OTHER**Corrigendum****Restoration of Company to the Register of Companies**

The following company was returned to the Register on the 13th day of September 2002:

Troy Corporation Limited (in receivership and in liquidation) 275057.

The receivership and the liquidation were continuing.

The procedure commenced, under section 336, was null and void (refer *Re Crott's Application* (1991) 5 NZCLC 67,325) and it is proper that the Register be corrected by returning its name to the Register.

Dated this 13th day of September 2002.

- (i) To pay and apply the income arising therefrom or the appropriate portion thereof in perpetuity for and towards the needs of and the rehabilitation of persons suffering from alcoholism living in and about greater Auckland and its environs in such manner as my trustees may in their absolute discretion determine and I empower my trustees to divide pay and apply such income in such proportions as they shall from time to time think fit to or among such charitable institutions organisations and bodies as shall be in the opinion of my trustees be engaged in carrying out the foregoing purposes or any of them;
- (ii) I direct that any income which shall not have been applied in any year shall be accumulated and I empower my trustees in any subsequent year to have recourse to such unexpended income.”

All reasonable costs and expenses of and incidental to the preparation, perusal and advertising of the scheme and the submission thereof to the Attorney-General and to this Honourable Court (including the costs of the Attorney-General and any costs of solicitors acting for the trustee and counsel retained by them or either of them) shall be paid out of the trust estate.
