Departmental Notices

Accident Compensation Corporation

Injury Prevention, Rehabilitation and Compensation Act 2001

Consultation on Proposed ACC Levy Rates

Accident Compensation Corporation (ACC) is consulting on the following 2005/2006 levies:

- Employers work levy.
- Self-employed work levy.
- Pre-1999 claims levy (residual claims levy).
- Non-work levy.
- Motor vehicle levy.

As required under section 331 of the Injury Prevention, Rehabilitation and Compensation Act 2001, the ACC Board requests your input on its levy proposals before making recommendations to the Minister for ACC in October 2004. All interested parties are invited to make submissions on the proposed levies and regulations.

Summary of proposed levy rates for 2005/2006 (G.S.T. exclusive)

<i>Who pays</i>	<i>Levy component</i>	<i>Current 2004/2005 average</i>	<i>Proposed 2005/2006 average</i>	<i>Proposed change</i>
Employers	Composite Levy (for every \$100.00 of payroll)*	\$1.21	\$1.21	No change
	Which consists of a:			
	Work levy	\$0.91	\$0.88	
	Pre-1999 claims levy	\$0.30	\$0.33	
Self-employed people	Composite Levy (for every \$100.00 of earnings)*	\$3.10	\$3.19	+ 2.9 %
	Which consists of a:			
	Work levy	\$1.73	\$1.79	
	Pre-1999 claims levy	\$0.30	\$0.33	
	Non-work levy	\$1.07	\$1.07	
All earners – through Inland Revenue	Non-work levy (for every \$100.00 of earnings)	\$1.07	\$1.07	No change
Motorists – through annual vehicle licensing fee and levy on petrol	Motor vehicle levy (per motor vehicle)	\$197.50	\$197.50	No change

*These are average rates. Individual rates for industry groups may increase or decrease based on recent experience.

Discussion papers

The details of the proposed levy rates and regulations are set out in consultation documents. For copies of these documents and the actuarial assessments, you can:

- download the documents in PDF format from www.acc.co.nz
- email consultation@acc.co.nz
- write to Levy Consultation, ACC, P.O. Box 242, Wellington
- call ACC on 0800 ACC RATES.

Submissions

Submissions must be in writing and received by ACC no later than 16 September 2004 by 5.00 p.m. They should be sent to Levy Consultation, ACC, P.O. Box 242, Wellington, or emailed to consultation@acc.co.nz

An overview of reviewing the levies

Each year, ACC reviews the levies it charges.

From August – early September	The ACC Board invites the public to make submissions on levy rate proposals and options
September	The ACC Board considers the submissions.
October	The ACC Board makes recommendations to Government, via the Minister for ACC, about any changes to the levy rates for the following levy year.
1 April	The regulations and new levy rates come into effect (except the motor vehicle levy).
1 July	The regulations and new motor vehicle levy rate come into effect.

Why do levies change?

ACC meets the ongoing cost of claims from:

1. the levies it collects each year; and
2. the interest it earns by investing any unspent levies or reserves.

There are a number of factors that affect levy rates. These include the forecast trends in injury and death rates, the duration and cost of claimants' rehabilitation or compensation, and economic factors such as inflation and interest rates. Rising interest rates increase the future earnings expected from ACC's investments and decrease ACC's liability for past injuries and, as a result, reduce the levy rates. The opposite is true when interest rates reduce.

Proposals for each group of levy payers

Employers

Employers pay a composite levy that includes both a work levy and a pre-1999 claims levy.

The work levy meets the costs of workplace injuries to employees that occur after 1 April 2000, and not covered by private insurance.

The pre-1999 claims levy pays for work injury claims before 1 July 1999 plus non-work injury claims before 1 July 1992.

Employer levies are based on the payroll of their employees.

ACC proposes to:

- maintain the 2005/2006 average composite employer levy at the current rate of \$1.21 for every \$100.00 of payroll, consisting of:
 - the average work levy decreasing from \$0.91 to \$0.88; and
 - the average pre-1999 claims levy increasing from \$0.30 to \$0.33.
- maintain the current 129 risk groups (or pricing pools) for the work levy and also maintain the current 41 risk groups for the pre-1999 claims levy.
- amend the Framework for the Accredited Employers Programme to improve the description of how the discount is calculated. Two options are presented. Option 1 is to revise the detailed description in the framework. Option 2 is to remove the detailed description, but maintain the general approach to calculating the discount.
- change three individual classifications to match recent claims experience.
- re-name one individual classification to clarify coverage.

Self-employed

Self-employed pay a composite levy that includes a work levy, a non-work levy and a pre-1999 claims levy.

The work levy meets the costs of workplace injuries to self-employed that occur after 1 July 1999, and not covered by private insurance.

The non-work levy is to cover the cost of their non-work injuries.

The pre-1999 claims levy pays for work injury claims before 1 July 1999 plus non-work injury claims before 1 July 1992.

Self-employed levies are based on their earnings.

ACC proposes to:

- increase the 2005/2006 average composite self-employed levy by 2.9% from \$3.10 to \$3.19 for every \$100.00 of earnings, consisting of:
 - the average work levy increasing from \$1.73 to \$1.79;
 - the non-work levy remaining at the current rate of \$1.07; and
 - the average pre-1999 claims levy increasing from \$0.30 to \$0.33.
- maintain the current 129 risk groups (or pricing pools) for the work levy and also maintain the current 41 risk groups for the pre-1999 claims levy.
- change three individual classifications to match changing market conditions.
- rename one individual classification to clarify coverage.

Earners

The non-work levy covers the cost of non-work injuries to earners and self-employed people.

ACC proposes to:

- maintain the 2005/2006 non-work levy at the current rate of \$1.07 for every \$100.00 of earnings.

Motorists

The motor vehicle levy covers the cost of all injuries involving motor vehicles on public roads.

Motorists pay for motor vehicle injuries through an average motor vehicle levy made up of an annual vehicle licensing fee levy and a petrol levy.

ACC uses a vehicle classification system based mostly on vehicle type. Motor vehicle owners pay a levy based on the type of vehicle owned.

ACC proposes to:

- maintain the 2005/2006 average motor vehicle levy at the current rate of \$197.50 per vehicle.
- maintain the current nine classifications and their rates for 2005/2006.
- maintain the petrol levy at the current rate of 5.08 cents per litre.
- maintain the ACC component of the annual vehicle licensing fee for each vehicle type at their current rates.

Chairman's Report for the Year Ended 31 March 2004

I am delighted to report a highly successful year for your trust: investment returns have improved substantially, the trust hosted an excellent annual community trusts' conference, and we completed and began implementing our three-year strategic plan.

Last year in this report, I said: "... trustees' faith in the investment policy may be giving rise to appropriate results in the current year to date." The global equities recovery continued throughout the year and this has enabled the trust to rebuild reserves depleted in the previous three years and has reinforced the trust's long-term, disciplined approach to investments.

In February, this trust hosted the combined community trusts' annual conference in Wairakei, Taupo. It is a credit to my trustees, the trust staff and ex-trustee Hilary Brown, our conference organiser, that this event, which significantly benefits trusts and trustee development, was so successful.

I am very happy to have the support of an excellent board of trustees. Their wide range of talent is leading the development and exploration of ways that this trust can improve its effectiveness in enhancing our communities. We have continued to develop our thinking and strategies on how we can improve our objective of enhancing Bay of Plenty communities. This has led us to set aside some funding for the coming year for investigation and pursuit of regional initiatives that have the potential to improve the economics of more deprived areas in our region. The trust has continued its support of the many volunteer, social and community enhancement projects that it has traditionally supported.

Please read this report and share with me the pride I have in this trust. As Bay of Plenty communities, we are very lucky to have such a fund dedicated to the many needs and wants of our area controlled at a grass roots level within our region.

RAY SHARP, Chairman.

Notes to the Financial Statements for the Year Ended 31 March 2004**1. Statement of Accounting Policies****Reporting Entity**

The trust is a charitable trust in accordance with the provisions of the Community Trusts Act 1999. The group consists of Bay of Plenty Community Trust Inc and its subsidiary Bay of Plenty Community Trust Charities Limited.

The financial statements have been prepared as required by the Community Trusts Act 1999 and the Trust Deed dated 17 August 2000 and in accordance with the Financial Reporting Act 1993.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by the group, with the exception of investments which are stated at market value as at 31 March 2004.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

(a) *Donations:*

Donations made during the year from revenue are included in the income statement. Those made from trust capital have been included in the statement of movements in equity.

(b) *Investments:*

All Investments are stated at assessed market value (refer Note 5).

(c) *Fixed assets:*

Fixed assets are stated at cost less accumulated depreciation.

(d) *Depreciation:*

Depreciation is charged to write off the cost of fixed assets over their expected economic lives using the diminishing value method at rates from 12% to 50% per annum.

(e) *Accounts receivable:*

Accounts receivable are recorded at their estimated realisable value.

(f) *Financial instruments:*

The trust includes all financial instrument arrangements in the balance sheet using the concept of accrual accounting. Financial instruments are valued as per note 1, measurement base. These instruments arise as a result of everyday operations and include bank, accounts receivable, accounts payable and investments. Revenues and expenses in relation to all financial instruments are recognised in the statement of financial performance. Financial instruments are shown at their fair values.

(g) *Consolidation:*

The Bay of Plenty Community Trust and its subsidiary charitable company, Bay of Plenty Community Trust Charities Limited, have been consolidated using the purchase method of consolidation.

Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

4. Financial Instruments

Investments are stated at market value as at balance date. Accrued interest, accounts payable and donations approved not yet paid are stated at the amounts expected to be received or paid. Accordingly, the trustees consider that the fair value of each class of financial assets and financial liabilities is the same as the carrying value in the financial position.

Concentration of Investments

Ninety-nine point nine percent (99.9%) of the assets of the trust are represented by investments held with a range of financial institutions. However, the trustees consider the risk of non-recovery of these investments to be minimal. Maximum exposure to credit risk as at balance date is:

	2004 \$(000)	2003 \$(000)
Bank balances	8	80
Bank term deposits	2	90
Accounts receivable	31	—
Interest free loans	30	—
Investments	118,958	106,261

Currency Risk

The trust incurs currency risk as a result of investment transactions entered into by fund managers. The trust has a policy of fully hedging global bonds and fifty percent (50%) hedging global equities.

Interest Rate Risk

The following investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, government and local authority securities, and securities held by fund managers.

Fair Value

The carrying value is considered to be the fair value for financial instruments.

5. Investments

The value of investments which are held in equities and fixed interest are subject to market fluctuations. The total investment portfolio is diversified in such a way that over time reductions in value in particular asset classes should be more than offset by increases in other classes. Investments are disclosed at market value at balance date and any gains (losses) arising from that treatment are shown as "investment gains (losses)" in the statement of financial performance. Therefore, no provision has been made for potential gains or losses that could occur due to future market fluctuations. The investment portfolio as at 31 March 2004 is diversified as follows:

	<i>Tower Asset Management</i>	<i>AMP Capital Investors</i>	<i>Russell International Share Fund</i>	<i>Total</i>
New Zealand equities	6,105	—	—	6,105
New Zealand fixed interest	—	23,678	—	23,678
New Zealand cash	15,249	17,193	—	32,442
Global bonds (fully hedged)	24,443	—	—	24,443
Global equities (50% hedged)	—	-150	32,440	32,290
Total 2004	45,797	40,721	32,440	118,958
Total 2003	41,561	37,675	27,025	106,261

The balance date figures above are reflected in the trust's asset allocations:

	Policy (%)	Actual (%)
New Zealand equities	5	5
New Zealand fixed interest	20	20
New Zealand cash	25	27
Global bonds (fully hedged)	20	21
Global equities (50% hedged)	30	27

Auditor's Report

To the Trustees of Bay of Plenty Community Trust Incorporated:

We have audited the financial statements. The financial statements provide information about the past financial performance and financial position of the trust and group as at 31 March 2004. This information is stated in accordance with the accounting policies set out in Note 1 of the accounts.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements which give a true and fair view of the financial position of the trust and group as at 31 March 2004 and of the financial performance and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the consolidated financial statements presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the consolidated financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the trust and group's circumstances, and consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors, we have no relationship with or interest in the trust or any of its subsidiaries.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust and group as far as appears from our examination of those records; and
- the financial statements:
 - comply with generally accepted accounting practice in New Zealand; and
 - give a true and fair view of the financial position of the trust and group as at 31 March 2004 and the results of operations and cash flows for the year ended on that date.

Our audit was completed on 18 June 2004 and our unqualified opinion is expressed as at that date.

INGHAM MORA, Tauranga.

(A full list of all distributions of income by way of donations for the year ended 31 March 2004 is available from the trust's office on request.)
