Financial Reporting Act 1993

Financial Reporting Act (United Kingdom Parent Companies) Exemption Notice 2009

Pursuant to section 35B of the Financial Reporting Act 1993 ("the Act"), the Registrar of Companies gives the following notice (to which is appended a statement of reasons of the Registrar).

Notice

1. Title—This notice is the Financial Reporting Act (United Kingdom Parent Companies) Exemption Notice 2009.

2. Commencement—This notice comes into force on its notification in the *New Zealand Gazette*.

3. Expiry—This notice expires on the close of 31 July 2014.

4. Application—An exemption granted by this notice applies to the following accounting periods of an exempt overseas company:

- (a) an accounting period of the exempt overseas company that commenced before the exemption is granted (including an accounting period that ended before the exemption is granted) if:
 - (i) in the case of copies of financial statements or group financial statements for that period that are required to be delivered for registration under section 19 of the Act, the exemption is granted before those documents are required to be delivered for registration under that section; or
 - (ii) in any other case, the exemption is granted before the financial statements or group financial statements for that period are required to be completed; and

(b) subsequent accounting periods.

5. Interpretation—In this notice, unless the context otherwise requires:

Act means the Financial Reporting Act 1993

exempt overseas company means a company that:

- (a) is incorporated in the United Kingdom; and

- (b) is a parent company of a group that is able to take advantage of the exemption provided under section 230 of the Companies Act 1985 (UK) not to publish its individual statement of financial performance; and
- (c) is a company to which section 19 of the Act applies; and
- (d) has specified financial statements prepared in respect of it.

specified financial statements, in relation to an exempt overseas company, means:

- (a) a statement of financial position and a statement of cash flows for the exempt overseas company; and
- (b) the group financial statements that are required to be prepared in respect of the group of which the exempt overseas company is parent in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union.

6. Exemptions for directors of exempt overseas companies—Every director of an exempt overseas company is exempted from the following provisions in respect of the exempt overseas company:

- (a) sections 10(1) of the Act:
 - (i) to the extent that it requires a statement of financial performance in relation to the exempt overseas company to be completed, dated and signed; and
 - (ii) to the extent that it requires any other financial statements in relation to the exempt overseas company to comply with section 11 of the Act; and
- (b) sections 11(1) and 14(1) of the Act;
- (c) section 13 of the Act to the extent that it requires group financial statements to be prepared in relation to the exempt overseas company to comply with section 14 of the Act; and
- (d) section 19(3) of the Act to the extent that it requires a copy of a statement of financial performance in relation to the exempt overseas company to be delivered to the Registrar for registration.

7. Conditions—The exemptions in clause 6 are subject to the conditions that:

- (a) the exempt overseas company, in relation to its specified financial statements, complies with the laws of the United Kingdom that relate to the preparation, content, auditing, and public filing of those statements; and
- (b) the specified financial statements of the exempt overseas company comply with IFRS as adopted by the European Union; and
- (c) if, in complying with IFRS, the specified financial statements do not give a true and fair view of the matters to which they relate, the directors of the exempt overseas company add information and explanations that will give a true and fair view of those matters; and
- (d) the specified financial statements are accompanied by an audit report that complies with the requirements of the law of the United Kingdom.

Dated at Wellington this 6th day of April 2009.

Statement of Reasons

This notice, which comes into force on the day after its notification in the *New Zealand Gazette* and expires on 31 July 2014, exempts the directors of certain overseas companies incorporated in the United Kingdom (the “UK”) from various provisions of the Financial Reporting Act 1993 (“the Act”).

Under section 230 of the Companies Act 1985 (UK), a parent company that prepares group accounts may omit its own individual statement of financial performance from its published annual accounts providing:

- the parent company produces group accounts in accordance with IFRS;
- the notes to the group accounts state the amount of the parent company’s profit for the financial year; and
- the notes to the group accounts state that the exemption under section 230 applies.

The exemption applies to overseas companies that are incorporated in the UK and which are able to take advantage of the exemption under section 230 (the “exempt overseas companies”). The effect of the exemption is to allow the directors of the exempt overseas companies to provide the financial statements that the exempt overseas companies are required to provide under the financial reporting requirements in the UK. The principal differences in financial statements provided by overseas companies relying on the exemptions are:

- The directors of the exempt overseas company will prepare and register consolidated financial statements, and a parent statement of financial position and statement of cash flows, but not a stand-alone parent statement of financial performance;
- the financial statements and consolidated financial statements will comply with generally accepted accounting principles in the UK (rather than generally accepted accounting practice in New Zealand); and
- the financial statements and consolidated financial statements will be audited in accordance with the requirements set out in UK legislation and the auditor’s report will provide the information required by UK legislation instead of the Act.

The Registrar considers that it is appropriate to grant the exemptions because:

- the effect of the exemptions is to allow the exempt overseas companies to provide the accounts that they are required to prepare under the reporting requirements of the UK;
- an exempt overseas company relying on the exemptions will still be required to file:
 - a stand alone statement of financial position and statement of cash flows for the parent company;
 - consolidated group financial statements;
 - financial statements for the group’s New Zealand business prepared in accordance with New Zealand generally accepted accounting practice as if the members of the group were companies formed and registered in New Zealand;
- the Registrar has had regard to the financial reporting and audit requirements that the exempt overseas companies must comply with in relying on the exemptions and is satisfied that the financial statements required to be published under UK financial reporting laws provide sufficient information to avoid any detriment to members of the public who have dealings with the exempt overseas companies; and
- the exemptions address the particular difficulties experienced by the exempt overseas companies that would not be required to publish a stand alone parent company statement of financial performance, but for the requirements of the Act in New Zealand. The exemptions are not broader than what is reasonably necessary to address these difficulties.

Justice

Judicature Act 1908

Court of Appeal Procedures Adopted

Pursuant to sections 58C(1) and 58E(1) of the Judicature Act 1908 ("the Act"), those Judges of the Court of Appeal holding office under section 57(2) of the Act ("permanent Judges") have adopted the following procedures.

Assignment of Judges to the Divisions of the Court of Appeal

- The assignment of High Court Judges to divisions of the Court will be:
 - (a) consistent with their eligibility through nomination by the Chief Justice in terms of sections 58A and 58B of the Act; and
 - (b) with the concurrence of the Chief Justice and the Chief High Court Judge pursuant to section 58C(3) of the Act.
- The Court will prepare periodically a forward planning programme covering the anticipated sittings of the divisions.
- The programme will provide, in the main, for:
 - (a) divisions of three permanent Judges (a division so comprised being referred to in this notice as a "permanent division"); and
 - (b) divisions of one permanent Judge and two High Court Judges (a division so comprised being referred to in this notice referred as a "CAD").

Exceptions will be necessary to allow for Full Courts, inability of a particular Judge to sit on a particular case, illness, leave or otherwise as the exigencies of the situation require.

- In the main, criminal appeals will be set down before a CAD unless the President otherwise directs. This recognises the insights which Judges with current trial experience bring to criminal appeals. The Judge making the decision under section 392A of the Crimes Act 1961 may recommend that the case be heard either by a permanent division or a Full Court. As well, counsel for the appellant or respondent may request a direction that a particular appeal be heard by a permanent division or a Full Court.
- In the main, civil appeals will be set down before a permanent division unless the President otherwise directs. Counsel for the appellant or respondent may request a direction that a particular appeal be heard by a CAD or a Full Court.
- Assignment of permanent Judges and/or eligible High Court Judges to panels for the hearing of particular appeals will be by the President who, where appropriate, will consult with other permanent Judges.
- In assigning panels for the hearing of particular appeals and in deciding whether particular appeals should be heard by a permanent division or a CAD, the President may take into account the following considerations:
 - (a) The forward planning programme and the availability of Judges.
 - (b) The equitable sharing of work among the Judges.
 - (c) The efficient dispatch of the Court's business.
 - (d) The desirability of a prompt hearing in any case of urgency (eg an appeal by an appellant serving a short sentence or an appeal against a pretrial ruling in a criminal case).
 - (e) Considerations of expense and convenience for counsel and parties, where a decision is required to be made whether an appeal be heard in Auckland, Wellington, or Christchurch.
 - (f) The role of all the permanent Judges in the clarification and development of all areas of the law and recognition of specific areas of judicial expertise.
 - (g) That it may be desirable for related litigation (appeals arising out of the same facts between the same or some of the same parties) to be heard by the same or some of the same Judges.

Appeals of Sufficient Significance for a Full Court

The President will determine whether a case is of sufficient significance to warrant the consideration of a Full Court. The President will, where appropriate, consult with other permanent Judges. In the main, a case will only be set down before a Full Court where:

- (a) the establishment or revision of sentencing tariffs is proposed; or
- (b) the appeal involves issues of evidence, procedure or practice of general application or some other issue which will be of major significance to other cases.

That one or more of the parties seeks the reconsideration of an earlier judgment of the Court is not, in itself, a reason for setting the appeal down before a Full Court.

A decision that an appeal be heard before a Full Court may be reviewed by the President from time to time (for instance for reasons associated with the availability of Judges) and the President may direct that an appeal which is scheduled to be heard before a Full Court be heard before a division of the Court.

The permanent Judges will consult regularly to review the criteria, their implementation and the general effect of the allocation to a Full Court on the overall workload of the Court.

References in this notice to “the President” include a Judge acting as President or a Judge nominated by the President to undertake any of the functions of the President referred to in this notice.

Dated at Wellington this 1st day of April 2009.

WILLIAM YOUNG, President of the Court of Appeal.

Note: A Full Court will also consider references from a division of the Court made pursuant to section 58(6) of the Act and appeals under section 10 of the Courts Martial Appeals Act 1953.

Also Note: These procedures replace those adopted on the 30th day of April 2004 and notified in the *New Zealand Gazette*, 13 May 2004, No. 52, page 1287; and those adopted on the 4th day of October 2006 and notified in the *New Zealand Gazette*, 12 October 2006, No. 116, page 3461.

Electricity Commission

Electricity Act 1992

Notice of Making of Electricity Governance Amendment Rules (No. 70) 2009 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992 ("Act"), I notify the amendment of the Electricity Governance Rules 2003 ("Rules") under section 172H of the Act.
2. The empowering provision for the Electricity Governance Regulations in relation to which the amendment to the Rules is made is section 172D(1)(1)(b) and (g) of the Act.
3. The amendment will enable a participant ("participant A"), with the agreement of another participant ("participant B") and of the Electricity Commission, to take on all the rights and obligations of participant B as a purchaser or a payer under Parts C, G and H of the Rules.
4. Pursuant to section 172Z(4) of the Act, the reason for my decision to amend the Rules is that the amendment will allow an electricity retailer who is a registry retailer (that is, a retailer who has its participant identifier recorded against installation control points on the registry) to interact with the electricity wholesale market

through another participant, enabling the retailer to reduce the complexity and cost of acting as an electricity retailer and contributing to downward pressure on electricity retail prices.

5. These rules come into force on the 28th day after the date on which they are notified in the *New Zealand Gazette*.
6. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.
7. The Rules can also be viewed on the Electricity Commission's website
