Note

Where an interested party considers that there has been a change in relevant values of the factors used in calculating either Non-Injurious-Free-On-Board or Normal Value Equivalent amounts, an application may be made for a reassessment. If the reassessment establishes that the anti-dumping duties paid exceeded the margin of dumping, then refunds of the additional amount of duty paid may be made.

Public notice of the establishment of additional or updated Non-Injurious-Free-On-Board and Normal Value Equivalent amounts will be given as necessary by notice in the New Zealand Gazette.
