Direction in Relation to Special Benefit Amendment (No. 3) 2005

To: The Chief Executive of the Ministry of Social Development.

Pursuant to section 5 of the Social Security Act 1964, the Minister for Social Development and Employment makes the following amendment to the Direction in relation to Special Benefit given on 10 February 1999.

Dated at Wellington this 28th day of June 2005.

STEVE MAHAREY, Minister for Social Development and Employment.

Amendment

1. Title—(1) This amendment is the Direction in relation to Special Benefit Amendment (No. 3) 2005.

(2) In this amendment, the Direction in relation to Special Benefit is called "the direction".

2. Commencement—This amendment comes into effect on 1 July 2005.

3. Clause 3.2 revoked—Clause 3.2 of the direction is revoked.

4. Savings—Despite anything in clause 3, you should continue to pay a special benefit to an applicant who was receiving a special benefit in accordance with clause 3.2 of the direction immediately before 1 July 2005 as if that clause were still in effect, until you consider the fixing of a special benefit in accordance with that clause is no longer justified.

Explanatory Note

This note is not part of the amendment, but is intended to indicate its general effect.

This amendment revokes clause 3.2 of the direction in relation to special benefit (which relates to additional accommodation costs for certain beneficiaries who are engaged in training away from their home) on 1 July 2005. The Waikato Community Trust Incorporated Notes To and Forming Part Of the Consolidated Financial Statements for the Year Ended 31 March 2005**1. Statement of Accounting Policies****Basis of Reporting**

The financial statements presented here are for the reporting entity The Waikato Community Trust Incorporated and for 2004 its wholly-owned subsidiary Trust Waikato Charities Limited.

The financial statements have been prepared in accordance with the requirements of the Institute of Chartered Accountants of New Zealand for the measurement and reporting of profit on a historical cost basis with the exception of investments which are recorded at market value.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

(a) Reserves Policy

Set out below are the reserving policies. They were adopted by the trust in 1998 and have been amended following reviews in 2000, 2001, 2003 and 2004 to reflect investment performance.

Trust Funds

In order to prudently manage the financial affairs of the trust, the trustees have adopted the following policies for accounting for the trust's capital and retained earnings.

- Capital**

Following the sale of the trust's shares in Trust Bank New Zealand Limited in April 1996, the trustees agreed that the value of the trust at that time should be maintained for the benefit of current and future generations living in the Waikato region. For this purpose, the trustees agreed that \$169,800,000 would be considered as the "initial capital" of the trust.

The "initial capital value" is increased each year to show the "base capital value" which reflects growth due to inflation and regional growth. An amount was transferred from retained earnings in 1997 to increase the capital of the trust from its original amount of \$21,316,622 to the "initial capital value" and to provide for growth during the 1997 year. Each year, an appropriate amount is transferred from income to allow for growth due to inflation and regional population growth. Transfers have not

been made in the 2003, 2004 and 2005 years. An appropriate amount will be transferred when investment performance improves sufficiently.

• **Investment Fluctuation Reserve**

The trustees have adopted an investment strategy with a targeted long term annual rate of return of 6.8% (2004 – 6.8%) of the trust's "base capital value". Recognising that actual returns are likely to fluctuate from year to year, the trust holds the variation from the target in an investment fluctuation reserve. In years when investment returns are less than the target, an appropriate amount is transferred to income.

At the trust's current risk profile, the investment fluctuation reserve should have a lower limit of 9% (2004 – 9%) and an upper limit of 25% (2004 – 25%) of the "base capital value". When the reserve falls below the lower limit, the levels of expenditure and distributions are reviewed by the trust. If the reserve exceeds the upper limit, any further excess returns are transferred to the donation reserve.

• **Donation Reserve**

The trust's present donation policy is to distribute annually as donations 3.5% (2004 – 3.5%), subject to the investment fluctuation reserve policy of the "base capital value". The trustees recognise that for a number of reasons, this might not always be achievable and that there will inevitably be fluctuations between the donations distributed and the actual target.

The surplus or deficit after transfers to the capital and the investment fluctuation reserve is held in the donation reserve and represents the trust's retained earnings or accumulated losses. It is the trust's intention to apply the surplus in this fund to future donations or recover deficits from future income.

(b) Fixed Assets

All fixed assets have been recorded at cost price less accumulated depreciation.

(c) Depreciation

Depreciation of fixed assets other than land, art and artefacts is calculated using taxation rates so as to allocate the cost of the assets over their useful lives. The following rates are used:

Office equipment and furniture	12.0-48.0%	Diminishing value
Motor vehicles	31.2%	Diminishing value
Buildings	4.0-31.2%	Diminishing value

(d) Donations

Donations made are included in the statement of financial performance or statement of movements in equity when approved by the trustees.

(e) Goods and Services Tax

The trust is not registered for goods and services tax purposes. Accordingly, these financial statements are stated on a G.S.T. inclusive basis.

(f) Taxation

From 1 April 2004 section CB 4 (1) (m) of the Income Tax Act (1994) exempts the trust from income tax.

(g) Currency Translation

Monetary assets denominated in foreign currency are converted to New Zealand dollars at the exchange rates reported at balance date and any unrealised profit or loss resulting from the conversion is reflected in the statement of financial performance. All hedge instruments are also revalued to market value at year end and unrealised profits and losses are reflected in the statement of financial performance.

(h) Consolidation Method for Comparatives

The purchase method was used to consolidate the trust and its subsidiaries for 2004. All inter-entity transactions, balances and unrealised profits and losses on transactions between group members were eliminated.

(i) Cash Flows

For the purpose of the statement of cash flows, cash includes cash on hand, deposits held at call with banks, net of bank overdrafts, which are used as part of day-to-day cash management.

(j) Financial Instruments

Financial instruments recognised in the statement of financial position include cash balances, receivables, payables, and investments. Revenues and expenses relating to all financial instruments are recognised in the statement of financial performance. Except for items accounted for by a separate accounting policy, all financial instruments are shown at their fair value.

(k) Investments

Investments are stated at market value. Adjustments to market value of investments are included in the statement of financial performance.

(l) Changes in Accounting Policies

The Inland Revenue Department redefined the tax definition of a "community trust", which meant the trust is tax exempt from 1 April 2004.

There have been no other changes in accounting policies since the previous annual financial statements. All other policies have been applied on basis consistent with those used in the prior year.

2. Incorporation

The Trust Bank Waikato Community Trust was incorporated on 5 August 1988 with trust capital of \$21,316,622. The name of the trust was changed to The Waikato Community Trust Incorporated in December 1997.
