2. The lease shall commence on the 14th day after publication of this proclamation taking the land and the lease in the *New Zealand Gazette*, and terminate on the date one year thereafter (“term”).
3. The Crown shall pay to the registered proprietor a current market rent for the term, such rate to be determined by a registered valuer at the commencement of the lease.
4. Notwithstanding the term created, the Crown may terminate the lease at any time by giving the registered proprietor one month’s notice in writing.
5. The Crown shall have the right to occupy the lease land and, for the avoidance of doubt, such right shall include the right to enter and re-enter the lease land at all times, with or without such vehicles, machinery or materials for the purpose set out in the notice.
6. Prior to the commencement of the project, the Crown shall erect a temporary fence for the period of construction of the project to provide adequate security to the balance of the property.
7. The Crown shall take all reasonable steps to minimise damage to the lease land arising from the Crown’s occupation under the lease and/or execution of construction of the project.
8. The Crown shall, at the expiration of the term, remove all debris arising from the Crown’s occupation under the lease. The Crown shall otherwise restore the lease land to a condition generally in keeping with the character of the lease land prior to entry. The Crown shall complete such work in a good and workmanlike manner.

### **Notice of Intention to Take Land for Road—274 Te Atatu Road, Te Atatu South, Auckland**

Notice is hereby given that Auckland Council, under the provisions of section 23 of the Public Works Act 1981, proposes to take the land described in the Schedule to this notice (“land”).

The land is required for the Te Atatu Corridor Improvement Project.

More particularly the land is required for road.

The reasons why Auckland Council considers it essential to take the land are that the construction of a road on the land is important for a safe, multi-modal roading network, and construction of the Te Atatu Corridor Improvement Project will make the movement of freight, traffic and people along this major corridor more effective for both local and through traffic.

The land use is in accordance with the proposed designation under the district plan.

The owner of the land and those persons with a registered interest in it have been served notice of Auckland Council’s intention to take the land and have been advised of their rights to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, PO Box 7147, Wellesley Street, Auckland 1141, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held with the right of the objector to appear and be heard personally unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Any person requiring further information in respect of this advice should contact Grant Sextone at Auckland Council Property Limited, Level 9, Bledisloe House, 24 Wellesley Street, Auckland 1010. *Postal Address:* Private Bag 92320, Auckland 1142. Telephone: (09) 337 5165.
