Major Events Management Act 2007**Notice declaring the clean zone, clean transport routes and clean periods for Otago Stadium during the Rugby World Cup 2011, and amending the previous declaration of clean zones, clean transport routes and clean periods for other Rugby World Cup 2011 venues**

Pursuant to section 16(1) of the Major Events Management Act 2007 ("the Act"), the Minister for Economic Development gives the following notice:

1. Commencement and Purpose

This notice, which comes into force on the day of its notification in the *New Zealand Gazette*, declares the clean zone, clean transport routes, and clean periods pursuant to section 16 of the Act for Otago Stadium during the Rugby World Cup 2011, and amends the previous declarations of clean zones, clean transport routes and clean periods for other Rugby World Cup 2011 venues.

2. Clean zones, clean transport routes and clean periods

(1) The clean zone, clean transport routes and clean periods for Otago Stadium are set out in Schedule 1 to this notice.

(2) The clean zone described in Schedule 1 includes the land comprising the street or road which forms the border of the clean zone up to the boundary of any abutting land at the outside edge of the clean zone.

(3) The clean transport routes described in Schedule 1 include any land to which the public ordinarily has access up to a distance of 20 metres from the clean transport route.

3. Excluded land and buildings

For the avoidance of doubt, the clean zone and clean transport routes described in Schedule 1 to this notice do not include any excluded land or buildings, as defined in section 16(5) of the Act.

4. Amendments to the Clean Zones, Clean Transport Routes and Clean Periods for the Rugby World Cup Notice

Amendments to the notice declaring clean zones, clean transport routes and clean periods for the Rugby World Cup 2011 which appeared in the Supplement to the *New Zealand Gazette*, 10 May 2011, No. 63, page 1419 are set out in Schedules 2 and 3 to this notice.
