- (d) The parties will co-operate to ensure the expeditious conduct of any arbitration. In particular, each party will comply with any reasonable time limits sought by the other for settling terms of reference, interlocutory matters and generally all steps preliminary and incidental to the hearing and determination of the proceedings.

13. Any notice given, or required to be given, by either of the parties shall be in writing, and shall be deemed to be duly given in accordance with section 152 of the Property Law Act 1952.

Telecommunications Carriers' Forum

Telecommunications Act 2001

Notice for Industry Referendum on Draft Revised Code for the Transfer of Telecommunications Services ("Customer Transfer Code")

Pursuant to Schedule 2 of the Telecommunications Act 2001, the Telecommunications Carriers' Forum (TCF) has amended the Code for Transfer of Telecommunications Services ("Customer Transfer Code") dated 4 July 2011 and is now issuing this for industry referendum.

The code applies to service providers for the transfer of all telecommunications services (except as listed in clause 6 in the draft Customer Transfer Code) and includes the following determined telecommunications services:

1. Designated access services determined under the Commerce Commission's Decision 497 (Determination on the TelstraClear Application for Determination for Wholesale Designated Access Services);
2. Designated access services determined under the Commerce Commission's Decision 525 (Determination on the TelstraClear Application for Determination for Residential Wholesale Designated Access Services);
3. Other designated access services or specified services determined by the Commerce Commission in the future.

"Eligible persons" within the meaning of the Telecommunications Act 2001 are entitled to cast a vote in the referendum.

The purpose of the referendum is to determine whether at least 75% of eligible persons support the revised draft Customer Transfer Code.

If that threshold is attained, the TCF will forward the revised draft Code to the Telecommunications Commissioner for approval as a "regulated" Telecommunications Access Code under the Telecommunications Act 2001.

The referendum will close on **Friday 16 September 2011 at 5.00pm**.

A copy of the draft revised code can be downloaded from the TCF website
