Schedule

Conditions that the Tertiary Education Commission must attach to Youth Guarantee programmes funded through the student achievement component

General

- Participants on Youth Guarantee programmes are not to be charged any fees or compulsory course costs.
- These conditions apply to all provider types: tertiary education institutions (TEIs), private training establishments (PTEs) and other tertiary education providers (OTEPs).
- The fee and course costs in relation to a particular course of study or training will be subject to these conditions if:
 - the tertiary education organisation is the sole source of the item to which the cost would relate;
 - all students enrolled in the relevant course of study or training would otherwise be required to pay the fee or course costs; and
 - the charge would have met the guidelines for borrowing under the compulsory fees component of the student loan scheme.
- The following items are included for the purposes of this notice: Tuition fees, compulsory charges, and examination fees associated with a programme of study. The TEC may also specify additional items to be included in the maxima over and above those listed in this condition.

Sanctions

- Where the TEC finds that a tertiary education provider is not complying with the conditions set out in this notice, it can withdraw student achievement component funding for that course. This sanction will only be exercised as a final resort, and the TEC will work with the provider to rectify any non-compliance in the first instance.

Note: Effect of this Notice

These notes do not form part of this notice, but are intended to indicate its general effect.

- Section 159L(3)(d) of the Education Act 1989 (“the Act”) provides that the Minister, when determining the design of a funding mechanism, may specify the conditions that the TEC must attach to funding provided under the mechanism, including conditions that limit the fees that an organisation may charge domestic students.
- Under section 159M(b) of the Act, the Minister may not specify conditions setting limits on fees until two months after the date of publication of a notice in the *New Zealand Gazette* that:
 - states that the Minister proposes to specify such conditions; and
 - sets out the proposed conditions; and
 - invites submissions on the proposed conditions; and
 - specifies the date by which submissions must be received, which must be a date no more than 21 days after the date of the *New Zealand Gazette* notice.

C. The conditions setting limits on fees subsequently specified by the Minister in accordance with section 159L(3)(d) of the Act must be attached as conditions on the receipt of funding payable by the TEC to an organisation under sections 159YA and 159ZC of the Act.

D. Under sections 227(1A) and 236C of the Act, TEIs and PTEs respectively must not charge domestic students a fee that exceeds the maximum specified as a condition on funding approved by the TEC under sections 159YA and 159ZC of the Act.
