Dumping and Countervailing Duties Act 1988

Anti-dumping Duties: Notice That Anti-dumping Duties on Plasterboard From Thailand May Cease to Apply

Under section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on "other sizes" of plasterboard from Thailand* and on plasterboard of a thickness between 8.75mm and 10.25mm from Thailand†, will cease to apply to those goods on 27 September 2005 and 19 November 2005 respectively,

unless at those dates the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request that the Chief Executive of the Ministry of Economic Development initiate a review before the cessation dates referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Chief Executive.

If an application is received which provides positive evidence justifying the need for a review, the Chief Executive must undertake and complete a review investigation, within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to include reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of plasterboard from Thailand, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New Zealand industry producing plasterboard.

The reasons should be supported by evidence and not be based on mere allegations or assertions.

Electricity Commission

Electricity Act 1992

Notice of Making of a Recommendation Concerning the Electricity Governance Rules 2003 – Rule Amendment Proposal No. 31

This notice of a recommendation concerning the Electricity Governance Rules (“EGRs”), Rule Amendment Proposal

No. 31, is issued by the Electricity Commission (“EC”), established under the Electricity Act 1992 (“Act”), pursuant to section 172E (2) (c) of that Act.

Section 172E (2) (c) provides that, no later than 10 working days after making a recommendation concerning the EGRs to the Minister of Energy, the EC must publicise the recommendation and the assessment completed under section 172F of the Act.

Recommendation

The EC made a recommendation that Rules 4.3 and 4.3.1 of Schedule G7 of Part G of the EGRs be amended, relevant defined terms be inserted into the EGRs, and consequential

amendments to Rules 2.4, 4.2, 4.2.1, 4.2.2 and 4.4 of Schedule G7 of Part G, and Rule 2.2 of Appendix 1 of Code of Practice G2 of Schedule G8 of Part G be made, in reliance on section 172F (3), on 24 February 2005.

Section 172F (3) provides that the EC is not required to comply with section 172F (1) (which relates to carrying out an assessment) if it is satisfied that the effect of the recommendation is minor and will not adversely affect the interests of any person in a substantial way.

In reliance on section 172F (3), no such assessment has been carried out under section 172F (1) of the Act.

Recommended Amendment to the Rules

The recommended amendments to Rules 4.3 and 4.3.1 of Schedule G7 of Part G of the EGRs support a set of guidelines for undertaking forward estimate audits, which are intended to encourage auditors to use the same audit methodology.

The EC also recommended the insertion of the following defined terms into Part A of the EGRs in order to clarify the meaning of those rules:

- “historical estimate”;
- “forward estimate”;
- “initial file”; and
- “revised file”.

Consequential amendments to Rules 2.4, 4.2, 4.2.1, 4.2.2 and 4.4 of Schedule G7 of Part G and Rule 2.2 of Appendix 1 of Code of Practice G2 of Schedule G8 of Part G were also recommended to reflect the new defined terms.

A copy of the EC’s recommendation is available, at no cost, on the EC’s web site:

Dated at Wellington this 23rd day of February 2005.

For and on behalf of the Electricity Commission:

ROY HEMMINGWAY, Chair.

Notice of Making of Electricity Governance Amendment Rules (No. 18) 2005 and Notice of Reasons for Decision

1. Pursuant to section 172i of the Electricity Act 1992, I notify the amendment of the Electricity Governance Rules (“EGRs”) 2003 under section 172H of the Electricity Act 1992.

2. The empowering provision for the electricity governance regulations in relation to which the EGRs is made is section 172D (1) (1) (b) of the Electricity Act 1992.

3. A brief description of the nature of the amendments are as follows:

- (a) Amend Rules 4.3 and 4.3.1 of Schedule G7 of Part G of the EGRs, to support compliance with guidelines on forward estimate audits;
- (b) The following defined terms are inserted into Part A of the EGRs:
 - “historical estimate”;
 - “forward estimate”;
 - “initial file”; and
 - “revised file”.
- (c) Consequential amendments to Rules 2.4, 4.2, 4.2.1, 4.2.2 and 4.4 of Schedule G7 of Part G and Rule 2.2 of Appendix 1 of the Code of Practice G2 of Schedule G8 of Part G to reflect the new defined terms.

4. The amendments are made in reliance on section 172F (3) of the Electricity Act 1992.

5. Pursuant to section 172Z (4) of the Electricity Act 1992, the reasons for my decision to amend the EGRs are that:

- due to the fact that the rules relating to forward estimate audits do not prescribe a methodology for such audits, these amendments are necessary to achieve a standard approach to forward estimate audits;
- the use of the guidelines encourages consistency in carrying out forward estimate audits, which aids the market administrator; and
- the rule changes do not impose substantial new obligations on participants.

6. These rules come into force on 31 March 2005.

7. Copies of the EGRs may be inspected free of charge or purchased from the Electricity Commission, Level Seven, ASB Bank Tower, 2 Hunter Street, Wellington.

The EGRs can also be viewed on the Electricity Commission web site:

The land described in (a) of the First Schedule is required for use in connection with a road.

It will be used to provide access to an adjoining owner who will be landlocked following construction of the State Highway No. 20 Mt Roskill Extension ("the works").

The land described in (b) of the First Schedule is required for use in connection with a road and will, once taken, be vested in Auckland City Council and form part of Carr Road.

The easement described in the Second Schedule is required to enable access for construction and maintenance of a retaining wall at Hayr Road, being part of the Hayr Road overbridge to be constructed as part of the works.

The terms and conditions of the easement are set out in the Third Schedule.

The intended takings are considered reasonably necessary to improve traffic flow and sight distances and reduce traffic congestion.

All practicable alternatives were considered prior to designation of the land.

The proposed land use is in accordance with the designation under the district plan.

The owners of the land and those persons with a registered interest in it have been served with notice of the Crown's intention to take the land and advised of their right to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, P.O. Box 5027, Wellington, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be heard with the right of the objector to appear and be heard personally unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.
