2. Commencement—The proposed conditions outlined in this notice apply for the 2013 academic year only.

3. Proposal—I propose:

- (a) to specify the annual limits by which tertiary education organisations can increase fees charged to domestic students enrolled in courses that are leading to short awards, certificate, diploma, degree, and postgraduate qualifications that receive student achievement component funding in 2013; and
- (b) to specify the other conditions in relation to fees that the Tertiary Education Commission (TEC) must

attach to student achievement component funding in 2013.

4. Call for submissions—Any tertiary education organisation and any other person, body or organisation having an interest in the matter is invited to make a submission on the proposed annual maximum fee movement (AMFM) and other proposed conditions set out in this notice.

All submissions should be sent to

Dated at Wellington this 5th day of July 2012.

HON STEVEN JOYCE, Minister for Tertiary Education, Skills and Employment.

Proposed Conditions to be Attached to Student Achievement Component Funding Allocated and Paid for by the Tertiary Education Commission to Tertiary Education Organisations

General

1. These conditions apply to fees and course costs (together referred to as “fees”) for all tertiary education organisations as defined in section 159B, which includes tertiary education institutions (TEIs), private training establishments (PTEs) and rural education activities programme providers (REAPs), referred to below as a “tertiary education organisation”.
2. The fees in relation to a particular course of study or training will be subject to these conditions if:
 - (a) the tertiary education organisation is the sole source of the item to which the cost relates; and
 - (b) all students enrolled in the relevant course of study or training are required to pay the fees.
3. For the purposes of this policy, “fees” include the following items: tuition fees, compulsory course costs, examination fees, other charges associated with a programme of study, material charges, cost of field trips and any compulsory purchase of equipment or books through the organisation.

Annual Maximum Fee Movement (AMFM)

4. For 2013, the AMFM allows for a 4% increase on the fees, exclusive of GST, charged in 2012 for short awards, certificate, diploma, degree and postgraduate courses at New Zealand Qualifications Framework (NZQF) level 3 or above that receive student achievement component (SAC) funding.

Exceptions to the AMFM

5. A tertiary education organisation may apply, on the basis of exceptional circumstances, for exceptions from the 2013 AMFM of 4% for courses at NZQF level 3 or above. Any exceptions granted will not exceed an additional 4% increase.
6. In considering exceptional circumstances, the TEC will use the following criteria:
 - (a) The organisation is unable to support the course(s) while remaining financially viable;
 - (b) for courses at NZQF levels 1–8, the completion rate for the course met or exceeded the median performance benchmark for that level in the previous year;

(c) the tertiary education organisation can demonstrate that the qualification of which the course is a part is in some way unique or special, for example, that there are no local alternatives to the course available; and

(d) that not allowing an exception will prevent the tertiary education organisation from making a significant contribution to the achievement of one or more of the Government’s priorities, as set out in the Tertiary Education Strategy 2010/15.

7. An application must satisfy all criteria to gain an exception.

Low or Zero Fee Courses

8. If the fees for a course, other than a course that is level 1 or level 2 on the NZQF and funded through the SAC funding mechanism, are less than \$511.11 (GST inclusive) (\$444.44 GST exclusive) per Equivalent Full-Time Student (EFTS) in 2012, then for 2013, the tertiary education provider can increase the fee to up to \$511.11 (GST inclusive) (\$444.44 GST exclusive) per EFTS, or can increase the fee for the course by 4%, whichever is the greater.

Fees for Student Achievement Component Funded Level One and Two Provision

9. A tertiary education organisation must not charge fees to learners enrolled in 2013 in a course that is level 1 or level 2 on the NZQF funded through the SAC under the “Competitive Allocation Process” for 2013.
10. For all other SAC funding to levels 1 and 2 that is delivered under the usual plan process, a tertiary education organisation may not charge a higher fee for any course in 2013, than it charged for the same course, the last time that provider offered that course.

Youth Guarantee Programmes

11. Participants on youth guarantee programmes funded through the SAC must not be charged any fees or compulsory course costs.

Professional Masters Programmes

12. Professional masters programmes (eg MBAs) are exempt from any limit on fee increases.

Sanctions

13. Where the TEC decides that a tertiary education organisation is not complying with the conditions set out in this notice, it can withdraw student achievement component funding for that course. This sanction will only be exercised as a final resort, and the TEC will work with the provider to rectify any non-compliance in the first instance.

Note: Effect of this Notice

These notes do not form part of this notice, but are intended to indicate its general effect.

- A. Section 159L(3)(d) of the Education Act 1989 (“the Act”) provides that the Minister, when determining the design of a funding mechanism, may specify the conditions that the TEC must attach to funding provided under the mechanism, including conditions that limit the fees that an organisation may charge domestic students.
- B. Under section 159M(b) of the Act, the Minister may not specify conditions setting limits on fees until two months after the date of publication of a notice in the *New Zealand Gazette* that:
 - (i) states that the Minister proposes to specify such conditions; and
 - (ii) sets out the proposed conditions; and
 - (iii) invites submissions on the proposed conditions; and
 - (iv) specifies the date by which submissions must be received, which must be a date no more than

21 days after the date of the *New Zealand Gazette* notice.

- C. The conditions setting limits on fees subsequently specified by the Minister in accordance with section 159L(3)(d) of the Act must be attached as conditions on the receipt of funding payable by the Tertiary Education Commission to an organisation under sections 159YA and 159ZC of the Act.
- D. Under sections 227(1A) and 234A of the Act, TEIs and PTEs respectively must not charge domestic students a fee that exceeds the maximum specified as a condition on funding approved by the TEC under sections 159YA and 159ZC of the Act.

Land Transport Rules

In accordance with section 161(2) of the Land Transport Act 1998, the NZ Transport Agency, on behalf of the Minister of Transport, gives notice of the Minister's intention to make a Rule that proposes amendments to *Land Transport Rule: Vehicle Exhaust Emissions 2007* (Rule 33001/2) and advises that draft *Land Transport Rule: Vehicle Exhaust Emissions Amendment [2012]* (Rule 33001/6) ("the amendment Rule") is available for public comment.

The amendment Rule proposes changes to enable the current exhaust emissions standards for imported used vehicles to continue to apply beyond 2012, pending a review of standards planned for 2014, and would implement the Euro 5 standard, and its Australian equivalent, for new light vehicles entering the fleet.

Changes are proposed also to update acceptable standards for the small number of new vehicles that are certified to Japanese and US standards.

In addition, a number of minor changes that would clarify existing requirements are proposed.

A copy of the draft amendment Rule and overview may be obtained by calling the NZ Transport Agency Contact Centre on freephone 0800 699 000 or is available, together with Questions and Answers, on the website

It will improve the safety of passengers, generally reduce compliance costs for industry and will lessen the need for exemptions to be issued.

The amendment Rule will also clarify the Rule in several areas and make enforcement of requirements simpler and more consistent.

The amendment Rule comes into force on **1 October 2012**.

It is available for inspection free of charge at the National Office of the NZ Transport Agency, Victoria Arcade,
