(2) This notice replaces and supersedes all previous notices in relation to the subject goods described below in the First Schedule.

(3) Pursuant to section 17 of the Act, the reassessed anti-dumping duty, set out in the Second Schedule to this notice, shall apply to imports of the goods specified in the First Schedule with effect from the day after the date of this notice.

(4) Where the anti-dumping duties imposed as a result of this notice are lower than those previously in place, in accordance with subsection 14(10) of the Act, importers may apply to Customs for a refund of the difference between the anti-dumping duties imposed by this notice and the anti-dumping duty paid from 18 December 2007.

Schedules

First Schedule

The subject goods that the reassessed anti-dumping duty rate applies to are described as:

Anti-dumping Duties: Notice That Anti-dumping Duties on Reinforcing Steel Bar and Coil From Thailand May Cease to Apply

Under section 14(9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on reinforcing steel bar and coil from Thailand* will cease to apply to those goods on 5 March 2009 unless, at that date, the goods are subject to review under section 14(8) of the Act.

Any interested party that might request that the Chief Executive of the Ministry of Economic Development initiate a review before the cessation date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the chief executive.

If an application is received which provides positive evidence justifying the need for a review, the chief executive must undertake and complete a review investigation within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to include reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of reinforcing steel bar and coil from Thailand, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New Zealand industry producing reinforcing steel bar and coil.

The reasons should be supported by evidence and not be based on mere allegations or assertions.

Notice of Scopes of Practice and Related Qualifications Prescribed by The Psychotherapists Board of Aotearoa New Zealand

Pursuant to sections 11 and 12 of the Health Practitioners Competence Assurance Act 2003 ("the Act"), the following notice is given.

Scopes of Practice for Psychotherapists as at 4 September 2008**1. Psychotherapist Scope of Practice****2. Psychotherapist Scope of Practice with Child and Adolescent Psychotherapist Specialism****3. Interim Psychotherapist Scope of Practice****1. Psychotherapist Scope of Practice**

Psychotherapists shall be competent to use various methods of psychotherapy to assist clients in their personal growth, relationship development, psychological life issues and mental health problems, whilst taking into consideration the bicultural context of Aotearoa New Zealand. Clients may include children, adolescents, adults, couples, families, whānau, groups, organisations and the public.

A key element of psychotherapy is the therapeutic use of the relationship between the psychotherapist and client. Psychotherapy may involve, but is not limited to: Exploring the origins; maintenance and change of life patterns; the assessment, formulation, diagnosis and treatment of mental health problems; and working with patterns of psychological life which may be outside of conscious awareness, including non-verbal and preverbal patterns. Various coherent theoretical models are used in psychotherapy.

It is noted that in practising psychotherapy, the context of a person's life needs to be taken into account, including social, cultural and spiritual contexts.

Psychotherapists shall practise within their area and level of expertise and with due regard to ethical, legal and board-prescribed standards.

Note: All psychotherapists who wish to practise psychotherapy as a psychotherapist, advertise, or hold themselves out to be a psychotherapist, must be registered with the board. Practice is not confined to clinical practice and encompasses all roles that a psychotherapist may assume such as client care, research, policy making, educating and consulting.

Prescribed Qualifications for Psychotherapist Scope of Practice

An approved master's level qualification in psychotherapy from a New Zealand university or a New Zealand training institution or an approved comparable qualification

OR

Satisfactory completion of an assessment accredited or set by the board

AND

The completion of 900 hours of supervised clinical psychotherapy practice to clients over at least three years with weekly clinical supervision with a psychotherapist registered in the Psychotherapist Scope of Practice for the first 24 months of practice and at least fortnightly supervision thereafter. Child and adolescent psychotherapists shall be competent to use various methods of psychotherapy to assist children and adolescents with their psychological life issues and mental health problems, whilst taking into consideration the bicultural context of Aotearoa New Zealand.

Child and adolescent psychotherapists are expected to have in-depth understanding of infant, child and adolescent development; infancy, childhood and adolescent disorders; family and cultural dynamics; and interdisciplinary approaches to working with children. Child and adolescent psychotherapists are specifically expected to be able to use methods of communication that are consistent with the child's or adolescent's stage of development and comprehension and be able to understand a child's non-verbal communication. Psychotherapy with children and adolescents may involve, but is not limited to: The assessment, formulation, diagnosis and treatment of emotional and psychological distress; severe mental health problems; and working with patterns of psychological life which may be outside of conscious awareness.

It is noted that in practising psychotherapy, the context of a child or adolescent's life needs to be taken into account. Child and adolescent psychotherapists are expected to be able to work with parents/caregivers, and/or family groups as an adjunct to their work with children or adolescents.

Child and adolescent psychotherapists shall practise within their area and level of expertise and with due regard to the ethical, legal, and board-prescribed standards.

Note: All psychotherapists who wish to practise psychotherapy as a psychotherapist, advertise, or hold themselves out to be a psychotherapist, must be registered with the board. Chairperson's Report for the Trust's Financial Year Ended 31 March 2008

On behalf of my fellow trustees, I have much pleasure in presenting the annual report of The Community Trust of Mid & South Canterbury Incorporated for the year ended 31 March 2008.

The annual public meeting for 2008 is to be held at the new Ashburton Events Centre, a community facility towards which the trust has now contributed \$500,000. Holding the annual meeting in Ashburton provides the trust with an opportunity to publicly recognise the efforts of the local community in providing and obtaining funding for projects such as the Ashburton Trust Event Centre, the Aviation Museum, Ashburton Senior Citizens and the Safer Community Council.

It is also an opportune time to publicly acknowledge the work of the local trustees – Geoff Geering and Heather Sim. Geoff and Heather have worked tirelessly on behalf of the Ashburton and Methven Districts to ensure that these areas receive an equitable share of the trust's funds. They have an in-depth knowledge of the people and organisations that are working and volunteering in their communities.

Donations

Over a million dollars was distributed to more than 120 community groups in the last financial year. Many hours of non-financial support were also provided to groups and my thanks go to trust executive manager John Wilson and office administrator Sally Marsh for this work.

In 2007, the trust moved to improve its donation policy so that the needs of the community could be better served. As a result, the trust now has four donation rounds that consider applications of up to \$10,000 and two donation rounds that consider applications over \$10,000. The aim of these changes is to allow community organisations to apply for funding at a time that is more suited to their needs.

Large donations tend to be for capital projects and this year was no exception: \$175,000 was donated to the Ashburton Aviation Museum for the construction of a new hangar, the Ashburton Vintage Car Club received \$50,000 to assist with the extension to their buildings and \$100,000 was donated to the SBS Events Centre in Timaru to extend their kitchen and storage facilities. The South Canterbury Hospice received \$80,000 towards their new building and the Te Runaka o Arowhenua Society received a donation of \$75,000 to assist with the upgrading of their facilities.

Financial Investments

The most disappointing aspect of this report is the performance of the trust's investments. For the year ended 31 March 2008, our return was -3.66% compared to 6.01% the previous year. The return was significantly less than expected. The position was largely caused by the volatility of the markets across all asset classes during the second half of the year.

The trust undertook a thorough review of the appointment of its financial adviser in November 2007. This review was undertaken by the trustees so as to ensure that they were receiving the best possible advice in order to set and meet their investment policies and objectives. I am pleased to advise that Michael Chamberlain, of MCA (NZ) Limited, has been reappointed as the financial adviser to the trust for the next three years.

Community House

The Community House in Timaru has now been operating for a complete financial year. The house was fully occupied within three months of opening and is operating as intended – a home base for over 30 community groups who share resources and facilities. Increasing use of the facilities is being made by outside organisations and feedback has been very positive. Community House is proving to be a sound social investment.

The finishing touch to Community House is the clock at the top of the building. The clock enhances the heritage facade of the building and provides Timaru with a very visible timepiece. The Timaru Suburban Lions Club jointly funded the project as part of their celebrations recognising 50 years of Lions in New Zealand. We are most grateful to them for this generous gift to our region.

Staff

There have been no changes in staffing for the trust. Sally Marsh (administration officer) and John Wilson (executive manager) continue to provide efficient and loyal service to the trust and Community House.

Trustees

There were no changes to trustees during this financial year. Four trustees attended the Community Trusts Conference in March 2008. The West Coast Community Trust hosted the conference and we look forward to hosting the conference in 2012.

NICOLA HORNSEY, Trust Chairperson.

Notes to the Financial Statements for the Year Ended 31 March 2008

1. Statement of Accounting Policies

Reporting Entity

The Community Trust of Mid & South Canterbury Incorporated is a charitable trust incorporated under the Trustee Banks Restructuring Act 1988. The financial statements have been prepared in accordance with the Financial Reporting Act 1993 and generally accepted accounting policies.

General Accounting Policies

The general accounting policies adopted in the preparation of these financial statements are:

- The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.
- The matching of revenues earned and expenses incurred using accrual accounting.
- The trust qualifies for differential reporting on the basis that it is not publicly accountable and does not have revenue greater than \$20m or have greater than 50 employees. The financial statements have been prepared taking advantage of the differential reporting exemptions with the exception of the preparation of a statement of cash flows.

Particular Accounting Policies

The following are the particular accounting policies which have a material effect on the measurement of results and financial position:

(a) *Dividend Income*

Dividend income is included in the statement of financial performance when it is receivable.

(b) *Donations*

Donations, special projects and community loans are accounted for when they are approved for payment.

(c) *Investments*

Investments held as managed funds are shown at market value. Net income, including unrealised gains or losses from holding such investments, are recorded in the statement of financial performance.

(d) *Trust Capital*

Trust capital is made up of:

- Capital fund – which records the initial capital fund (being the realised value of trust bank shares).
- Inflation reserve – it is intended to increase the inflation reserve each year by applying the consumer price index to the sum of the initial capital fund and opening inflation reserve. This amount to be allocated from trust profit on an annual basis.
- General reserves – intended to enable the trustees to continue with distributions should the trust incur a deficit in a particular income year.

(e) *Depreciation*

The assets of the trust are stated at cost price less depreciation based on rates as allowed by the Inland Revenue Department.

Changes in Accounting Policies

There have been no changes in accounting policies.

Board of Trustee's Responsibilities

The board of trustees is responsible for the preparation of a financial report which gives a true and fair view of the financial position of the trust as at 31 March 2008 and of the results of operations for the 12 months ended 31 March 2008.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial report presented by the board of trustees and report our opinion to you.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial report.

Other than in our capacity as auditors, we have no relationship with or interest in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust as far as appears from our examination of those records; and
- the financial report
 - complies with generally accepted accounting practice; and
 - gives a true and fair view of the financial position of trust as at 31 March 2008 and the results of its operations for the year ended on that date.
