#### A m e n d m e n t

**1. Title**—This instrument is the Special Needs Grants Amendment 2009.

**2. Commencement**—This instrument comes into effect on 2 March 2009.

**3. Programme amended**—This instrument amends the Special Needs Grants Programme\*.

#### Explanatory Note

*This note is not part of the instrument, but is intended to indicate its general effect.*

*This instrument, which comes into effect on 2 March 2009, amends clause 15B of the Special Needs Grants Programme to expand the situations in which grants can be made to victims of domestic violence. Clause 4(2) of the instrument allows grants to be paid where an applicant suffers domestic violence from a person, other than their partner, with whom they reside and have a domestic relationship (eg in-laws). Clause 4(4) inserts a definition of domestic relationship.*

*Clause 4(3) removes the requirement that a member of the New Zealand Police provide a written statement that domestic violence has occurred before a grant can be made under clause 15B. In practice, a person must satisfy strict*

*evidentiary requirements that show that domestic violence has occurred before the New Zealand Immigration Service will grant a special work permit for victims of domestic violence. The corroborative evidence provided by the Immigration Service that this permit has been granted on the ground that the person is a victim of domestic violence will be sufficient to satisfy the criteria in clause 15B.*

### Electricity Commission

#### Electricity Act 1992

#### Confirmation of Electricity Governance Amendment Rules (No. 65) 2008 and Notice of Reasons for Decision

1. Pursuant to sections 172E(3)(b) and 172Z(4) of the Electricity Act 1992 (“Act”), I have decided not to recommend the revocation, replacement, or amendment of the Electricity Governance Amendment Rules

(No. 65) 2008 (“Rule amendment”), which was made urgently in accordance with section 172E(3) of the Act on 18 September 2008\*.

2. Pursuant to sections 172E(3)(b) and 172Z(4) of the Act, the reasons for my decision not to recommend that the Rule amendment be revoked, replaced, or amended are that the reasons for making the Rule amendment remain valid, in that:

(a) The amendment to Part J of the Electricity Governance Rules 2003 (“Rules”) was necessary to resolve an issue with the seasonal adjustment shapes.

(b) The issue arose because the reconciliation rules that came into force on 1 May 2008 provided for

a change from reconciliation on the basis of differencing to global reconciliation.

- (c) That change distorted the seasonal adjustment shapes, causing the allocation of electricity into the wrong months. That would have resulted in inaccurate allocation of non half-hour electricity volumes between reconciliation participants, which would have financially disadvantaged participants that were incumbent retailers before 1 May 2008 compared with participants that were independent retailers.
  - (d) The urgent amendment to Part J of the Rules resolved the seasonal adjustment shape issue by minimising that distortion. That was achieved by requiring the reconciliation manager to calculate and issue one-off seasonal adjustment shapes for the period spanning 1 May 2008, and requiring all electricity volumes for that period to be reconciled using the one-off seasonal adjustment shapes (including all subsequent revisions).
  - (e) The amendment also ensured that non half-hour electricity volumes were settled on the basis of accurate information.
  - (f) There are no other reasonably practicable options that would achieve the objectives of the Rule amendment.
3. Copies of the Rules, including the Rule amendment, may be inspected free of charge at, or purchased from, the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.

### **Notice of Making of Electricity Governance Amendment Rules (No. 141) 2009 and Notice of Reasons for Decision**

1. Pursuant to section 172I of the Electricity Act 1992 ("Act"), I notify the amendment of the Electricity Governance Rules 2003 ("Rules") under section 172H of the Act.
2. The empowering provisions for the Electricity Governance Regulations in relation to which the amendments to the Rules are made are sections 172D(1)(3) and 172D(1)(14) of the Act.
3. Rule 6.5A of Technical Code B of Schedule C3 of Part C of the Rules ("Rule 6.5A") will be amended to clarify the operation of Rule 6.5A.
4. Pursuant to section 172Z(4) of the Act, the reason for my decision to amend the Rules is to clarify the process under which the system operator may issue a notice to one or more participants that has the effect of exempting that participant or those participants from specified requirements relating to the provision of an automatic under-frequency load shedding system.
5. These Rules come into force on 1 April 2009.
6. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington.
