Land Transport Act 1998

Notification of Ordinary Rules

Pursuant to section 161(3) of the Land Transport Act 1998, notification is given of the making of 12 Land Transport Rules.

With the exception of *Land Transport Rule: Operator Safety Rating Amendment 2010*, which will be brought into force on a date to be notified in the *New Zealand Gazette*, the Rules take effect on **1 April 2010**.

- *Land Transport Rule: Traction Engines 2010* (Rule 63001) sets out the requirements for the safety certification of traction engines and the qualifications required for users of traction engines. The objective of the Rule is to ensure that traction engines are operated safely when used in a public place. The Rule updates and replaces the *Land Transport (Traction Engine Safety) Regulations 2006*.
 - *Land Transport Rule: Dangerous Goods Amendment 2010* (Rule 45001/2) is aimed at ensuring that the risk to land transport safety from the transporting of dangerous goods continues to be managed effectively, by maintaining alignment with international and local requirements relating to hazardous substances.
 - *Land Transport Rule: Steering Systems Amendment 2010* (Rule 32003/2) updates the requirements applying to the certification and use of left-hand drive vehicles in New Zealand.
 - *Land Transport Rule: Work Time and Logbooks Amendment 2010* (Rule 62001/2) makes a number of changes that address issues raised by industry groups, and the New Zealand Police, about the way in which the limits on certain drivers' work-time hours are dealt with for specific services or in particular situations.
- The following amendment Rules, which make minor changes to existing Rules, were consulted on in the draft *Land Transport Rule: Omnibus Amendment 2009*:
- *Land Transport Rule: Frontal Impact Amendment 2010* (Rule 32006/4);
 - *Land Transport Rule: Operator Licensing Amendment 2010* (Rule 81001/3);
 - *Land Transport Rule: Operator Safety Rating Amendment 2010* (Rule 81002/2);
 - *Land Transport Rule: Passenger Service Vehicles Amendment 2010* (Rule 31001/5);
 - *Land Transport Rule: Vehicle Equipment Amendment 2010* (Rule 32017/3);
 - *Land Transport Rule: Vehicle Exhaust Emissions Amendment 2010* (Rule 33001/4);
 - *Land Transport Rule: Vehicle Standards Compliance Amendment 2010* (Rule 35001/7); and
 - *Land Transport (Driver Licensing) Amendment Rule 2010* (Rule 91001/6).

The Rule amendments clarify current requirements to assist understanding and enforcement of Rules, provide for compliance with alternative vehicle standards for some vehicles, address safety concerns, amend requirements to accord with current industry needs or practices, make requirements more flexible or remove unnecessary restrictions (without diminishing safety standards), make consequential changes as a result of changes to other

legislation, including Rules, and make other minor changes to Rules.

The Rules are available for inspection free of charge at the National Office of the NZ Transport Agency, PSIS House, 20 Ballance Street, Wellington.

A bound copy can be purchased from bookshops that sell legislation or, for most Rules, from Wickliffe Limited, PO Box 932, Dunedin, or telephone (06) 358 8231.

Copies of *Land Transport (Driver Licensing) Amendment Rule 2010* can be purchased from Legislation Direct. Telephone: (04) 568 0005.

The reasons why Waitakere City Council considers it is reasonably necessary to take this interest in the land described in the Schedule are:

- to meet the agreed objectives embodied in Waitakere City Council’s District Plan Change 17, that will enable New Lynn to meet the needs of a modern town centre;
- to meet the agreed objectives of the New Zealand Transit Agency, which recently gave its approval to the project, based on its ability to satisfy the requirements of that organisation’s funding assistance program.

The owner of the land and those persons with a registered interest in it have been served with notice of the Council’s intention to take the land and of their right to object.

Any other person having a right to object to the proposed taking of the said land may forward a written objection to the Registrar, Environment Court, Department of Courts,

Level 8, 3 Kingston Street, Auckland 1010, or to PO Box 7147, Wellesley Street, Auckland 1141, within 20 working days of the date of publication of this notice.

If any objection is made in accordance with this notice, a public hearing will be held.

The objector will have a right to appear and be heard personally unless the objector otherwise requires.

Each objector will be informed of the time and place of the hearing.

Dental hygienists and dentists/specialists normally work from the same premises providing a team approach. Clinical guidance may be provided at a distance but appropriate access must be available to ensure that the dentist or specialist is able to provide guidance and advice, when required, and maintain general oversight of the clinical care outcomes of the patient group. Dental hygienists are responsible and accountable for their own clinical practice within their scope of practice but the dentist or dental specialist is responsible and accountable for the clinical guidance provided. Further detail on the working relationship between dental hygienists and dentists will be set out in the relevant Dental Council Code of Practice.
