Financial Reporting Act 1993

Financial Reporting Act (ABN AMRO BANK NV) Exemption Notice 2008

Pursuant to section 35B of the Financial Reporting Act 1993 ("the Act"), the Registrar of Companies gives the following notice (to which is appended a statement of reasons of the Registrar).

Notice

1. Title—This is the Financial Reporting Act (ABN AMRO BANK NV) Exemption Notice 2008.

2. Commencement—This notice comes into force on its notification in the *New Zealand Gazette*.

3. Expiry—This notice expires on the close of 31 July 2013.

4. Application—An exemption granted by this notice applies to the following accounting periods of the exempt overseas company:

- (a) An accounting period of the exempt overseas company that commenced before the exemption is granted (including an accounting period that ended before the exemption is granted) if:
 - (i) in the case of copies of financial statements or group financial statements for that period that are required to be delivered for registration under section 19 of the Act, the exemption is granted before those documents are required to be delivered for registration under that section; or
 - (ii) in any other case, the exemption is granted before the financial statements or group financial statements for that period are required to be completed; and
- (b) subsequent accounting periods.

5. Interpretation—In this notice, unless the context otherwise requires:

Act means the Financial Reporting Act 1993.

exempt overseas company means ABN AMRO BANK NV.

parent company means ABN AMRO Holdings NV.

specified financial statements, in relation to the exempt overseas company, means the financial statements and consolidated financial statements that are required to be prepared in respect of the parent company in accordance with the laws of the Netherlands.

US GAAP means generally accepted accounting practice in the United States of America.

6. Exemptions for directors of exempt overseas companies—(1) Every director of the exempt overseas company is exempted from the following provisions in respect of the exempt overseas company:

- (a) sections 10(1) and 11 of the Act to the extent that these sections require stand-alone financial statements to be prepared for the exempt overseas company in accordance with New Zealand generally accepted accounting practice; and
- (b) section 13 of the Act to the extent that it requires group financial statements to be prepared in relation to the exempt overseas company to comply with section 14 of the Act; and
- (c) section 19(3) of the Act to the extent that it requires copies of the financial statements of the exempt overseas company, together with a copy of the auditor's report on those statements, to be delivered to the Registrar for registration.

(2) Subclauses (1)(a) and (c) do not apply in relation to the New Zealand branch financial statements that are required to be prepared in relation to the exempt overseas company's New Zealand business in accordance with New Zealand generally accepted accounting practice as if the New Zealand branch was a company formed and registered in New Zealand.

7. Conditions—The exemptions in clause 6 are subject to the conditions that:

- (a) the specified financial statements for any particular year would be, for all practical purposes, identical to financial statements of the exempt overseas company if they were prepared;
- (b) the specified financial statements are delivered to the Registrar for registration as if they were the financial statements and group financial statements of the exempt overseas company in accordance with section 19(3) of the Act;
- (c) the specified financial statements comply with US GAAP; and
- (d) if, in complying with US GAAP, the specified financial statements do not give a true and fair view of the matters to which they relate, the directors of the exempt overseas company add information and explanations that will give a true and fair view of those matters; and
- (e) the specified financial statements are accompanied by a report by an approved auditor that complies with the requirements which apply under the law of the Netherlands.

Dated at Wellington this 16th day of June 2008.

Statement of Reasons

This notice, which comes into force on its notification in the *New Zealand Gazette* and expires on 30 July 2013, exempts the directors of ABN AMRO BANK NV, a company that is incorporated in the Netherlands, from various provisions of the Financial Reporting Act 1993 (the Act).

The effect of the exemptions is to allow ABN AMRO BANK NV to provide the financial statements that its parent company is required to prepare under financial reporting requirements in Netherlands.

The principal differences in financial statements provided relying on the exemptions are:

- the directors of ABN AMRO BANK NV will prepare and register financial statements for the New Zealand business only (not stand-alone parent company or group financial statements);
- the directors of ABN AMRO BANK NV will submit for registration the financial statements and consolidated financial statements of its parent company ABN AMRO Holdings NV;
- the financial statements and consolidated financial statements will comply with generally accepted accounting practice in the United States of America (rather than generally accepted accounting practice in New Zealand); and
- the consolidated financial statements will be audited in accordance with the requirements set out in the Netherlands' legislation and the auditor's report will provide the information required by Netherlands' legislation instead of the Act.

The Registrar considers that it is appropriate to grant the exemptions because:

- ABN AMRO Holdings NV has only one asset and that is its investment in ABN AMRO BANK NV, and that for all practical purposes the accounts of ABN AMRO Holdings NV are identical to those of its subsidiary ABN AMRO BANK NV;

- the Registrar has had regard to the financial reporting and audit requirements that must be complied with by ABN AMRO BANK NV in its home jurisdiction, under which it is not required to prepare stand-alone company financial statements;
- ABN AMRO BANK NV will still be required to file financial statements for its New Zealand business prepared in accordance with New Zealand generally accepted accounting practice as if the members of the group were companies formed and registered in New Zealand;
- the Registrar is satisfied that the financial statements and consolidated financial statements required to be prepared for ABN AMRO Holdings NV under the Netherlands' financial reporting laws provide sufficient information to avoid any detriment to members of the public who have dealings with ABN AMRO BANK NV; and
- the exemptions address the particular difficulties experienced by ABN AMRO BANK NV in complying with the Act. The exemptions are not broader than what is reasonably necessary to address these difficulties and still require that group financial statements be filed in New Zealand.

Date of notification in *New Zealand Gazette*: 19 June 2008.

This notice is administered by the Registrar of Companies.

Social Security Act 1964

Maximum Contribution Applying in Each Territorial Local Authority Region From 1 July 2008

Under section 152 of the Social Security Act 1964, the Director-General of Health is required to notify the maximum contribution that applies in each region.

The maximum contribution is the maximum weekly amount (inclusive of GST) that a resident assessed as requiring long-term residential care (through a needs assessment and services coordination agency) is required to pay for contracted care services provided to them in the region in which their rest home or continuing care hospital is located.

Contracted care services are services provided to needs-assessed people in a rest home or continuing care hospital that has a contract with a district health board. The services provided are those necessary to meet the person's assessed care needs in accordance with the agreement between the district health board and the residential care provider.

The agreement covers residents who are:

- eligible for the residential care subsidy (as determined through a financial means assessment under section 141 of the Act); and
- entitled to have funding paid on their behalf to cover the difference between the maximum contribution and the cost of contracted care services provided to them (as determined under section 140 of the Act).

The maximum contribution is the same for all residents regardless of the type of contracted care services they receive.

The maximum contribution set by this *New Zealand Gazette* notice applies from 1 July 2008 and replaces the previous maximum contribution notice published in the *New Zealand Gazette*, 28 June 2007, No. 74, page 1891.

It is equivalent to the most recent, nationally agreed rest home contract price applying to residential care facilities in each territorial local authority region.

The maximum contribution will change only when a new maximum contribution is gazetted.

New maximum contributions will reflect changes to rest home contract prices that usually result from the annual review of the residential care contract between district health boards and residential care providers.

Region: Territorial Local Authority	District Health Board	Maximum Contribution Weekly (GST Inclusive)
Far North District	Northland	726.32
Whangarei District	Northland	745.57
Kaipara District	Northland	726.32
Rodney District	Waitemata	767.41

Electricity Commission

Electricity Governance Regulations 2003

Electricity Governance Regulations (Exemption No. 90 (Reconciliation Participants)) Exemption Notice 2008

Pursuant to Regulation 194(2) of the Electricity Governance Regulations 2003, the Electricity Commission ("Commission") gives the following notice.

Notice

1. Title and commencement—(1) This notice is the Electricity Governance Regulations (Exemption No. 90 (Reconciliation Participants)) Exemption Notice 2008.

(2) This notice comes into force on 19 June 2008.

2. Exemption—All reconciliation participants are exempted from Rules 1.2, 2.2, 4.1.2 of Part J of the Electricity Governance Rules ("Rules"), and Rule 2 of Schedule J4 of Part J of the Rules for the submission of revision consumption information for the months of April 2008, May 2008 and June 2008.

3. Conditions—This exemption is granted on the following conditions:

- (a) Only non half-hour information is exempted, and only for the revision months of April 2008, May 2008 and June 2008;
- (b) half-hour revisions must still be submitted in accordance with the Rules; and
- (c) the reconciliation manager must run the reconciliation process for all revisions in accordance with the Rules using the latest half-hour submission information for those consumption periods and the initial non half-hour submission files for the April 2008, May 2008 and June 2008 periods.

4. Reasons for granting the exemption—The reasons for granting this exemption are:

- (a) the reconciliation rules change the calculation of how non half-hour metered volumes are allocated

to retailers between months. However, in the transition of incumbent retailers to independent retailers that occurred on 1 May 2008, there would be a misallocation of volumes that is not equitably treated in the reconciliation process;

- (b) there would be inequitable settlement for participants that were incumbent retailers for consumption periods prior to 1 May 2008 that will affect the adjacent months' consumption periods;
- (c) the purpose of the exemption is to suspend the requirement on reconciliation participants to submit non half-hour submission information to the reconciliation manager until a more equitable rule process can be put in place;
- (d) the reconciliation process will run a revision cycle for all information, but using the initial estimated data for the non half-hour submissions, and this will avoid the misallocation until a more equitable rule process can be put in place;
- (e) as this is an urgent exemption, the Commission will immediately consult with participants on an appropriate solution; and
- (f) there will be little impact on other participants and service providers and the exemption will not affect any other rules.

5. Urgency—(1) This exemption is granted under urgency in reliance on Regulation 194(4).

(2) This exemption expires at the close of 16 September 2008, being the earliest date that will enable the Commission to respond to the views of participants and put in place an appropriate solution.

(3) Pursuant to Regulation 194(5)(c), the Commission will publicise the exemption on the Commission's website and will give participants an opportunity to make their views known to it by 5.00pm on Friday, 27 June 2008.

Dated at Wellington this 17th day of June 2008.

For and on behalf of the Electricity Commission:

PETER HARRIS, Commissioner.
