## **POLYMER DISTRIBUTION LIMITED**

(in liquidation)

### **Notice of Appointment of Liquidator**

David Petterson, forensic accountant of Levin, was appointed liquidator of POLYMER DISTRIBUTION LIMITED, pursuant to section 241(2)(c) of the Companies Act 1993.

The liquidation commenced on Monday 5 July 2010 at 10.55am.

### **Notice of Meeting of Creditors**

The liquidator does not consider that a meeting of creditors should be held as the indicative liabilities of the company materially exceed the value of its assets such that a distribution to unsecured creditors is unlikely.

In the event that this position changes, the liquidator will advise, in writing, all creditors (at the address advised at the time of lodging their claim) of the changed position.

Accordingly, no meeting of creditors will be called in the interim unless a creditor gives notice in writing to the liquidator within 10 working days after the publication of this notice, requiring a meeting to be called.

### **Notice to Creditors to Claim**

Notice is given that the liquidator fixes Wednesday 21 July 2010 as the day on or before which the creditors of the company are to make their claims and to establish any priority their claims may have, under section 312 of the Companies Act 1993, or to be excluded from the benefit of any distribution made before the debts are claimed or, as the case may be, from objecting to the distribution.

Dated this 5th day of July 2010.

DAVID ROSS PETTERSON, Liquidator.

**Notes to Schedules**

1. In the band 0.009 to 0.03 MHz, the maximum permitted field strength is  $2400/f(\text{kHz}) \mu\text{V/m}$  measured using an average detector at 300 metres.
2. Transmitters employing frequency hopping or digital modulation techniques in 864 to 868 MHz, 921.5 to 928 MHz, 2.4 to 2.4835 GHz and 5.725 to 5.875 GHz bands may operate with gain antennas provided the peak power does not exceed 4 Watts e.i.r.p. For devices operating in accordance with this note and in the band 921.5 to 928 MHz, unwanted emissions must be less than or equal to -36dBm in a reference bandwidth of 100 kHz.
3. In the bands 402 to 406 MHz, the maximum permitted duty cycle is 0.1%.
4. In the band 868 to 870 MHz, the maximum permitted duty cycle is 1%. In the band 869.2 to 869.25 MHz, a peak power of 10 mW is permitted.
5. In the band 5150 to 5250 MHz, the maximum permitted power density is 10 mW/MHz e.i.r.p. or equivalently 0.25 mW/25 kHz e.i.r.p.
- 6 Indoor-Only Systems: In the band 5250 to 5350 MHz, the maximum permitted mean power is 200 mW e.i.r.p. and the maximum permitted mean power density is 10 mW/MHz e.i.r.p., provided Dynamic Frequency Selection and Transmitter Power Control are implemented. If Transmitter Power Control is not in use, then the e.i.r.p. values shall be reduced by 3 dB;

Indoor and Outdoor Systems: In the band 5250 to 5350 MHz, the maximum permitted mean power is 1 W e.i.r.p. and the maximum permitted mean power density is 50 mW/MHz, provided Dynamic Frequency Selection and Transmitter Power Control are implemented in conjunction with the following vertical radiation angle

mask where  $\theta$  is the angle above the local horizontal plane (of the Earth):

| <i>Maximum permitted mean power density</i> | <i>Elevation angle above horizontal</i>  |
|---------------------------------------------|------------------------------------------|
| -13 dB(W/MHz)                               | for $0^\circ \leq \theta < 8^\circ$      |
| $-13 - 0.716(\theta - 8)$ dB(W/MHz)         | for $8^\circ \leq \theta < 40^\circ$     |
| $-35.9 - 1.22(\theta - 40)$ dB(W/MHz)       | for $40^\circ \leq \theta \leq 45^\circ$ |
| -42 dB(W/MHz)                               | for $45^\circ < \theta$ ;                |

7. In the band 5470 to 5725 MHz, the maximum transmitter power is 250 mW with a maximum permitted mean power of 1 W e.i.r.p. and a maximum permitted mean power density of 50 mW/MHz e.i.r.p., provided Dynamic Frequency Selection and Transmitter Power Control are implemented. If Transmitter Power Control is not in use, then the maximum permitted mean power shall be reduced by 3 dB.

8. In the band 57 to 64 GHz, the average power density of any emission, measured during the transmit interval, shall not exceed  $9 \mu\text{W/cm}^2$  at a distance of 3 metres and the peak power density of any emission shall not exceed  $18 \mu\text{W/cm}^2$  at a distance of 3 metres.

In the band 57 to 64 GHz, the peak total transmitter power shall not exceed 500 mW.

In the band 57 to 64 GHz, for emissions of bandwidths less than 100 MHz the transmitter peak power must be limited to  $500 \text{ mW} \times (\text{bandwidth (MHz)} / 100 \text{ (MHz)})$ .

9. In the bands 3.64 to 4.04 MHz and 10.44 to 10.76 MHz, the maximum permitted field strength is -40dBuA/m measured in a 10 kHz bandwidth at 10 metres.

### Tax Administration Act 1994

#### Determination S16: Financial Arrangement Income or Expenditure from Certain Retirement Village Arrangement

This determination may be cited as “Determination S16: Financial Arrangement Income or Expenditure from Certain Retirement Village Arrangement”.

##### 1. Explanation

(Note that the explanation does not form part of the determination.)

(1) This determination relates to an Occupation Right Agreement between the Operator and the Resident.

(2) The Occupation Right Agreement constitutes a financial arrangement in which the Resident provides money to the Operator. For the duration of the Occupation Right Agreement, the Operator provides the Resident with accommodation and associated services. On finding a new Resident to live in the villa that the original Resident exited, the Operator pays the original Resident the Termination Payment.

(3) As a lease is an excepted financial arrangement under section EW 5(9) of the Income Tax Act 2007, only the Initial Fee and Termination Payment are regarded as amounts for the purposes of calculating aggregate income or expenditure. Any income or expenditure solely attributable to the lease is disregarded.

(4) Under section EW 6 of the Income Tax Act 2007, the amount of the gross income deemed to be derived or the expenditure deemed to be incurred by a person in respect

of a financial arrangement under the Financial Arrangements Rules shall not include any amounts that are solely attributable to an excepted financial arrangement that is part of the financial arrangement.

(5) This determination prescribes the method to be used when calculating for Financial Arrangements Rules purposes the aggregate income derived or aggregate expenditure incurred in respect of the Occupation Right Agreement for both the Operator and the Resident. It details which amounts are to be included for this calculation and which amounts are attributable to an excepted financial arrangement.

(6) This determination does not consider the spreading of income or expenditure under the Financial Arrangements Rules in relation to the Occupation Right Agreement. In this regard, see subpart EW of the Income Tax Act 2007.

##### 2. Reference

(1) This determination is made under section 90AC(1)(h) of the Tax Administration Act 1994.

##### 3. Scope of determination

(1) This determination applies only to the Occupation Right Agreement described as follows:

The Operator and Resident enter into the Occupation Right Agreement. The Resident pays the Operator the Initial Fee. The Termination Payment (which is equal to the Initial Fee) is paid to the Resident or the Resident's estate on termination of the Occupation Right Agreement.

The Resident pays the Accommodation Payment to the Operator. The Accommodation Payment accrues daily. The Accommodation Payment each year is equal to 7 per cent of the Initial Fee. The Accommodation Payment can only ever accrue to 35 per cent of the Initial Fee.

The Accommodation Payment is offset against the Termination Payment at the termination of the Occupation Right Agreement.

The Village Expenses Payment is a yearly amount the Resident pays in monthly instalments to the Operator. This payment covers costs, expenses and fees associated with the operation of the Village, such as wages, taxes, rates, levies, water, gas, electricity and maintenance.

The Operator provides accommodation and associated services to the Resident.

#### 4. Principle

(1) The Occupation Right Agreement has both financial arrangement and excepted financial arrangement components.

(2) When calculating income or expenditure in relation to the Occupation Right Agreement, it is first necessary to separate the two components (financial arrangement and excepted financial arrangement) of the Occupation Right Agreement.

(3) This determination specifies that the:

- Initial Fee and Termination Payments relate to the financial arrangement component; and
- Accommodation Payment and Village Expenses Payments relate to the lease component of the Occupation Right Agreement, which is an excepted financial arrangement and will be excluded from the application of the Financial Arrangements Rules when calculating income or expenditure for the Operator.

#### 5. Interpretation

(1) In this determination, the following expressions (which have not been defined elsewhere within the determination) have the following meanings:

**Initial Fee** means the lump sum payable by the Resident to the Operator on entering into the Occupation Right Agreement.

**Termination Payment** means the lump sum payable by the Operator to the Resident on termination of the Occupation Right Agreement and the signing of a new Occupation Right Agreement with a new Resident who will occupy the villa that the departing Resident previously occupied.

**Operator** means operator of the Retirement Village.

**Resident** means a resident of the Retirement Village.

**Accommodation Payment** means the amount payable in consideration for the supply of accommodation to the Resident. The Accommodation Payment accrues daily, up to a maximum of 35 per cent of the Termination Payment, at 7 per cent per year.

**Village Expenses Payment** means the amount payable in consideration for the supply of accommodation to the Resident. It includes all costs, charges, expenses, wages, salaries, fees, and other outgoings paid or payable in relation to the management, supervision and operation of the Village.

#### 6. Method

(1) In respect of income, gain or loss, or expenditure, and any other consideration receivable by the Operator or payable by the Resident, the amounts not to be taken into account to calculate income or expenditure are the:

- (a) Accommodation Payment; and
- (b) Village Expenses Payment.

(2) In respect of income, gain or loss, or expenditure, and any other consideration receivable by the Operator or payable by the Resident, the amounts to be taken into account to calculate income or expenditure are the:

- (a) Initial Fee; and
- (b) Termination Payment.

#### 7. Examples

##### Example A

(1) Example A illustrates the application of the method (set out in the determination) for determining the amounts attributable to both the financial arrangement and excepted financial arrangement components of the Occupation Right Agreement between the Resident and the Operator.

(2) Example A assumes the:

- (a) Resident occupies a unit from 19 August 2009 until 13 March 2012;
- (b) Initial Fee and Termination Payment are \$300,000.00 each;
- (c) Accommodation Payment is an amount equal to 7 per cent of the Initial Fee per year, accruing to a maximum of 35 per cent of the Initial Fee; and
- (d) Village Expenses Payment is \$1,200.00 per year payable in equal monthly instalments.

(3) On 5 August 2009, a Resident enters into an Occupation Right Agreement with the Operator. The Resident pays a deposit of \$5,000.00 of the Initial Fee. The balance of \$295,000.00 of the Initial Fee is paid to the Operator on the commencement date of the Occupation Right Agreement, 19 August 2009.

(4) The Resident leaves the Village on 13 March 2012, and the Occupation Right Agreement terminates on that date. The Operator locates a replacement Resident on 10 June 2012 and pays the Resident the Termination Payment of \$300,000.00 on that date.

(5) The two amounts that are solely attributable to the excepted financial arrangement are as follows:

- (a) The Accommodation Payment accrues daily from 19 August 2009 until 13 March 2012 at 7 per cent per year of the Initial Fee. There are two years from 19 August 2009 to 18 August 2011, and 206 days from 19 August 2011 to 13 March 2012. This is equal to 2.564 years. Therefore, the Accommodation Payment is equal to 17.948 per cent (7 per cent per year for 2.564 years) of \$300,000.00:

Accommodation Payment = \$53,844.00.

- (b) The Village Outgoing Payment is a yearly charge of \$1,200.00 payable in equal monthly instalments of \$100.00. The Resident pays each instalment monthly from 19 August 2009 until 13 March 2012, for a total of 31 months. The total Village Outgoing Payment equals 31 times \$100.00:

Village Outgoing Payment = \$3,100.00.

(6) The aggregate amount attributable to the financial arrangement component of the Occupation Right Agreement, and therefore to be taken into account under the Financial Arrangements Rules, is \$0.00 (\$300,000.00 less \$300,000.00), comprising the Initial Fee and Termination Payment. This amount constitutes aggregate income/expenditure under the Financial Arrangements Rules. All other amounts payable under the Occupation Right Agreement relate to the excepted financial arrangement component of the Occupation Right Agreement, so should not be taken into account when calculating income or expenditure.

(7) Note that example A deals only with the amounts attributable to the excepted financial arrangement and financial arrangement components of the Occupation Right Agreement. Example A does not deal with the attribution or spreading, under the Financial Arrangements Rules, of income or expenditure to particular income years. However, there is no aggregate income or expenditure in any income years.

#### **Example B**

(8) Example B illustrates the application of the method (set out in the Special Determination) for determining the amounts attributable to both the financial arrangement and excepted financial arrangement components of the Occupation Right Agreement between the Resident and the Operator.

(9) Example B assumes the:

- (a) Resident occupies a unit from 24 January 2010 until 14 August 2018;
- (b) Initial Fee and Termination Payment are \$300,000.00 each;
- (c) Accommodation Payment is an amount equal to 7 per cent of the Initial Fee per year, accruing to a maximum of 35 per cent of the Initial Fee;
- (d) Village Expenses Payment is \$1,200.00 per year payable in equal monthly instalments;
- (e) Termination Payment is not paid until 2 August 2019.

(10) On 3 January 2010, a Resident enters into an Occupation Right Agreement with the Operator. The Resident pays a deposit of \$5,000.00 of the Initial Fee. The Resident pays the balance of the Initial Fee (\$295,000.00) to the Operator on the commencement date of the Occupation Right Agreement, 24 January 2010.

(11) The Resident leaves the Village on 14 August 2018, and the Occupation Right Agreement terminates on that date. The Operator locates a replacement Resident on 24 October 2018 and pays the Resident the Termination Payment of \$300,000.00 on that date.

(12) The amounts solely attributable to the excepted financial arrangement are as follows.

- (a) The Accommodation Payment accrues daily from 24 January 2010 until 14 August 2018 at 7 per cent per year of the Initial Fee, to a maximum of 35 per cent of the Initial Fee. There are eight years from 24 January 2010 to 23 January 2018, and 202 days from 24 January 2018 to 14 August 2018. This is equal to 8.553 years. Therefore, the Accommodation Payment is equal to 35 per cent (7 per cent per year until a maximum of 35 per cent) of \$300,000.00:

Accommodation Payment = \$105,000.00.

- (b) The Village Outgoing Payment is a yearly charge of \$1,200.00, payable in equal monthly instalments of \$100.00. The Resident pays \$100.00 monthly from 24 January 2010 until 14 August 2018, a total of 103 months. The total Village Outgoing Payments equals 103 times \$100.00:

Village Outgoing Payment = \$10,300.00.

(13) The aggregate amount attributable to the financial arrangement component of the Occupation Right Agreement, and therefore to be taken into account under the financial arrangements rules, is \$0.00 (\$300,000.00 less \$300,000.00), comprising the Initial Fee and Termination Payment. This amount constitutes aggregate income/expenditure under the Financial Arrangements Rules. All

other amounts payable under the Occupation Right Agreement relate to the excepted financial arrangement component of the Occupation Right Agreement, so should not be taken into account when calculating income or expenditure.

(14) Note that example B deals with the amounts attributable only to the excepted financial arrangement and financial arrangement components of the Occupation Right Agreement. Example B does not deal with the attribution or spreading, under the Financial Arrangements Rules, of income or expenditure to particular income years. However, there is no aggregate income or expenditure in any income years.

This determination is signed by me on 6 June 2010.

MARTIN SMITH, Chief Tax Counsel (Office of the Chief Tax Counsel).

## Electricity Commission

### Electricity Act 1992

#### Notice of Making of Electricity Governance (Republication of Final Prices) Amendment Rules 2010 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992 ("Act"), I notify the amendment of the Electricity Governance Rules 2003 ("Rules") under section 172H of the Act.
2. The empowering provisions for the Electricity Governance Regulations in relation to which the amendments to the Rules are made are sections 172D(1)(3) and 172D(1)(4) of the Act.
3. The Rules are amended by amending Rule 3.27 of Section V of Part G of the Rules as follows:

**"3.27 Final prices will not be republished  
Republication of final prices"**

Unless directed to do so by the Commission under regulation 56 of the Electricity Governance Regulations 2003, the pricing manager will not be obliged to republish the final price or final reserve price for any trading period. This will be the case notwithstanding any error subsequently discovered in the information provided under rule 3.3 or in the process carried out by the pricing manager in this rule 3. For the avoidance of doubt, the Board may not order the republication of any final price or final reserve price notwithstanding the fact that an undesirable trading situation may exist."

4. Pursuant to section 172Z(4) of the Act, the reasons for my decision to amend the Rules are that:
  - (a) there is an inconsistency between Regulation 56(2)(c) of the Electricity Governance Regulations 2003 and Rule 3.27 of Section V of Part G of the Rules as to the Electricity Commission's authority to direct the republication of any final price or final reserve price, in order to correct an undesirable trading situation; and
  - (b) this amendment removes the inconsistency.
5. These rules come into force on **1 September 2010**.
6. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.
7. The Rules can also be viewed on the Electricity Commission's website

<http://www.electricitycommission.govt.nz/rulesandregs/rules>

Dated at Wellington this 6th day of July 2010.

HON GERRY BROWNLEE, Minister of Energy and Resources.

#### Notice of Making of Electricity Governance (Procurement Plan) Amendment Rules 2010 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992 ("Act"), I notify the amendment of the Electricity Governance Rules 2003 ("Rules") under section 172H of the Act.
2. The empowering provisions for the Electricity Governance Regulations 2003 in relation to which the amendments to the Rules are made are sections 172D(1)(3) and 172D(1)(4) of the Act.
3. The procurement plan in Schedule C5 of Part C of the Rules is replaced in its entirety with a new Schedule C5. The changes contained in the new plan will:
  - (a) ensure the system operator can agree terms with ancillary service providers that are materially the same as those in the procurement plan;
  - (b) make it clear that:
    - (i) the obligation on the system operator to enter into ancillary service procurement contracts is discretionary and is subject to the conditions of implementation detailed in paragraphs 4 to 7 of the procurement plan;
    - (ii) the system operator is to use reasonable endeavours to enter into ancillary service contracts which include the key contract terms and key technical requirements; and
    - (iii) the negotiated contract terms must not be materially inconsistent with the key contract terms;
  - (c) update information on frequency keeping initiatives the system operator is pursuing;
  - (d) record the system operator's intention to explore options regarding changes to data monitoring resolution requirements for instantaneous reserve; and
  - (e) allow the system operator to agree to less frequent testing for over frequency reserve equipment.
4. Minor drafting amendments to various paragraphs have also been made, in reliance on section 172F(3) of the Act.
5. Pursuant to section 172Z(4) of the Act, the reasons for my decision to amend the Rules are that:
  - (a) this amendment updates the procurement arrangements and enhances the specification and procurement of ancillary services; and
  - (b) the new procurement plan complies with the requirement in the Rules to complete an annual review of the procurement plan.
6. These rules come into force on **1 December 2010**.
7. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.
8. The Rules can also be viewed on the Electricity Commission's website

<http://www.electricitycommission.govt.nz/rulesandregs/rules>

Dated at Wellington this 6th day of July 2010.

HON GERRY BROWNLEE, Minister of Energy and Resources.

**Notice of Recommendation and Assessment  
Concerning the Electricity Governance  
(Instantaneous Reserve Dispatch) Amendment  
Rules (No 2) 2010**

1. This notice of a recommendation and assessment concerning the Electricity Governance (Instantaneous Reserve Dispatch) Amendment Rules (No 2) 2010 is issued by the Electricity Commission ("Commission") pursuant to section 172E(3)(a)(iii) of the Electricity Act 1992 ("Act").
2. The Act provides that, no later than 10 working days after making a recommendation to the Minister of Energy and Resources ("Minister") concerning an earlier urgent amendment to the Electricity Governance Rules 2003 ("Rules"), the Commission must publicise the recommendation and the assessment completed under section 172F of the Act.

**Recommendation to Amend Rule Amendments  
Previously Made Under Urgency**

3. On 18 February 2010, the Minister amended rules in Part A, Schedule C6 of Part C, Section V of Part G, and Schedule G2 of Part G of the Rules under urgency. The urgent rule amendments related to the scheduling and dispatch of instantaneous reserve including the introduction of constrained on payments to instantaneous reserve providers.
4. Section 172E(3) of the Act provides that the Commission was not required to comply with section 172E(2)(b) and section 172F (relating to consultation and assessment) as it was considered necessary or desirable in the public interest for the rule amendments to have been made urgently. Instead, consultation and the assessment must have been carried out within six months of the amendments being made. These processes have now been completed and the results support the original proposal, but the Commission now proposes minor drafting amendments to the Rules previously amended under urgency.
5. In accordance with section 172E(3)(a) of the Act, on 7 July 2010 the Commission recommended to the Minister that the rule amendments be amended.
6. The recommended amendments are as follows:
  - (a) Amend the definition of "availability cost" in Part A of the Rules to format the whole term "constrained on compensation" as bold text signalling that it is a defined term in the Rules;
  - (b) amend the definition of " $Q_{con}$ " in Rule 5.3.1A of Section V of Part G of the Rules to specify that the units, in which the dispatched quantity of instantaneous reserve is measured, are megawatts rather than megawatt-hours and to change the term "offer" to "reserve offer" to reflect the correct terminology; and
  - (c) amend the definitions of " $COC_g$ " and " $COC_{so}$ " in Rule 6.5 of Section V of Part G of the Rules to remove references to ancillary service agents (since Rule 6.5 deals only with the funding of constrained on amounts to generators for active power) and to clarify the definition of " $COC_{so}$ " by referring to "the sum of constrained on compensation ... payable ... to generators" rather than to "any constrained on amount ... payable ... to that generator".
7. A copy of the Commission's recommendation and assessment is available, at no cost, on the Commission's website

<http://www.electricitycommission.govt.nz/rulesandregs/recommend>

Dated at Wellington this 7th day of July 2010.

For and on behalf of the Electricity Commission:

DAVID CAYGILL, Chair.

Pursuant to section 61(3) of the Government Rounding Powers Act 1989, the New Zealand Transport Agency hereby makes the following bylaw.

#### Bylaw

**1. Title and commencement**—This bylaw may be cited as the New Zealand Transport Agency (Signs on State Highways) Bylaw 2010 and will come into force 28 days after the date of publication of this notice in the *New Zealand Gazette*.

**2. Interpretation**—In this bylaw:

“Agency” means the New Zealand Transport Agency established under section 93 of the Land Transport Management Act 2003.

“official road sign” means any sign erected in accordance with:

- (a) the Traffic Regulations 1976; or
- (b) the Land Transport Act 1998 and rules made pursuant to it, including the Land Transport Rule: Traffic Control Devices 2004; or
- (c) any Gazette Notice issued under clause 4.4 of the Land Transport Rule: Traffic Control Devices 2004.

“road safety billboard” means a sign containing only an easily understood message of text, and optionally graphics, specifically aimed at promoting a road safety message to road users.

“sandwich board” means a stable self-supporting portable sign not more than 900mm high by 600mm wide by 600mm deep.

“sign” means any name, figure, character, outline, display, notice, placard, poster, banner of any kind, advertising device or appliance, or any other thing of a similar nature to attract attention that is on or over a State highway including being on any bridge or other structure that is over a State highway; and

- (a) includes all materials composing the sign, together with the frame, background, structure and support or anchorage of the sign;
- (b) includes any of the above listed things when fixed or mounted on any vehicle that is parked on a State highway for the purpose of displaying that sign;
- (c) includes signs used by roadside vendors licensed by the Agency;
- (d) includes road safety billboards, sandwich boards and temporary local banners; but
- (e) does not include any official road sign or traffic sign.

“State highway” means a State highway as defined in section 2 of the Government Rounding Powers Act 1989 (which includes the carriageway, the road verge, associated land, structures and fixtures) and includes a motorway as defined in section 2 of that Act.

“temporary local banner” means a banner relating to a specific event in the area where the banner extends across a State highway carriageway.

“traffic sign” means those signs detailed in Schedule 1 to the Land Transport Rule: Traffic Control Devices 2004.

“vehicle” has the same meaning as in section 2 of the Land Transport Act 1998.

**3. Motorways**—No person may construct, maintain or display or cause to be constructed, maintained or displayed on or over any part of a motorway any sign.

**4. Need for consent**—(1) No person may construct, maintain or display or cause to be constructed, maintained or displayed on or over any part of a State highway any sign unless the Agency consents, in writing, to the construction, maintenance or display of such sign.

(2) The restriction in subclause (1) does not apply to any sign constructed, maintained or displayed behind the kerblane of any State highway in any area where a 50km/h or lesser speed limit applies.

**5. When consent may be given**—(1) The Agency may consent to the construction, maintenance or display of any sign to which clause 4(1) applies if:

- (a) it is satisfied that the sign meets the relevant requirements specified in the Schedules to this bylaw; and
- (b) it is satisfied that the sign meets the requirements of the relevant territorial authority; and
- (c) it considers that the colours, wording, legend or siting of the sign will not:
  - (i) obscure or cause confusion with any official road sign or any traffic sign;
  - (ii) cause alarm or unduly attract the attention of people operating vehicles on the State highway;
  - (iii) create or contribute to a traffic hazard; or

- (iv) in any other way compromise the safe and efficient operation of the State highway.

(2) The Agency may, subject to such conditions as it thinks appropriate, authorise a sign which does not comply with any or all of the requirements in the relevant Schedule if the purpose of the sign is to provide advice or information to the public in relation to health or safety issues or risks.

**6. The Agency may impose conditions on consent—**

(1) Any consent given under this bylaw may be made subject to:

- (a) time limits;
- (b) conditions as to maintenance and maintenance activity; or
- (c) conditions as to size, colour, wording, legend or siting of any sign including (subject to clause 5(2) conditions that are in addition to, but not in conflict with) the requirements in the relevant Schedule,

which the Agency thinks appropriate.

(2) When considering the imposition of a condition, the Agency must have regard to:

- (a) the proximity of any official road sign or traffic sign;
- (b) the proximity of any other sign authorised by this bylaw or any predecessor to this bylaw; and
- (c) the effects listed in clause 5(1)(c).

**7. Decisions—**(1) In considering whether to grant consent under clause 5(1) of this bylaw, the Agency may, at its discretion, consider and rely on any report from the Police, any relevant territorial authority, or any employee of, or consultant commissioned by, the Agency, whether or not prepared in respect of the particular application.

(2) Where the Agency is considering refusing consent or imposing a condition on the consent, the Agency must give the applicant an opportunity to provide information relevant to the matters listed in clause 5(1) for consideration, and comment on any report under subclause (1) in respect of the application.

(3) The Agency must record its decisions in writing and where consent is refused, give reasons to the applicant.

**8. Consent fee—**(1) It is a condition of every consent given by/or under this bylaw to construct, maintain or display a sign in terms of this bylaw, that an annual licence fee is payable by the applicant.

(2) The annual licence fee payable is \$300.00 for the initial year of any new consent granted under this bylaw and \$100.00 for each subsequent year of the consent.

(3) No initial year fee is payable if a fee has been paid under the:

- (a) Signs on State Highways Bylaw 1987/3; or
- (b) Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>,

in respect of the sign.

(4) All amounts specified in this clause include goods and services tax.

(5) The condition referred to in subclause (1) of this clause may be waived by the Agency where the sign is for non-profit or charitable purposes.

**9. Revocation of consent—**(1) Any consent given under this bylaw or the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup> may be revoked by the Agency if:

- (a) any condition of the consent is not adhered to;
- (b) the person granted consent to construct, maintain or display a sign has committed any breach of this bylaw, or has allowed a breach to occur;

- (c) the Agency is of the opinion that forthcoming changes to the State highway or official road sign scheme on that portion of the State highway makes the continuance of the consent contrary to the criteria specified in clause 5(1) or contrary to the requirements specified in the relevant Schedule, or is otherwise undesirable; or

- (d) the person granted consent to construct, maintain or display a sign has failed to pay the annual licence fee (if any).

(2) The person who holds the consent for the sign must dismantle and remove that sign from the State highway within five working days of receiving written notice of the revocation of that consent or immediately if the Agency states that there is a safety issue.

**10. Signs may be removed—**(1) The Agency may at any time, through any authorised agent or representative, dismantle or remove any sign from the State highway if:

- (a) the Agency considers the colours, wording, legend or siting of the sign will cause one of the prohibited effects listed in clause 5(1)(c);
- (b) the Agency has not given consent under clause 5 to the construction, maintenance or display of the sign and no consent for the construction, maintenance or display of the sign was given under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>;
- (c) a consent for the construction, maintenance or display of the sign has been revoked under clause 9(1), or under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>, and the sign has not been removed by the consent holder;
- (d) any condition imposed under this bylaw, or any condition imposed under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>, has not been complied with;
- (e) subject to clauses 5(2) and 15, the sign does not meet any one or more of the requirements set out in the relevant Schedule to this bylaw; or
- (f) the sign is in breach of any consent given under clause 5 or under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>.

(2) Any sign removed from a State highway under subclause (1) must be held by the Agency and made available for collection by the owner for a period of one month from the date of its removal. After such time, the Agency may dispose of the sign in whatever way he or she considers appropriate.

(3) The Agency must use reasonable care in the dismantling, removal and storage of any sign removed under this clause.

(4) The Agency is not liable for any loss arising from the removal and/or disposal of any sign under subclause (2) of this clause, or any damage to the sign unless reasonable care was not used in its dismantling, removal or storage.

**11. Owner of sign to be liable for damage caused to or by sign—**The owner of a sign is responsible for the sign and liable for any damage caused to, or by, the sign while on or over the State highway and any damage to the sign caused during its proper dismantling, removal or storage under clause 10 of this bylaw.

**12. Vehicles may be removed—**The Agency may at any time, through any authorised agent or representative:

- (a) require the owner of any stationary vehicle on a State highway to remove or cover any sign; or

(b) seek the assistance of any enforcement officer to act, pursuant to their powers under section 113(2) of the Land Transport Act 1998, to remove any stationary vehicle from a State highway; or if a sign fixed or mounted on the vehicle, or the position of the vehicle:

- (i) compromises the safe and efficient operation of the State highway in any way; or
- (ii) breaches any of the provisions of this bylaw.

**13. Breach of bylaw**—(1) Every person committing any breach of this bylaw or any condition imposed in a consent issued under this bylaw is liable upon conviction to a fine not exceeding \$500.00.

(2) In the case of a continuing breach, the Agency may seek an injunction, under section 109 of the Government Roadway Powers Act 1989, restraining the further continuance of the breach.

**14. Role of territorial authorities**—Where the Agency has delegated its powers to control a State highway to a territorial authority, under section 62 of the Government Roadway Powers Act 1989, then, subject to the terms of the delegation, this bylaw applies to the territorial authority as if it was the Agency.

**15. Transitional provisions**—(1) Where any sign has been constructed or displayed prior to the commencement of this bylaw and that sign complied with the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup> but does not comply with any or all of the requirements in the relevant Schedule to this bylaw, then:

- (a) subject to:
  - (i) any time limits imposed on any consent for the sign granted under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup>, and
  - (ii) clauses 9, 10, and 12 of this bylaw, the sign may remain in place; and
- (b) subject to any conditions in a consent granted under the Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup> limiting the repair or maintenance of the sign, the sign may be repaired or maintained provided that such work does not increase its physical size or the extent of its non-compliance with the requirements in the relevant Schedule.

**16. Revocation of Transit New Zealand (Signs on State Highways) Bylaw 2003/13**—The Transit New Zealand (Signs on State Highways) Bylaw 2003/13: Bylaw Regulating Signs on State Highways<sup>1</sup> is hereby revoked.
