**3. Term**—This exemption expires at the earlier of:

- a. the close of **28 February 2017**;
- b. NextGen being responsible for more than 100 installation control points (“ICPs”); and
- c. NextGen being responsible for an ICP with a metering installation category of 2, 3, 4 or 5.

**4. Reasons for granting the exemption**—The reasons for granting this exemption are:

- a. granting the exemption will assist a small new entrant trader to enter the market, which could lead to increased competition for the long-term benefit of consumers;
- b. granting the exemption will enable a conclusive audit outcome for NextGen;

- c. the exemption will have little or no impact on other participants or service providers, and will not affect any other Code provisions;
- d. the Authority has granted several other new entrant traders exemptions from clause 15.38 for similar reasons;
- e. a Code amendment will come into force on 1 June 2017, which will allow reconciliation participants like NextGen, who meet certain criteria, additional time to have an audit for certification; and
- f. granting the requested exemption meets the requirements in section 11(2) of the Act.

Dated at Wellington this 26th day of August 2016.

**Direction to the Earthquake Commission Pursuant to Section 112 of the Crown Entities Act 2004, as Permitted by Section 5(1)(f)(ii) of the Earthquake Commission Act 1993**

This direction comes into effect immediately upon signing and applies from 4 September 2010.

The Earthquake Commission (“Commission”) must perform the following additional function:

1. The Commission will (as part of its settlement of a residential building claim) pay the amount of the damage to, or replace or reinstate (at the Commission’s option), any storm water and sewerage services and structures appurtenant thereto (“services”) where:
  - a. the services have suffered natural disaster damage as the direct result of one or more of the 2010-2011 Canterbury earthquakes (each such damage-causing earthquake called a “relevant earthquake”); and
  - b. the conditions in paragraph 2 are met; and
  - c. the Commission considers that such payment, reinstatement or replacement is appropriate in all the circumstances; and
  - d. the limits in paragraph 3 are complied with.
2. The conditions referred to in paragraph 1(b) for a relevant earthquake are the following:
  - a. at the time of the relevant earthquake, the services:
    - i. met the requirements of paragraph (d)(i) of the definition of “residential building” in section 2(1) of the Act (“residential building definition”), as if that paragraph was amended to also include services serving a building or structure appurtenant described in paragraph (c) of the residential building definition (“appurtenant building or structure”); and
    - ii. met the requirements of paragraph (d)(ii) of the residential building definition, as if that paragraph was amended to also include services serving and within 60 metres of the appurtenant building or structure; and
    - iii. did not meet the requirements of paragraph (d)(iii) of the residential building definition; and
    - iv. were not owned or operated by any territorial authority or regional council or council-controlled organisation; and
  - b. the building, part of a building or structure under paragraph (a), (b) or (c) of the residential building definition:
    - i. suffered natural disaster damage as the direct result of the relevant earthquake; and
    - ii. was deemed to be insured under the Act against natural disaster damage at the time of the relevant earthquake; and
  - c. the insured person gave notice to the Commission, in accordance with clause 7(1) of Schedule 3 of the Act, of the occurrence of natural disaster damage to the residential building in respect of at least one of the relevant earthquakes.
3. Where the Commission decides under paragraph 1 to pay the amount of the damage to, or to reinstate or replace, the services, the Commission’s obligation to pay the amount of the damage, or to replace or reinstate, may not exceed the amount that would otherwise apply, if:
  - a. the services that met the conditions under paragraph 2 had been insured under the Act as part of the residential building concerned; and

- b. the insured person had given notice to the Commission, in accordance with clause 7(1) of Schedule 3 of the Act, of the occurrence of natural disaster damage to the services.
4. For these purposes:
- a. **Act** means the Earthquake Commission Act 1993;
  - b. **dwelling, insured person, natural disaster damage** and **residential building** have the meanings given those terms in the Act;
  - c. **2010-2011 Canterbury earthquakes** means any earthquake in Canterbury that occurred on or after 4 September 2010 and before 1 January 2012, and includes any aftershock during that period; and
  - d. **territorial authority, regional council** and **council-controlled organisation** have the meanings given those terms in the Local Government Act 2002.
5. This direction expires on 30 June 2021 unless revoked earlier.

Dated this 9th day of August 2016.

HON GERARD ANTHONY BROWNLEE, Minister Responsible for the Earthquake Commission.

**Explanatory note**

This notice updates the Dental Council fee schedule with effect from 1 October 2016. The changes consist of:

- Revised Dentist and Dental Specialist annual practising certificate (APC) fee and disciplinary levy, and consequential changes to the Dentist and Dental Specialist four month APC fee. The changes in fee and levy were consulted on with dentists and dental specialists, and other stakeholders during July and August 2016. Following the close of the consultation period on 18 August 2016, revised 2016/17 fee and levy were approved by the Dental Council at its meeting on 24 August 2016.  
The Council is no longer offering NZDREX assessments for dentists. The Council is outsourcing its NZDREX assessments to the National Dental Examining Board of Canada.
- Except as described above, no other changes have been made to fees as previously published in the Oral Health Practitioners (Fees) Notice 2016 (No. 1) published in the [New Zealand Gazette, 25 February 2016, Issue No. 16, Notice No. 2016-gs1072](#).

2.1.7 to clear and keep the Easement Area clear of trees, shrubs, vegetation, structures (including fences), earth, gravel and stone, and to clear and keep such other part of the Land as is reasonably necessary in the circumstances clear of any trees, shrubs, vegetation, structures (including fences), soil, earth, gravel and stone which is or is likely to be or become, in the reasonable opinion of the Grantee, a danger or hazard to the safety or operation of the Works, will impede the Grantee's access to the Works or will otherwise interfere with the Grantee's rights under this Easement;

2.1.8 to open up the soil of the Easement Area and excavate or remove timber, vegetation, soil, earth, gravel and stone from the Easement Area to the extent necessary for the Grantee to exercise its rights under this Easement; and

2.1.9 to temporarily occupy any part of the Land that is reasonably necessary in the circumstances in order for the Grantee to exercise any of its rights under this Easement including the right to Construct the Works and in doing so the Grantee may fence off such part or parts of the occupied area as is reasonably necessary for a Temporary Period or Temporary Periods for health and safety purposes (subject to clause 3.1 of this Easement).

2.2 In undertaking any one or more of the rights and powers taken the Grantee:

2.2.1 may use its nominated employees, agents, consultants or contractors to perform the Works;

2.2.2 will meet the full costs of the Works it undertakes;

2.2.3 for the avoidance of doubt the Grantee may enter on to the Land and undertake the Works on any day of the year including days which are not Working Days subject to the provisions of the Entry Notice given by the Grantee under clauses 6.1 and 6.2 of this Easement.

### **3. Grantee's obligations**

3.1 The Grantee will use its reasonable efforts to cause as little interference as practical to the Grantor, any crops or livestock and any farming activities on the Land. The Grantee shall at its expense in all things make good and reinstate the Land as and when same shall require reinstatement to ensure that the Land is left in as nearly as possible the same condition as it was at the time of the commencement of the Grantee's rights herein. In particular, but without limitation, when exercising its rights under this Easement, the Grantee shall ensure that it leaves all gates as it finds them and reinstates all fences which are taken down so that the Grantee does not negatively affect the stock proofing of the Land.

3.2 Where any disturbance, damage or loss is incurred or suffered by:

(a) the Grantor; or

(b) any occupier of the Land undertaking, with the Grantee's knowledge and in compliance with the terms of this Easement, normal farming operations on the Land, in particular sharemilking or forestry,

during any entry onto the Land by the Grantee to construct, repair, maintain, modify, replace, renew or remove the Works or any part of the Works, which is not remedied by the Grantee under clause 3.1, for example but without limitation, a business loss in respect of a business located on the Land, the Grantee shall compensate the Grantor or the occupier, as the case may be, for such disturbance, damage or loss.

3.3 The Grantee will bear the costs of managing vegetation on the Easement Area (excluding pasture land) including removing trees and other vegetation but will not be responsible for the cost of controlling weeds or removing any vegetation which is planted by the Grantor in breach of this Easement.

3.4 The Grantee will bear the whole cost of maintaining the Works apart from any Works which the Grantor and Grantee have agreed are to become the property of the Grantor and any additional costs resulting from the Grantor's breach of this Easement for which the Grantee can recover the costs under this Easement.

3.5 The Grantee will provide to the Grantor copies of the Grantee's plans indicating the proposed access routes over the Land used by the Grantee in accessing the Works.

3.6 The Grantee has no obligation to construct the Works or to convey electrical energy and power or telecommunications through them, after construction, continuously or at all provided that this clause 3.6 shall not derogate from any obligation of the Grantee to surrender the Easement if the Easement is no longer required for a public work under the Public Works Act 1981.

3.7 In the event that the Grantee shall clear the Easement Area and/or any other part of the Land or opens up the soil of same as contemplated by clauses 2.1.7 and/or 2.1.8 hereof, the resulting material shall be removed by the Grantee from the Land and deposited off-site at the expense in all things of the Grantee unless the Grantor and the Grantee shall otherwise agree.

#### **4. Grantor's Rights**

4.1 Subject to the restrictions set out in this Easement the Grantor may use, occupy and enjoy, for normal farming operations including grazing, cropping and horticulture to a maximum height of 2.5 metres, that part of the surface of the Easement Area which is not occupied by the Works.

#### **5. Grantor's Obligations**

5.1 The Grantor must not, without the prior written consent of the Grantee (which will not be unreasonably withheld or delayed), do, procure, assist or allow the following to be done:

5.1.1 alter or disturb the present grades and contours of the surface of the Easement Area except in the course of normal farming and grazing operations (but subject to the restrictions set out in this Easement);

5.1.2 erect any building or other structure (including fences) on the Easement Area;

5.1.3 plant any vegetation on the Easement Area (excluding pasture, crops and horticulture to a maximum height of 2.5 metres);

5.1.4 operate any Equipment or Vehicles on the Easement Area within a minimum clearance distance of 4 metres from any electricity transmission line conductor;

5.1.5 excavate or deposit material on the Easement Area;

5.1.6 impede the Grantee's access over the Easement Area and any access routes over the Land or damage the surface of the access routes;

5.1.7 knowingly cause or permit flooding of the Easement Area except where such flooding occurs naturally and is beyond the control of the Grantor;

5.1.8 light any fires or burn off vegetation within the Easement Area;

5.1.9 do any other thing on the Land which may cause damage to the Works or endanger the continuity or safety of the supply and distribution of electricity or otherwise impede, interfere with or prejudice any right of the Grantee set out in clause 2.1.

#### **6. Access**

6.1 Where the Grantee together with or through its engineers, consultants, employees, contractors, workmen and anyone else authorised by the Grantee intends to enter upon the Land to exercise and give effect to the rights of the Grantee as listed in clauses 2.1.1 through 2.1.9 of this Easement the Grantee must give at least 10 Working Days' notice ("Entry Notice") to the Grantor except in an Emergency Situation, when prior notice is not required and the provisions of clause 6.6 of this Easement apply.

6.2 An Entry Notice is to identify the Works the Grantee intends to carry out, with the Entry Notice to specify:

6.2.1 the location of the proposed entry;

6.2.2 the area on which the Works will be undertaken by the Grantee;

6.2.3 the nature of the Works to be undertaken;

6.2.4 the date and time of initial entry;

6.2.5 the length of time that the Grantee expects to be on the Land; and

6.2.6 the nature of all other works that are to be undertaken on the Land in accordance with the rights taken pursuant to clause 2.1.

6.3 Upon receipt of an Entry Notice from the Grantee of its intention to exercise the right of entry provided for in clause 6.1 the Grantor may set reasonable conditions relating to the timing of entry and the access route but those conditions may not:

6.3.1 delay the exercise of entry by the Grantee by more than 15 Working Days; or

6.3.2 require monetary or other consideration; or

6.3.3 otherwise defeat the ability of the Grantee to exercise effectively the rights taken under this Easement.

6.4 Any dispute between the Grantor and the Grantee in relation to the terms of the Entry Notice or of the conditions set by the Grantor pursuant to this clause shall constitute a dispute which is to be resolved using the

dispute resolution procedure set out in clause 9 of this Easement.

6.5 The Grantee, in entering the Land, will take all reasonable steps to minimise inconvenience to the Grantor, including (but without limitation);

6.5.1 the time of entry (unless this is not possible due to an Emergency Situation);

6.5.2 leaving gates as they are found;

6.5.3 driving in a safe manner and taking reasonable steps not to disturb stock; and

6.5.4 avoiding access through any specific areas within the Land which have been identified by the Grantor to the Grantee unless necessary to access the Works,

but without limiting the rights of the Grantor to claim under clause 3.2 of this Easement.

6.6 Where entry is effected by the Grantee due to an Emergency Situation the Grantee shall as soon thereafter as is reasonable give an Entry Notice to the Grantor. Such Entry Notice to be in terms of clause 6.2 of this Easement.

## **7. Ownership**

7.1 The Works and Vehicles or any other property of the Grantee will not, for any reason, become the property of the Grantor and will at all times remain the property of the Grantee, except in relation to any Works which the Grantee and the Grantor agree are to become the property of the Grantor.

7.2 The Grantee may transfer, assign, sublet, lease or licence all, but not part, of its rights created by this Easement provided that the assignee, sublessee, transferee, lessee or licensee is financially solvent and has the financial resources to meet the Grantee's commitments under this Easement.

## **8. No power to terminate**

8.1 There is no power in this Easement for the Grantor to terminate any of the Grantee's rights due to the Grantee breaching any term of this Easement or for any reason.

## **9. Dispute resolution**

9.1 If any dispute arises between the Grantor and the Grantee concerning the rights and obligations contained within this Easement, the parties will enter into negotiations in good faith to resolve the dispute themselves or through any informal dispute process they agree upon.

9.2 If the dispute is not resolved within 10 Working Days then any party may at any time serve a mediation notice on the other party requiring the dispute be referred to mediation. The mediation notice shall set out the nature of the dispute. The parties shall in good faith endeavour to agree upon a mediator within five Working Days of the date of service of the mediation notice. If the parties cannot agree on the mediator, the President for the time being of the New Zealand Law Society (or any successor organisation) or the President's nominee, will appoint an independent mediator. The mediator's costs are to be borne equally by the parties.

9.3 If the dispute is not resolved within 20 Working Days of the date on which the mediation notice is served, the parties will submit to the arbitration of an independent arbitrator appointed jointly by the parties. If the parties cannot agree on the arbitrator within a further 10 Working Days the President for the time being of the New Zealand Law Society (or any successor organisation) or the President's nominee, will appoint an independent arbitrator.

9.4 Any arbitration proceedings will be conducted in accordance with the Arbitration Act 1996 and the substantive law of New Zealand.

## **10. Severability**

10.1 If any part of this Easement is held by any court or administrative body of competent jurisdiction to be illegal, void or unenforceable, such determination shall not impair the enforceability of the remaining parts of this Easement.

## **11. No Waiver**

11.1 A waiver of any provision of this Easement shall not be effective unless given in writing and then it shall be effective only to the extent that it is expressly stated to be given.

11.2 A failure, delay or indulgence by any party in exercising any power or right shall not operate as a waiver of that power or right. A single exercise or partial exercise of any power or right shall not preclude further exercises of that power or right or the exercise of any other power or right.

## **12. Implied Rights and Powers**

12.1 The rights and powers implied in specified classes of easements prescribed in the Fourth Schedule to the Land Transfer Regulations 2002 and the Fifth Schedule of the Property Law Act 2007 are negated and the rights and powers contained herein shall apply in substitution.

## **13. Interpretation**

13.1 In this Easement, unless inconsistent with the context:

13.1.1 singular includes plural and vice versa;

13.1.2 references to “persons” includes references to companies, corporations, partnerships, joint ventures, associations, trusts, government departments or agencies and territorial local authorities;

13.1.3 references to the Grantor and Grantee include their subsidiary or related companies, their permitted assigns and, where appropriate, their employees, contractors, surveyors, invitees and inspectors;

13.1.4 references to any statute, regulation or other statutory instrument or bylaw shall be deemed to be references to the statute, regulation or instrument or bylaw as from time to time amended and includes substitution provisions that substantially correspond to those to which reference is made;

13.1.5 the headings and subheadings appear as a matter of convenience and shall not affect the interpretation of this Easement.

Given under the hand of His Excellency the Governor-General of New Zealand and issued under the Seal of New Zealand this 18th day of August 2016.

**Electricity Easement in Gross Taken—GOR-TEE A Transmission Line Project, Gore District**

LT GEN THE RT HON SIR JERRY MATEPARAE,  
Governor-General  
A Proclamation

Pursuant to section 186(2) of the Resource Management Act 1991 and section 26 of the Public Works Act 1981, I, Lieutenant General The Right Honourable Sir Jerry Mateparae, Governor-General of New Zealand, hereby declare the easement in gross over the land described in the First Schedule to be taken for the GOR-TEE A Transmission Line Project and vested in Transpower New Zealand Limited on the 14th day after the date of the publication of this Proclamation in the *New Zealand Gazette*.

The terms of the easement are set out in the Second Schedule.

***Southland Land District—Gore District***

**First Schedule**

- a. Part Lot 3 DP 11793 (Computer Freehold Register SL8B/36); marked “A” on SO 476169.
- b. Part Lot 2 DP 11793 (Computer Freehold Register SL8B/36); marked “B” on SO 476169.

**Second Schedule**

**Rights, Powers, Terms, Covenants, Conditions and Restrictions Included in the Easement (“Easement”)**

**1. Use of Defined Terms**

1.1 Capitalised terms used throughout this Easement are defined in clause 12.

1.2 In this Easement, references to “Landowner” are references to the registered owner for the time being of the Land (or any part of the Land) and include:

- a. the registered owner at the date of this Easement and that person’s successors in title; and
- b. where appropriate, the employees, contractors, agents, tenants and invitees of the registered owner of the

Land (or any part of the Land).

1.3 In this Easement, references to “Transpower” are references to the holder for the time being of the Easement and include:

- a. Transpower New Zealand Limited and its transferees and successors;
- b. any subsidiary or related companies of the holder of the Easement; and
- c. where appropriate, the employees, contractors, agents and invitees of the holder of the Easement.

## **2. Transpower’s Rights**

2.1 This Easement gives Transpower the following rights:

- a. To construct, install, inspect, operate, repair, maintain, renew, replace, upgrade, add to, modify and remove the Line or any part of the Line on the Easement Area;
- b. to convey, conduct, send, distribute, pass, convert, transport, transmit and receive electricity by means of the Line;
- c. to undertake any tests, investigations, surveys and ancillary works (including the temporary or permanent relocation (including by replacement) of any cables, lines and pipes) to exercise Transpower’s rights and obligations under this Easement;
- d. to enter, from any reasonable location, and remain on the Easement Area and the Accessway with or without Vehicles and Equipment for so long as is reasonably necessary to exercise Transpower’s rights and obligations under this Easement;
- e. to enter, from any reasonable location, and remain on parts of the Land outside the Easement Area and the Accessway with or without Vehicles and Equipment to exercise Transpower’s rights and obligations under this Easement, but only if:
  - i. the Accessway is not available for any reason; or
  - ii. access to and from the Easement Area is by air; or
  - iii. Transpower reasonably needs to have access outside the Easement Area and the Accessway to exercise any of Transpower’s rights under this Easement;and then Transpower may use any reasonable access route to exercise Transpower’s rights and obligations;
- f. to construct, inspect, repair, maintain, renew, remove and modify fences (including boundary fences) on the Land and to install gates within fences to exercise Transpower’s rights and obligations under this Easement or for electrical safety purposes;
- g. to use any gates that Transpower installs under clause 2.1(f) and to lock any of those gates if they are boundary gates, but only if Transpower gives the Landowner a means of access through each locked gate unless a gate leads directly onto private property that the Landowner does not own;
- h. to construct, inspect, use, repair, maintain, renew, upgrade, remove and modify access tracks (including culverts and bridges) on the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land;
- i. to clear and keep clear the Easement Area, the Accessway and any routes used by Transpower under clause 2.1(e) of vegetation (including trees), structures (including fences and utility structures), soil, earth, gravel and stone;
- j. to trim or remove any tree from the Land located outside the Easement Area if:
  - i. all or part of the tree breaches or, when fully grown, is likely to breach any legal requirement (including any statute, regulation or code of practice) applying from time to time regarding vegetation near the Line; or
  - ii. clause 2.1(j)(i) does not apply to a tree but Transpower considers that all or part of the tree is or, when fully grown, is likely to be a danger or hazard to the safety or operation of the Line, provided that Transpower must obtain the Landowner’s prior consent except in an Emergency; and
- k. when Transpower undertakes any works under this Easement, Transpower may:

- i. excavate the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, and remove vegetation (including trees), soil, earth, gravel and stone from the Easement Area;
  - ii. temporarily exclusively occupy any part of the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, including temporarily fencing off the occupied area and temporarily preventing or restricting the Landowner's access to the occupied area;
  - iii. construct temporary hurdles and other temporary improvements on the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land in order to allow the works to be undertaken safely and efficiently; and
  - iv. remove water from the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, and discharge that water onto the Land but Transpower must first consult with the Landowner about the discharge of that water and obtain any necessary environmental approvals for the discharge of water.
- l. Transpower does not have the right to:
- i. upgrade the Line to have a nominal operating voltage greater than the voltage specified in the Maximum Design Specifications;
  - ii. construct more permanent poles forming part of the Line than the number specified in the Maximum Design Specifications;
  - iii. relocate any pole forming part of the Line, but this clause does not prevent Transpower from relocating a pole in a catastrophic failure or to replace the pole, in which case the replacement pole must be located immediately adjacent to the existing pole site and must be located on the Easement Area (unless the parties agree otherwise);
  - iv. increase the number of electricity circuits forming part of the Line to more than the number specified in the Maximum Design Specifications; or
  - v. construct any towers to form part of the Line.

### **3. Transpower's Obligations**

3.1 When Transpower enters the Land, Transpower must:

- a. respect and have regard to the Landowner's use of the Land;
- b. try to minimise disruption to the Landowner's use of the Land;
- c. restore any part of the surface of the Land that Transpower damages to as close to its prior condition as reasonably practicable and repair any other direct physical damage Transpower causes;
- d. use Transpower's best endeavours to prevent the outbreak and spread of fire; and
- e. remove any debris Transpower creates in undertaking any works and otherwise leave any work sites in a tidy condition.

3.2 Transpower will compensate the Landowner for the Landowner's loss resulting from:

- a. any damage that Transpower causes to the extent that Transpower does not or cannot comply with clause 3.1(c); and
- b. any trees that Transpower removes under clause 2.1(j) from outside the Easement Area.

3.3 In exercising Transpower's rights under this Easement, Transpower may need to undertake earthworks and cause other disturbance to the Land. The Landowner acknowledges that such earthworks and other disturbance are not a breach of clause 3.1.

3.4 Transpower will meet the costs of:

- a. managing trees on the Easement Area (including trimming or removing trees), apart from any costs resulting from trees planted by the Landowner in breach of this Easement;
- b. controlling or removing weeds Transpower introduces to the Land, but no other weeds; and
- c. maintaining the Line.

3.5 Transpower will, upon request, provide to the Landowner a copy of the plan showing the Accessway.

#### **4. Access Tracks**

4.1 If Transpower constructs, modifies or upgrades any access track (including culverts and bridges) under clause 2.1(h), Transpower will at Transpower's cost:

- a. maintain the access track to the standard Transpower requires; and
- b. repair any damage Transpower causes to the access track.

4.2 If the Landowner damages any access track (including culverts and bridges) that Transpower has constructed, modified or upgraded under clause 2.1(h), Transpower may recover the cost of repairing that damage from the Landowner.

4.3 All access tracks (including culverts and bridges) that Transpower constructs, modifies or upgrades under clause 2.1(h) will form part of the Land and will be the Landowner's property (unless the parties agree otherwise in writing).

#### **5. Notices**

5.1 Transpower will give the following notice to the Landowner:

- a. before entering the Land to inspect the Line, Transpower will give the Landowner at least 5 Working Days' notice; and
- b. before entering the Land for any other purpose allowed by this Easement, Transpower will give the Landowner at least 10 Working Days' notice in writing.

5.2 If Transpower gives the Landowner notice under clause 5.1, the Landowner may set reasonable conditions on Transpower's entry onto the Land but:

- a. the Landowner must inform Transpower of the Landowner's conditions at least 2 Working Days before Transpower's proposed date of entry; and
- b. the Landowner's conditions must not:
  - i. delay Transpower's entry by more than 15 Working Days;
  - ii. require the payment of money or any other consideration by Transpower; or
  - iii. defeat Transpower's ability to exercise effectively Transpower's rights under this Easement.

5.3 In an Emergency, Transpower may enter the Land without giving prior notice to the Landowner under clause 5.1 but:

- a. Transpower must give notice to the Landowner as soon as possible following Transpower's entry and no later than 5 Working Days following Transpower's entry; and
- b. Transpower must comply with all other provisions of this Easement relating to Transpower's entry.

5.4 Transpower must advise the Landowner in its notice under clause 5.1 if Transpower proposes to enter the Land by air.

5.5 The Landowner must advise any tenant of the Land of Transpower's proposed entry onto the Land if Transpower gives the Landowner notice under clause 5.1. If the Landowner has notified Transpower of any tenant of the Land, Transpower may send a copy of Transpower's notice directly to that tenant.

#### **6. Land Use Obligations**

6.1 Because of the electrical nature of the Line and the need for Transpower to have regular access to the Line, the Landowner must not, without first obtaining Transpower's written consent, do or allow any of the following to be done:

- a. excavate or deposit material on the Easement Area or the Accessway or otherwise alter or disturb the grades and contours of the surface of the Easement Area or the Accessway;
- b. erect any building or other structure (including fences and utility structures) on the Easement Area or the Accessway;
- c. plant any vegetation on the Easement Area that will or may when fully grown exceed 2.5 metres in height or breach any legal requirement applying from time to time regarding vegetation near the Line;

- d. plant any vegetation on the Accessway that will impede Transpower's access along the Accessway;
- e. operate any Equipment or Vehicles on the Easement Area within a minimum clearance distance of 4 metres from any conductor forming part of the Line;
- f. impede Transpower's access along the Easement Area or the Accessway or, if Transpower is exercising Transpower's rights under clause 2.1(e), the Land;
- g. cause the Easement Area or the Accessway to be flooded;
- h. light any fires (including burning-off vegetation) on the Easement Area;
- i. subdivide the Land in a way that:
  - i. may prevent Transpower's use of the Easement Area or the Accessway under this Easement;
  - ii. prevents Transpower's access along the Accessway (unless the subdivision application makes provision for alternative legal access which Transpower considers suitable); or
  - iii. creates allotments which are only capable of being efficiently used in a way that requires the construction of buildings or other structures on the Easement Area; and
- j. any other thing on the Land which may interfere with or restrict Transpower's rights under this Easement or the efficient operation of the Line, cause damage to the Line or endanger the continuity or safety of the supply and distribution of electricity.

6.2 This Easement does not stop the Landowner from applying fertiliser to the Land (including the Easement Area). Transpower will not hold the Landowner liable for any damage to the Line or any losses Transpower suffers which result from the Landowner's application of fertiliser.

6.3 This Easement does not stop the Landowner from continuing to use the Land for normal cropping or grazing provided that the Landowner complies with clause 6.1.

#### **7. Breach of the Landowner's Obligations**

7.1 If the Landowner breaches any of the Landowner's obligations in this Easement, Transpower may:

- a. give notice to the Landowner of the breach and, if reasonable in the circumstances, give the Landowner a reasonable period to remedy the breach; and
- b. if it is not reasonable in the circumstances for Transpower to allow the Landowner a reasonable period to remedy the breach or if the Landowner does not remedy the breach within a reasonable period following Transpower's notice, Transpower may:
  - i. take all reasonable steps to remedy the breach; and
  - ii. recover the direct costs of remedying the breach from the Landowner as a debt.

#### **8. Health and Safety**

8.1 Transpower will be responsible for the health and safety of any person who enters the Land at Transpower's request to the maximum extent allowed by law.

8.2 Transpower will comply with all reasonable rules and procedures that the Landowner gives to Transpower regarding the health and safety of persons on the Land and the identification and mitigation of hazards.

#### **9. Indemnity and Liability**

9.1 Transpower indemnifies the Landowner against:

- a. any physical damage to the Land or anything located on the Land (other than damage resulting from or caused by interruptions to the supply of electricity or variations in the quality of electricity); and
- b. any damage to a third party for which a claim is successfully brought against the Landowner;

where that damage is caused by Transpower's act or omission in breach of this Easement or caused by Transpower's negligence.

9.2 The indemnity in clause 9.1(b) will only apply if the Landowner advises Transpower of the claim by the third party immediately when the Landowner becomes aware of the claim. In respect of the claim by the third party, the Landowner agrees that:

- a. Transpower has the sole right to act in the Landowner's name in respect of the claim, at Transpower's

expense; and

- b. Transpower may defend the claim, negotiate with the claimant or settle the claim (or any of these) in the Landowner's name, at Transpower's expense.

9.3 The maximum amount payable by the Landowner to Transpower in respect of any liability associated with this Easement arising:

- a. for breach of any provision of this Easement; or
- b. otherwise at law;

is, in the absence of the Landowner's wilful, deliberate or intentional acts or omissions, limited to an aggregate of \$1,000,000.00 per event or series of related events ("Limitation Amount"), provided that the Limitation Amount will be adjusted annually in accordance with movement in the Consumer Price Index (All Groups) or any replacement comparable index from the date of this Easement.

## **10. Consents**

10.1 The Landowner is hereby deemed to:

- a. consent to any application by Transpower for any consent or authority required to give effect to the easements created by this Easement, including any building consent, resource consent or authority under the Heritage New Zealand Pouhere Taonga Act 2014; and
- b. appoint Transpower as the Landowner's agent to sign and deliver any forms evidencing the Landowner's consent to those applications.

## **11. General Provisions**

11.1 The Line and the Equipment and Vehicles will not, for any reason, become the Landowner's property.

11.2 If any provision of this Easement requires one party to this Easement to obtain the other party's consent then:

- a. consent must not be unreasonably or arbitrarily withheld or delayed;
- b. consent may be given subject to reasonable conditions; and
- c. the party giving consent must not require a payment as a condition of giving consent.

11.3 This Easement will continue forever unless surrendered by Transpower. Accordingly, the Landowner has no power to terminate the Easement or any of Transpower's rights under this Easement for any reason.

11.4 Transpower will surrender the Easement when the Easement is no longer required by Transpower. Transpower will prepare, sign and register all documents necessary to surrender the Easement and the Landowner will promptly sign and deliver the documents when called upon to do so by Transpower.

11.5 The Landowner must at all times comply with all the Landowner's legal requirements relating to the Line.

11.6 Transpower must at all times comply with all Transpower's legal requirements relating to the Line.

11.7 If any part of this Easement is held to be illegal, void or unenforceable, such determination will not affect the enforceability of the remaining parts of this Easement.

11.8 Any waiver by either party of any provision of this Easement will only be effective if it is given in writing and then only effective to the extent that it is expressly stated to be given.

11.9 Any failure, delay or indulgence by either party in exercising any power or right under this Easement will not operate as a waiver of that power or right. A single or partial exercise of any power or right by either party under this Easement will not prevent further exercises of that power or right or the exercise of any other power or right.

11.10 The rights and powers implied by the Fourth Schedule to the Land Transfer Regulations 2002 and the Fifth Schedule to the Property Law Act 2007 are expressly negated and do not apply to the Easement.

## **12. Definitions Used in this Easement**

12.1 In this Easement, unless the context requires otherwise:

- a. "Accessway" means the accessway shown on the plan held by Transpower (available on request);
- b. "Easement Area" means the parts of the Land marked "A" and "B" on SO 476169;
- c. "Emergency" means a situation:
  - i. involving possible danger to human life or property;

- ii. where the Line is or may be electrically unsafe; or
- iii. involving an existing or potential electricity outage;
- d. "Equipment" includes cables, lines, wires, cranes, drilling rigs, plant, tools and machinery and all material and items required for the purpose of exercising any of Transpower's rights under this Easement but, to avoid doubt, excludes any culverts and bridges constructed by Transpower under clause 2.1(h);
- e. "Land" means the land described as Lots 2 and 3 DP 11793 (Computer Freehold Register SL8B/36);
- f. "Line" means an electricity transmission line including all or any part of that line, including:
  - i. electricity conductors, wires and earthwires;
  - ii. poles, foundations, ground stays and supports;
  - iii. insulators, repeaters, devices, appliances, antennas and metering devices; and
  - iv. other apparatus, structures, fixtures and Equipment which Transpower considers necessary or useful to give effect to Transpower's rights and obligations under this Easement;
- g. "Maximum Design Specifications" means the following details of the Line:
  - i. The nominal operating voltage is 220 kilovolts;
  - ii. the maximum number of permanent poles is two; and
  - iii. the maximum number of circuits is two;
- h. "Vehicles" includes four wheel drives, motorbikes, cars and trucks, tractors, trailers, graders, pile drivers, drilling rigs, cranes, helicopters, aircraft, excavation and earthmoving equipment, whether wheeled or tracked; and
- i. "Working Day" means any day of the week excluding Saturday, Sunday, national statutory holidays and the anniversary days commonly observed in Wellington and the locality in which the Land is situated.

### 13. Interpreting this Easement

13.1 In this Easement, unless the context requires otherwise:

- a. singular includes plural and vice versa;
- b. headings in this Easement are inserted for convenience only and are to be ignored when interpreting a clause; and
- c. derivations of defined terms have similar meanings to the defined terms.

## Electricity Easement in Gross Taken—GOR-TEE A Transmission Line Project, Gore District

LT GEN THE RT HON SIR JERRY MATEPARAE,  
Governor-General

A Proclamation

Pursuant to section 186(2) of the Resource Management Act 1991 and section 26 of the Public Works Act 1981, I, Lieutenant General The Right Honourable Sir Jerry Mateparae, Governor-General of New Zealand, hereby declare the easement in gross over the land described in the First Schedule to be taken for the GOR-TEE A Transmission Line Project and vested in Transpower New Zealand Limited on the 14th day after the date of the publication of this Proclamation in the *New Zealand Gazette*.

The terms of the easement are set out in the Second Schedule.

***Southland Land District—Gore District***

**First Schedule**

- a. Part Lot 2 DP 308123 (Computer Freehold Register 31568); marked “A”, “B” and “D” on SO 476170; and
- b. Part Lot 1 DP 15356 (Computer Freehold Register 31568); marked “C” on SO 476170.

**Second Schedule**

**Rights, Powers, Terms, Covenants, Conditions and Restrictions Included in the Easement (“Easement”)**

**1. Use of Defined Terms**

1.1 Capitalised terms used throughout this Easement are defined in clause 12.

1.2 In this Easement, references to “Landowner” are references to the registered owner for the time being of the Land (or any part of the Land) and include:

- a. the registered owner at the date of this Easement and that person’s successors in title; and
- b. where appropriate, the employees, contractors, agents, tenants and invitees of the registered owner of the Land (or any part of the Land).

1.3 In this Easement, references to “Transpower” are references to the holder for the time being of the Easement and include:

- a. Transpower New Zealand Limited and its transferees and successors;
- b. any subsidiary or related companies of the holder of the Easement; and
- c. where appropriate, the employees, contractors, agents and invitees of the holder of the Easement.

**2. Transpower’s Rights**

2.1 This Easement gives Transpower the following rights:

- a. To construct, install, inspect, operate, repair, maintain, renew, replace, upgrade, add to, modify and remove the Line or any part of the Line on the Easement Area;
- b. to convey, conduct, send, distribute, pass, convert, transport, transmit and receive electricity by means of the Line;
- c. to undertake any tests, investigations, surveys and ancillary works (including the temporary or permanent relocation (including by replacement) of any cables, lines and pipes) to exercise Transpower’s rights and obligations under this Easement;
- d. to enter, from any reasonable location, and remain on the Easement Area and the Accessway with or without Vehicles and Equipment for so long as is reasonably necessary to exercise Transpower’s rights and obligations under this Easement;
- e. to enter, from any reasonable location, and remain on parts of the Land outside the Easement Area and the Accessway with or without Vehicles and Equipment to exercise Transpower’s rights and obligations under this Easement, but only if:
  - i. the Accessway is not available for any reason; or
  - ii. access to and from the Easement Area is by air; or
  - iii. Transpower reasonably needs to have access outside the Easement Area and the Accessway to exercise any of Transpower’s rights under this Easement;and then Transpower may use any reasonable access route to exercise Transpower’s rights and obligations;
- f. to construct, inspect, repair, maintain, renew, remove and modify fences (including boundary fences) on the Land and to install gates within fences to exercise Transpower’s rights and obligations under this Easement or for electrical safety purposes;
- g. to use any gates that Transpower installs under clause 2.1(f) and to lock any of those gates if they are boundary gates, but only if Transpower gives the Landowner a means of access through each locked gate unless a gate leads directly onto private property that the Landowner does not own;
- h. to construct, inspect, use, repair, maintain, renew, upgrade, remove and modify access tracks (including

- culverts and bridges) on the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land;
- i. to clear and keep clear the Easement Area, the Accessway and any routes used by Transpower under clause 2.1(e) of vegetation (including trees), structures (including fences and utility structures), soil, earth, gravel and stone;
  - j. to trim or remove any tree from the Land located outside the Easement Area if:
    - i. all or part of the tree breaches or, when fully grown, is likely to breach any legal requirement (including any statute, regulation or code of practice) applying from time to time regarding vegetation near the Line; or
    - ii. clause 2.1(j)(i) does not apply to a tree but Transpower considers that all or part of the tree is or, when fully grown, is likely to be a danger or hazard to the safety or operation of the Line, provided that Transpower must obtain the Landowner's prior consent except in an Emergency; and
  - k. when Transpower undertakes any works under this Easement, Transpower may:
    - i. excavate the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, and remove vegetation (including trees), soil, earth, gravel and stone from the Easement Area;
    - ii. temporarily exclusively occupy any part of the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, including temporarily fencing off the occupied area and temporarily preventing or restricting the Landowner's access to the occupied area;
    - iii. construct temporary hurdles and other temporary improvements on the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land in order to allow the works to be undertaken safely and efficiently; and
    - iv. remove water from the Easement Area, the Accessway and, if clause 2.1(e) applies, any other part of the Land, and discharge that water onto the Land but Transpower must first consult with the Landowner about the discharge of that water and obtain any necessary environmental approvals for the discharge of water.
  - l. Transpower does not have the right to:
    - i. upgrade the Line to have a nominal operating voltage greater than the voltage specified in the Maximum Design Specifications;
    - ii. construct more permanent poles forming part of the Line than the number specified in the Maximum Design Specifications;
    - iii. relocate any pole forming part of the Line, but this clause does not prevent Transpower from relocating a pole in a catastrophic failure or to replace the pole, in which case the replacement pole must be located immediately adjacent to the existing pole site and must be located on the Easement Area (unless the parties agree otherwise);
    - iv. increase the number of electricity circuits forming part of the Line to more than the number specified in the Maximum Design Specifications; or
    - v. construct any towers to form part of the Line.

### **3. Transpower's Obligations**

3.1 When Transpower enters the Land, Transpower must:

- a. respect and have regard to the Landowner's use of the Land;
- b. try to minimise disruption to the Landowner's use of the Land;
- c. restore any part of the surface of the Land that Transpower damages to as close to its prior condition as reasonably practicable and repair any other direct physical damage Transpower causes;
- d. use Transpower's best endeavours to prevent the outbreak and spread of fire; and
- e. remove any debris Transpower creates in undertaking any works and otherwise leave any work sites in a tidy condition.

3.2 Transpower will compensate the Landowner for the Landowner's loss resulting from:

- a. any damage that Transpower causes to the extent that Transpower does not or cannot comply with clause 3.1(c); and
- b. any trees that Transpower removes under clause 2.1(j) from outside the Easement Area.

3.3 In exercising Transpower's rights under this Easement, Transpower may need to undertake earthworks and cause other disturbance to the Land. The Landowner acknowledges that such earthworks and other disturbance are not a breach of clause 3.1.

3.4 Transpower will meet the costs of:

- a. managing trees on the Easement Area (including trimming or removing trees), apart from any costs resulting from trees planted by the Landowner in breach of this Easement;
- b. controlling or removing weeds Transpower introduces to the Land, but no other weeds; and
- c. maintaining the Line.

3.5 Transpower will, upon request, provide to the Landowner a copy of the plan showing the Accessway.

#### **4. Access Tracks**

4.1 If Transpower constructs, modifies or upgrades any access track (including culverts and bridges) under clause 2.1(h), Transpower will at Transpower's cost:

- a. maintain the access track to the standard Transpower requires; and
- b. repair any damage Transpower causes to the access track.

4.2 If the Landowner damages any access track (including culverts and bridges) that Transpower has constructed, modified or upgraded under clause 2.1(h), Transpower may recover the cost of repairing that damage from the Landowner.

4.3 All access tracks (including culverts and bridges) that Transpower constructs, modifies or upgrades under clause 2.1(h) will form part of the Land and will be the Landowner's property (unless the parties agree otherwise in writing).

#### **5. Notices**

5.1 Transpower will give the following notice to the Landowner:

- a. before entering the Land to inspect the Line, Transpower will give the Landowner at least 5 Working Days' notice; and
- b. before entering the Land for any other purpose allowed by this Easement, Transpower will give the Landowner at least 10 Working Days' notice in writing.

5.2 If Transpower gives the Landowner notice under clause 5.1, the Landowner may set reasonable conditions on Transpower's entry onto the Land but:

- a. the Landowner must inform Transpower of the Landowner's conditions at least 2 Working Days before Transpower's proposed date of entry; and
- b. the Landowner's conditions must not:
  - i. delay Transpower's entry by more than 15 Working Days;
  - ii. require the payment of money or any other consideration by Transpower; or
  - iii. defeat Transpower's ability to exercise effectively Transpower's rights under this Easement.

5.3 In an Emergency, Transpower may enter the Land without giving prior notice to the Landowner under clause 5.1 but:

- a. Transpower must give notice to the Landowner as soon as possible following Transpower's entry and no later than 5 Working Days following Transpower's entry; and
- b. Transpower must comply with all other provisions of this Easement relating to Transpower's entry.

5.4 Transpower must advise the Landowner in its notice under clause 5.1 if Transpower proposes to enter the

Land by air.

5.5 The Landowner must advise any tenant of the Land of Transpower's proposed entry onto the Land if Transpower gives the Landowner notice under clause 5.1. If the Landowner has notified Transpower of any tenant of the Land, Transpower may send a copy of Transpower's notice directly to that tenant.

## **6. Land Use Obligations**

6.1 Because of the electrical nature of the Line and the need for Transpower to have regular access to the Line, the Landowner must not, without first obtaining Transpower's written consent, do or allow any of the following to be done:

- a. excavate or deposit material on the Easement Area or the Accessway or otherwise alter or disturb the grades and contours of the surface of the Easement Area or the Accessway;
- b. erect any building or other structure (including fences and utility structures) on the Easement Area or the Accessway;
- c. plant any vegetation on the Easement Area that will or may when fully grown exceed 2.5 metres in height or breach any legal requirement applying from time to time regarding vegetation near the Line;
- d. plant any vegetation on the Accessway that will impede Transpower's access along the Accessway;
- e. operate any Equipment or Vehicles on the Easement Area within a minimum clearance distance of 4 metres from any conductor forming part of the Line;
- f. impede Transpower's access along the Easement Area or the Accessway or, if Transpower is exercising Transpower's rights under clause 2.1(e), the Land;
- g. cause the Easement Area or the Accessway to be flooded;
- h. light any fires (including burning-off vegetation) on the Easement Area;
- i. subdivide the Land in a way that:
  - i. may prevent Transpower's use of the Easement Area or the Accessway under this Easement;
  - ii. prevents Transpower's access along the Accessway (unless the subdivision application makes provision for alternative legal access which Transpower considers suitable); or
  - iii. creates allotments which are only capable of being efficiently used in a way that requires the construction of buildings or other structures on the Easement Area; and
- j. any other thing on the Land which may interfere with or restrict Transpower's rights under this Easement or the efficient operation of the Line, cause damage to the Line or endanger the continuity or safety of the supply and distribution of electricity.

6.2 This Easement does not stop the Landowner from applying fertiliser to the Land (including the Easement Area). Transpower will not hold the Landowner liable for any damage to the Line or any losses Transpower suffers which result from the Landowner's application of fertiliser.

6.3 This Easement does not stop the Landowner from continuing to use the Land for normal cropping or grazing provided that the Landowner complies with clause 6.1.

## **7. Breach of the Landowner's Obligations**

7.1 If the Landowner breaches any of the Landowner's obligations in this Easement, Transpower may:

- a. give notice to the Landowner of the breach and, if reasonable in the circumstances, give the Landowner a reasonable period to remedy the breach; and
- b. if it is not reasonable in the circumstances for Transpower to allow the Landowner a reasonable period to remedy the breach or if the Landowner does not remedy the breach within a reasonable period following Transpower's notice, Transpower may:
  - i. take all reasonable steps to remedy the breach; and
  - ii. recover the direct costs of remedying the breach from the Landowner as a debt.

## **8. Health and Safety**

8.1 Transpower will be responsible for the health and safety of any person who enters the Land at Transpower's request to the maximum extent allowed by law.

8.2 Transpower will comply with all reasonable rules and procedures that the Landowner gives to Transpower regarding the health and safety of persons on the Land and the identification and mitigation of hazards.

### **9. Indemnity and Liability**

9.1 Transpower indemnifies the Landowner against:

- a. any physical damage to the Land or anything located on the Land (other than damage resulting from or caused by interruptions to the supply of electricity or variations in the quality of electricity); and
- b. any damage to a third party for which a claim is successfully brought against the Landowner;

where that damage is caused by Transpower's act or omission in breach of this Easement or caused by Transpower's negligence.

9.2 The indemnity in clause 9.1(b) will only apply if the Landowner advises Transpower of the claim by the third party immediately when the Landowner becomes aware of the claim. In respect of the claim by the third party, the Landowner agrees that:

- a. Transpower has the sole right to act in the Landowner's name in respect of the claim, at Transpower's expense; and
- b. Transpower may defend the claim, negotiate with the claimant or settle the claim (or any of these) in the Landowner's name, at Transpower's expense.

9.3 The maximum amount payable by the Landowner to Transpower in respect of any liability associated with this Easement arising:

- a. for breach of any provision of this Easement; or
- b. otherwise at law;

is, in the absence of the Landowner's wilful, deliberate or intentional acts or omissions, limited to an aggregate of \$1,000,000.00 per event or series of related events ("Limitation Amount"), provided that the Limitation Amount will be adjusted annually in accordance with movement in the Consumer Price Index (All Groups) or any replacement comparable index from the date of this Easement.

### **10. Consents**

10.1 The Landowner is hereby deemed to:

- a. consent to any application by Transpower for any consent or authority required to give effect to the easements created by this Easement, including any building consent, resource consent or authority under the Heritage New Zealand Pouhere Taonga Act 2014; and
- b. appoint Transpower as the Landowner's agent to sign and deliver any forms evidencing the Landowner's consent to those applications.

### **11. General Provisions**

11.1 The Line and the Equipment and Vehicles will not, for any reason, become the Landowner's property.

11.2 If any provision of this Easement requires one party to this Easement to obtain the other party's consent then:

- a. consent must not be unreasonably or arbitrarily withheld or delayed;
- b. consent may be given subject to reasonable conditions; and
- c. the party giving consent must not require a payment as a condition of giving consent.

11.3 This Easement will continue forever unless surrendered by Transpower. Accordingly, the Landowner has no power to terminate the Easement or any of Transpower's rights under this Easement for any reason.

11.4 Transpower will surrender the Easement when the Easement is no longer required by Transpower. Transpower will prepare, sign and register all documents necessary to surrender the Easement and the Landowner will promptly sign and deliver the documents when called upon to do so by Transpower.

11.5 The Landowner must at all times comply with all the Landowner's legal requirements relating to the Line.

11.6 Transpower must at all times comply with all Transpower's legal requirements relating to the Line.

11.7 If any part of this Easement is held to be illegal, void or unenforceable, such determination will not affect the

enforceability of the remaining parts of this Easement.

11.8 Any waiver by either party of any provision of this Easement will only be effective if it is given in writing and then only effective to the extent that it is expressly stated to be given.

11.9 Any failure, delay or indulgence by either party in exercising any power or right under this Easement will not operate as a waiver of that power or right. A single or partial exercise of any power or right by either party under this Easement will not prevent further exercises of that power or right or the exercise of any other power or right.

11.10 The rights and powers implied by the Fourth Schedule to the Land Transfer Regulations 2002 and the Fifth Schedule to the Property Law Act 2007 are expressly negated and do not apply to the Easement.

## **12. Definitions Used in this Easement**

12.1 In this Easement, unless the context requires otherwise:

- a. "Accessway" means the accessway shown on the plan held by Transpower (available on request);
- b. "Easement Area" means the parts of the Land marked "A", "B", "C" and "D" on SO 476170;
- c. "Emergency" means a situation:
  - i. involving possible danger to human life or property;
  - ii. where the Line is or may be electrically unsafe; or
  - iii. involving an existing or potential electricity outage;
- d. "Equipment" includes cables, lines, wires, cranes, drilling rigs, plant, tools and machinery and all material and items required for the purpose of exercising any of Transpower's rights under this Easement but, to avoid doubt, excludes any culverts and bridges constructed by Transpower under clause 2.1(h);
- e. "Land" means the land described as Lot 2 DP 308123 and Lot 1 DP 15356 (Computer Freehold Register 31568);
- f. "Line" means an electricity transmission line including all or any part of that line, including:
  - i. electricity conductors, wires and earthwires;
  - ii. poles, foundations, ground stays and supports;
  - iii. insulators, repeaters, devices, appliances, antennas and metering devices; and
  - iv. other apparatus, structures, fixtures and Equipment which Transpower considers necessary or useful to give effect to Transpower's rights and obligations under this Easement;
- g. "Maximum Design Specifications" means the following details of the Line:
  - i. The nominal operating voltage is 220 kilovolts;
  - ii. the maximum number of permanent poles is two; and
  - iii. the maximum number of circuits is two;
- h. "Vehicles" includes four wheel drives, motorbikes, cars and trucks, tractors, trailers, graders, pile drivers, drilling rigs, cranes, helicopters, aircraft, excavation and earthmoving equipment, whether wheeled or tracked; and
- i. "Working Day" means any day of the week excluding Saturday, Sunday, national statutory holidays and the anniversary days commonly observed in Wellington and the locality in which the Land is situated.

## **13. Interpreting this Easement**

13.1 In this Easement, unless the context requires otherwise:

- a. singular includes plural and vice versa;
- b. headings in this Easement are inserted for convenience only and are to be ignored when interpreting a clause; and
- c. derivations of defined terms have similar meanings to the defined terms.

Given under the hand of His Excellency the Governor-General of New Zealand and issued under the Seal of New Zealand this 18th day of August 2016.

[L.S.]

HON LOUISE UPSTON, Minister for Land Information.
