practicable of any change of address and/or any change of business or employment, as required by Rule 23.1;
- (k) failed to provide a continuing professional development declaration for the 2004 financial year when requested by the institute.

The member admitted particular (i) and pleaded guilty to charge (6).

The tribunal found the proved particulars (b), (c), (d), (e), (g), (h) and (k).

The tribunal found the NOT proved particulars (a), (f) and (j).

In relation to particular (a), the tribunal found the member NOT guilty of charge (4) as to Rule 18.2 only.

In relation to particular (f), the tribunal found that it is not detrimental to the integrity or objectivity or good reputation of a member for a mentor to be remunerated on reasonable terms and, accordingly, the tribunal found the member NOT guilty of charge (3).

In relation to the remaining particulars (g), (h), (i), (j) and (k), the tribunal noted that where a member fails to respond to the institute on professional conduct matters, this severely impedes the institute's disciplinary processes and found the member guilty of charges (4), (5) and (6).

In relation to the loan, the tribunal found the summary judgment against the member was a matter of fact.

In relation to charge (1), the tribunal found the member NOT guilty of misconduct in a professional capacity but guilty of conduct unbecoming an accountant.

Orders of the Tribunal

- (a) Pursuant to Rule 21.31 (b) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Hari Krishna Ramlingam** be suspended from membership of the institute for one year.
- (b) Pursuant to Rule 21.33 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Hari Krishna Ramlingam** pay to the institute the sum of \$7,500.00 (inclusive of G.S.T.) in respect of the costs and expenses of the hearing before the disciplinary tribunal and the investigation by the professional conduct committee.

In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal directed that the decision of the tribunal be published in the *Chartered Accountants Journal*, the *New Zealand Gazette* and the *Fiji Times* with mention of the member's name and locality.

Right of Appeal

Pursuant to Rule 21.41 of the Rules of the Institute of Chartered Accountants of New Zealand which were in force at the time of the original notice of complaint, the member may, not later than 14 days after the notification of this tribunal to the member of the exercise of its powers, appeal in writing to the appeals council of the institute against the decision.

No decision, other than the direction as to publicity, shall take effect while the member remains entitled to appeal or while any such appeal by the member awaits determination by the appeals council.

Dated this 11th day of July 2005.

R. J. O. HOARE, Tribunal Chairman.

- (1) misconduct in a professional capacity; and/or
- (2) conduct unbecoming of an accountant; and/or
- (3) breaching the rules of the institute (Rule 23.1); and/or
- (4) failing to comply with an order made by the professional conduct committee.

Particulars

IN THAT being a member of the Institute of Chartered Accountants of New Zealand and in relation to a complaint by the practice review board, the member:

- (a) was a party to an agreement to enable ABACI Chartered Accountants Limited to practise as a chartered accounting practice when it was not in substance controlled by a chartered accountant;
- (b) entered into an agreement with a chartered accountant which he knew or ought to have known was intended to defeat the requirements relating to the granting of certificates of public practice;
- (c) entered into an agreement to remunerate a member for the provision of the member obtaining and/or maintaining approved company status for ABACI Chartered Accountants Limited, with the institute;
- (d) (withdrawn);
- (e) failed to appear before the professional conduct committee at his final determination despite a requirement to attend;

- (f) entered into an arrangement for the purpose of circumventing the rules of the institute, in relation to offering accounting services to the public and holding a certificate of public practice in circumstances where he was not entitled to offer and/or provide accounting services to the public and/or did not hold a certificate of public practice;
- (g) failed to notify the institute as soon as practicable of his change of address and/or change of business or employment.

The tribunal found the member had been party to explicitly and deliberately entering into an arrangement to circumvent the public practice rules of the institute which exist for the protection of the public and therefore found the member guilty of both misconduct in a professional capacity and conduct unbecoming an accountant. When a person becomes a member of the institute, they agree to abide by the rules of the institute and comply with professional and ethical standards, and breaches of those rules is unacceptable behaviour.

Orders of the Tribunal

- (a) Pursuant to Rule 21.31 (b) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **James Woodson** be suspended from membership of the institute for two years.
- (b) Pursuant to Rule 21.31 (c) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **James Woodson** pay to the institute a monetary penalty of \$3,000.00.
- (c) Pursuant to Rule 21.33 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **James Woodson** pay to the institute the sum of \$4,912.00 (inclusive of G.S.T.) in respect of the costs and expenses of the hearing before the disciplinary tribunal and the investigation by the professional conduct committee.

In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal directed that the decision of the tribunal be published in the *Chartered Accountants Journal*, the *New Zealand Gazette* and the *Brisbane Courier Mail* with mention of the member's name and locality.

Right of Appeal

Pursuant to Rule 21.41 of the Rules of the Institute of Chartered Accountants of New Zealand which were in force at the time of the original notice of complaint, the member may, not later than 14 days after the notification of this tribunal to the member of the exercise of its powers, appeal in writing to the appeals council of the institute against the decision.

No decision, other than the direction as to publicity, shall take effect while the member remains entitled to appeal or while any such appeal by the member awaits determination by the appeals council.

At a hearing of the Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand held on the 30th day

of June 2005, which the member did not attend but was represented by counsel, the tribunal found that **Hoong Hua Yong** (also known as **Francis Yong**), of Auckland, had pleaded guilty to the following charge and admitted the following particulars.

Charges

THAT in terms of the Institute of Chartered Accountants of New Zealand Act 1996 and the rules made thereunder, and in particular Rule 21.30, the member is guilty of:

- (1) conduct unbecoming an accountant.

Particulars

IN THAT in his role as a chartered accountant in public practice and in relation to a complaint by the practice review board, the member:

- (a) entered into an agreement with a provisional member which had the effect of defeating the requirements relating to the granting of certificates of public practice;
- (b) entered into an agreement for financial benefit to lend the chartered accountant brand to a company to allow that company to practise as a chartered accountant in circumstances where he contracted to have "no responsibility whatsoever over the financial liability which the approved company already has or may have in the future since he has no right whatsoever over the approved company";
- (c) authorised the use of his name and/or his professional status to a company which allowed the company to practise as a chartered accountant when he contracted to have "no responsibility whatsoever over the financial liability which the approved company already has or may have in the future since he has no right whatsoever over the approved company";
- (d) was remunerated for providing approved company status with the institute to ABACI Chartered Accountants Limited, thereby allowing a company to practise as a chartered accountant;
- (e) conducted audits that were not in accordance with the institute's mandatory auditing standards;
- (f) conducted an audit of a company in the month of October 2003 prior to becoming a director and shareholder of ABACI Chartered Accountants Limited but signing the audit off on the 7th day of November 2003 and two days after becoming a director and shareholder of ABACI Chartered Accountants Limited and knowing that ABACI Chartered Accountants Limited had prepared the accounts for the company.

When a person becomes a member of the institute, they agree to abide by the rules of the institute and comply with professional and ethical standards, and breaches of those rules is unacceptable behaviour. The member has been a party to an agreement to circumvent the public practice rules of the institute which exist for the protection of the public.

Orders of the Tribunal

In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal directed that the decision be published in the *Chartered Accountants Journal*, the *New Zealand Gazette* and the *New Zealand Herald* with mention of the member's names and locality including his Chinese and English names.

Right of Appeal

Pursuant to Rule 21.41 of the Rules of the Institute of Chartered Accountants of New Zealand which were in force at the time of the original notice of complaint, the member may, not later than 14 days after the notification of this tribunal to the member of the exercise of its powers, appeal in writing to the appeals council of the institute against the decision.

No decision, other than the direction as to publicity, shall take effect while the member remains entitled to appeal or while any such appeal by the member awaits determination by the appeals council.

Chairman's Report for the Year Ended 31 March 2005

It is my pleasure to report to you on the operation of the Bay of Plenty Community Trust for the year ended 31 March 2005. It has been an interesting and challenging year. The trust has increased its donations into our Bay of Plenty Region to \$2.9m and in addition has made interest free loans of \$1.1m into community projects with some further loans to be drawn down after balance date.

The trust received an \$8.3m return on its investments for the year ended 31 March 2005. While this is down significantly on the previous year, it must be remembered that the trust's earnings for the year to 31 March 2004 were outstanding and not expected to be repeated. The return of 7.50% this year was slightly ahead of budget.

After donations and costs, the trust had a net surplus of \$4.6m which supplements its capital to help preserve its real value relative to inflation and population growth, as well as to restore reserves nearer a level that the trustees have been advised is prudent to ensure our ability to maintain donations into our community when income is lower.

The net equity of the trust increased from \$118.9m to \$123.3m over the year as a result of the above.

Trustees' expenses and trust administration costs have increased largely because of a significant increase in workload over the year. This reflects the trustees' more active liaison with its main stakeholders and other community organisations to try to improve the effectiveness and align the trust's strategies to the communities' needs. We can work better by working together.

The trustees allocated up to \$600,000 of funding during the 2005 financial year to the trust's community development fund. The objective of this was to make funds available for projects aimed at addressing deprivation issues or regional development projects which improve the economies and employment opportunities in our region. This is a significant change of emphasis with the trust without abandoning our traditional role of supporting the community and voluntary sector which is so important to the wellbeing of our communities. Pursuant to this strategy, the trust has committed to a \$1m grant to the Rotorua Energy Events Centre. This development will bring significant economic and employment gains by adding to and building on Rotorua's present tourism, convention and events infrastructure.

The trust has continued to fund the Sport BoP CoachForce project which aims at coaching and sport development especially at grass roots sport in the Bay of Plenty region. We congratulate those involved in that project for their effort and achievement. The encouragement of sport and recreational activity is seen by the trust as one key component of our communities' wellbeing.

In January, Dillon Scholarships totalling \$71,250 were awarded to 39 tertiary students with disabilities to assist them in meeting the additional costs of their studies. Not all the scholarships had been uplifted at balance date.

The trust is in good hands with caring trustees who have an excellent range of skills and who have contributed a lot of effort to running the trust this year. The trust's funds are invested conservatively and securely in a diversified manner with a long-term perspective under internationally leading advisors. Trustees have looked at many options for investment and will continue to do so seeking ways to improve returns if possible without incurring risks they are not comfortable with.

I thank my trustees and the trust's staff for their contribution to another successful year. I also thank particularly all of those in our communities who contributed in so many ways to the sporting and voluntary organisations and our local territorial authorities. They are so important to us. We are lucky to be able to help some with valuable funding through this trust.

RAY SHARP, Chairman.

Date: 8 June 2005.

4. Financial Instruments

Investments are stated at market value as at balance date. Accrued interest, accounts payable and donations approved not yet paid are stated at the amounts expected to be received or paid. Accordingly, the trustees consider that the fair value of each class of financial assets and financial liabilities is the same as the carrying value in the financial position.

Concentration of Investments

Ninety-eight point nine percent (98.9%) of the assets of the trust are represented by investments held with a range of financial institutions. However, the trustees consider the risk of non-recovery of these investments to be minimal. Maximum exposure to credit risk as at balance date is:

	2005 \$(000)	2004 \$(000)
Bank balances	42	8
Bank term deposits	280	2
Accounts receivable	11	31

Interest Rate Risk

The following investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, government and local authority securities, and securities held by fund managers.

Fair Value

The carrying value is considered to be the fair value for financial instruments.

5. Investments

The value of investments which are held in equities and fixed interest are subject to market fluctuations. The total investment portfolio is diversified in such a way that over time reductions in value in particular asset classes should be more than offset by increases in other classes. Investments are disclosed at market value at balance date and any gains (losses) arising from that treatment are shown as "investment gains (losses)" in the statement of financial performance. Therefore, no provision has been made for potential gains or losses that could occur due to future market fluctuations. The investment portfolio as at 31 March 2005 is diversified as follows:

Auditor's Report

To the Trustees of Bay of Plenty Community Trust Incorporated:

We have audited the financial statements. The financial statements provide information about the past financial performance and financial position of the trust and group and its financial position as at 31 March 2005. This information is stated in accordance with the accounting policies set out in Note 1 of the accounts.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements, which give a true and fair view of the financial position of the trust and group as at 31 March 2005, and of the financial performance and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express to you an independent opinion on the financial statements presented by the trustees.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the trust and group's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors, we have no relationship with or interest in the trust or any of its subsidiaries.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust and group as far as appears from our examination of those records; and
- the financial statements:
 - comply with generally accepted accounting practice in New Zealand; and
 - give a true and fair view of the financial position of the trust and group as at 31 March 2005 and the results of operations and cash flows for the year ended on that date.

Our audit was completed on 24 June 2005 and our unqualified opinion is expressed as at that date.

The Canterbury Community Trust Notes to the Financial Statements for the Year Ended 31 March 2005

1. Statement of Accounting Policies

General Accounting Policies

The following general accounting policies have been adopted in the preparation of the financial statements.

- (i) The Canterbury Community Trust was incorporated as a charitable trust in accordance with the provisions of the Community Trusts Act 1999. These financial statements have been prepared in accordance with applicable financial reporting standards.
- (ii) The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.

Specific Accounting Policies

Depreciation

Depreciation has been charged in the financial statements using rates allowed by the Inland Revenue Department which will write off the cost of assets less their estimated residual value over their estimated economic lives.

The depreciation rates used are:

Buildings	3% c.p.
Office equipment	6-60% d.v.
Furniture and fittings	14-40% d.v.
Computer	28-48% d.v.

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

Investments

Investments are shown at market value. Net income including realised and unrealised gains or losses from holding or trading these investments is recorded in the statement of financial performance.

Investment properties are stated at open market value less estimated costs of disposal as determined by independent valuers at balance date. Unrealised changes in the value of investment properties are included in revenue. Investment properties are not depreciated.

Donations

Donations are accounted for on a cash basis.

Dividend Income

Dividend income is included in the statement of financial performance when it is received.

Income Tax

Income tax expense is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.

Goods and Services Tax

The subsidiary of Community Trust Charities Limited, Canterbury Trust House Limited, is registered for G.S.T. Accordingly, its financial performance and financial position have been consolidated within the accounts on a G.S.T. exclusive basis.

Subject to the above, the trust is not registered for G.S.T. purposes and therefore, the financial statements have been prepared on a G.S.T. inclusive basis.

Financial Instruments

Foreign currency transactions are translated to New Zealand currency at the exchange rate ruling at the dates of the transactions. Amounts receivable and payable in foreign currencies at balance date are translated at the exchange rate at that date. Exchange differences arising from the translation of amounts payable and receivable in foreign currencies are recognised in the statement of financial performance.

Off-balance sheet financial instruments that are designated as hedges are recognised on the same basis as the underlying hedged item. Off-balance sheet transactions that do not constitute specific hedges are stated at market value and any resultant gain or loss is recognised in the statement of financial performance.

Cash

For the purpose of the statement of cash flows, cash comprises Westpac balances only. Cash excludes bank deposits not used as part of the trust's day-to-day cash management.

Basis of Consolidation

The Canterbury Community Trust, Community Trust Charities Limited and its subsidiaries, Canterbury Trust House Limited, Amateur Game or Sport Promoter Limited and District Improvement Organisation Limited have been consolidated using the purchase method of consolidation.

Changes in Accounting Policies

There have been no changes in accounting policies.

All policies have been applied on basis consistent with those used last year.

Trustees, on advice from the liquidator, have written the investment down to the current estimated realisable value, resulting in an adjustment of \$674,262. The current estimated realisable value is 75% of the asset value, although over time a full recovery is anticipated.

3. Donations

The names of organisations to whom distributions have been made by the trust under section 13 of the Community Trusts Act 1999 during the financial year and the amounts distributed are shown in the annual report.

	2005	2004
Donations paid from income	10,838,176	9,350,307
Donations paid from capital	2,442,054	2,132,967

Donations approved for year	<u>13,871,568</u>	<u>11,592,861</u>

Funds carried forward as accumulated income are available for the payment of donations in future years. Budgeted donations unspent in the current year are to be distributed in the following year.

Future donation commitments represent donations approved in the current or previous years which are to be distributed from either capital or future income sources.

The trustees recognise that there is a need to ensure a fairness and equity between the regions as far as payments of donations are concerned in relation to budgetary allocations. The allocation of donations between regions is based on population statistics for each region.

4. Trust Funds

	2005	2004
Core real capital base reserve:		
Balance brought forward	371,422,000	358,000,000

Net surplus for year	13,558,249	28,058,676
Transfer to core real capital base reserve	(2,442,054)	(2,132,967)

	<u>44,855,595</u>	<u>33,739,400</u>
Capital base reserve:		
Balance brought forward	48,163,269	40,665,315

Available for taxable distribution	<u>17,497,293</u>	–
Total trust funds	<u>475,979,459</u>	<u>453,324,669</u>

The capital base reserve is an allowance for the erosion of the value of the core real capital base reserve, due to inflation. For 2005, this was calculated based on inflation at 2.75% on a core real capital base reserve of \$419,585,269, being the original core real capital base reserve of \$371,422,000 plus the adjusted capital base reserve of \$48,163,269.

The prior year, core real capital adjustment recognised an amendment to the trust's capital position to capitalise previously set aside income reserves following the 1996 sale of the Trust Bank NZ Limited shareholding, and also included an inflationary movement for that adjustment.

Even though The Canterbury Community Trust is exempt from income tax with effect from 1 April 2004, all taxable distributions after that date will still be subject to tax in the donee's hands, if the donee does not have tax exempt status.

Included in amounts available for tax-free distribution is \$77,068,296 which will be available for tax-free distribution if Community Trust Charities Limited is liquidated by 31 March 2006. Trustees expect this to be the case.

11. Related Party

In the normal course of business, the trust has no related parties with any entity, other than those advised in Note 1.

12. Financial Instruments

Investments are stated at market value at balance date. Accounts receivable and accounts payable are stated at the amounts expected to be received or paid. Accordingly, the trustees consider that the fair value of each class of financial assets and financial liabilities is the same as the carrying value in the financial position.

Concentration of Investments

Ninety-eight percent (98%) of the assets of the trust are represented by investments held with a range of financial institutions. The trustees consider the risk of non-recovery of these investments to be mitigated by prudent investment strategies and an appropriately diversified portfolio.

Currency Risk

The trust incurs currency risk as a result of investment transactions entered into by fund managers. Such risks are mitigated by foreign currency hedges where appropriate. At 31 March 2005, the trust had entered into foreign exchange contracts to hedge foreign denominated investments in the amount of \$36,044,881.

Interest Rate Risk

The following investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, government and local authority and securities held by fund managers. Interest rate risk is mitigated by the use of interest rate swaps where appropriate.

13. Managed Funds Investment

Canterbury Trust House Limited has a tax loss to carry forward as at 31 March 2005 of \$1,298,887 (2004 – \$1,101,283). The benefit of these losses is not recognised.

15. Community Loans

The trust has approved four community loans during the year ended 31 March 2005. The loans have been approved with an average term of 10 years and incur an average interest rate of 3% per annum. Where appropriate, the loans have been secured by registered instruments. The loan obligations at balance date were all current and considered collectable.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give reasonable assurance that the consolidated financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.
