- (b) to the extent it was paid to the provider of an approved early-childhood education programme, that provider.

**17. Consequential revocations—**(1) Revoke the following provisions of the TIA programme<sup>1</sup>:

- (a) In clause 2.1, paragraph (b) of the definition of **applicant**, and the definitions of **childcare payments**, **eligible child**, **Regulations**, and **secondary school**;

- (b) Part 2.

(2) Revoke the Training Incentive Allowance Amendment (No 2) 2005<sup>2</sup>.

**18. Transitional provisions—**(1) This subclause applies to any person who, immediately before the commencement of this programme, was receiving or had, on an application made before that commencement, been granted young parent childcare payments under Part 2 of the TIA programme in respect of an eligible child's attendance at an approved early-childhood education programme.

(2) On the commencement of this programme, a person to whom subclause (1) applies is entitled to receive, without further application, GCAP payments in respect of the eligible child as if granted under clause 7 so long as he or she continues to meet the eligibility requirements for those payments under this programme.

(3) This subclause applies to any person who, before the commencement of this programme, had made application for young parent childcare payments under the TIA programme but had not yet been granted young parent childcare payments under that programme.

(4) On the commencement of this programme, the application of a person to whom subclause (3) applies must be treated as an application for GCAP payments under this programme.

(5) This subclause applies to any overpayments of young parent childcare payments that are recoverable under former clause 18 of the TIA programme.

(6) Any overpayments to which subclause (5) applies must be treated as overpayments of GCAP payments for the purpose of clause 16 of this programme.

Dated at Wellington this 13th day of August 2012.

HON PAULA BENNETT, Minister for Social Development.

### **Explanatory Note**

*This note is not part of the programme, but is intended to indicate its general effect.*

*This programme provides for a new form of childcare assistance called the guaranteed childcare assistance payment (GCAP).*

*Young parents receiving a young parent payment or who are the spouses or partners of specified beneficiaries are (subject to compliance with certain conditions) entitled to GCAP if their eligible children attend an approved early-childhood education programme while they are complying with obligations under section 170(1)(a) to (c) of the Act (youth activity obligations) or for up to 15 hours a week when they are working part-time in addition to complying with youth activity obligations.*

*Young parents not in receipt of a benefit under the Act who are returning to or remaining in a course of secondary instruction may (subject to compliance with certain conditions) be granted GCAP in the discretion of the chief executive if their eligible children attend an approved early-childhood education programme while they participate in that course or for up to 15 hours a week when they are working part-time in addition to participating in that course.*

*GCAP replaces young parent childcare assistance under the Training Incentive Allowance Programme, and the provisions of that programme relating to that assistance are revoked.*

*GCAP is only available for hours when the child is not receiving free early childhood education and neither childcare assistance under section 61GA of the Act or childcare assistance under any other welfare programme is payable. The rate at which GCAP is payable is \$6.00 per hour for up to 50 hours a week and not more than \$300.00 a week.*

## Electricity Industry (Exemption No. 144 (Advanced Metering Services Limited)) Exemption Notice 2012

Pursuant to section 11 of the Electricity Industry Act 2010 (“Act”), the Electricity Authority (“Authority”) gives the following notice.

### Notice

**1. Title and commencement**—(1) This notice is the Electricity Industry (Exemption No. 144 (Advanced Metering Services Limited)) Exemption Notice 2012.

(2) This notice comes into force on **1 January 2013**.

**2. Exemption**—Advanced Metering Services Limited (“AMS”) is exempted from compliance with clause 6(2) of Code of Practice 10.3 of Schedule 10.1 of the Electricity Industry Participation Code 2010 (“Code”) for the certification and recertification of categories 1 and 2 Advanced Metering Installation (“AMI”) metering installations.

**3. Term**—This exemption expires on the date on which the Electricity Industry Participation (Metering Arrangements) Code Amendment 2011 comes into force.

**4. Reasons for granting the exemption**—The reasons for granting this exemption are:

- (a) granting the exemption meets the requirements in section 11 of the Act for granting exemptions;
- (b) the exemption will remove potential barriers and allow efficient mass market switches and half hour (“HHR”) data settlement for AMI consumers;
- (c) meter certification is addressed in the new Part 10 of the Code, and AMI HHR switching is a pending project within the Authority’s retail workstream, but there are advantages for industry and consumers to be gained in the meantime;

(d) the number of Category 1 non half hour (“NHH”) installations which will have an installed meter which is certifiable for HHR data is likely to exceed 600,000 before the new Part 10 is in force. The ability to cost effectively certify these installations as HHR now would enable retailers to offer more innovative tariffs at an earlier date, improve the efficiency of the market and take advantage of this existing functionality; and

(e) AMS has stated that it will validate, for each reconciliation read, that the NHH metering information matches in electricity volume the HHR metering information.

Dated at Wellington this 13th day of August 2012.
