Economic Development

Dumping and Countervailing Duties Act 1988

Anti-Dumping Duties: Notice that Anti-Dumping Duties on Canned Peaches from Greece May Cease to Apply

Under section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on canned peaches (halves, slices and pieces) packed in retail sized cans* will cease to apply to those goods on 9 March 2003 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Chief Executive of the Ministry of Economic Development to initiate a review before the cessation date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Chief Executive.

If an application is received which provides positive evidence justifying the need for a review, the Chief Executive must undertake and complete a review investigation within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to include reasons for believing that the expiry of anti-dumping duties would be likely to lead to the continuation or recurrence of dumping of canned peaches from Greece and of material injury to the New Zealand industry producing canned peaches.

The reasons should be supported by evidence and not based on mere allegations or assertions.
