## Education

### Education Act 1989

#### The Education (2012 Annual Maximum Fee Movement) Notice 2011

Under sections 159L(3)(d) and 159M(b) of the Education Act 1989, the Minister for Tertiary Education gives notice of the proposed conditions setting limits on the annual increases that tertiary education organisations may make to fees and course costs charged to domestic students in 2012.

**2. Commencement**—The proposed conditions outlined in this notice apply for the 2012 academic year only.

**3. Proposal**—I propose:

- to specify the conditions setting annual limits that tertiary education organisations can increase fees charged to domestic students enrolled in courses that are leading to short awards, certificate, diploma, degree and postgraduate qualifications that receive student achievement component funding in 2012; and

- to specify the other conditions in relation to fees that the Tertiary Education Commission (TEC) must attach to student achievement component funding in 2012.

**4. Call for submissions**—Any tertiary education organisation and any other person, body or organisation having an interest in the matter is invited to make a submission on the proposed annual maximum fee movement (AMFM) and other proposed conditions set out in this notice.

All submissions should be sent to

Annual Maximum Fee Movement Submissions  
Tertiary Education Policy  
Ministry of Education  
PO Box 1666  
Wellington 6140  
Email: tertiary.strategy@minedu.govt.nz

**5. Date for submissions**—All submissions must be received by **21 July 2011**.

Dated at Wellington this 30th day of June 2011.

HON STEVEN JOYCE, Minister for Tertiary Education.

#### Proposed Conditions to be Attached to Student Achievement Component Funding Allocated and Paid for by the Tertiary Education Commission to Tertiary Education Organisations

##### General

- These conditions apply to fees and course costs for all provider types: tertiary education institutions (TEIs), private training establishments (PTEs) and rural education activities programme providers (REAPs).
- The fee and course costs in relation to a particular course of study or training will be subject to these conditions if:
  - the tertiary education organisation is the sole source of the item to which the cost relates; and
  - all students enrolled in the relevant course of study or training are required to pay the fee or course costs.
- For the purposes of this policy, the following items are included in the definition of “fees”: tuition fees, compulsory course costs, examination fees, other charges associated with a programme of study, material charges, cost of field trips and any compulsory purchase of equipment or books through the organisation.

##### Annual Maximum Fee Movement (AMFM)

- For 2012, the AMFM allows for a 4% increase on the fees and course costs, exclusive of GST, charged in 2011 for short awards, certificate, diploma, degree and postgraduate courses that receive student achievement component funding.

##### Exceptions to the AMFM

- TEOs may apply, on the basis of exceptional circumstances, for exceptions from the 2012 AMFM of 4%. Any exceptions granted will not exceed an additional 4% increase.
- In considering exceptional circumstances, the TEC will use the following criteria:
  - The organisation is unable to support the course(s) while remaining financially viable;
  - for courses at NZQF levels 1–8, the completion rate for the course met or exceeded the median performance benchmark for that level in the previous year;
  - the TEO can demonstrate that the qualification of which the course is a part is in some way unique or special, for example, that there are no local alternatives to the course available; and

(d) that not allowing an exception will prevent the provider from making a significant contribution to the achievement of one or more of the Government's priorities, as set out in the Tertiary Education Strategy 2010/15.

7. An application must satisfy all criteria to gain an exception.

#### *Low or Zero Fee Courses*

8. If the fee and course costs for a course are less than \$511.11 (GST incl.) (\$444.44 (GST excl.)) per Equivalent Full-Time Student (EFTS) in 2011, then for 2012, the provider can increase the fee to up to \$511.11 (GST incl.) (\$444.44 (GST excl.)) per EFTS, or can increase the fee for the course by 4%, whichever is the greater.

#### *Youth Guarantee Programmes*

9. Participants on youth guarantee programmes funded through the student achievement component are not to be charged any fees or compulsory course costs.

#### *Professional Masters Programmes*

10. Professional masters programmes (eg MBAs) are exempt from any limit on fee increases.

#### *Pilot training*

11. Providers of pilot training programmes are subject to the following conditions:

- (a) Providers may not include the costs associated with meeting a solo flight hours requirement as a tuition fee for the purposes of this notice;
- (b) providers that deliver pilot training that is funded by the TEC within the set EFTS cap may not charge fees in 2012 of more than:
  - (i) \$28,000.00 (GST incl.) (\$24,347.83 (GST excl.)) per EFTS for training in fixed wing aircraft or;
  - (ii) \$50,000.00 (GST incl.) (\$43,478.27 (GST excl.)) per EFTS for training in helicopters;
- (c) for the avoidance of doubt, the AMFM of 4% still applies to individual courses; and
- (d) paragraphs (a) and (b) above do not apply in the cases of students who were enrolled in affected programmes in 2011.

#### *Sanctions*

12. Where the TEC finds that a tertiary education organisation is not complying with the conditions set out in this notice, it can withdraw student achievement component funding for that course. This sanction will only be exercised as a final resort, and the TEC will work with the provider to rectify any non-compliance in the first instance.

#### *Note: Effect of this Notice*

*These notes do not form part of this notice, but are intended to indicate its general effect.*

- A. Section 159L(3)(d) of the Education Act 1989 ("the Act") provides that the Minister, when determining the design of a funding mechanism, may specify the conditions that the TEC must attach to funding provided under the mechanism, including conditions that limit the fees that an organisation may charge domestic students.
- B. Under section 159M(b) of the Act, the Minister may not specify conditions setting limits on fees until two months after the date of publication of a notice in the *New Zealand Gazette* that:
  - (i) states that the Minister proposes to specify such conditions; and
  - (ii) sets out the proposed conditions; and
  - (iii) invites submissions on the proposed conditions; and
  - (iv) specifies the date by which submissions must be received, which must be a date no more than 21 days after the date of the *New Zealand Gazette* notice.
- C. The conditions setting limits on fees subsequently specified by the Minister in accordance with section 159L(3)(d) of the Act must be attached as conditions on the receipt of funding payable by the Tertiary Education Commission to an organisation under sections 159YA and 159ZC of the Act.
- D. Under sections 227(1A) and 236C of the Act, TEIs and PTEs respectively must not charge domestic students a fee that exceeds the maximum specified as a condition on funding approved by the TEC under sections 159YA and 159ZC of the Act.

### Climate Change Response Act 2002

#### New Zealand Emissions Trading Scheme

##### 1. Final Allocations for Eligible Fishing Quota Owners

Pursuant to section 77 of the Climate Change Response Act 2002, the Director of Environmental Protection (under delegated authority of the Minister for Climate Change Issues), has made final determinations allocating the following New Zealand Units (NZUs) to eligible fishing quota owners as listed.

All fishing quota owners listed<sup>1</sup> are eligible to receive an allocation of NZUs under the Fishing Allocation Plan.

The NZUs allocated under these determinations have been transferred to the respective New Zealand Emission Unit Register (NZEUR) NZU holding accounts in the year stated below.

The following quota owners have opened NZEUR holding accounts and received NZUs in May 2011.

Quota ID	Applicant's Name(s)	Final Unit Entitlement
9290023	Gallagher Fishing Company Limited	27
8990100	John Rhodes Gallagher, Ruth Maree Gallagher	23
9790158	Alasdair Kirk, Julie Kirk, Brian Hailes	33

*Note:* The above notice is published in addition to notices of Final Allocations for Eligible Fishing Quota Owners, which were published in Supplements to the *New Zealand Gazette*, 24 September 2010, No. 125, page 3313, and *New Zealand Gazette*, 29 March 2011, No. 37, page 947.

## 2. Publishing Industrial Allocations

Section 86B(6)(b) of the Climate Change Response Act 2002 requires the Chief Executive of the Ministry for the Environment to publish the allocation of NZUs received by individuals and businesses. When publishing the allocations, the chief executive must consider whether publishing a final allocation of NZUs would "...be likely to prejudice unreasonably the commercial position of the eligible person who received the allocation."

While consulting with stakeholders, a number of issues have been identified concerning the sensitivity of commercial information that is not normally publicly available. To ensure that the continued commercial activity of small family-owned entities is protected, further analysis will be undertaken. At this time, no allocation information will be published until the issues are addressed.

When the Ministry for the Environment is satisfied that all entities can be treated fairly and consistently, further information on the allocation of NZUs will be published in the *New Zealand Gazette*.

Dated at Wellington this 27th day of June 2011.

KEVIN CURRIE, Director of Environmental Protection.

<sup>1</sup> These names are from the fishing quota register as of 24 September 2009, some of which may have changed due to succession issues.

### 5. MAINTENANCE

The Grantor is responsible for maintaining the Easement Facility in the Stipulated Course so that it does not become a nuisance or a danger.

### 6. NO POWER TO TERMINATE

There is no implied power in the easement instrument for the Grantor to terminate the easement rights due to the Grantee breaching any term of this easement instrument or for any other reason, it being the intention of the parties that the easement rights will continue forever unless surrendered.

### 7. DEFAULT

If either party fails (the "Defaulting Party") to perform or join with the other party (the "Other Party") in performing any obligation under this easement instrument, the following provisions will apply:

### 9. THE GRANTEE AS A REGULATORY AUTHORITY

The Grantee has signed this easement instrument in its non-regulatory capacity. This easement instrument does not bind the Grantee in its capacity as a regulatory authority in any way, and any consent or agreement the Grantee gives under this easement instrument is not an agreement or consent in its regulatory capacity and vice versa. When acting in its regulatory capacity, the Grantee is entitled to consider all applications to it without regard to this easement instrument. The Grantee will not be liable to the Grantor or any other party if, in its regulatory capacity, the Grantee declines or imposes conditions on any consent or permission that the Grantor or any other party seeks for any purpose associated with the easement instrument or otherwise.

### 10. DISPUTES

If any dispute arises between the Grantor and the Grantee about the rights in this easement instrument, which cannot be resolved by negotiation, the parties must submit at the request of either party to the arbitration of an independent arbitrator. This arbitrator is to be appointed jointly by the parties, and if they cannot agree on one within 14 days, by the President for the time being of the District Law Society where the Servient Land is situated. The arbitration will be determined in accordance with the Arbitration Act 1996 and

its amendments or any statute which replaces it. The parties' execution of this easement instrument is to be treated as a submission to arbitration.

### New Zealand Racing Board

#### Racing Act 2003

**Amendments to the Betting Rules**

Pursuant to section 54 of the Racing Act 2003, the New Zealand Racing Board hereby gives notice of the following amendments to the Betting Rules\*.

**Change #1**

Rule 14 CONDITIONS APPLICABLE TO FIXED ODDS SPORTS BETTING is amended as follows:

**14.1 Interpretation**

“NSO” means the national sporting organisation responsible in New Zealand for the Selected Sport.

“Relevant Organisation” has the meaning given to it in Rule 14.16.3(b) below.

“Relevant Person” means a player, trainer, referee, coach, selector, health professional (associated with any team or player), sports administrator, member of team management or match official or any other person, who is, in the Board’s opinion, participating in, or otherwise involved in, whether directly or indirectly, an Authorised Event of a Selected Sport.

“Selected Sport” shall mean those sports nominated by the Board from time to time.

**Change #2**

Rule 14 CONDITIONS APPLICABLE TO FIXED ODDS SPORTS BETTING is amended by the addition of the following new rules:

**14.16 Monitoring of Sports Betting to prevent corruption****14.16.1** The provisions of this Rule 14.16 shall apply:

- (a) In respect to sports betting (as defined by section 5(1) of the Act) on Authorised Events of a Selected Sport; and
- (b) To a Relevant Person (whether that person is an Account Holder or not).

**14.16.2** When a Relevant Person opens a Betting Account, operates its Betting Account, uses the Board’s website and/or places bets with the Board (in any manner, and whether or not the Relevant Person is an Account Holder), the Relevant Person irrevocably authorises the Board to collect and use personal information from and about that Relevant Person for the purposes of these Betting Rules.

**14.16.3** In addition to the purposes for collection and use of information as set out in Paragraph 11 of the General Terms and Conditions for Accounts, information collected and held by the Board about the Relevant Person under Rule 14.16.2 can be:

- (a) Used by the Board to monitor the Relevant Person's sports betting activities on Authorised Events of a Selected Sport from time to time; and
- (b) Disclosed by the Board to (i) the applicable NSO; and/or (ii) any other organisation within New Zealand that the Board determines has a legitimate interest in the information (a "Relevant Organisation"), in each case, to enable the Board to monitor sports betting by Relevant Persons, to seek to identify and otherwise prevent corruption in sports betting, and to comply with its obligations under the Act relating to problem gambling.

**14.16.4** By placing a bet (in any manner) on any Authorised Event of a Selected Sport, a Relevant Person irrevocably agrees that:

- (a) The Board is authorised to monitor the sports betting activity of the Relevant Person;
- (b) Where the Board has concerns relating to a Relevant Person with respect to problem gambling and/or corrupt betting, the Board is authorised to disclose personal information, including the Betting Account activity, in respect of the Relevant Person to the applicable NSO or any Relevant Organisation;
- (c) The applicable NSO of the Relevant Person may request, from time to time, the Board to provide a sample selected on a random basis of the Relevant Person's sports betting activity and that the Board may supply such information to the applicable NSO;
- (d) Where the Board considers there is, or there is a risk of, corrupt betting or problem gambling by the Relevant Person, then the Board may:
  - a. refuse to accept bets from that Relevant Person; and/or
  - b. may cancel that Relevant Person's Betting Account with immediate effect; and/or
  - c. issue a ban on that Relevant Person from entering gambling or betting premises until further notice is given by the Board; and
- (e) Neither the Board nor any officer, employee, agent, or contractor of the Board, nor any NSO or Relevant Organisation to whom the Board discloses personal information, will be liable to the Relevant Person as a result of such collection, use and/or disclosure of personal information about the Relevant Person or any act or omission taken in connection with the collection, use, and/or disclosure of such personal information, to the maximum extent permitted by law.

### Change #3

Rule 15 SPORT SPECIFIC RULES is amended as follows:

#### 15.5 Baseball

- (a) The final score will include extra innings where applicable.
- (b) The nominated starting pitchers must throw the first pitch of the game for their respective teams for match bets to stand. If either nominated starting pitcher does not throw the first pitch for their respective teams, all bets on the match will be declared Void.
- (c) For head to head bets the game is official after 5 innings of play. If the home team is leading, the game is official after 4½ innings of play. If a game goes past 5 innings (including any extra innings) and is subsequently called off, the winner is determined by the score after the last full inning of play (except in the case when the home team score to tie, or take the lead in the bottom half of the inning in which the game is called off – the runs do count). However if any game is in delay or play is suspended and subsequently the game is played to completion (on the original start day or the next), the result will be determined by the final score upon completion of the game.
- (d) For total combined run bets to stand, 9 innings (or 8½ innings if the home team is leading) must be completed, with the exception that bets will stand once the run total is exceeded.
- (e) For run line bets to stand, 9 innings (or 8½ innings if the home team is leading) must be completed.
- (f) In the event of a tie, Rule 14.13 Dead Heats will apply to head to head bets. Winning team and margin bets will be Void.
- (g) If a game is abandoned or postponed in its entirety to another day then bets are Void.

### Change #4

#### 15.21 Rugby

- (a) Match betting is conducted according to Normal Time unless otherwise stated. If a match is abandoned, bets will be Void unless a result has already been determined.
- (b) In '1st Try Scorer' betting, bets on players who have not yet taken the field at any stage before the first try is scored will be Void.
- (c) In 'To Score A Try' betting, bets on players who do not start the match at kick off will be Void. Returns are paid once only regardless of how many tries a player scores.
- (d) In 'Last Try Scorer' betting, bets on players who do not take the field will be Void.

#### **Top Series/Competition/Tournament Try Scorer/Points Scorer:**

- (e) Bets will be settled on the official competition results (regardless of whether all matches are played or not). Rule 14.13 Dead Heats applies. Bets on any player not named in at least one starting XV will be Void. Tries or points scored in extra time count.
- (f) For all tournament totals bets, such as total tries or points, extra time does not count.
- (g) In 'Time of 1st Try' betting if no try is scored, the 'after' selection will be deemed the winner.
- (h) For all 'Player Specials' betting, bets on players who do not start the match at kick off will be Void.

**Change #5****15.27 Tennis**

- (a) A tennis match is deemed to have started with the first serve of the match. For head to head betting including in-play betting, if one player Withdraws or is disqualified and the match has already started, the player progressing to the next round will be deemed the winner.
- (b) If the match has not started, all bets will be Void.
- (c) In the event that there is no next round, for example in round robin and Davis Cup events, when a player Withdraws or is disqualified and the match has already started, their opponent will be deemed to be the winner.
- (d) In the event of a change to playing surface, venue or change from indoor to outdoor and vice versa, before or during a match or tournament, all bets stand for match and tournament betting.
- (e) When a match is reduced from five sets to three sets then head to head betting will stand but all other bets will be Void unless the result has already been determined. When a match is reduced from three sets to one set then head to head betting is Void. All other bets are also Void unless the result has already been determined.
- (f) For sets betting, the match must be completed for bets to stand. If a player Withdraws for any reason before the required sets are completed, then all bets will be Void. If the number of sets change, all bets are Void.
- (g) For first and second set winner, handicap betting, set scores and all totals betting including total games, total sets and total aces, if the match is not completed all bets will be Void unless the result has already been determined.
- (h) For outright tournament betting, bets will be Void if a player does not take part in any match. If a player has started the tournament, then Withdraws for any reason, bets on that player will be losers.
- (i) For game betting, if a game is completed after an interruption or played in subsequent days, all bets will stand for that game. If a game is completed by the awarding of a penalty point by the umpire, the game shall be deemed to be complete. However, if a game is completed by the awarding of a penalty game by the umpire, all bets shall be Void. If a player retires from a match while a game is in progress, but before that game has been completed, that game shall be deemed to be incomplete and all bets Void. If a particular game is not played because a set has already been completed, all bets are Void. A tiebreaker is not recognised as a game.
- (j) The above Rules also apply to doubles and team events.

These Rules come into force on **25 July 2011**.
