In accordance with section 161(2) of the Land Transport Act 1998, the NZ Transport Agency, on behalf of the Minister of Transport, gives notice of the Minister's intention to make Rules that apply to operator licensing and that will amend the *Land Transport Rule: Work Time and Logbooks 2007* and the *Land Transport (Driver Licensing) Rule 1999*, and advises that draft ***Land Transport Rule: Operator Licensing 2017***, draft ***Land Transport Rule: Work Time and Logbooks Amendment 2017***, and draft ***Land Transport (Driver Licensing) Amendment Rule 2017*** are available for public comment.

The purposes of the proposed Rules are:

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from the Act:

Ministerial Exemption: Te Puni Kōkiri (Te Kupenga Trust)

1. The exemption is subject to the following conditions:
 - a. Funds from the Te Kupenga Trust ("Trust") may only be distributed to mandated iwi organisations of the 57 iwi recognised under the Maori Fisheries Act 2004, and listed in Schedule 3 of that Act.

- b. The trustee is required to notify its statutory supervisor, the Department of Internal Affairs, once it has made the final distribution to beneficiaries and closed down.
2. The exemption has been granted for the following reasons:
 - a. There is a very low risk of money laundering and terrorist financing through the Trust as:
 - i. the 57 iwi beneficiaries of the Trust are listed in statute (the Maori Fisheries Act 2004) and the Trust does not participate in financial activities with any other or new customers;
 - ii. the funds held in the Trust originate from a Crown enterprise grant, and the beneficiaries have not been able to deposit or withdraw funds from the Trust at their discretion; and
 - iii. the Trust will close down after the distribution of the remaining funds to the mandated iwi organisations.
 - b. Due to the very low money laundering and terrorism financing risks raised by the Trust and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits or requiring compliance with the Act are not justified by the associated costs.
 - c. This exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand’s international obligations as a member of the Financial Action Task Force and the Asia/Pacific Group on Money Laundering.
 3. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
 4. This exemption will expire on **30 June 2020**.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 (“Act”), the Associate Minister of Justice hereby gives notice that he has granted the following a partial exemption from the requirements of Paragraph (d) relating to the definition of “designated business group” under section 5 of the Act:

Ministerial Exemption: Motor Trade Finances Group

1. The exemption is granted subject to the following conditions:
 - a. Motor Trade Finances Group (“MTF”) is required to satisfy all other requirements of the definition of a “designated business group”;
 - b. each member of the designated business group is a wholly owned subsidiary of MTF Limited or party to a franchise agreement with MTF Limited, which is similar to each other such agreement in all material respects; and
 - c. all other provisions of the Act apply.
2. The exemption has been granted for the following reasons:
 - a. Sub-paragraph (d) of the term “designated business group” (DBG) contained within section 5 of the Act provides that in order to be classed as a DBG, each member must be related to each other within the meaning of section 2(3) of the Companies Act 1993.
 - b. MTF cannot rely on sub-paragraph (d) as its members do not meet the test for being related to each other under section 2(3) of the Companies Act 1993. This is because the majority of its members are franchisees.
 - c. The exemption will allow MTF to achieve consistency across all the franchisees, ensuring that they meet the obligations under the Act by allowing one compliance officer in the head office to formulate a shared risk assessment and compliance programme for the whole group.

- d. This exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand's international obligations as a member of the Financial Action Taskforce and the Asia Pacific Group on Money Laundering.
3. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
4. This exemption will expire on **30 June 2020**.

Any person wishing to provide comment on this notice should contact the Criminal Law Team at the Ministry of Justice by emailing international.crime@justice.govt.nz.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from the provisions of Part 2 of the Act:

Ministerial Exemption: Shell New Zealand Pension Plan

1. This exemption is granted subject to the following conditions:
 - a. Subject to paragraphs 2 and 3 below, the Shell New Zealand Pension Plan's ("Plan") Trust Deed must not enable members to contribute to the Plan voluntarily other than through payroll.
 - b. The Plan must remain a registered superannuation scheme as defined under the Superannuation Schemes Act 1989, or a registered scheme under the Financial Markets Conduct Act 2013, as applicable.
 - c. With the exception of Australian superannuation transfers to the Plan (if applicable), customer due diligence in accordance with sections 10–36 of the Act and suspicious transaction reports in accordance with sections 40–48 of the Act and, where the transaction is relevant to a suspicious transaction report, transaction records in accordance with section 49(1) and (2)(a)–(f) of the Act are required on all transfers to the Plan from international sources.
2. The Trust Deed for the Plan may permit voluntary contributions to be made other than through payroll for the purpose of restoring pensionable service, provided that the Plan undertakes standard customer due diligence on every member who applies to restore pensionable service (as provided for in the Trust Deed of the Plan).
3. The Trust Deed for the Plan may permit voluntary contributions to be made to the Plan other than through payroll by a member during a period of Temporary Absence (as defined in the Trust Deed of the Plan) where:
 - a. a Participating Company (as defined in the Trust Deed of the Plan) or the Plan's administrator collects those contributions; and
 - b. the contributions do not exceed (as to either amount or frequency) the contributions that were being paid by the relevant member in accordance with the Trust Deed for the Plan immediately prior to the member commencing leave of absence.
4. Where any contributions are received from international sources during a period of Temporary Absence (as defined in the Trust Deed of the Plan) the following sections of the Act apply to such contributions:
 - a. sections 10–17 of the Act (and for the purposes of section 14(d) of the Act the receipt of a contribution from an international source is specified as a circumstance in which standard customer due diligence must be conducted);
 - b. sections 40–48 of the Act;
 - c. where the transaction is relevant to a suspicious transaction report, sections 49(1) and 2(a)–(f) of the Act; and
 - d. sections 92–100 of the Act.
5. Where any withdrawals are made by a member in addition to that member making contributions during a

period of Temporary Absence (as defined in the Trust Deed of the Plan) the following sections of the Act apply to such withdrawals and contributions:

- a. sections 10-17 of the Act (and for the purposes of section 14(d) of the Act the first such withdrawal is specified as a circumstance in which standard customer due diligence must be conducted);
 - b. sections 40-48 of the Act;
 - c. where the transaction is relevant to a suspicious transaction report, section 49(1) and (2)(a)-(f) of the Act; and
 - d. sections 92-100 of the Act.
6. The exemption has been granted for the following reasons:
- a. the Plan poses a very low risk of money laundering or terrorism financing;
 - b. any risks posed by voluntary contributions outside of payroll have been addressed by the conditions;
 - c. the Plan is closed to new members;
 - d. due to the very low money laundering and terrorism financing risks raised by the Plan and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits of requiring compliance with the Act are not justified by the associated costs; and
 - e. this exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand's international obligations as a member of the Financial Action Task Force and the Asia/Pacific Group on Money Laundering.
7. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
8. This exemption will expire on **30 June 2020**.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from section 56(2) of the Act:

Ministerial Exemption: Travelex Financial Services NZ Limited

1. This exemption is granted subject to the following conditions:
 - a. The Anti-Money Laundering and Countering Financing of Terrorism ("AML/CFT") compliance officer for Travelex Financial Services NZ Limited ("Travelex NZ") must be a Sydney-based employee of Travelex Limited registered in Australia.
 - b. The AML/CFT compliance officer must be appropriately qualified, have adequate resources to perform his or her role, and have full access to all information relevant to the AML/CFT compliance matters of Travelex NZ.
 - c. The AML/CFT compliance officer must report fully and regularly on all relevant AML/CFT matters to a senior manager of Travelex NZ.
 - d. The AML/CFT compliance officer must be readily available to the staff of Travelex NZ in order to raise and discuss any AML/CFT compliance matters.
2. It is emphasised that, for the purposes of this exemption, the AML/CFT compliance officer for Travelex NZ has obligations under the Act, rather than the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Australia).
3. The exemption has been granted for the following reasons:
 - a. There is a low risk of money laundering and terrorist financing associated with this specific exemption.

It will allow Travelex NZ to use existing compliance expertise to assist in Travelex NZ's compliance with its AML/CFT obligations.

- b. All other provisions and requirements of the Act will apply to Travelex NZ.
4. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
5. This exemption will expire on **30 June 2020**.

Any person wishing to provide comment on this notice should contact the Criminal Law Team at the Ministry of Justice by emailing international.crime@justice.govt.nz.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 ("Act"), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from the Act:

Ministerial Exemption: Waiapu Board of Diocesan Trustees Incorporated

1. This exemption is granted subject to the following conditions:
 - a. The exemption would apply only in relation to services provided by the Waiapu Board of Diocesan Trustees Incorporated ("Waiapu Board") to entities under the common "control" of the Anglican Church, within the definition of clause 48 of Schedule 1 of the Financial Markets Conduct Act 2013 ("FMC Act") (Church Bodies). For the avoidance of doubt, the exemption would also apply in relation to the two outstanding "legacy" loans made to external parties.
 - b. The Waiapu Board must continue to be an Authorised Trust Board under the Anglican Church Trusts Act 1981.
 - c. The Waiapu Board must continue to be incorporated under the Charitable Trusts Act 1957.
2. The exemption has been granted for the following reasons:
 - a. Regulation 16 of the Anti-Money Laundering and Countering Financing of Terrorism (Exemptions) Regulations 2011 ("Regulation 16") provides an exemption from all the provisions of the Act for relevant services provided by a reporting entity to persons who are related to it within the meaning of section 12(2) of the FMC Act.
 - b. Section 12(2) of the FMC Act defines when one body corporate is related to another body corporate. The Waiapu Board is a body corporate by virtue of being incorporated under the Charitable Trusts Act 1957, but the Church Bodies are not bodies corporate.
 - c. The Waiapu Board cannot rely on Regulation 16 because the Church Bodies are not bodies corporate and therefore not related to the Waiapu Board within the meaning of section 12(2) of the FMC Act, as required by Regulation 16.
 - d. Due to the very low money laundering and terrorism financing risks raised by the Waiapu Board and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits of requiring compliance with the Act are not justified by the associated costs.
 - e. This exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand's international obligations as member of the Financial Action Task Force and the Asia/Pacific Group on Money Laundering.
3. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
4. This exemption will expire on **30 June 2020**.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 (“Act”), the Associate Minister of Justice hereby gives notice that he has granted the following exemption from Part 2 of the Act:

Ministerial Exemption: Fletcher Building Retirement Plan

1. This exemption is granted subject to the following conditions:
 - a. The Fletcher Building Retirement Plan (“Plan”) must remain a registered superannuation scheme as defined under the Superannuation Schemes Act 1989, or a registered scheme under the Financial Markets Conduct Act 2013, as applicable.
 - b. Apart from members, only former members that have reached retirement age but are still employed and make contributions through payroll to a deferred withdrawal account can be considered “members” of the scheme for the purposes of Regulation 20A in the Anti-Money Laundering and Countering Financing of Terrorism (Exemptions) Regulations 2011 (“Regulation 20A”).
 - c. The Plan must have a cap on voluntary contributions made (other than those made through payroll). The cap should be set at the amount required to enable a member to maximise those government contributions set out in section MK 4 of the Income Tax Act 2007.
 - d. Subject to paragraph 3 below, the Trustee is required to remove any mechanisms contained in the Plan’s Trust Deed that enable members to contribute to the Plan voluntarily other than through payroll.
 - e. The Plan must, in all other aspects, comply with the definition of “limited employer superannuation scheme” pursuant to Regulation 20A.
2. The Trust Deed for the Plan may permit contributions to be made to the Plan other than through payroll by a member during a permitted period of unpaid leave of absence (Regular Leave of Absence Contributions) where:
 - a. the employer or the Plan’s administrator collects those contributions; and
 - b. the contributions do not exceed (as to either amount or frequency) the contributions that were being paid by the relevant member in accordance with the Trust Deed for the Plan immediately prior to the member commencing leave of absence.
3. Where any Regular Leave of Absence Contributions are received from international sources during the permitted period of unpaid leave of absence, the following sections of the Act apply to such contributions:
 - a. sections 10-17 of the Act (and for the purposes of section 14(d) of the Act the receipt of a contribution from an international source is specified as a circumstance in which standard customer due diligence must be conducted);
 - b. sections 40-48 of the Act;
 - c. where the transaction is relevant to a suspicious transaction report, section 49(1) and 2(a)-(f) of the Act; and
 - d. sections 92-100 of the Act.
4. Where any withdrawals are made by a member in addition to that member making Regular Leave of Absence Contributions during the permitted period of unpaid leave of absence, the following sections of the Act apply to such withdrawals and contributions:
 - a. sections 10-17 of the Act (and for the purposes of section 14(d) of the Act the first such withdrawal is specified as a circumstance in which standard customer due diligence must be conducted);
 - b. sections 40-48 of the Act;
 - c. where the transaction is relevant to a suspicious transaction report, section 49(1) and 2(a)-(f) of the Act; and
 - d. sections 92-100 of the Act.

5. The exemption has been granted for the following reasons:
 - a. There is a low risk of money laundering or the financing of terrorism associated with allowing former members, who are still employees of a participating employer, to continue contributing to the fund through payroll.
 - b. Regulation 20A grants an exemption for services provided in respect of promoting or operating a limited employer superannuation scheme or a specified restricted scheme. This reflects the idea that an employee making contributions through their employer to a superannuation scheme presents a low risk of money laundering or terrorist financing.
 - c. Due to the very low money laundering and terrorism financing risks raised by the Plan and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits of requiring compliance with the Act are not justified by the associated costs.
 - d. This exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial Transactions Reporting Act 1996 and New Zealand’s international obligations as a member of the Financial Action Task Force and the Asia/Pacific Group on Money Laundering.
6. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
7. This exemption will expire on **30 June 2020**.

Ministerial Exemptions Under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009

In accordance with section 157(6)(b) of the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 (“Act”), the Associate Minister of Justice hereby gives notice that he has granted the following partial exemption from the Act:

Ministerial Exemption: the Maritime Retirement Scheme and the Maritime KiwiSaver Scheme

1. This exemption is subject to the following conditions:
 - a. The Trustees are required to remove any mechanisms contained in the Trust Deed for the Maritime Retirement Scheme (“MRS”) that enable members to contribute to the MRS voluntarily other than through payroll or the Accident Compensation Corporation.
 - b. The Trustees are required to introduce a cap on voluntary contributions made (other than those made through payroll or the Accident Compensation Corporation) to the Maritime KiwiSaver Scheme (“MKS”). The cap should be set at the amount required to enable a member to maximise those government contributions set out in section MK 4 of the Income Tax Act 2007.
 - c. With the exception of Australian superannuation transfers to the MKS, customer due diligence in accordance with sections 10–36 of the Act and suspicious transaction reports in accordance with sections 40–48 of the Act are required on all transfers to the MRS and the MKS (“Schemes”) from international sources.
2. The exemption has been granted for the following reasons:
 - a. the Trustees’ only duties as a reporting entity under the Act are in respect of the Schemes;
 - b. the Schemes pose a very low risk of money laundering or terrorism financing;
 - c. any risks posed by voluntary contributions outside of payroll have been covered off by conditions;
 - d. due to the very low money laundering and terrorism financing risks raised by the Schemes and the significant compliance costs that would arise from not granting this exemption, I consider that any benefits of requiring compliance with the Act are not justified by the associated costs;
 - e. this exemption is consistent with (and has no effect on the purpose or intent of) the Act, the Financial

Transactions Reporting Act 1996 and New Zealand's international obligations as a member of the Financial Action Task Force and the Asia Pacific Group on Money Laundering;

- f. the MRS is an amalgamation of two schemes that had already been granted a Ministerial exemption under the Act: the Seafarers' Retirement Fund (SRF), and the Waterfront Industry Superannuation Fund (WISF); and
 - g. the MKS is an amalgamation of two schemes that had already been granted a Ministerial exemption under the Act: the SRF KiwiSaver Scheme (SKS) and the Waterfront Industry KiwiSaver Scheme (WIKS).
3. This exemption revokes and replaces the exemptions previously granted to the Waterfront Industry Schemes (published in the [New Zealand Gazette, 5 December 2013, No. 162, page 4481](#)) and Seafarer Retirement Schemes (published in the [New Zealand Gazette, 26 September 2013, No. 131, page 3677](#)).
 4. This exemption came into force on the day after the date I granted this exemption (**22 September 2016**).
 5. This exemption will expire on **30 June 2020**.

Companies Act (Thai Airways International Public Company Limited) Exemption Notice 2016

Pursuant to section 207L of the Companies Act 1993, the Registrar of Companies gives the following notice (to which is appended a statement of reasons of the Registrar).

Notice

1. Title—This notice is the Companies Act (Thai Airways International Public Company Limited) Exemption Notice 2016.

2. Commencement—This notice comes into force on its notification in the *New Zealand Gazette*.

3. Expiry—This notice expires on the close of **31 July 2021**.

4. Application—An exemption granted by this notice applies to the following accounting periods of an exempt overseas company:

- a. an accounting period of the exempt overseas company that commenced before the exemption is granted (including an accounting period that ended before the exemption is granted); and
- b. subsequent accounting periods.

5. Interpretation—In this notice, unless the context otherwise requires:

Act means the Companies Act 1993.

exempt overseas company means Thai Airways International Public Company Limited.

specified financial statements, in relation to the exempt overseas company, means the financial statements

that are required to be prepared and delivered for registration in accordance with the Companies Act 1993.

6. Exemptions for directors of the exempt overseas company—Every director of the exempt overseas company is exempted from the following provision in respect of the exempt overseas company:

- a. section 207 of the Act to the extent that the specified financial statements must be audited by a qualified auditor as defined by sections 35 and 36 of the Financial Reporting Act 2013.

For the avoidance of doubt, nothing in this notice affects the requirements of the New Zealand branch of the exempt overseas company to prepare, and deliver for registration, financial statements audited by a qualified auditor.

7. Conditions—The exemption in clause 6 is subject to the conditions that:

- a. the specified financial statements are audited by the Office of the Auditor General of Thailand in accordance with the relevant standards relating to auditing or assurance that are in force in Thailand; and
- b. the specified financial statements comply in all other respects with New Zealand’s financial reporting laws for overseas company financial statements.

Dated at Wellington this 13th day of October 2016.

ROBERT RENDLE, Deputy Registrar of Companies.

Statement of reasons

This notice, which comes into force on its notification in the *New Zealand Gazette* and expires on 31 July 2021, exempts the directors of Thai Airways International Public Company Limited (“company”), a company incorporated in Thailand, from certain provisions of the Companies Act 1993 (“Act”).

The effect of the exemption is to exempt the company from the requirement under section 207 of the Act to have its prepared financial statements audited by a qualified auditor. The exemption only applies on the condition that the financial statements continue to be audited by the Office of the Auditor General of Thailand (“Auditor General”).

If the Auditor General ceases to be the auditor of the company, the exemption will not apply and the prepared financial statements must be audited by a qualified auditor.

The exemption does not affect any requirement under the Act for the company to prepare and file audited financial statements for its New Zealand business as if that business were conducted by a company formed and registered in New Zealand.

The Registrar considers that it is appropriate to grant the exemption because:

- the Registrar has had regard to the unique position of the company, which by law must have its financial statements audited by the Auditor General;
- the Registrar recognises the unique statutory function of the Auditor General and its waiver from registration of the Federal Accounting Professions of Thailand;
- the Registrar acknowledges that, due to its statutory function, the Auditor General cannot satisfy the statutory requirements to become a qualified auditor;
- the company will still be required to file audited financial statements, including audited financial statements for its New Zealand branch; and
- the exemption addresses the particular difficulties experienced by the company and is not broader than what is reasonably necessary to address these difficulties.

This notice is administered by the Registrar of Companies.

Barry Spence Harris

as Crown Observer to the Kaipara District Council ("Council").

The role of the Crown Observer is to provide guidance and advice to elected Council members, collectively and individually, on matters of governance. The Crown Observer may also provide advice and guidance to the Council Chief Executive and senior management team on how best to support elected Council members. The Crown Observer does not have a decision-making role and will not be involved in decision-making, other than offering guidance or advice.

Terms of Reference for a Crown Observer (Under Section 258B of the Local Government Act 2002)

Background

On 30 May 2016, Cabinet agreed to the appointment of a Crown Observer to support the Council when it returns to elected governance in October 2016.

A Crown Observer is being appointed to provide advice and guidance to the newly elected Council members following 8 October 2016 local elections. The elected Council will meet for the first time after the local elections to provide local governance for the Kaipara community. The newly elected Council members will need time to develop and settle into their new roles. They will need to learn to work together and with the Council Chief Executive and senior management team in order to provide effective governance for the community. They will also need to build good working relationships, establish effective systems and determine future strategies and policies to move the Kaipara District forward. The Crown Observer will help ensure newly elected Council members are well supported when the Council returns to elected governance.

The Associate Minister of Local Government considers that the support of a Crown Observer is important to the success of newly elected Council members in providing effective governance for the Kaipara community. Pursuant to section 258B(1)(a) of the Local Government Act 2002, and in accordance with the Minister of Local Government's delegation of all matters relating to the Council, the Associate Minister of Local Government appoints a Crown Observer to support the Council.

Extent of Authority

The Crown Observer will provide guidance and advice to elected Council members, collectively and individually, on matters of governance. The Crown Observer may also provide advice and guidance to the Council Chief Executive and senior management team on how best to support elected Council members. The Crown Observer does not

have a decision-making role and will not be involved in decision-making, other than offering guidance or advice. The Crown Observer will help to ensure that:

- the elected Council is able to function as a governing body;
- the Mayor is able to provide leadership to other elected members and the Council organisation;
- elected Council members have the understanding required to carry out their local governance role;
- elected Council members have the capability and knowledge to make decisions effectively; and
- elected Council members are able to work effectively with the Council Chief Executive and senior management team.

The Crown Observer will provide support to elected Council members, the Council Chief Executive and senior management team in any way deemed necessary to fulfil his or her Terms of Reference. This may include, but is not limited to:

- attending all Council and Council Committee meetings;
- meeting individually with the Mayor and elected Council members;
- meeting with the Council Chief Executive and senior management team, as appropriate;
- attending and contributing to the Council's induction programme for elected Council members; and
- attending and contributing, as appropriate, to workshops and meetings where elected Council members are being briefed on significant or challenging matters.

The Crown Observer may work with other parties, as appropriate, to support elected Council members and the Council Chief Executive and senior management team. The Crown Observer may request any assistance from the Department of Internal Affairs, or other parties he or she considers necessary to fulfil these Terms of Reference.

The Crown Observer will monitor the Council's ability to provide effective governance for the community. The Crown Observer may make recommendations, as appropriate, to the Minister of Local Government on whether the Minister should take further action to assist the Council, including whether the Minister should appoint another Ministerial body to provide assistance.

The Crown Observer must ensure, as far as practicable, that the existing organisational capability of the Council is not diminished.

The Council is required, under section 258B(6) of the Local Government Act 2002, to:

- co-operate with the Crown Observer so that the Crown Observer may fulfil these Terms of Reference;
- and comply with any reasonable request of the Crown Observer to provide relevant information.

The Council will make available and accessible the resources required for the Crown Observer to fulfil these Terms of Reference.

Term of Appointment

The term for the Crown Observer appointment and the observation period starts on the day the newly elected Council is declared, following the triennial general election on 8 October 2016. The appointment and observation period will, unless otherwise advised by the Minister of Local Government, end on 30 September 2017.

The Minister of Local Government may end the appointment and observation period early by way of written notice, if the Minister is satisfied that the appointment is no longer required. The Minister of Local Government may extend the appointment and observation period by way of written notice, if the Minister considers the continued appointment of the Crown Observer is still required.

Remuneration and Costs

The remuneration of the Crown Observer will be paid out of money belonging to the Council pursuant to section 258W of the Local Government Act 2002. Remuneration will be paid in accordance with the Cabinet Fees Framework at a rate of \$750.00 a day. The Crown Observer is responsible for ensuring any expenses claimed are reasonable and necessary.

Reporting

The Crown Observer must provide quarterly reports to the Minister of Local Government on the progress in fulfilling his or her Terms of Reference.

The Crown Observer must provide a final report to the Minister of Local Government as soon as practicable after the observation period ends. The final report must comply with section 258U of the Local Government Act 2002. In
