Terms of the Lease

1. For the purpose of the lease, any reference to the Crown includes its employees, engineers, assistants, consultants, contractors and authorised invitees.
2. The lease will be for a term of two years (“term”) commencing on the date the required interest vests in the Crown (“commencement date”).
3. The registered proprietor shall be entitled to receive a current market rent for the term, such rate to be determined by a registered valuer and agreed between the parties or otherwise in accordance with the Public Works Act 1981 at the commencement of the lease.
4. The Crown may, on the giving of written notice to the registered proprietor, extend the term for two further periods of one year should the project not be completed by the expiry of the original term. The current market rent shall be reviewed at the time the registered proprietor is given notice of any such extension.
5. Notwithstanding the term created, the Crown may terminate the lease at any time by giving the registered proprietor one month’s notice in writing.
6. The Crown shall have the right to occupy the lease land for the term and, for the avoidance of doubt, such right shall include the right to enter and re-enter the lease land at all times, with or without such vehicles, machinery or materials for the purpose set out in the notice.
7. Prior to commencement of the project, the Crown shall erect a temporary fence for the period of construction of the project to provide adequate security to the balance of the property.
8. The Crown shall take all reasonable steps to minimise damage to the lease land arising from the Crown’s occupation under the lease and/or the execution of construction of the project.
9. The Crown shall, at the expiration of the term, or any extended period taken in accordance with the lease, remove all debris arising from the Crown’s occupation under the lease together with any temporary fences, construction machinery, construction buildings, sheds, hardstands, and other improvements required to be erected by the Crown during the lease. The Crown shall otherwise restore the lease land to a condition generally in keeping with the character of the lease land prior to entry. The Crown shall complete such work in a good and workmanlike manner.

Given under the hand of Her Excellency the Administrator of the Government and issued under the Seal of New Zealand this 26th day of May 2016.
