Pursuant to Regulation 87 of the Electricity (Safety) Regulations 2010 (“the Regulations”), I, Mark Stephen Wogan, Operations Manager, Energy Safety, give the following notice.

Notice

1. Short title and commencement—(1) This notice is the Electricity Regulations (Prohibited Electrical Fittings – Inverters) Notice 2012.

(2) This prohibition is to take effect on and from the day following the date of its publication in the *New Zealand Gazette*.

2. Prohibited fittings—The manufacture, importation, sale (including an offer to sell), and use (including installation) of the class of electrical fittings, being inverters as prescribed in this notice, is prohibited.

3. Description—(1) The class of fittings to which the notice applies (“the prohibited fittings”) are inverters, being a type of electrical device that converts direct current (DC) into alternating current (AC), that are fitted with a lead and plug to allow electricity to be supplied into an electrical installation through a socket outlet of that installation.

(2) The prohibited fittings include but are not limited to the type of inverter known as the “Grid Tie Inverter”.

4. Details of prohibited fittings—The prohibited fittings are, or may be, electrically unsafe in that they enable an alternative power generation system, like solar or wind power, to be connected to an electrical installation downstream of the circuit protective devices in that installation which

provide protection against the overloading of cables or a person suffering serious harm.

5. Reasons for prohibition—The prohibited fittings are, or may be, electrically unsafe, as defined in Regulation 5 of the Electricity (Safety) Regulations 2010, in that:

- the use of the prohibited fittings poses a significant risk that property may suffer serious damage as a result of fire arising from a current being able to flow through a conductor that exceeds the rating of that conductor; and
- the installation of the prohibited fittings downstream from a residual current device (RCD) and/or a circuit protection system may compromise the operation of these protection devices resulting in significant risk that a person may suffer serious harm.

Public Works Act 1981

Notice of Intention to Take Land for the Purposes of a Road—Massey North Town Centre, Auckland

Notice is hereby given that the Auckland Council, under the provisions of section 23 of the Public Works Act 1981, proposes to take the interest in land described in the First Schedule of this notice and an easement for access and maintenance over the land described in the Second Schedule of this notice.

The land described in the First Schedule is required for a road in connection with the Massey North Town Centre, Auckland. The easement described in the Second Schedule

will be required for access and maintenance of the retaining walls that will provide support for the road.

The reason why Auckland Council considers it reasonably necessary to take the interest in the land described in the First Schedule and the easement described in the Second Schedule is that construction of the road on the land to be taken is integral to the efficient functioning of the roading network serving the land to be developed at Massey North under Plan Change 15 of the Auckland District Plan (Waitakere Section). In particular, the road will provide an important access point to the new town centre and Auckland Council's social infrastructure to be developed within the new town centre and a bus interchange.

The owners of the land have been served with notice of the Auckland Council's intention to take the land and have been advised of their right to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, PO Box 5027, Wellington 6145, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held with the right of the objector to appear and be heard personally unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Any person requiring further information in respect of this advice should contact Grant Sextone at Auckland Council Property Limited, Private Bag 92320, Auckland 1142. Telephone: (09) 262 5485.

Notice of Intention to Take Land for the Purposes of a Road—Massey North, Auckland

Notice is hereby given that the Auckland Council, under the provisions of section 23 of the Public Works Act 1981, proposes to take the interest in the land described in the Schedule hereto ("the land"), being an estate in fee simple.

The land is required for the extension of Don Buck Road, being important to the overall roading network within the Plan Change 15 area at Massey North, Auckland, and more particularly for the purposes of a road.

The reason why Auckland Council considers it reasonably necessary to take the interest in the land is that construction of the road on the land to be taken is important to the functioning of the roading network serving the land to be developed at Massey North under Plan Change 15 of the Auckland District Plan (Waitakere Section).

The owner of the land has been served with notice of the Auckland Council's intention to take the land and has been advised of their right to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, PO Box 5027, Wellington 6145, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held with the right of the objector to appear and be heard personally unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Any person requiring further information in respect of this advice should contact Grant Sextone at Auckland Council Property Limited, Private Bag 92320, Auckland 1142. Telephone: (09) 262 5485.

Notice of Intention to Take Land for the Purposes of a Road—Massey North Town Centre, Auckland

Notice is hereby given that the Auckland Council, under the provisions of section 23 of the Public Works Act 1981, proposes to take the interests in the land described in the Schedule hereto ("the land"), being an estate in fee simple.

The land is required for the Massey North Town Centre, Auckland. More particularly, the land described in the Schedule is required for the purposes of a road.

The reason why Auckland Council considers it reasonably necessary to take the interest in the land in the Schedule is that construction of the road on the land to be taken is integral to the efficient functioning of the roading network serving the land to be developed at Massey North under Plan Change 15 of the Auckland District Plan (Waitakere Section). In particular, the road will provide an important access point to the new town centre and Auckland Council's social infrastructure to be developed within the new town centre and a bus interchange.

The owner of the land has been served with notice of the Auckland Council's intention to take the land and has been advised of their right to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, PO Box 5027, Wellington 6145, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held with the right of the objector to appear and be heard personally unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Note that businesses with existing approved food safety arrangements (for example, HACCP-based food safety programs, Standard 3.2.1 of this Code, AQIS approved arrangements) should be considered to meet the outcomes of a food safety management statement. However, the relevant authority will need to verify that the existing food safety arrangement meets the requirements of this Division.

Some of the standards in this Chapter of the Code contain definitions of ‘food safety management statement’. Those definitions will be removed when FSANZ reviews those standards.
