New Zealand Emissions Trading Scheme 2014 Final Allocations for Eligible Activities

In accordance with section 86B(5) of the Climate Change Response Act 2002 (CCRA), the Environmental Protection Authority has made final decisions allocating the following New Zealand Units (NZUs) to the eligible industry persons as listed.

These NZUs have been allocated to protect their competitiveness against producers that do not face equivalent costs for emissions.

All industry persons listed were eligible to receive an allocation of NZUs under the CCRA for the period of 1 January 2014 to 31 December 2014.

The final unit allocation reflects the total units given to an entity based on their actual production for 2014.

The NZUs allocated under these decisions have been transferred to the respective New Zealand Emissions Unit Register (NZEUR) holding accounts.

Where it has been determined by the Environmental Protection Authority that publishing this number would be likely to “prejudice unreasonably the commercial position of the eligible person” as outlined in section 86B(6)(b) of the CCRA, the number has been withheld from publication.

the scope or intent of the clauses of this Easement nor in any way affect this Easement;

(c) references to any party include that party's executors, administrators, and assigns, or being a company, its successors and assigns; and

(d) all covenants on the part of the Grantor shall be deemed to be covenants by each of the registered proprietors included in the term "Grantor" and shall jointly and severally bind each of the registered proprietors and their respective executors, administrators, successors and assigns.

3. Grant of Rights, Powers and Privileges

3.1 The Grantee (to the exclusion of the Grantor and any other party) shall have the full free uninterrupted and unrestricted right liberty and licence at all times hereafter:

3.3 No power is implied in respect of any easement for the Grantor to determine the easement for breach of any provision of this Easement (whether express or implied) or for any other cause, it being the intention of the parties that the easement shall subsist until it is surrendered in writing.

4. Grantee's Rights

4.1 For the purpose of performing any duty or in the exercise of any rights implied in this Easement the Grantee may:

(a) enter upon the Servient Land by either the Council owned adjoining property to the east of the Servient Land or by the most practicable route from the nearest public street across any part of the Servient Land;

5.1 The Grantor will not:

(a) build over or erect any other improvements upon, plant trees upon or permit any tree roots to grow within the Stipulated Area;

If the Grantor is in breach of this obligation the Grantor shall promptly, at the Grantor's expense, properly and substantially repair and make good all such injury or damage and restore such free flow and passage. If the Grantor fails to promptly comply with this obligation then the Grantee may perform the obligation and recover any costs incurred from the Grantor.

8.1 Any right of action which shall at any time accrue to the Grantee by reason of breach or non-observance by the Grantor of any of the covenants contained in this Easement may be enforced by the Grantee only against:

(a) the registered proprietor for the time being of that part of the Stipulated Area in respect of which such breach or non-observance shall occur; and

(b) the registered proprietor at the time of such occurrence,

to the intent that the liability of any registered proprietor of the Stipulated Area shall cease (except as to any breach or non-observance occurring during the period of ownership of that registered proprietor) upon registration of a transfer of ownership.

9. Default

9.1 If the Grantor or the Grantee does not meet the obligations implied or specified in any easement:

(a) the party not in default may serve on the defaulting party written notice requiring the defaulting party to meet a specific obligation and stating that, after the expiration of seven working days from service of the notice of default, the other party may meet the obligation;

(i) meet the obligation; and
