Injury Prevention, Rehabilitation, and Compensation Act 2001

ACC Board Levy Recommendations for 2005/06 Following Consultation

Under the Injury Prevention, Rehabilitation, and Compensation Act 2001, the ACC Board has recommended to the Minister for ACC a number of changes to the levy rates for the 2005/06 levy year. The recommended rates reflect:

- submissions received as part of the public consultation process;
- the latest claims experience; and
- recent cost trends for each group of levy payers.

The ACC Board's recommendations are not binding on the Minister, who will obtain further advice from officials and actuaries before making recommendations to Cabinet.

Cabinet are expected to finalise the 2005/06 levy rates by December 2004.

The ACC Board levy recommendations are summarised as follows:

<i>Who pays</i>	<i>Levy Component</i>	<i>Current 2004/05 average</i>	<i>Recommended 2005/06 average</i>	<i>Recommended change</i>
Employers	Composite Levy (for every \$100 of payroll)	\$1.21	\$1.21	No change
	• Which consists of a:			
	Work levy	\$0.91	\$0.88	
	Pre-1999 claims levy	\$0.30	\$0.33	
Self-employed people	Composite Levy (for every \$100 of earnings)	\$3.10	\$3.22	+3.9%
	• Which consists of a:			
	Work levy	\$1.73	\$1.82	
	Pre-1999 claims levy	\$0.30	\$0.33	
	Non-work levy	\$1.07	\$1.07	

All earners – through Inland Revenue	Non-work levy (for every \$100 of earnings)	\$1.07	\$1.07	No change
Motorists – through annual vehicle licensing fee and levy on petrol	Motor vehicle levy (per motor vehicle)	\$197.50	\$206.93	+4.8%

All rates are G.S.T. exclusive.

The levy rates recommended do not include provision for the amendments to legislation proposed in the Injury Prevention, Rehabilitation and Compensation Amendment Bill (No. 3) 2004.

ACC also recommended:

- to maintain the 129 levy risk groups (or pricing pools) for the employer and self-employed work levies and the 41 risk groups for the pre-1999 claims levy.
- that a small number of classifications be moved, or their description amended, to match changing market conditions and clarify coverage.
- that the petrol levy increases from 5.08 to 5.77 cents per litre.
- to increase the ACC component of the annual vehicle licensing fee by 5% for motorcycles (all other vehicle types maintained at their current rates).

Individual rates will be finalised and incorporated into draft Levy Regulations once the Government has set the average rates.

Copies of the detailed recommendations made to the Minister for ACC may be obtained by contacting ACC by telephone on 0800 ACC RATES (0800 222 728) or by email: consultation@acc.co.nz

Electricity Commission

Electricity Act 1992

Notice of the Grant of an Exemption No. 24

This notice of the grant of an exemption is issued by the Electricity Commission (“Commission”), continued under subpart 1 of Part 15 of the Electricity Act 1992, pursuant to Regulation 194 of the Electricity Governance Regulations 2003 (“Regulations”) in favour of Energy Clearing House Limited (“Clearing Manager”), and generators who hold a dispensation issued in accordance with Rule 1, Section II of Part I of the Electricity Governance Rules 2003 (“Rules”) and distributors, as those terms are defined in the Rules, (together referred to as the “relevant participants”).

This exemption is being granted under urgency in reliance on Regulation 194 (4).

Notice of the Grant of an Exemption (“notice”)

Regulation 194 (2) requires that the exemption and the Commission’s reasons for granting it are notified in the *New Zealand Gazette* as soon as practicable after being granted.

Subject to the terms and conditions imposed upon the Clearing Manager and relevant participants, in respect of any exemption contained within this notice, the Commission hereby notifies it grants an exemption to the Clearing Manager and relevant participants from the requirement to comply with the following Rules:

- Rule 11.6.3 of section IV of part C.

Terms and Conditions of the Grant of the Exemption

Pursuant to Regulation 194 (1), the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, exempt any participant, or class of participants, from compliance with all or any of the Rules.

The Commission must include an expiry date pursuant to Regulation 194 (5) (b).

In respect of the exemption contained within this notice, the Commission imposes the following terms and conditions:

1. The Clearing Manager calculates the residual charge by applying rule 11.6.3 subject to the defined term **reconciled quantity** in the variables

$$\text{BillingPeriodOfftake}_{\text{LINE}x}$$
and

$$\text{BillingPeriodOfftake}_{\text{ALL}z}$$
being replaced with the defined term **metering information**.

2. Relevant participants pay the residual charge or receive a residual payment as calculated by the Clearing Manager above.

3. The exemption expires on 31 March 2005.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on the application by a participant or on the initiative of the Commission.

Commission’s Reasons for Grant of the Exemption Contained in This Notice

The reasons for grant of the exemption are as follows:

- (a) The use of metering information, in the relevant formulas, is the most economically consistent and creates the least distortion in the calculation of residual charges.
- (b) The Commission is unable to identify any participants who would be unduly affected by the grant of the exemption.
- (c) Granting the exemption will allow time for the Commission to investigate a rule change to appropriately address the issue.

Date Upon Which the Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the exemption, is 21 October 2004.

Pursuant to Regulation 194 (5) (c), the Commission will publicise the exemption on the Commission’s web site and will have regard to any views that participants make known to it by 4 November 2004 at 5.00 p.m.

Notice of the Grant of an Exemption No. 25

This notice of the grant of an exemption is issued by the Electricity Commission (“Commission”), continued under subpart 1 of Part 15 of the Electricity Act 1992, pursuant to Regulation 194 of the Electricity Governance Regulations 2003 (“Regulations”) in favour of Energy Clearing House Limited (“Clearing Manager”), and generators and the HVDC owner, as those terms are defined in the Electricity Governance Rules 2003 (“Rules”), (together referred to as the “relevant parties”).

This exemption is being granted under urgency in reliance on Regulation 194 (4).

Notice of the Grant of an Exemption (“notice”)

Regulation 194 (2) requires that the exemption and the Commission’s reasons for granting it are notified in the *New Zealand Gazette* as soon as practicable after being granted.

Subject to the terms and conditions imposed upon the Clearing Manager and relevant participants, in respect of any exemption contained within this notice, the Commission hereby notifies it grants an exemption to the Clearing Manager and relevant participants from the requirement to comply with the following Rules:

- Rule 11.5.1 of section IV of part C.

Terms and Conditions of the Grant of the Exemption

Pursuant to Regulation 194 (1), the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, exempt any participant, or class of participants, from compliance with all or any of the Rules.

The Commission must include an expiry date pursuant to Regulation 194 (5) (b).

In respect of the exemption contained within this notice, the Commission imposes the following terms and conditions:

1. That the Clearing Manager determines under Rule 11.7.1 the amount payable by each of the relevant participants for availability costs calculated under Rule 11.5.1 by replacing the definition of “availability cost” in that rule with the following definition:

“**availability cost**” means the costs incurred by the **system operator** in purchasing **instantaneous reserve** and providing that **instantaneous reserve** for a trading period, including:

- (a) Payments made by the **system operator** for that **trading period** pursuant to contracts which secure the availability of **instantaneous reserves less any readily identifiable and quantifiable costs to be paid by asset owners in respect of that ancillary service as a condition of any dispensations stipulated in accordance with Rule 7.3.1 of section III of Part C**; and
- (b) The annual and variable costs (including any constrained-on costs) incurred by the **system operator** under any other contracts allocated by the **system operator** to that **trading period**

but excludes any **administrative cost**;

2. Relevant participants make payments for availability costs as determined by the Clearing Manager under the terms and conditions above.
3. The exemption expires on 31 March 2005.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on the application by a participant or on the initiative of the Commission.

Commission’s Reasons for Grant of the Exemption Contained in This Notice

The reasons for grant of the exemption are as follows:

- (a) It is not fair or economically efficient to continue double charging dispensed generators for instantaneous reserves related to their dispensation.
- (b) The Commission is unable to identify any participants who would be unduly affected by the grant of the exemption.
- (c) Granting the exemption will allow time for the Commission to investigate a rule change to appropriately address the issue.

Date Upon Which the Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the exemption, is 21 October 2004.

Pursuant to Regulation 194 (5) (c), the Commission will publicise the exemption on the Commission’s web site and will have regard to any views that participants make known to it by 4 November 2004 at 5.00 p.m.
