Referenda (Closing of Preliminary Referendum Rolls) Notice 2015

Pursuant to section 18 of the New Zealand Flag Referendums Act 2015 and section 14(2) of the Referenda (Postal Voting) Act 2000, the Electoral Commission gives the following notice.

N o t i c e

1. Title—This notice is the Referenda (Closing of Preliminary Referendum Rolls) Notice 2015.

2. Date for closing of preliminary referendum rolls—The date appointed for the closing of the preliminary referendum rolls is **18 September 2015**.

Dated at Wellington this 10th day of September 2015.

ROBERT PEDEN, Electoral Commissioner.

Explanatory Note

This note is not part of the notice, but is intended to indicate its general effect.

The preliminary referendum rolls have to be printed for each electoral district in preparation for the forthcoming referendums on the New Zealand flag. There will be two postal referendums to be held to enable electors to decide whether New Zealand should have a new flag. The first referendum will be starting on 20 November 2015 and ending on 11 December 2015. In this referendum voters will be asked which of four alternative flags is preferred by voters, using optional preferential voting (voters rank flags, but are not required to rank all flags for their vote to count).

The second referendum will be starting on 3 March 2016 and ending on 24 March 2016. In this referendum voters will be asked to choose between the current flag and the most preferred flag from the first referendum.

*The preliminary referendum rolls list electors who are enrolled on a date appointed for the closing of the rolls. This notice appoints **18 September 2015** as that date. The rolls will be printed as soon as practicable after that date and will then be available for public inspection. This is not the last date that electors can enrol to take part in the referendums. Electors enrolled before the start of the voting period for each of the referendums will be eligible to vote.*

Interim Restriction Order

I hereby make this interim restriction order in respect of the publication *Into the River*.

I am satisfied that it is in the public interest to do so.

This order is made under section 49 of the Films, Videos, and Publications Classification Act 1993 ("Act").

Family First has applied to review the current decision of the Classification Office in respect of the publication.

It has made submissions in support of an additional application for an interim restriction order.

This order is in the public interest for the following reasons:

1. The classification of *Into the River* under the Act is a matter of wide public concern, as evidenced by the

volume of submissions to the Classification Office and published comments.

2. The decision of the Classification Office would radically alter the decision of the Film and Literature Board of Review.
3. It is particularly appropriate that the Board should have an opportunity to consider the publication afresh without being inhibited in any way by any distribution occurring between now and the date of the Board's decision.
4. It is debatable, and a matter of independent public interest, whether the Chief Censor acted lawfully, under section 42(3)(b) of the Act, in deciding that "special circumstances" exist.
5. It is highly arguable whether the Classification Office has reached the correct conclusion on the application for reconsideration before it.
6. The correct classification of *Into the River* under the Act will operate as a semi-precedent, and will exert a significant influence upon other decisions portraying teenage sex and drug-taking.

Pursuant to section 50(2), I direct that Family First must advertise the making of this order in a daily newspaper published in each of the following cities: Auckland, Hamilton, Wellington, Christchurch and Dunedin.

It must serve notice of the making of this order on all those persons who made submissions to the Classification Office in respect of the reconsideration of *Into the River*.

Dated this 3rd day of September 2015.

Dr D. L. MATHIESON, qc, President of the Film and Literature Board of Review.
