Land Transport Rules

In accordance with section 161(2) of the Land Transport Act 1998, the NZ Transport Agency, on behalf of the Minister of Transport, gives notice of the Minister's intention to make a Rule that proposes amendments to the *Land Transport (Road User) Rule 2004* (Rule 61001) ("the Rule"), and advises that the draft *Land Transport (Road User) Amendment Rule [2011]* (Rule 61001/6) ("the amendment Rule") is available for public comment.

The amendment Rule proposes to change the give-way rules on New Zealand roads and to make other more minor changes that will affect road users.

Changing the current give-way rules is a road safety priority in the Government's road safety strategy *Safer Journeys – New Zealand's Road Safety Strategy 2010-2020*.

Other proposals in the amendment Rule are intended to improve school bus safety and to strengthen or clarify other existing requirements, and to remove requirements that are no longer needed.

Changes are also required to ensure the Rule is consistent with *Land Transport Rule: Traffic Control Devices 2004*.

A copy of the draft amendment Rule and overview may be obtained by calling the NZ Transport Agency Contact Centre on freephone 0800 699 000 or is available, together with Questions and Answers, on the website at

www.nzta.govt.nz/consultation/road-user-amendment-2011

The consultation document is also available for viewing at the NZ Transport Agency's regional offices.

Groups and individuals who have registered an interest in the Rule have been advised of the availability of the draft amendment Rule for comment.

The rights and powers implied in easements of right of way as set out in the Fifth Schedule of the Property Law Act 2007 are expressly excluded from this easement.

3. All property and equipment placed by The Grantee on the Easement Land shall remain the property of The Grantee under its control and supervision.
4. The Grantee in its use of the easement agrees to take reasonable and proper care not to cause damage loss or injury to any property of The Grantor and will make good at its own cost any such damage or loss as it has caused to a standard at least good or better than that which pertained prior to the damage or loss.
5. The Grantee shall indemnify The Grantor against any liability for loss damage or injury caused to The Grantor its employees, contractors, agents, or property in the exercise of its rights conferred by the easement except in the case of damage caused by a wilful malicious or negligent act or omission by The Grantor and its employees, contractors, or invitees.
6. The Grantee as principal user shall, subject to the provisions of clauses 7 and 8, be responsible at its expense for the upkeep of the road on the Easement Land ("the Access Road") to four-wheel drive standard.
7. If damage is caused to the Access Road by use, by The Grantor, its contractors, agents, or any persons, or any company acting under a contract with The Grantor, then The Grantor shall at its expense repair the Access Road to the same standard it was in prior to the damage being caused.
8. The Grantor undertakes not to grant any rights to use the Access Road to any other person or organisation without having first obtained the written consent of The Grantee, such consent to be withheld only if the person or body desiring use does not agree to reimburse The Grantee for:
 - (a) a reasonable share of the costs of maintenance, upkeep and repair of the Access Road to a four-wheel drive standard, having regard to the extent of that person or body's use of the same in relation to the total use of the same;
 - (b) the cost of repairs to the Access Road occasioned by any wilful or negligent act of the person or body or by the use of the Access Road by that person or body for forest harvesting operations; and
 - (c) the responsibility for arranging reimbursement of costs to The Grantee shall lie with The Grantor.
9. The Grantee shall give The Grantor three days' notice in writing of its intention to haul heavy equipment over the Access Road except in the case of emergency.
10. In the event The Grantee no longer requires the easement, The Grantee shall give The Grantor notice in writing and shall arrange for registration of a surrender of the easement.
11. Any dispute that may arise between the parties concerning the interpretation of this easement, or relating to any other matter arising under this easement, will be actively and in good faith negotiated by the parties with a view to a speedy resolution of such disputes.
 - (a) If the parties cannot resolve a dispute within 15 business days of any dispute arising then, unless otherwise expressly provided in this agreement, they will without prejudice to any other right, explore whether such dispute can be resolved by agreement between them using informal dispute resolution techniques such as mediation. The rules governing any such technique if adopted will be agreed between the parties or as selected by the organisation known as "LEADR" (Lawyers Engaged in Alternative Dispute Resolution).
 - (b) If the parties cannot agree on any dispute resolution technique within a further 15 business days of any dispute being considered for referral by both parties to any informal dispute resolution technique under the above clause, then the dispute shall be settled by reference to arbitration. Except as otherwise expressly provided in this agreement, the reference shall be to a single arbitrator if one can be agreed upon, or to two arbitrators (one to be appointed by each party) and their umpire (appointed by them prior to their arbitration), such arbitration to be carried out in accordance with the Arbitration Act 1996 and the substantive law of New Zealand.
 - (c) The parties will co-operate to ensure the expeditious conduct of any arbitration. In particular, each party will comply with any reasonable time limits sought by the other for settling terms of reference, interlocutory matters and generally all steps preliminary and incidental to the hearing and determination of the proceedings.
12. The Grantor shall have the right from time to time to relocate a part or parts of the Access Road on reasonable notice to The Grantee. Any such relocation shall not materially reduce the benefit of the access and egress rights to The Grantee. In the event of The Grantor giving such notice of relocation, The Grantor shall at its cost:
 - (a) obtain consent of the local authority to the formation of the relocated parts of the Access Road and to the grant of a Right of Way over it to The Grantee;
 - (b) establish and form the relocated parts of the Access Road to four-wheel drive standard;
 - (c) cause a plan delineating the relocated parts of the Access Road to be approved as to survey and deposited; and
 - (d) grant to The Grantee a Right of Way in respect of the relocated parts of the Access Road on the same terms and conditions as apply in respect of the balance of the Access Road.

AND The Grantee shall, following the creation of the Right of Way in relation to the relocated parts of the Access Road, sign a surrender of the Right of Way over those parts of the Access Road of which use is to be no longer made, by reason of the relocation of the Access Road.
