Land Transport Management Act 2003

Public Availability of NZ Transport Agency 2009–2012 National Land Transport Programme

The NZ Transport Agency (NZTA) gives notice of the release of the National Land Transport Programme (NLTP), covering the three years from 2009/10 to 2011/12.

This document is now publicly available in accordance with section 108 of the Land Transport Management Act 2003.

This, the first three-year NLTP, is the result of an extensive development process during which 16 regional transport committees and the Auckland Regional Transport Authority (ARTA) developed regional land transport programmes outlining the activities they sought to be included in the NLTP.

This regional perspective enabled the NZTA to build an overview of land transport requirements across New Zealand and to balance regional and national priorities in deciding on the best investment programme to maximise value for money across the country.

The NLTP has been published and can be freely downloaded from the NZTA website

www.nzta.govt.nz

or the SmartMovez website

www.smartmovez.org.nz

Alternatively, users can purchase (at reasonable cost) printed versions through the NZTA website.

The public may also inspect the NLTP in most metropolitan and provincial public libraries throughout the country.

Notice of Amendment to Scopes of Practice Prescribed by the Physiotherapy Board

Pursuant to section 11(1) of the Health Practitioners Competence Assurance Act 2003, the Physiotherapy Board gives the following notice amending two scopes of practice published in the Supplement to the *New Zealand Gazette*, 15 September 2004, No. 120, page 2972.

Please remove the scopes of practice "Visiting Physiotherapy Presenter / Educator" and "Postgraduate Physiotherapy Student" and replace with the following:

"2. Scope of Practice – Visiting Physiotherapy Presenter/Educator

Persons who visit New Zealand for the purpose of presenting or educating in physiotherapy may be registered in New Zealand within the special purpose scope of practice for Visiting Physiotherapy Presenters/Educators, if:

- (a) they have physiotherapy experience relevant to the subject of the presentation/education; and
- (b) they are registered or recognised as being in good standing with an overseas organisation whose functions in principle correspond to those of the Physiotherapy Board; and
- (c) they are invited for the purpose of presenting or educating by a New Zealand organisation/institution.

The special purpose scope restricts physiotherapy activities to the presenting and/or educating activities described in the application. It does not include any clinical practice involving the public or any activity that may pose a risk to public health and safety. Registration within the special purpose scope of practice will be for a limited time (usually for one month) from the requested commencement date.

3. Scope of Practice – Postgraduate Physiotherapy Student

Persons who have gained their physiotherapy qualifications and are registered or recognised elsewhere than in New Zealand and visit New Zealand for the purpose of participating in physiotherapy postgraduate study at an educational institution/organisation approved by the Physiotherapy Board must be registered in New Zealand. One option is to register within the special purpose scope of practice for postgraduate physiotherapy students.

The special purpose scope of practice for postgraduate physiotherapy students comprises of physiotherapy services undertaken as part of the postgraduate study on which the application is based. It does not extend to clinical practice or any other activity outside the postgraduate study.

Registration within the special purpose scope of practice will be authorised for the duration of the postgraduate study and apply only to that postgraduate study."

This notice takes effect from 1 September 2009.
