Dumping and Countervailing Duties Act 1988

Cessation of Anti-Dumping Duties on Certain Non-Leather Women's Footwear From China

The Chief Executive of the Ministry of Economic Development gives notice that, in terms of section 14 (9) of the Dumping and Countervailing Duties Act 1988, anti-dumping duties on certain non-leather women's footwear from China ceased to be payable with effect from 29 March 2001.

The anti-dumping duties ceased to be payable on that date, because at that date, the goods were not subject to review and 5 years had passed since the date of the final determination* by the Minister of Commerce that the goods were being dumped and were causing material injury to the New Zealand certain non-leather women's footwear industry.
