Notice of Intention to Correct Register

I intend to rectify the New Zealand Register of Companies and the Overseas Register, in terms of section 360A(1)(a) of the Companies Act 1993, on the application of the following companies, liquidators and receivers by deleting or replacing incorrect documents and otherwise adjusting the Register. Dates are those of registration:

ALLIED MARINE SERVICES LIMITED (in liquidation) (1373819) – liquidator's first report was filed in draft – 1 March 2010 (application by liquidator).

CHAPRONIERE LIMITED (1191778) – application for removal to be withdrawn – 25 February 2010.

FOOD FOR FRIENDS GROUP LIMITED (2259470) – shareholding on incorporation should have been T. Gardiner with 50 shares and S. L. Gardiner with 50 shares – 9 June 2009.

GEOSERVICES AUSTRALASIA PTY LIMITED (2178575) – business in New Zealand commenced on 1 February 2008 not 13 October 2008 – 13 October 2008.

HH 2006 LIMITED (1897239) – appointment of J. M. Burton as director was notified for 5 February 2009 instead of 5 February 2010 – 4 February 2010.

MASSIVE LIMITED (1213927) – liquidators filed first report after High Court had cancelled the liquidation – 10 March 2010.

MCKINNON & ASSOCIATES LIMITED (613925) – company addresses notified multiple times – 2003–2010 except 18 July 2007.

RUGBY WORLD CUP 2011 (NZ) LIMITED (1731328) – one additional consent from S. Dunraj as shareholder and four additional notices of his appointment as director were filed – 20 December 2005 and 7 November 2008.

TE AWATEA LIMITED (1297037) – receivers' final report was incomplete – 23 February 2010 (application by receivers).

TRIPLE A FOODBROOKERS NZ LIMITED (653077) – appointments of P. M. Coates and P. R. Doyle as directors were notified twice – 28 August 2003.

X-PRESS PRINTING HOUSE LIMITED (in receivership and in liquidation) (1196985) – the receiver J. Brady was incorrectly notified as liquidator also – 9 February 2010 (application by liquidator).

Any person who wishes to object must do so by 26 April 2010 (being not less than 20 working days after the date of this notice).

Dated this 25th day of March 2010.

Environment

Climate Change Response Act 2002

Call for the Provision of Electricity-Related Contracts and Related Information (Aluminium Smelting) Notice 2010

Pursuant to section 161D(1)(e) of the Climate Change Response Act 2002, I, The Honourable Nick Smith, Minister for Climate Change Issues, give the following notice.

Notice

1. Title and commencement—(1) This notice may be cited as the Call for the Provision of Electricity-Related Contracts and Related Information (Aluminium Smelting) Notice 2010.

(2) This notice takes effect from and including 25 March 2010.

2. Interpretation—(1) Unless the context otherwise requires:

Act means the Climate Change Response Act 2002.

Activity means the physical and chemical transformation of alumina (aluminium oxide, Al_2O_3) into saleable aluminium metal (Al).

NZAS means the company registered as New Zealand Aluminium Smelters Limited.

Related Company has the meaning set out in the Companies Act 1993.

3. Electricity-Related Contracts Required to be Provided—(1) Provided NZAS is carrying out the activity at the date of this notice, NZAS must provide the Ministry for the Environment, within 30 working days of the date of this notice, with a copy of the following contracts to which it or any of its related companies, is a party to:

- (a) The agreement dated 15 August 1963 and entered into between the Crown and Consolidated Zinc Limited for the supply of electric power, as amended from time to time;
- (b) the agreement dated 30 April 1981 and entered into between the Crown and Comalco Power (N.Z.) Limited for the supply of electricity, as amended from time to time;
- (c) the agreement dated 20 August 1993 and entered into between Electricity Corporation of New Zealand Limited and Comalco Power (N.Z.) Limited and NZAS as guarantor, as amended from time to time;
- (d) any agreement supplementary to any of the contracts referred to in paragraphs 3(1)(a) to 3(1)(c) that is still current as at the date of this notice; and
- (e) the power contract dated 12 June 1969 and entered into between Comalco Power (N.Z.) Limited and NZAS, as amended from time to time, restated as of 20 June 1994.

(2) Provided NZAS is carrying out the activity at the date of this notice, NZAS must provide the Ministry for the Environment, within 30 days of the date of this notice, with the following information relating to electricity contracts:

- (a) The document entitled “Summary of Contracts relevant to Power Supply from Meridian Energy Limited to Comalco Power (N.Z.) Limited” prepared for the Electricity Commission Establishment Unit in August 2003;

- (b) an explanation relating to historical and future pricing under or relating to the contracts referred to in paragraphs 3(1)(a) to 3(1)(c) which will assist in a determination by the Minister of an allocative baseline or baselines for NZAS pursuant to the Act;
- (c) a summary, for each of the 2006/2007, 2007/2008 and 2008/2009 financial years, of the agreed price and escalator calculations under the contracts referred to at paragraphs 3(1)(a) to 3(1)(c), (for the avoidance of doubt, this information may be provided in summary form in a newly created document rather than providing all source documentation for the calculations);
- (d) the framework for agreement between the Crown and NZAS establishing a framework for a negotiated greenhouse agreement developed in 2005;
- (e) an explanation of how transmission pricing operates under the contracts referred to in paragraphs 3(1)(a) to 3(1)(c); and
- (f) a statement setting out the amount of electricity likely, as at the date of this notice, to be consumed by NZAS in excess of 543.75MW during each of the periods 1 July 2010 to 31 December 2010, 1 January 2011 to 31 December 2011 and 1 January 2012 to 31 December 2012.

Dated at Wellington this 25th day of March 2010.

HON NICK SMITH, Minister for Climate Change Issues.

"trust deposit" means a deposit (not being an agency deposit, an investment deposit, a protection deposit or a special deposit) held on trust:

- (i) for persons not of full age or capacity; or
- (ii) for beneficiaries not entitled to payment at call; or
- (iii) otherwise than at call.

(2) Expressions defined in the Act have the same meaning in this notice as they do in the Act.

3. Rates of Common Fund interest—(1) The rate of Common Fund interest on deposits (other than investment deposits repayable at the end of fixed term or protection deposits) shall be that specified in Schedule 1 for the appropriate type of deposits.

(2) The rate of Common Fund interest on each protection deposit associated with a particular private training establishment shall be that specified in Schedule 2 for the appropriate dollar range of the total of those deposits.

(3) The rate of Common Fund interest payable on investment deposits repayable at the end of a fixed term shall be that specified in Schedule 3 for the appropriate interest payment frequency, term and dollar range.

(4) Despite subparagraph (1), the rate of Common Fund interest payable on deposits made pursuant to an enactment shall be the rate (if any) specified in the enactment.

(5) Despite subparagraphs (1), (2) and (3), in particular cases or classes of case, Public Trust and the depositor may agree on a rate of interest payable on investment deposits, protection deposits or special deposits that is different from the rate specified in Schedules 1, 2, or 3 and the agreed rate then applies.

4. Revocation of notice and transitional provisions—

(1) The Public Trust Common Fund Interest Rates Notice 18 March 2010 is revoked.

(2) The rates of interest specified in Schedules 1 and 2 to this notice do not apply to any period that ends with 23 March 2010 but otherwise operate as from 24 March 2010.

- (3) The rates of interest specified in Schedule 3 to this notice:
- do not apply to investment deposits repayable at the end of a fixed term that commenced prior to 24 March 2010; but
 - do apply to investment deposits repayable at the end of a fixed term that commenced on or after 24 March 2010.

Public Works Act 1981

Notice of Intention to Take Land and Other Interests for Road—Corner of State Highway 6 and Peninsula Road, Frankton, Queenstown

Notice is hereby given that the Crown, under the provisions of section 23 of the Public Works Act 1981, proposes to take the land and other interests described in the Schedules hereto (“the land”).

The land is required for road for the Peninsula Road Project in Frankton, Queenstown.

In particular the land is required for intersection improvements at the corner of State Highway 6 and Peninsula Road, Frankton, and for temporary occupation during construction of the intersection improvements Project.

The owner of the land and those persons with a registered interest in it have been served with notice of the Crown’s intention to take the land and other interests and their right to object.

Any other person having the right to object may send a written objection to the Registrar, Environment Court, PO Box 2069, Christchurch 8140, within 20 working days after the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held with the right of the objector to appear and be heard personally unless the objector otherwise requires and each objector will be informed of the time and place of the hearing.

Any person requiring further information in respect of this advice should contact Robin Whelan, Opus International Consultants Limited, Opus House, 197 Rattray Street, Dunedin 9016. *Postal Address:* Private Bag 1913, Dunedin 9054. Telephone: (03) 471 5500.

(d) Section 8 SO 424395, being part of the land described in Computer Freehold Register OT5B/511 (Otago Land Registry).

Schedule 3

Purpose and Terms of Leasehold Estate

Purpose for which leasehold estate is required

The leasehold estate is required over the land referred to in Schedule 2 of this notice (“the land”), to allow the Crown to occupy it temporarily (for a construction period of approximately 14 days) during the construction of intersection improvements at the corner of Peninsula Road and State Highway 6, Frankton (“the project”) for the construction of replacement boundary fencing.

The replacement fencing is to be boundary fence of a construction similar to the existing fencing.

Terms of the leasehold estate

1. The lease will run for a term of two years commencing 14 days after the land in Schedule 1 vests in the Crown (“the term”). Occupation for construction will take place over a period of up to 14 days during the term.
2. The permitted use for the lease will be the right for the Crown and its employees, engineers, assistants, consultants, contractors and authorised invitees to enter, re-enter and remain upon the land at all times, with or without such vehicles, machinery or materials, and carry out the construction of a replacement boundary fencing and any associated or incidental works (the “permitted use”).
3. During the term, the Crown must give 10 days’ notice in writing that it intends to enter the land for the purpose of carrying out the permitted use.
4. Notwithstanding the term created, the Crown may terminate the lease at any time by giving one month’s notice in writing.
5. The Crown shall repair any damage caused to any part of the surface of the land resulting from the Crown’s occupation prior to expiry of the lease.

Dated at Wellington this 15th day of December 2009.

Notice of Intention to Take Land for Rooding Purposes—1C Rankin Avenue, New Lynn, Waitakere City

Notice is hereby given, in accordance with section 23(1)(b) of the Public Works Act 1981, that the Waitakere City Council (“the Council”) proposes to take part of the land situated at 1C Rankin Avenue, New Lynn, Waitakere City, and more particularly described in the schedule hereto (“the land”).

The land is required for rooding purposes and it is intended to use the land to support the redevelopment and extension of Clark Street, New Lynn, Waitakere City.

The reasons the Council considers it is reasonably necessary to take this interest in the land described in the Schedule are:

- (a) to cater for the additional traffic volume being generated as a result of the State Highway 20 termination at Maioro Street (and associated traffic work being carried out by the Auckland City Council to cope with this);
- (b) to meet the agreed objectives embodied in the Council's District Plan Change 17, that will enable New Lynn to meet the needs of a modern town centre;
- (c) to achieve the objectives of the New Lynn Transit Oriented Development project (this project is included in the New Zealand Transport Agency's current funding programme) and assist in the regeneration of the New Lynn town centre.

The owner of the land and those persons with a registered interest in it have been served with notice of the Council's intention to take the land and of their right to object.

Any other person having a right to object to the proposed taking of the said land may forward a written objection to the Registrar, Environment Court, Department of Courts, Level 8, 3 Kingston Street, Auckland 1010, or to PO Box 7147, Wellesley Street, Auckland 1141, within 20 working days of the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held.

The objector will have a right to appear and be heard personally unless the objector otherwise requires.

Each objector will be informed of the time and place of the hearing.

Any person requiring further information may contact Michael Riley by telephone on (09) 836 8000 (extension 8117) or by email at michael.riley@waitakere.govt.nz

 - (i) licensed plumbers;
 - (ii) holders of provisional licences (“provisional licensees”);
 - (iii) trainee plumbers who hold limited certificates to undertake plumbing (“trainee plumbers”); and
 - (iv) persons carrying out plumbing pursuant to section 19 of the Act (“exempt persons”)

2. Minimum standards for registration

- (1) To be registered as a certifying plumber a person must have:
 - (a) held a licence as a licensed plumber (or as a registered plumber under the Plumbers, Gasfitters, and Drainlayers Act 1976 (“the 1976 Act”)) for a continuous period of not less than two years under the supervision of a certifying plumber (or a craftsman plumber under the 1976 Act); and
 - (b) passed the three-hour certifying plumber examination (reference 9195) set by the board; and
 - (c) passed the three-hour certifying common examination (reference 9194) set by the board.
- (2) The certifying plumber examination and the certifying common examination, referred to above, will be set by the board so that to pass the examinations the applicant must demonstrate the following competences:
 - (a) Advanced knowledge of design and verification processes, accepted workmanship practice, plumbing techniques and the technologies employed to meet compliance requirements, including the testing of installations and materials.

- (b) Advanced knowledge of trade calculations and sciences relevant to plumbing and their application in verification processes and design of plumbing and sanitary plumbing systems.
- (c) Advanced knowledge of the selection of materials, their properties and application used in the design and specification of plumbing and sanitary plumbing systems.
- (d) Advanced knowledge of the design of heating and ventilation systems using water, air and gas.
- (e) Advanced knowledge of plumbing and sanitary plumbing systems and components including cladding and rainwater handling systems.
- (f) Ability to access legislation, standards and codes of practice relating to plumbing and sanitary plumbing to meet compliance requirements.
- (g) Advanced knowledge of energy efficiency, conservation and environmentally-considerate processes relevant to plumbing and sanitary plumbing.
- (h) Advanced knowledge of building construction and how it is affected by installation of plumbing and sanitary plumbing services and appliances.
- (i) Advanced knowledge of the integration of other building sectors in the construction industry.
- (j) Advanced knowledge of business operations in so far as they relate to health and safety to members of the public, to the prevention of damage and property and to ensuring the competency of persons undertaking plumbing.

3. Terms and conditions of licence

- (1) Certifying plumbers must hold a current certifying plumber practising licence to undertake sanitary plumbing work, as follows:
 - (a) To be eligible to obtain a licence, certifying plumbers must, in the year ending 31 March 2012, and each year thereafter, obtain a minimum of 12 continual professional development ("CPD") points. A minimum of 8 CPD points must be technical plumbing points and a maximum of 4 may be non-technical.
 - (b) In the year ending 31 March 2012, and each year thereafter, those certifying plumbers who wish also to apply for a licence as a gasfitter **or** drainlayer, and are required to attain CPD points in order to uplift the additional licence, must obtain a minimum of 20 CPD points, with a minimum of 8 technical points for plumbing and 8 technical points for the additional licence type.
 - (c) In the year ending 31 March 2012, and each year thereafter, those certifying plumbers who wish also to apply for licences as a gasfitter **and** drainlayer, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.
- (2) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (3) At all times when undertaking sanitary plumbing work, certifying plumbers must be able to produce, on demand, a current certifying plumber licence card issued by the board.
- (4) Where testing and verification is necessary to meet the requirements of the regulations under this Act, or the Building Act 2004, the certifying plumber is responsible for the testing and verification of the sanitary plumbing work carried out by licensed plumbers, provisional licensed plumbers, limited certificate trainee plumbers and persons exempt pursuant to section 19 of the Act, working under their supervision. Where work is undertaken by exempt persons pursuant to section 19 of the Act, the certifying plumber must test and verify the work.
- (5) A certifying plumber must ensure that plumbing undertaken by persons under the supervision of that certifying plumber (which may include licensed plumbers, provisional licensees, trainee plumbers and exempt persons):
 - (a) is performed competently;
 - (b) is the subject of appropriate safety measures; and
 - (c) complies with the requirements of the relevant regulations, including those regulations made pursuant to the Building Act 2004.
- (6) A certifying plumber must ensure that all persons under supervision:
 - (a) are competent to perform the tasks they undertake;
 - (b) are adequately supervised or overseen (as applicable);
 - (c) comply with the relevant regulations, including the regulations made pursuant to the Building Act 2004; and
 - (d) with respect to an exempt person and a trainee plumber, can produce on demand a current identification card issued by the board.
- (7) A certifying plumber must ensure that, during the first year of holding a limited certificate, a trainee plumber is at all times working in the presence of the supervising certifying plumber or a licensed plumber who is supervised by the same certifying plumber.
- (8) A certifying plumber must ensure that, during the first two years of working under an exemption pursuant to section 19 of the Act, the exempt person is at all times working in the presence of the certifying plumber supervising them or a licensed plumber who is supervised by the same certifying plumber or a person authorised pursuant to section 18 of the Act.
- (9) A certifying plumber must notify the board of the name, address and telephone number of every exempt person under supervision prior to the exempt person first carrying out any plumbing work under the certifying plumber's supervision and on or before 1 April each year.
- (10) A certifying plumber must pay a fee, as prescribed by the board, in respect of notified exempt persons under supervision.

- (11) A certifying plumber who ceases to supervise a person previously supervised by that certifying plumber must notify the board of this fact in writing. Until such notification is received, the certifying plumber remains responsible for any plumbing work undertaken by that supervised person.

4. Licence period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum period of one licensing year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period, being 31 March.

5. Application forms

The board must provide the following forms:

- (a) Application for registration as a certifying plumber.
- (b) Application for licence as a certifying plumber.

Part B—Licensed Plumbers

6. Authorised work

A licensed plumber, who holds a current licensed plumber practising licence issued by the board, may carry out sanitary plumbing work under the supervision of a certifying plumber.

7. Minimum standards for registration

- (1) To become a licensed plumber a person must have:
- (a) obtained the National Certificate in plumbing and passed the board's three-hour examination (reference 9192); or
 - (b) held a limited certificate in plumbing for a continuous period of five years and have passed the board's three-hour examination (reference 9192); or
 - (c) held a limited certificate in plumbing under the 1976 Act for a continuous period of not less than three years, immediately followed by a two year period as a person exempt pursuant to section 19 of the Act, and have passed the board's three-hour examination (reference 9192); or
 - (d) being a gasfitter (certifying or licensed and holding a current practising certificate), passed the National Certificate third stage block course in plumbing, and the board's three-hour examination (reference 9192); or
 - (e) complied with all of the following:
 - (i) hold an overseas qualification that is accepted by the board as equivalent to a New Zealand National Certificate in plumbing under paragraph (a) above. To meet this requirement the applicant must both:
 - A. provide to the board documentary evidence of the applicant's qualifications and assessment of those qualifications; and
 - B. attend an interview with the board to verify documentation and validate experiential and technical proficiency; and
 - (ii) passed the board's three-hour examination (reference 9192); and
 - (iii) passed the board's Practical Test of Workmanship using the National Competency assessment tasks and criteria.
- (2) To pass the board's examination (reference 9192) the applicant must demonstrate the following competencies:
- (a) Knowledge of accepted plumbing trade practice, workmanship, and health and safety;
 - (b) knowledge of trade calculations and sciences relevant to plumbing;
 - (c) knowledge of materials and their physical properties and application used in the trade;
 - (d) ability to draw and interpret drawings and specifications including quantifying materials for plumbing and sanitary plumbing;
 - (e) principles of heating and ventilation using water, air and gas;
 - (f) practical knowledge of all aspects of plumbing and sanitary plumbing;
 - (g) ability to access legislation, standards and codes of practice relating to plumbing and sanitary plumbing;
 - (h) knowledge of ethical considerations for the delivery of plumbing services;
 - (i) knowledge of energy efficiency, conservation and environmentally considerate processes relevant to plumbing; and
 - (j) knowledge of the installation and maintenance of rainwater handling, and cladding systems, and flashings including lead products.

8. Terms and conditions of licence

- (1) Licensed plumbers must hold a current licensed plumber practising licence to undertake sanitary plumbing work, as follows:
- (a) To be eligible to obtain a licence, licensed plumbers must, in the year ending 31 March 2012, and each year thereafter, obtain a minimum of 12 continual professional development ("CPD") points. A minimum of 8 CPD points must be technical plumbing points and a maximum of 4 may be non-technical.
 - (b) In the year ending 31 March 2012, and each year thereafter, those licensed plumbers who wish also to apply for a licence as a gasfitter **or** drainlayer, and are required to attain CPD points in order to uplift the additional licence, must obtain a minimum of 20 CPD points, with a minimum of 8 technical points for plumbing and 8 technical points for the additional licence type.
 - (c) In the year ending 31 March 2012, and each year thereafter, those licensed plumbers who wish also to apply for licences as a gasfitter **and** drainlayer, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.

- (2) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (3) At all times when undertaking plumbing work, licensed plumbers must be able to produce, on demand, a current certifying plumber licence card issued by the board.
- (4) A licensed plumber may test plumbing work under the supervision of a certifying plumber.
- (5) A licensed plumber must work at all times under the supervision of a certifying plumber, without having to be in the presence of that person.
- (6) A licensed plumber does not have the authority to test and verify that the sanitary plumbing work complies with the requirements of regulations under this Act or under the Building Act 2004.
- (7) A licensed plumber is authorised to oversee limited certificate trainee plumbers and exempt persons, but such persons must be supervised by the same certifying plumber.
- (8) A licensed plumber must ensure that when overseeing a trainee plumber in the first year of a trainee plumber holding a limited certificate, the trainee plumber works in the presence of that licensed plumber who is supervised by the same certifying plumber. However, at all times the certifying plumber is the person responsible for supervision.
- (9) A licensed plumber must ensure that when overseeing an exempt person in the first two years of working under an exemption issued pursuant to section 19 of the Act, the exempt person works at all times in the presence of that licensed plumber who is supervised by the same certifying plumber or a person authorised pursuant to section 18 of the Act.

9. Licence period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum of one year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period year (being 31 March).

10. Application forms

The board must provide the following forms:

- (a) Application for registration as a licensed plumber.
- (b) Application for a licence as a licensed plumber.

11. Glossary of terms

- (1) Where the term “supervision” is used it refers to “supervision” as defined in section 4 of the Act.
- (2) Where the terms “test” or “testing” are used they refer to tests required to comply with the regulations under the Building Act 2004 and the Gas Act 1992.
- (3) Where the terms “oversight” or “oversee” are used they refer to the definition specified by the board.

12. Transitional provision

Courses completed before 1 April 2010 may be allocated CPD points at the discretion of the Registrar of the board.

Plumbers, Gasfitters and Drainlayers Board (Gasfitting Registration and Licensing) Notice 2010

Pursuant to sections 28 and 30 of the Plumbers, Gasfitters, and Drainlayers Act 2006 (“the Act”), the following notice is given.

Notice

1. Title—This notice may be cited as the Plumbers, Gasfitters and Drainlayers Board (Gasfitting Registration and Licensing) Notice 2010.

2. Commencement—This notice comes into force on **1 April 2010**.

3. Gasfitting registration and licensing—Pursuant to sections 28 and 30 of the Plumbers, Gasfitters, and Drainlayers Act 2006, the Plumbers, Gasfitters and Drainlayers Board (“the board”) designates the classes of gasfitting registration and prescribes matters relating to gasfitting registration and licensing as set out in the Schedule of this notice.

Schedule

Gasfitting classes of registration, authorised work for each class of registration, minimum standards for registration, and terms and conditions of licensing under the Plumbers, Gasfitters, and Drainlayers Act 2006.

Part A—Certifying Gasfitters

1. Authorised work

- (1) A certifying gasfitter, who holds a current certifying gasfitter practising licence issued by the board:
 - (a) may carry out gasfitting (as defined in the Act); and
 - (b) must be responsible for any supervision, testing and certification of the gasfitting undertaken by:
 - (i) licensed gasfitters;
 - (ii) holders of provisional licences (“provisional licensees”);
 - (iii) trainee gasfitters who hold limited certificates to undertake gasfitting (“trainee gasfitters”);
 - (iv) persons carrying out gasfitting pursuant to section 21 of the Act (“exempt persons”).

2. Minimum standards for registration

- (1) To be registered as a certifying gasfitter a person must have:
 - (a) held a licence as a licensed gasfitter (or as a registered gasfitter under the Plumbers, Gasfitters, and Drainlayers Act 1976 (“the 1976 Act”)) for a continuous period of not less than two years under the supervision of a certifying gasfitter (or a craftsman gasfitter under the 1976 Act); and
 - (b) passed the three-hour certifying gasfitter examination (reference 9196) set by the board; and
 - (c) passed the three-hour certifying common examination (9194) set by the board.
- (2) The certifying gasfitter examination and the certifying common examination referred to above will be set by the board so that to pass the examinations the applicant must demonstrate the following competences:
 - (a) Advanced knowledge of design and verification processes, accepted workmanship practice, gasfitting techniques and the technologies employed to meet compliance requirements, including the testing of installations and materials.
 - (b) Advanced knowledge of trade calculations and sciences relevant to gasfitting and their application in verification processes and design of gasfitting systems.
 - (c) Advanced knowledge of the selection of materials, their properties and application used in the design and specification of systems.
 - (d) Advanced knowledge of the design of heating and ventilation systems using water, air and gas.
 - (e) Advanced knowledge of gasfitting systems and components.
 - (f) Ability to access legislation, standards and codes of practice relating to gasfitting to meet compliance requirements.
 - (g) Advanced knowledge of energy efficiency, conservation and environmentally considerate processes relevant to gasfitting.
 - (h) Advanced knowledge of building construction and how it is affected by installation of gasfitting services and appliances.
 - (i) Advanced knowledge of the integration of other building sectors in the construction industry.
 - (j) Advanced knowledge of business operations in so far as they relate to health and safety to members of the public, to the prevention of damage and property, and to ensuring the competency of persons undertaking gasfitting.

3. Terms and conditions of licence

- (1) Certifying gasfitters must hold a current certifying gasfitter practising licence to undertake gasfitting work, as follows:
 - (a) To be eligible to obtain a licence, certifying gasfitters must obtain:
 - (i) in the year ending 31 March 2011, a minimum of 16 continual professional development (“CPD”) points. A minimum of 8 CPD points must be technical gasfitting points and a maximum of 8 may be non-technical.
 - (ii) in the year ending 31 March 2012, and each year thereafter, a minimum of 12 continual professional development (“CPD”) points. A minimum of 8 CPD points must be technical gasfitting points and a maximum of 4 may be non-technical.
- (2) In the year ending 31 March 2012, and each year thereafter, those certifying gasfitters who wish also to apply for a licence as a drainlayer **or** plumber, and are required to attain CPD points in order to uplift the additional licence, must obtain a minimum of 20 CPD points, with a minimum of 8 technical points for gasfitting and 8 technical points for the additional licence type.
- (3) In the year ending 31 March 2012, and each year thereafter, those certifying gasfitters who wish also to apply for licences as a drainlayer **and** plumber, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.
- (4) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board, except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (5) At all times when undertaking gasfitting work, a certifying gasfitter must be able to produce on demand a current certifying gasfitter licence card issued by the board.
- (6) Where testing for certification is necessary to meet the requirements of the regulations under the Gas Act 1992, the certifying gasfitter is responsible for testing and certification of the gasfitting work carried out by licensed gasfitters, provisional licensed gasfitters, limited certificate trainee gasfitters and persons exempt pursuant to section 21 of the Act, working under his supervision. Where work is undertaken by exempt persons pursuant to section 21 of the Act, the certifying gasfitter must test and certify the work.
- (7) A certifying gasfitter must ensure that gasfitting undertaken by persons under the supervision of that certifying gasfitter (which may include licensed gasfitters, provisional licensees, trainee gasfitters and exempt persons):
 - (a) is performed competently;
 - (b) is the subject of appropriate safety measures; and
 - (c) complies with the requirements of the relevant regulations, including those regulations made pursuant to the Gas Act 1992.
- (8) A certifying gasfitter must ensure that all persons under supervision:
 - (a) are competent to perform the tasks they undertake;
 - (b) are adequately supervised or overseen (as applicable);
 - (c) comply with the relevant regulations, including the regulations made pursuant to the Gas Act 1992;

- (d) with respect to an exempt person and a trainee gasfitter, can produce on demand a current identification card issued by the board; and
- (e) with respect to an exempt person, does not undertake gasfitting work while connected to a gas supply.
- (9) A certifying gasfitter must ensure that, during the first year of holding a limited certificate, a trainee gasfitter is, at all times, working in the presence of the supervising certifying gasfitter, or a licensed gasfitter who is supervised by the same certifying gasfitter.
- (10) A certifying gasfitter must ensure that, during the first two years of working under an exemption pursuant to section 21 of the Act, the exempt person is, at all times, working in the presence of the certifying gasfitter supervising them, or a licensed gasfitter who is supervised by the same certifying gasfitter, or a person authorised pursuant to section 20(1)(b) of the Act.
- (11) A certifying gasfitter must notify the board of the name, address and telephone number of every exempt person under supervision prior to the exempt person first carrying out any gasfitting work under the certifying gasfitter's supervision and on or before 1 April each year.
- (12) A certifying gasfitter must pay a fee, as prescribed by the board, in respect of notified exempt persons under supervision.
- (13) A certifying gasfitter who ceases to supervise a person previously supervised by that certifying gasfitter, must notify the board of this fact, in writing. Until such notification is received, the certifying gasfitter remains responsible for any gasfitting work undertaken by that supervised person.

4. Licence period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum period of one licensing year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period (being 31 March).

5. Application forms

The board must provide the following forms:

- (a) Application for registration as a certifying gasfitter.
- (b) Application for licence as a certifying gasfitter.

Part B—Licensed Gasfitters

6. Authorised work

A licensed gasfitter, who holds a current licensed gasfitter practising licence issued by the board, may carry out gasfitting work under the supervision of a certifying gasfitter.

7. Minimum standards for registration

- (1) To become a licensed gasfitter a person must have:
 - (a) obtained the National Certificate in gasfitting and passed the board's three-hour examination (reference 9193); or
 - (b) held a limited certificate in gasfitting for a continuous period of five years, and have passed the board's three-hour examination (reference 9193); or
 - (c) held a limited certificate in gasfitting under the 1976 Act for a continuous period of not less than three years, immediately followed by a two year period as a person exempt pursuant to section 21 of the Act, and have passed the board's three-hour examination (reference 9193); or
 - (d) being a plumber (certifying or licensed and holding a current practising licence), passed the National Certificate third stage block course in gasfitting, and the board's three-hour examination (reference 9193); or
 - (e) complied with all of the following:
 - (i) Hold an overseas qualification that is accepted by the board as equivalent to a New Zealand National Certificate in gasfitting under paragraph (a) above. To meet this requirement the applicant must both:
 - A. provide to the board documentary evidence of the applicant's qualifications and assessment of those qualifications;
 - B. attend an interview with the board to verify documentation and validate experiential and technical proficiency; and
 - (ii) passed the board's three-hour examination (reference 9193); and
 - (iii) passed the board's Practical Test of Workmanship using the National Competency assessment tasks and criteria.
- (2) To pass the board's examination (reference 9193) the applicant must demonstrate the following competencies:
 - (a) Knowledge of accepted gasfitting trade practice, workmanship, and health and safety;
 - (b) knowledge of trade calculations and sciences relevant to gasfitting;
 - (c) knowledge of materials and their physical properties and application used in the trade;
 - (d) ability to draw and interpret drawings and specifications including quantifying materials for gasfitting;
 - (e) principles of heating and ventilation using water, air and gas;

 - (h) knowledge of ethical considerations for the delivery of gasfitting services;
 - (i) knowledge of energy efficiency, conservation and environmentally considerate processes relevant to gasfitting;
 - (j) practical knowledge of gas appliances and their controls; and
 - (k) knowledge of the types, uses, characteristics, and composition of fuel gases.

8. Terms and conditions of licence

- (1) Licensed gasfitters must hold a current licensed gasfitter practising licence to undertake gasfitting work, as follows:
 - (a) To be eligible to obtain a licence, licensed gasfitters must obtain:
 - (i) in the year ending 31 March 2011, a minimum of 16 continual professional development (“CPD”) points. A minimum of 8 CPD points must be technical gasfitting points and a maximum of 8 may be non-technical.
 - (ii) in the year ending 31 March 2012, and each year thereafter, a minimum of 12 continual professional development (“CPD”) points. A minimum of 8 CPD points must be technical gasfitting points and a maximum of 4 may be non-technical.
- (2) In the year ending 31 March 2012, and each year thereafter, those licensed gasfitters who wish also to apply for a licence as a drainlayer **or** plumber, and are required to attain CPD points in order to uplift the additional licence, must complete a minimum of 20 CPD points, with a minimum of 8 technical points for gasfitting and 8 technical points for the additional licence type.
- (3) In the year ending 31 March 2012, and each year thereafter, those licensed gasfitters who wish also to apply for licences as a drainlayer **and** plumber, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.
- (4) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (5) At all times when undertaking gasfitting work, licensed gasfitters must be able to produce, on demand, a current licensed gasfitter licence card issued by the board.
- (6) A licensed gasfitter may test gasfitting work under the supervision of a certifying gasfitter.
- (7) A licensed gasfitter must work at all times under the supervision of a certifying gasfitter, without having to be in the presence of that person.
- (8) A licensed gasfitter does not have the authority to certify that gasfitting work meets the requirements of any regulation made under relevant legislation (the Act, the Building Act 2004 and the Gas Act 1992).
- (9) A licensed gasfitter is authorised to oversee limited certificate trainee gasfitters and persons exempt pursuant to section 21 of the Act, but such persons must be supervised by the same certifying gasfitter.
- (10) A licensed gasfitter must ensure that when overseeing a trainee gasfitter in the first year of a trainee holding a limited certificate, the trainee gasfitter works at all times in the presence of that licensed gasfitter who is supervised by the same certifying gasfitter. However, at all times the certifying gasfitter is the person responsible for supervision.
- (11) A licensed gasfitter must ensure that when overseeing an exempt person in the first two years of working under an exemption issued pursuant to section 21 of the Act, the exempt person works at all times in the presence of that licensed gasfitter who is supervised by the same certifying gasfitter, or a person authorised pursuant to section 20(1)(b) of the Act. However, at all times the certifying gasfitter is the person responsible for supervision.

9. Licence period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum of one year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period year (being 31 March).

10. Application forms

The board must provide the following forms:

- (a) Application for registration as a licensed gasfitter.
- (b) Application for a licence as a licensed gasfitter.

11. Glossary of terms

- (1) Where the term “supervision” is used it refers to “supervision” as defined in section 4 of the Act.

Plumbers, Gasfitters and Drainlayers Board (Drainlaying Registration and Licensing) Notice 2010

Pursuant to sections 28 and 30 of the Plumbers, Gasfitters, and Drainlayers Act 2006 (“the Act”), the following notice is given.

Notice

1. **Title**—This notice may be cited as the Plumbers, Gasfitters and Drainlayers Board (Drainlaying Registration and Licensing) Notice 2010.
2. **Commencement**—This notice comes into force on **1 April 2010**.

3. Drainlaying registration and licensing—Pursuant to sections 28 and 30 of the Plumbers, Gasfitters, and Drainlayers Act 2006 the Plumbers, Gasfitters and Drainlayers Board (“the board”) designates the classes of drainlaying registration and prescribes matters relating to drainlaying registration and licensing as set out in the Schedule of this notice.

Schedule

Drainlaying classes of registration, authorised work for each class of registration, minimum standards for registration and terms and conditions of licensing under the Plumbers, Gasfitters and Drainlayers Act 2006.

Part A—Certifying Plumbers

1. Authorised work

A certifying drainlayer, who holds a current certifying drainlayer practising licence issued by the board:

- (a) may carry out drainlaying (as defined in the Act); and
- (b) must be responsible for any supervision, testing and verification of the drainlaying undertaken by:
 - (i) licensed drainlayers;
 - (ii) holders of provisional licences (“provisional licensees”);
 - (iii) trainee drainlayers who hold limited certificates to undertake drainlaying (“trainee drainlayers”); and
 - (iv) persons carrying out drainlaying pursuant to section 25 of the Act (“exempt persons”).

2. Minimum standards for registration

- (1) A person who has held a registered drainlaying licence for the year ending 31 March 2010 will, upon application to the board, be eligible to be licensed as a certifying drainlayer for the year ending 31 March 2011.
- (2) Applicants must satisfy the board that they have advanced experience and proficiency in drainlaying work.
- (3) These criteria are deemed to be met if the person:
 - (a) has held a drainlaying practising licence in the year ending 31 March 2009 and in the year ending 31 March 2010; or
 - (b) is a registered drainlayer and has held a craftsman plumber licence in the year ending 31 March 2010; or
 - (c) supervised a limited certificate holder in drainlaying in the year ending 31 March 2010.
- (4) Persons not meeting the above criteria will be required to submit an application to the board to enable applicants to be assessed using the board’s registered drainlayer transition process. Applicants may be required to submit one or both of the following:
 - (a) A letter or letters from one or more territorial authority inspectors who have observed the applicant on at least five drainlaying contracts, as a limited certificate or registered drainlayer, and can verify that the applicant undertook that drainlaying;
 - (b) details of at least five drainlaying contracts which the applicant has undertaken including dates, addresses, building consent numbers and photographs of the drainlaying contracts. The board may require such information to be verified by a current or past employer or supervisor of the applicant.
- (5) Persons who have held a certifying drainlayer licence for the year ending 31 March 2011, will be eligible to be licensed as a certifying drainlayer in each year thereafter.
- (6) Any other person who has not held a registered drainlaying licence under the Plumbers, Gasfitters, and Drainlayers Act 1976 for the year ending 31 March 2010, must, after 1 April 2010, have:
 - (a) held a licence as a licensed drainlayer for a continuous period of not less than two years under the supervision of a certifying drainlayer;
 - (b) passed the three-hour certifying drainlayer examination (reference 9198) set by the board; and
 - (c) passed the three-hour certifying common examination (reference 9194) set by the board.
- (7) The certifying drainlayer examination and the certifying common examination, referred to above, will be set by the board so that to pass the examinations the applicant must demonstrate the following competences:
 - (a) Advanced knowledge of design and verification processes, accepted workmanship practice, drainlaying techniques and the technologies employed to meet compliance requirements, including the testing of installations and materials.
 - (b) Advanced knowledge of trade calculations and sciences relevant to drainlaying and their application in verification processes and design of drainlaying systems.
 - (c) Advanced knowledge of the selection of materials, their properties and application used in the design and specification of systems.
 - (d) Advanced knowledge of drainlaying systems and components.
 - (e) Ability to access legislation, standards and codes of practice relating to drainlaying to meet compliance requirements.
 - (f) Advanced knowledge of conservation and environmentally-considerate processes relevant to drainlaying.
 - (g) Advanced knowledge of building and site construction and how it is affected by installation of drainage systems.
 - (h) Advanced knowledge of the integration of other building sectors in the construction industry.
 - (i) Advanced knowledge of business operations in so far as they relate to health and safety to members of the public, to the prevention of damage and property, and to ensuring the competency of persons undertaking drainlaying.

3. Terms and conditions of licence

- (1) Certifying drainlayers must hold a current certifying drainlayer practising licence to undertake drainlaying work, as follows:
 - (a) To be eligible to obtain a licence, certifying drainlayers must, in the year ending 31 March 2012, and each year thereafter, obtain a minimum of 12 continual professional development ("CPD") points. A minimum of 8 CPD points must be technical drainlaying points and a maximum of 4 may be non-technical.
 - (b) In the year ending 31 March 2012, and each year thereafter, those certifying drainlayers who wish also to apply for a licence as a gasfitter **or** plumber, and are required to attain CPD points in order to uplift the additional licence, must obtain a minimum of 20 CPD points, with a minimum of 8 technical points for drainlaying and 8 technical points for the additional licence type.
 - (c) In the year ending 31 March 2012, and each year thereafter, those certifying drainlayers who wish also to apply for licences as a gasfitter **and** plumber, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.
- (2) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (3) At all times when undertaking drainlaying work, a certifying drainlayer must be able to produce, on demand, a current certifying drainlayer licence card issued by the board.
- (4) Where testing and verification is necessary to meet the requirements of the regulations under this Act, or the Building Act 2004, the certifying drainlayer is responsible for the testing and verification of the drainlaying work carried out by licensed drainlayers, provisional licensed drainlayers, limited certificate trainee drainlayers and persons exempt pursuant to section 25 of the Act, working under their supervision. Where work is undertaken by exempt persons pursuant to section 25 of the Act, the certifying drainlayer must test and verify the work.
- (5) A certifying drainlayer must ensure that drainlaying undertaken by persons under the supervision of that certifying drainlayer (which may include licensed drainlayers, provisional licensees, trainee drainlayers and exempt persons):
 - (a) is performed competently;
 - (b) is the subject of appropriate safety measures; and
 - (c) complies with the requirements of the relevant regulations, including those regulations made pursuant to the Building Act 2004.
- (6) A certifying drainlayer must ensure that all persons under supervision:
 - (a) are competent to perform the tasks they undertake;
 - (b) are adequately supervised or overseen (as applicable);
 - (c) comply with the relevant regulations, including the regulations made pursuant to the Building Act 2004; and
 - (d) with respect to an exempt person and a trainee drainlayer, can produce on demand a current identification card issued by the board.
- (7) A certifying drainlayer must ensure that, during the first year of holding a limited certificate, a trainee drainlayer is at all times working in the presence of the supervising certifying drainlayer, or a licensed drainlayer who is supervised by the same certifying drainlayer.
- (8) A certifying drainlayer must ensure that during the first two years of working under an exemption pursuant to section 25 of the Act, the exempt person is at all times working in the presence of the certifying drainlayer supervising that person, or a licensed drainlayer who is supervised by the same certifying drainlayer.
- (9) A certifying drainlayer must notify the board of the name, address and telephone number of every exempt person under supervision prior to the exempt person first carrying out any drainlaying work under the certifying drainlayer's supervision and on or before 1 April each year.
- (10) A certifying drainlayer must pay a fee, as prescribed by the board, in respect of notified exempt persons under supervision.
- (11) A certifying drainlayer who ceases to supervise a person previously supervised by that certifying drainlayer, must notify the board of this fact in writing. Until such notification is received, the certifying drainlayer remains responsible for any drainlaying work undertaken by that supervised person.

4. Licence period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum period of one licensing year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period (being 31 March).

5. Application Forms

The board must provide the following forms:

- (a) Application for registration as a certifying drainlayer.
- (b) Application for licence as a certifying drainlayer.

Part B—Licensed Drainlayers

6. Authorised work

A licensed drainlayer, who holds a current licensed drainlayer practising licence issued by the board, may carry out drainlaying work under the supervision of a certifying drainlayer.

7. Minimum standards for registration

- (1) To become a licensed drainlayer a person must have either:
 - (a) obtained the National Certificate in drainlaying and passed the board's three-hour examination (reference 9197); or
 - (b) complied with all of the following:
 - (i) Hold an overseas qualification that is accepted by the board as equivalent to a New Zealand National Certificate in Drainlaying under paragraph (a) above. To meet this requirement the applicant must both:
 - A. provide to the board documentary evidence of the applicant's qualifications and assessment of those qualifications; and
 - B. attend an interview with the board to verify documentation and validate experiential and technical proficiency; and
 - (ii) passed the board's three-hour examination (reference 9197); and
 - (iii) passed the board's Practical Test of Workmanship using the National Competency assessment tasks and criteria.
- (2) To pass the board's examination (reference 9197) the applicant must demonstrate the following competencies:
 - (a) Knowledge of accepted drainlaying trade practice, workmanship, and health and safety;
 - (b) knowledge of trade calculations and sciences relevant to drainlaying;
 - (c) knowledge of materials and their physical properties and application used in the trade;
 - (d) ability to draw and interpret drawings and specifications including quantifying materials for drainlaying;
 - (e) practical knowledge of all aspects of drainlaying;
 - (f) ability to access legislation, standards and codes of practice relating to drainlaying;
 - (g) knowledge of ethical considerations for the delivery of drainlaying services;
 - (h) knowledge of conservation and environmentally considerate processes relevant to drainlaying; and
 - (i) knowledge of tools and equipment used in drainlaying.

8. Terms and conditions of licence

- (1) Licensed drainlayers must hold a licensed drainlayer practising licence to undertake drainlaying work, as follows:
 - (a) To be eligible to obtain a current licence, licensed drainlayers must, in the year ending 31 March 2012, and each year thereafter, obtain a minimum of 12 continual professional development ("CPD") points. A minimum of 8 CPD points must be technical drainlaying points and a maximum of 4 may be non-technical.
 - (b) In the year ending 31 March 2012, and each year thereafter, those licensed drainlayers who wish also to apply for a licence as a gasfitter **or** plumber, and are required to attain CPD points in order to uplift the additional licence, must obtain a minimum of 20 CPD points, with a minimum of 8 technical points for drainlaying and 8 technical points for the additional licence type.
 - (c) In the year ending 31 March 2012, and each year thereafter, those licensed drainlayers who wish also to apply for licences as a gasfitter **and** plumber, and are required to attain CPD points in order to uplift the additional two licences, must obtain a minimum of 24 CPD points, with a minimum of 8 technical points for each of the three licence types.
- (2) CPD points can only be obtained by completing programmes of learning that are accredited by the board prior to the course being undertaken. CPD points will not be allocated for courses that have not been accredited by the board except in exceptional circumstances and at the discretion of the Registrar of the board. Carry over of excess points from a previous year may be allowed at the discretion of the board.
- (3) At all times when undertaking drainlaying work, licensed drainlayers must be able to produce, on demand, a current certifying drainlayer licence card issued by the board.
- (4) A licensed drainlayer may test drainlaying work under the supervision of a certifying drainlayer.
- (5) A licensed drainlayer must work at all times under the supervision of a certifying drainlayer, without having to be in the presence of that person.
- (6) A licensed drainlayer does not have the authority to test and verify that drainlaying work complies with requirements of regulations under this Act or under the Building Act 2004.
- (7) A licensed drainlayer is authorised to oversee limited certificate trainee drainlayers and exempt persons, but such persons must be supervised by the same certifying drainlayer.
- (8) A licensed drainlayer must ensure that when overseeing a trainee drainlayer in the first year of a trainee drainlayer holding a limited certificate, the trainee drainlayer works in the presence of the licensed drainlayer who is supervised by the same certifying drainlayer. However, at all times the certifying drainlayer is the person responsible for supervision.
- (9) A licensed drainlayer must ensure that when overseeing an exempt person in the first two years of working under an exemption issued pursuant to section 25 of the Act, the exempt person works at all times in the presence of that licensed drainlayer who is supervised by the same certifying drainlayer.

9. Licence Period

The licence period is from 1 April to 31 March of the following year, provided that:

- (a) a licence is issued for a maximum of one year;
- (b) a licence issued after 1 April and before 31 March will expire at the end of that licence period year (being 31 March).

10. Application forms

The board must provide the following forms:

- (a) Application for registration as a licensed drainlayer.
- (b) Application for a licence as a licensed drainlayer.

11. Glossary of terms

- (1) Where the term “supervision” is used it refers to “supervision” as defined in section 4 of the Act.
- (2) Where the terms “test” or “testing” are used they refer to tests required to comply with the regulations under the Building Act 2004 and the Gas Act 1992.
- (3) Where the terms “oversight” or “oversee” are used they refer to the definition specified by the board.

12. Transitional provision

Courses completed before 1 April 2010 may be allocated CPD points at the discretion of the Registrar of the board.

Dated at Wellington this 24th day of March 2010.
