Notices are accepted for publication in the next available issue, unless otherwise specified.

Microsoft Word is the preferred format for notice submissions. Please do not send notices as PDFs as errors can be introduced when converting to Word. Image files should be in JPG or PNG format.

The Gazette Office reserves the right to apply its in-house style to all notices. Any corrections which are related to style will be made at the discretion of the publisher for reasons of consistency.

Please go to www.gazette.govt.nz/howtosubmit/ for more information.

Deadlines

The deadline for submitting notices for publication in the principal edition is **midday Monday for commercial notices** and **midday Tuesday for Government notices**, in the week of publication.

The deadline for cancelling notices in the principal edition is **12.00 midday Wednesday**. Notices cancelled after being accepted for publication will be subject to a charge of \$55.00 to cover costs. Please call the Gazette Office immediately to cancel a notice, and confirm the cancellation by email.

For further information and for public holiday deadlines, please go to www.gazette.govt.nz/deadlines/

Advertising Rates

The standard rate for all notices in the principal edition of the *New Zealand Gazette* is 50 cents per word/number. Additional charges may apply.

Late notices may be accepted at the discretion of the publisher. A late fee of an extra 5 cents per word applies.

Customers will be invoiced in accordance with standard commercial practices. Advertising rates are not negotiable. All rates shown are inclusive of GST.

Availability

New Zealand Gazette notices are published directly online. A search-by-notice facility and PDFs of the notices are available on the website

New Zealand Emissions Trading Scheme Amended Final Allocations for Eligible Activities

In accordance with section 86B(5) of the Climate Change Response Act 2002 (CCRA), the Environmental Protection Authority has made the following final allocation decisions in relation to the eligible industry persons as listed. These final allocation decisions relate to amendments that have been made in accordance with section 86C(1) of the CCRA.

The following New Zealand Units (NZUs) have been allocated to protect their competitiveness against overseas producers that do not face equivalent costs for emissions.

All industry persons listed were eligible to receive an allocation of NZUs under the CCRA for the relevant year.

The final unit allocation reflects the total units an entity is entitled to, based on their actual production for the applicable year.

NZUs allocated under these decisions have been transferred to the respective New Zealand Emission Unit Register (NZEUR) holding accounts.

School Patrol Signs On-site Storage Trial

Pursuant to subclause 3.4(1) of Land Transport Rule: Traffic Control Devices 2004 (the Rule) and a delegation from the NZ Transport Agency, I, Glenn Bunting, Network Manager, authorise the installation and maintenance of on-site storage devices for school patrol stop signs:

- a. for the purpose described in Schedule 1;
- b. in the form and layout, set out in Schedule 2;
- c. at the locations stated in Schedule 3;
- d. for the period specified in Schedule 4; and
- e. subject to an evaluation in accordance with Schedule 5.

The on-site storage devices may be installed for the purpose of evaluating their use and the trial will be called the "School patrol signs on-site storage trial".

Schedule 1—Purpose of trial

The purpose of the trial is to:

- a. evaluate the effectiveness and safety of installing storage devices for school patrol stop signs on the white poles at school crossing points (kea crossings) as an alternative to complying with clause 8.4(7) of the Rule; and
- b. identify the costs and benefits of storing the school patrol stop signs on-site, in the storage devices when the school patrol is not operating.

Schedule 2—Form and layout of storage devices

- a. The storage devices must be designed to enclose the circular panel of a school patrol stop sign so that it is not readily visible when folded into the storage device.
- b. The storage devices may also be used to store the fluorescent "Children" flag signs, provided they are not readily visible when stored.
- c. The colour of the storage devices and all fittings must be white or grey, except as permitted in Schedule 2(g).
- d. A storage device may be mounted on the white pole used to hinge the school patrol stop sign at a school crossing point.
- e. The handle of the school patrol stop sign must be white, or the storage device must shield the handle so that no black and white bands are visible when the school patrol sign is folded into the storage device.
- f. The storage devices must be oriented to present the smallest possible dimensions to vehicular traffic approaching the school crossing point.
- g. The surfaces of the storage device facing the footpath or the roadway may display a road safety message for pedestrians, provided that message is not readily visible or distracting to vehicular traffic approaching the school crossing point.

Schedule 3—Locations

The following school crossing points are approved for this trial:

- a. The school crossing point on Isobel Road at Greenhithe School, Greenhithe, under the control of Auckland Transport;
- b. The school crossing point on Roberts Street at Dyer Street School, Epuni, under the control of Hutt City Council;
- c. The school crossing point on Horoeke Street at Tawhai School, Stokes Valley, under the control of Hutt City Council.

Schedule 4—Period of trial

The trial may begin after the publication of this notice and, unless terminated earlier, must end by **31 December 2015** (a period of approximately 12 months).

Schedule 5—Evaluation

An evaluation must be undertaken and a report prepared which includes discussion and analysis of the following:

- a. The safety of pedestrians at school crossing points with the storage system compared to crossing points without the storage system; and
- b. compliance of drivers and pedestrians at crossing points with the storage system compared to crossing points without the storage system; and
- c. driver and pedestrian perceptions of the storage system; and
- d. the operation and durability of the storage system; and
- e. the costs and benefits of installing and maintaining the storage system.

The evaluation report must be sent to me by **29 February 2016**.

Signed at Wellington this 26th day of January 2015.

GLENN BUNTING, Network Manager.
