  - d. providing telecommunications services to passengers of marine craft.
2. This licence does not include:
  - a. land based transmitters, including coast stations, operating on frequencies below 30 MHz;
  - b. remotely activated private and public coast stations;
  - c. maritime VHF repeater transmitters; or
  - d. remote activation of a maritime VHF repeater by a land station without the express permission, pursuant to Regulation 13 of the Regulations, of the maritime VHF repeater licensee.
3. In accordance with the provisions of Articles 19 and 47 of the International Radio Regulations, a person operating a maritime service transmitter must:
  - a. use the maritime identification allocated in accordance with the Regulations; and
  - b. be the holder of an applicable certificate of competency issued in accordance with the Regulations.
4. In accordance with the provisions of the First Schedule to the Act, a person operating a transmitter pursuant to this licence must also comply with all relevant provisions of the Maritime Transport Act 1994, and regulations and rules made under that Act.
5. Transmitters must conform to technical standards as prescribed in notices made under Regulation 32(l)(b) of the Regulations.
6. Frequency use is on a shared basis and the chief executive does not accept liability under any circumstances for any loss or damage of any kind occasioned by the unavailability of frequencies, or interference to reception.

***Explanatory note***

This note is not part of the notice, but is intended to indicate its general effect.

This notice:

- amends the provisions in the VHF bands as a result of the recent changes to Appendix 18 of the International Radio Regulations, to enable wideband digital communications and further capacity for ship tracking;
- expands the provision for earth stations on-board vessels (ESV) to operate in the 14 - 14.5 GHz range (formerly 14 - 14.25 GHz), and also removes the restriction on elevation angle in order to allow a greater angle of transmission from an ESV; and
- amends the provision for maritime radionavigation radars in the 5470 - 5650 MHz range (formerly 5470 - 5850 MHz) to reflect the typical shipborne radar applications that are permissible in New Zealand.

### Deer Industry New Zealand Levy Rates

1. Deer Industry New Zealand (DINZ) is a marketing authority established by Regulation 4 of the Deer Industry New Zealand Regulations 2004.

#### 2. DINZ levy

2.1 Under Regulation 18(1) of the Deer Industry New Zealand Regulations 2004, DINZ fixes the rates of DINZ levy (which levy rates are exclusive of goods and services tax imposed by the Goods and Services Tax Act 1985) as follows:

(a) On venison derived from deer, other than fallow deer, slaughtered in deer slaughtering premises, on the basis of hot clean carcass weight after removal of condemned parts:

22.55 cents (twenty two point fifty-five cents) per kilogram for the period 1 October 2016 to 30 September 2017.

(b) On venison derived from each fallow deer slaughtered in deer slaughtering premises, on the basis of hot clean carcass weight after removal of condemned parts:

12.55 cents (twelve point fifty-five cents) per kilogram for the period 1 October 2016 to 30 September 2017.

(c) On velvet from deer other than fallow deer received at a packing house for processing or packing, on a frozen weight basis:

325 cents (three hundred and twenty-five cents) per kilogram for the period 1 October 2016 to 30 September 2017.

(d) On velvet from fallow deer received at a packing house for processing or packing, on a frozen weight basis:

85 cents (eighty-five cents) per kilogram for the period 1 October 2016 to 30 September 2017.

2.2 For the purpose of paragraphs 2.1(a) and 2.1(b) above, hot clean carcass weight is defined in the DeerQA Venison Processors Industry Agreed Standards (dated 22 March 2010) at Standard IAS-3: Venison Standard Carcass. This document is available on request from Deer Industry New Zealand by telephone (04) 473 4500 or mail to PO Box 10702, Wellington.

2.3 The levy rates described in paragraphs 2.1(a) and 2.1(b) above are payable by the owner at the time of slaughter. However, where the venison is sold at the time of slaughter to a venison processor or venison marketer (as defined in Regulation 3 of the DINZ Regulations 2004):

(a) the portions of the levy on such venison that are allocated to TBfree New Zealand (as described in paragraph 9.2 below) shall remain payable by the owner at the time of slaughter;

(b) the remainder of the levy payable on such venison shall be payable in equal shares by the owner at the time of slaughter and the venison processor or venison marketer.

2.4 No levy is payable on velvet when the value of the applicable velvet grade, as defined by the Industry Agreed Grading Guidelines, is less than or equal to \$15.00/kg (GST exclusive).

2.5 If the deer slaughtering premises (DSP) or packing house (PH) (formerly game packing house) fails to keep accurate records relating to the DINZ levy or to file accurate returns relating to the DINZ levy, then the levy payable will be assessed by DINZ with reference to such information as DINZ considers fit.

3. DSPs are not required to collect levies on Tb reactors but will be required to report the number of reactor deer slaughtered to DINZ in their monthly returns. The levy will be waived for those Tb reactors which are identified with an official reactor tag and where they arrive at the DSP accompanied by an official permit to move.

4. A nil rate of levy applies to any deer carcasses that are wholly condemned for any reason following slaughter.

5. No levy is payable in respect of any one deer carcass or piece of velvet more than once.

6. These rates of levy come into effect on and from 1 October 2016 and apply until 30 September 2017, or until such time as new levy rates are fixed and come into force.

7. Under Regulation 19, notice is given that DINZ fixes the rate of additional levy payable in respect of failure to pay, or late payment of, amounts of levy payable on or after 1 October 2016 at 10 percent of the amount of levy unpaid.

8. The additional levy for failure to pay or late payment may be applied by DINZ at a rate of 10 percent on the outstanding balance following expiration of the period within which payment is required to be received by DINZ, and is payable by the DSP or PH concerned.

9. Of the DINZ levy, a portion will be paid to TBfree New Zealand as the deer industry's contribution to TBfree New Zealand's activities under the national pest management strategy for bovine tuberculosis. A further portion will be paid to NAIT Limited as the deer industry's contribution to the National Animal Identification and Tracing scheme. The DINZ levy will be broken down as follows:

9.1 For Deer Industry New Zealand:

- Venison (fallow) 7 cents per kilogram.
- Venison (other) 17 cents per kilogram.
- Velvet (fallow) 40 cents per kilogram.
- Velvet (other) \$2.80 per kilogram.

9.2 For TBfree New Zealand:

- Venison 5 cents per kilogram.
- Velvet 45 cents per kilogram.

## Second Schedule

### *Encumbrance*

For valuable consideration, the owner of all the land in the First Schedule, together with their heirs, successors and assigns ("Encumbrancer"), agrees to encumber all of the lands in the First Schedule ("Land") for the benefit of Her Majesty The Queen ("Encumbrancee") for a term of 999 years from the publication date of this notice in the *New Zealand Gazette*, determinable under clause 3 hereof with an annual rent charge of \$1.00 to be paid in January of each year if demanded, and to covenant with the Encumbrancee to secure compliance by the Encumbrancer with the agreements set out in this encumbrance.

1. The Encumbrancer acknowledges that the covenants in this Encumbrance are of a permanent nature, and the Encumbrancer shall not be entitled to a discharge of the Encumbrance during the term, whether by payment of the total security or otherwise.
2. The Encumbrancer covenants with the Encumbrancee that:
  - a. the Encumbrancer will not dispose of any or all of the Land without first satisfying its obligations under section 40 of the Public Works Act 1981;
  - b. the Encumbrancer will advise the Encumbrancee of the proposed sale; and
  - c. if the Encumbrancer sells any or all of the Land before the expiration of five years from the date of publication of this notice in the *New Zealand Gazette*, the Encumbrancer shall pay 20% of the net proceeds of sale (or such lesser amount agreed by the Encumbrancee) to the Encumbrancee.
3. This rent-charge shall immediately determine and the Encumbrancer shall be entitled to a discharge of this encumbrance if the covenants expressed herein become obsolete or no longer enforceable or where any sunset provision is enacted amending section 40 of the Public Works Act 1981 which provision makes the term of this Instrument redundant.
4. The Encumbrancer shall pay its own costs incurred during the course of this encumbrance.
5. Sections 97, 154 and 156 of the Land Transfer Act 1952, and sections 23, 289 and 301-302 of the Property Law Act 2007 shall apply to this Encumbrance but otherwise (and without prejudice to the Encumbrancee's rights of action at common law as a rent-chargee) the Encumbrancee shall not be entitled to any of the powers and remedies given to encumbrancees by the Land Transfer Act 1952 and the Encumbrancee and its successors and assigns shall not be entitled to any of the powers and remedies given to mortgagees under

the Land Transfer Act 1952 or the Property Law Act 2007.

6. The Encumbrancer covenants with the Encumbrancee:
  - a. to pay all legal costs and disbursements in the execution, registration, enforcement and any ultimate release of this Encumbrance Instrument, in respect of any consents sought by the Encumbrancer from the Encumbrancee to the registration of any instrument, and in respect of the performance and observance by the Encumbrancer of this Encumbrance Instrument including legal costs on a solicitor/client basis; and
  - b. to otherwise indemnify the Encumbrancee against any claims, loss and expense of whatever kind incurred by the Encumbrancee as a consequence of the Encumbrancer failing to comply with this Encumbrance Instrument.
7. No delay or failure by the Encumbrancee to enforce performance of any of the covenants set out in this Encumbrance Instrument and no indulgence granted to the Encumbrancer by the Encumbrancee shall prejudice the rights of the Encumbrancee to enforce any of the covenants or provisions of the Encumbrance Instrument.
8. The Encumbrancee acknowledges that this Encumbrance does not preclude the Encumbrancer from leasing (subject to compliance with any statutory constraints) or mortgaging or allowing security of whatever kind over the Land and consent from the Encumbrancee, except in any regulatory role, shall not be required.
9. The Encumbrancer:
  - a. acknowledges that this encumbrance:
    - i. has been granted for valuable consideration received, in full compensation for the grant of this encumbrance instrument; and
    - ii. is intended to charge the Land and bind the Encumbrancer (and successors) to perform the Encumbrancer's obligations for the period of time set out in this encumbrance instrument; and
  - b. therefore covenants with the Encumbrancee:
    - i. not to seek to discharge, surrender, lapse, vary, amend, withdraw or remove in any manner whatsoever this encumbrance instrument prior to the expiry of that period of time, whether by payment of the total security or otherwise; and
    - ii. to preserve for the period of time set out in this encumbrance instrument the integrity of the agreements in this encumbrance instrument; and

always to act in good faith and do all acts and things and enter into and execute all documents, instruments (including any replacement encumbrance) and/or easement or land covenant whenever reasonably required by the Encumbrancee and otherwise obtain any necessary consents all of which may be reasonably necessary and appropriate to give full force and effect to the intentions and understandings of the Encumbrancer and the Encumbrancee.
