Dumping and Countervailing Duties Act 1988

Notice of Initiation: Review of Anti-dumping Duty on Standard Plasterboard from Thailand

Pursuant to section 14(8) of the Dumping and Countervailing Duties Act 1988, and acting under delegated authority from the Chief Executive of the Ministry of Economic Development, I have initiated a review of the imposition of anti-dumping duty in respect of the goods described in the Schedule to this notice (the goods).

This initiation follows the receipt of an application made by the New Zealand industry providing positive evidence justifying the need for a review.

Anti-dumping duty was imposed on the goods as the result of several separate determinations, the first of which was made in 1989.

The imposition of the anti-dumping duty on the goods was last subject to a review completed on 25 March 2006.

The current rate of duty on the goods results from a reassessment of the duty dated on the 11th day of September 2006, and published in the *New Zealand Gazette*, 14 September 2006, No. 107, page 3184.
