On 4 March 2017 the designations of Jama'atu Ansaril Muslimina fi Biladis Sudan ("Ansaru") and Jama'atu Ahlis Sunna Lidda'awati Wal Jihad ("Boko Haram") as terrorist entities, made pursuant to section 22 of the Terrorism Suppression Act 2002 on 4 March 2014, expired.

Both entities remain designated as terrorist entities by virtue of the 22 May 2014 listing of Boko Haram, and the 26 June 2014 listing of Ansaru, by the United Nations Security Council (UNSC) Committee, pursuant to Resolutions 1267 (1999), 1989 (2011) and 2253 (2015), concerning ISIL (Daesh), Al-Qaida and associated individuals, groups, undertakings and entities.

Section 3(c) of the TSA and UNSC Resolutions 1267, 1989 and 2253 specifically oblige New Zealand to take action against those entities the UNSC 1267, 1989 and 2253 Committee lists. Listed entities are defined as designated terrorist entities under section 4 of the TSA and so engage the criminal provisions of the TSA without requiring further designation under section 22 of the TSA.

Any person who deals with the property of the entities listed below, or makes property or financial or related services available to the entities listed below, therefore continues to be liable to prosecution for offences under sections 9 and 10 of the TSA.

### Notice to All Aircraft Operators and Users of Ardmore Airport—Facility Fees Increase

Notice is hereby given, pursuant to the Airport Authorities Act 1966 (“Act”), to advise all aircraft operators and users of Ardmore Airport that the final increment of the five-yearly annual increase for facility fees, night flying fees and parking fees is to take effect **1 April 2017**, being a 5% annual increase.

Charges effective 1 April 2017 are as follows:

Fixed wing	Facility Fee = \$15.07 + (MCTOW × 0.009487756) <i>where MCTOW means Maximum Certified Take-Off Weight (kgs)</i>  <i>Note:</i> Special conditions may apply to non-resident operators. Contact Ardmore Airport Limited for more information.
------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Helicopters	Facility Fee = \$18.53 (flat rate all types)
-------------	----------------------------------------------

Night flying	In <b>addition</b> to the above fees, “night flying” fees are applicable to both fixed wing and helicopter aircraft as follows:
--------------	---------------------------------------------------------------------------------------------------------------------------------

1. \$6.80 per night landing;
2. \$0.92 per night “touch and go” (fixed wing aircraft only)

*Note:* For administration purposes “night flying” is deemed to be any movement conducted after civil twilight.

Special conditions may apply to non-resident operators. Contact Ardmore Airport Limited for more information.

- Application      The facility fee covers the use of runways, taxiways and apron areas with the exception that the flat rate for helicopters applies to all helicopters that access, for the purposes of facilitating a landing, any area of land designated as “airport land” by Ardmore Airport Limited (whether it be operational, non-operational or leased land and includes the airspace associated with that designation).
- Parking            This covers aircraft parked on aprons, airport operational area and non-leased sites:
- A.    Parking up to two hours: no fee.
  - B.    Parking in excess of two hours: \$16.52 for every 24-hour period or part period from time of landing. Parking usage will be determined by Ardmore Airport Limited.

General

- A. MCTOW means maximum certified take-off weight in kilograms.
- B. All fees are subject to Goods and Services Tax.
- C. All fees are payable by the 20th of the month following landing.
- D. Fees will be invoiced to and payable by the registered owner of the aircraft as per the Civil Aviation Authority Register of Aircraft unless, with the prior written approval of Ardmore Airport Limited, another party has agreed to be liable for payment (but nevertheless without limiting the liability of the registered owner).
- E. A late payment penalty may be imposed on any fees which remain outstanding at the end of the month in which payment is due. Such penalty shall be 15% per annum on the amount outstanding calculated on a daily basis from the date on which payment was due until the date of actual payment, but with a minimum of \$10.00.
- F. The registered owner of the aircraft grants a security interest to Ardmore Airport Limited as security for payment of all fees and charges due to it from time to time and for the performance by the registered owner of the aircraft of that owner's other obligations to Ardmore Airport from time to time. For the purposes of section 36(1)(b) of the Personal Property Securities Act 1999 ("PPSA"), and to ensure maximum benefit and protection for Ardmore Airport Limited by virtue of section 36(1)(b)(iii) of the PPSA, the registered owner of the aircraft confirms, by using the airport land, such registered owner intends to and does grant to Ardmore Airport Limited as security for the registered owner's indebtedness and obligations, a security interest in all of the registered owner's present and after-acquired property, including the relevant aircraft. The registered owner waives the right to receive a copy of the verification statement confirming registration of a financing statement or financing change statement relating to the security interest so granted. Each registered owner agrees that nothing in sections 114(1)(a), 133 and 134 of the PPSA shall apply to the security and waives the owner's rights under sections 121 and 132 of the PPSA.
- G. Ardmore has the right to remove any aircraft parked on aprons, airport operational area and non-leased sites for any period longer than seven days continuously. The registered owner of the aircraft will meet all costs of removal and any future storage of the aircraft. Ardmore Airport Limited accepts no liability for any loss or damage caused as a result of such removal, even if Ardmore Airport Limited has been notified of the likelihood of such loss or damage.
- H. Where an aircraft owner fails to meet any payment due on due date and Ardmore Airport Limited incurs costs of recovering any amount payable, the aircraft owner shall meet such costs including without limitation, any debt collection or enforcement charges and legal costs on a solicitor and client basis.
- I. The charges are set in accordance with section 4(2) of the Act and may be varied from time to time.
- J. Ardmore Airport Leaseholders will qualify for an annual credit of \$200.00 for facility fees. Contact Ardmore Airport Limited for more information.

Dated this 2nd day of March 2017.

## **Notice of Scopes of Practice and Related Qualifications Prescribed by the Optometrists and Dispensing Opticians Board**

Pursuant to sections 11 and 12 of the Health Practitioners Competence Assurance Act 2003 ("HPCA Act"), the Optometrists and Dispensing Opticians Board ("Board") specifies two optometrist scopes of practice and one optical dispensing scope of practice, and has prescribed qualifications for each scope of practice, as described

below.

## **Notice**

**1. Title and commencement**—(1) This notice is the Notice of Scopes of Practice and Related Qualifications Prescribed by the Optometrists and Dispensing Opticians Board.

(2) This notice comes into force on **1 April 2017**.

**2. Revocation**—This notice revokes and replaces all previous scopes of practice and qualifications prescribed by the Board.

## **Scopes of Practice for Optometrists and Dispensing Opticians as at 1 April 2017**

### ***1. Optometrist Scope of Practice***

An optometrist registered in the optometrist scope of practice provides evidence-based comprehensive eye health and vision care in a professional and ethical manner, in accordance with the HPCA Act.

The “practice of optometry” includes:

- prescribing any ophthalmic appliance, optical appliance, or ophthalmic medical device intended for remedial or cosmetic purposes or for the correction of a defect of sight;
- assessing, diagnosing, treating and managing conditions affecting the eye and its appendages;
- prescribing medicines whose sale and supply is restricted by law to prescription by authorised prescribers;
- reporting or giving advice in an ophthalmic capacity, using the knowledge, skills, attitudes and competence initially attained for the primary optometry qualification and built upon in postgraduate and continuing clinical education, wherever there could be an issue of patient health or wellbeing;
- signing any certificate required for statutory purposes, such as driver licensing eyesight certificates; and
- holding out to the public or representing in any manner that one is authorised to practise optometry in New Zealand.

The practice of optometry goes wider than clinical optometry, and includes teaching, research, optometric or eye health management, in hospitals, clinics, general optometric practices and community and institutional contexts, whether paid or voluntary.

Additionally, clinical practice is defined as any work undertaken by an optometrist that relates to the care of an individual patient. Non-clinical practice is defined as any work undertaken by an optometrist that does not relate to the care of an individual patient.

### **Prescribed qualifications for registration in the Optometrist Scope of Practice**

The optometrist must satisfy all the requirements from one of the following options:

- Hold a primary optometry degree from a New Zealand or Australian university accredited by the Board for the purposes of registration in New Zealand, and published on the Board’s website (Pathway 1 - ‘Optometrist’); or
- hold a primary optometry degree from an overseas university accredited by the Board for the purposes of registration in New Zealand and published on the Board’s website, and have an offer of employment to work as an educator in optometry in a New Zealand education institution (Pathway 2 - ‘Optometrist Educator’); or
- hold a primary optometry degree from an overseas university accredited by the Board for the purposes of registration in New Zealand and published on the Board’s website, and have completed a Board-accredited therapeutics qualification, and have an offer of employment to work as an educator in optometry in a New Zealand education institution (Pathway 3 - ‘Optometrist Educator - Prescriber’); or
- hold General Registration in Australia.

### ***2. Provisional Optometrist Scope of Practice (time-limited)***

An optometrist registered in the provisional optometrist scope of practice provides evidence-based comprehensive eye health and vision care in a professional and ethical manner (excluding the prescribing of therapeutic medicines), in accordance with the HPCA Act, works under supervision, and is in the process of completing Board-accredited training to prescribe therapeutic medicines.

The Provisional Optometrist Scope of Practice is time-limited and registration in this scope of practice will end after three years, or other period as specified by the Board from time to time, or on the successful completion of a

Board-accredited therapeutics qualification leading to registration in the Optometrist Scope of Practice.

Evidence of enrolment in a Board-accredited therapeutics course will be required at the time of registration. The optometrist's registration may be subject to conditions as set out in section 22(3) of the HPCA Act. These conditions may include:

- A requirement to practise under supervision;
- a requirement to practise under oversight;
- that the practitioner may not perform certain tasks, or that those tasks are only performed under certain circumstances;
- a requirement to practise only in a stated capacity, for example as an employee or a nominated person or a person of a stated class;
- a requirement to practise only for a specified period;
- a requirement to get one or more stated qualifications or further experience of a stated kind; and
- a requirement to comply with any condition the Board believes to be necessary to protect the safety of the public.

### **Prescribed qualifications for registration in the Provisional Optometrist Scope of Practice**

The optometrist must provide evidence of a pass in the Optometry Council of Australia and New Zealand (OCANZ) Competency in Optometry Examination (Pathway 4 - 'Provisional').

### ***3. Scope of Practice for Optical Dispensing***

Optical dispensing describes the practice of the interpreting and dispensing of optical prescriptions by a person with a recognised qualification. This includes the giving of advice and instruction in the dispensing of spectacle lenses, spectacle frames (including their fitting), contact lenses, and any other optical device intended for correction of a defect of sight.

### **Prescribed qualifications for registration in the Scope of Practice for Optical Dispensing**

- The applicant holds the qualification Certificate IV in Optical Dispensing, awarded by the New South Wales Technical and Further Education Commission, or proof of eligibility to graduate from this course, and has submitted a completed and signed record of training book showing evidence of the completion of a minimum of 800 hours of practical experience as specified in the record of training book, within two years of qualification or a period otherwise approved by the Board (Pathway 5 - 'Dispensing Optician'); or
