At a hearing of the Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand held in public on 25 June 2008, at which the members were in attendance and represented by counsel, **Bruce Arnold Mincham** and **Michael Derek Wood**, chartered accountants of Auckland, pleaded guilty to charge (3) and admitted particulars (a), (a)(i), (b), (b)(i), (b)(ii) and (c). Charges (1) and (2) and other particulars were withdrawn.

The charges and particulars were as follows:

Charges

THAT in terms of the Institute of Chartered Accountants of New Zealand Act 1996 and the Rules made thereunder, and in particular Rule 21.30, the members are guilty of:

- (1) (withdrawn)
- (2) (withdrawn)
- (3) breaching the institute’s Code of Ethics, specifically the fundamental principle of quality performance and/or Rule(s) 2 and/or 9 and/or 11.

Particulars

IN THAT in their roles as chartered accountants in public practice, the members:

- (a) failed to fully comply with the institute’s technical standards in breach of the fundamental principle of quality performance and/or Rule(s) 9 and/or 11 of the Code of Ethics, in that they:
 - (i) failed to document that they obtained sufficient appropriate corroborative audit evidence about the collectability of National Finance 2000 Limited’s (“NFL”) dealer advances in their audit of their financial statements for the year ended 31 March 2005 in breach of AS500 paragraph 8; and/or
- (b) failed to exercise due care and diligence in breach of the fundamental principle of quality performance and/or Rule 9 of the Code of Ethics, in that they:
 - (i) failed to corroborate NFL management’s representation contained in Note 11 of the financial statements for the year ended 31 March 2005, that advances to motor vehicle dealers were secured over the trading assets of the companies and by personal guarantees, when this was not the case; and/or
 - (ii) failed to report in writing to the Covenant Trustee Company breaches by NFL of its trust deed, as required under section 50(2) of the Securities Act 1978, when they became aware that NFL had advanced funds to related parties in excess of the restricted levels contained in the trust deed as

at 30 September 2004 and/or that NFL failed to register securities over the assets of certain related party motor vehicle dealers, namely Great North Management Limited and Payless North Shore Limited, as required by the trust deed amendments authorised on 22 March 2005; and/or

- (c) gave an unqualified audit opinion on NFL’s financial statements for the year ended 31 March 2005, that disclosed in Note 7, that advances to motor vehicle dealers were secured over the trading assets of the companies and by personal guarantees when they knew or ought to have known that the statement was incorrect in that general security agreements over two related party motor vehicle dealers namely Payless North Shore Limited and Great North Management Limited were not registered, in breach of Rule 2 of the Code of Ethics.

Reasons

The members have admitted particulars (a), (a)(i), (b), (b)(i), (b)(ii) and (c) and have pleaded guilty to charge (3).

The tribunal note that the members have a clean record and have cooperated fully with the investigation and their guilty pleas. Publication of itself is a significant sanction for a practising member. The tribunal are not required to and do not make any finding as to any relationship between the matters before the tribunal and the company’s ultimate insolvency.

Orders of the Tribunal

- (a) Pursuant to Rule 21.31(k) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Bruce Arnold Mincham** and **Michael Derek Wood** be censured.
- (b) Pursuant to Rule 21.33 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Bruce Arnold Mincham** and **Michael Derek Wood** each pay to the institute half the sum of \$133,374.00 (inclusive of GST) in respect of the costs and expenses of the hearing before the disciplinary tribunal and the investigation by the professional conduct committee and the cost of publicity.
- (c) In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the decision of the disciplinary tribunal will be published in the *Chartered Accountants Journal*, on the institute’s website, in the *New Zealand Gazette*, the *New Zealand Herald* and the *National Business Review* with mention of the members’ names and locality.

Right of Appeal

Pursuant to Rule 21.41 of the Rules of the Institute of Chartered Accountants of New Zealand, which were in force at the time of the original notice of complaint, the members may, not later than 14 days after the notification of this tribunal to the members of the exercise of its powers, appeal in writing to the appeals council of the institute against the decision.

No decision other than the direction as to publicity shall take effect while the members remain entitled to appeal or while any such appeal by the members awaits determination by the appeals council.

Dated this 30th day of June 2008.

Research, Science & Technology

Foundation for Research, Science, and Technology Act 1990

Notice of Revocation of Ministerial Schemes (Technology for Business Growth, Techlink and Technology for Industry Fellowship) and Introduction of New Ministerial Scheme Under Section 8A of the Foundation for Research, Science, and Technology Act 1990—Technology New Zealand Grants Scheme

Under section 8A of the Foundation for Research, Science, and Technology Act 1990, I direct the foundation to allocate funds in accordance with the Technology New Zealand Grants Scheme ("the scheme") specified in this notice.

Nature of the Scheme

The scheme is intended to:

- grow investment in research and development in areas of Government priority as outlined in the foundation for Research, Science and Technology's Statement of Intent; or
- improve firms' ability to develop new or more sophisticated technologies; or
- improve research and development skills, and related business and management practices.

There are two types of grants in this scheme: targeted grants and capability grants.

The foundation may allocate funding to a firm, or a group of firms together. A firm, or group of firms, may nominate a representative to receive the funding. The foundation may provide funding to a nominated representative only where it is satisfied that those funds will ultimately be used or applied by the firm or firms, or for its or their benefit.

To be eligible to receive funding under this scheme, a firm must be a person or entity that is in business and resident in New Zealand. Where a group of firms is applying together, each of the firms involved must meet these eligibility criteria. Also, if a firm or firms nominate a representative to receive the funding, the firm or firms must meet the eligibility criteria. A nominated representative does not need to meet the eligibility criteria.

The foundation must not allocate targeted or capability funding to a firm that is an entity established under the Education Act 1989, Crown Research Institutes Act 1992, Local Government Act 2002 or the New Zealand Public

Health and Disability Act 2000, or to an entity that is 50% or more owned by one or more of those types of entities. Further, the foundation must not allocate funding to a group of firms if the group includes one or more of these types of entities. These entities may, however, act as nominated representatives.

Objectives of the Scheme

Targeted grants encourage or support research and development activities. The foundation will ensure that:

- the majority of targeted grants encourage or support high risk “stretch” research and development activities, as determined by the foundation; and
- grants are allocated to firms in areas of Government priority as outlined in the Foundation for Research, Science and Technology’s Statement of Intent; and
- it considers in the case of every grant the level of co-funding to be provided by the firm, and on average across the total amount of targeted grants the funding allocated by the foundation is not more than 50% of the proposed cost of research and development projects.

Capability grants will encourage firms seeking to develop new or more sophisticated research and development skills and related business management practices. The foundation must ensure that capability grants result in firms:

- that have not previously undertaken research and development beginning to do so; or
- sustaining on-going research and development activity; or
- improving uptake of external technologies, including international technologies; or
- adopting business practices to support increased or improved research and development activity.

Funding Amount

The Minister estimates that about \$50 million will be available for the foundation to allocate per annum.

Actual appropriations will be published each year in the Vote Research, Science and Technology Estimates of Appropriations.

Any funds held by the foundation in relation to the Technology for Business Growth, Techlink and Technology for Industry Fellowships schemes are to be applied in accordance with the scheme. Any contracts in existence as of 30 June 2008 within the above schemes will be funded from this scheme.

Period of Funding

The scheme will commence operation on 1 July 2008 and will operate for a minimum of five years from the date of this notice.

Monitoring Agency

The scheme will be monitored by the Ministry of Research, Science and Technology.

Revocations

The notices published in the *New Zealand Gazette*, 2 September 2004, No. 111, page 2706, *New Zealand Gazette*, 2 September 2004, No. 111, page 2708, and *New Zealand Gazette*, 9 December 2004, No. 160, page 3983, which established and amended the Technology for Business Growth, Techlink and Technology for Industry Fellowships Schemes, are revoked.

Dated at Wellington this 24th day of June 2008.
