Land Transfer Act / Joint Family Homes Act Notices

Land Transfer Act Notice

An application, under section 70 of the Land Transfer Act 1952, has been received for the removal of an easement.

The applicant claims the easement is redundant by reason of the circumstances set out below.

If no objections have been received before 14 February 2013, the Register will be updated to record the easement as redundant.

Application: 9247177.1.

Applicant: David & Jonathan Brownrigg Limited, c/o Hansen Bate Limited, PO Box 235, Hastings 4156 (*Attention:* James Drysdale).

Easement: Right of way created by Transfer 47059 registered on 29 February 1928 in favour of Helen Ralston Couper, her executors and administrators, while she or they is or are registered proprietors of the land adjoining Computer Freehold Registers 167915, HBV3/409–HBV3/415.

Circumstances: The right of way has now lapsed and is totally extinguished as the executors appear not to own any land adjoining the original Lot 5 DP 4050 Computer Freehold Register HB35/116.

Dated at the Christchurch Office of Land Information New Zealand this 9th day of January 2013.

Charitable Trusts Act Notices

ESTATE OF HARRY SIBUN KENT (retired, late of Lower Hutt)

Application for Approval of Variation Under the Charitable Trusts Act 1957 or Correction Under the Wills Act 2007 or Directions Under the Trustee Act 1956

This is to give notice that on **6 March 2013**, **John William Rabbitt**, as executor of the will of the late **Harry Sibun Kent**, will ask the High Court at Wellington for either:

- (a) an order, under sections 32 and 33 of the Charitable Trusts Act 1957, varying the trusts created by the last will of **Harry Sibun Kent** (deceased) by replacing the words “Hutt District Nursing Trust” with the words “The Hutt Hospital Foundation (to be held in a separate account for the specific purpose of education, training and professional development of community nurses in the Hutt District Health Board area)”; or
- (b) an order, under section 31 of the Wills Act 2007, to correct the terms of the will by making a similar change to that set out above; or
- (c) an order giving directions, under section 66 of the Trustee Act 1956, as to the proper distribution of the estate.

The last will of the deceased left his remaining estate to the “Hutt District Nursing Trust” but no trust of that precise name can be identified.

Accordingly, the Court is asked either to approve a variation naming the Hutt Hospital Foundation or a correction of the will to similar effect.

Failing that, the Court is asked to give directions for a distribution of the estate either to the Hutt DHB or to the next of kin of the deceased.

The proposed variation and the alternative of a correction of will are both intended to give effect to the intention of the deceased, which was to assist community nurses (previously known as district nurses) in the Hutt Valley.

Any person who wishes to oppose the variation must give seven days’ notice, in writing, of the intention to do so to:

- (a) the Registrar of the High Court at Wellington; and
- (b) John William Rabbitt, care of the offices of Greg Kelly Law, PO Box 25243, Wellington 6146 (*Attention:* Chris Kelly); and
- (c) the Attorney-General, Crown Law Office, PO Box 2858, Wellington 6140.

To make an appointment to view the proposed variation of the will, please telephone (04) 498 8506 or email chris.kelly@trustlaw.co.nz

Departmental Notices

Business, Innovation and Employment

Radiocommunications Regulations 2001

Radiocommunications (Compliance) Notice 2013

Pursuant to Regulation 32(1)(d), (e), (f), (g) and (h) of the Radiocommunications Regulations 2001, the Chief Executive, Ministry of Business, Innovation and Employment, hereby gives the following notice.

Notice

1. Title, commencement and purpose

- (a) This notice is the Radiocommunications (Compliance) Notice 2013.
- (b) This notice comes into force on **17 January 2013**.

(c) This notice prescribes:

- (i) the requirements to be met by suppliers for different levels of conformity;
- (ii) the form of a declaration of conformity;
- (iii) the requirements to be met for the labelling of products;
- (iv) the documentation, test facilities, and competent persons that are approved by the Chief Executive in relation to the testing of products, and any conditions or restrictions imposed in relation to the Chief Executive's approval; and
- (v) the requirements to be met for the availability of documentation, including test reports.

2. Interpretation

In this notice, unless the context otherwise requires:

accredited testing body means a test facility that is:

- (i) accredited by International Accreditation New Zealand, an agency of the Government also known as IANZ;
- (ii) accredited by an accreditation authority that has entered into a mutual recognition arrangement with IANZ; and
- (iii) approved pursuant to any agreement between New Zealand and any other country or countries as prescribed in a notice made under Regulation 32(1)(h) and (j) of the Regulations.

Act means the Radiocommunications Act 1989.

applicable standard, in relation to a product, means a standard or code of practice applying to the class of product to which the product belongs, as prescribed in a notice made under Regulation 32(1)(b) and (c) of the Regulations.

Chief Executive means:

- (i) the Chief Executive of the Ministry of Business, Innovation and Employment; or
- (ii) a person acting under delegated authority from the Chief Executive.

class of product means a grouping, category, or family of products with a common purpose, use or application as prescribed in a notice made under Regulation 32(1)(a) of the Regulations.

compliance mark means the RCM and, for a product labelled before 1 March 2016 by a supplier who has been issued a supplier code number, a reference to a compliance mark includes a reference to the C-Tick.

C-tick means the following symbol:

declaration of conformity means a declaration containing the information set out in the schedule to this notice.

electromagnetic compatibility means the ability of systems, equipment, and devices that utilise the electromagnetic spectrum to operate in their intended operational environments without suffering unacceptable degradation or causing unintentional degradation because of electromagnetic radiation or response.

level of conformity means, in relation to a class of product, a level of conformity as prescribed in a notice made under Regulation 32(1)(d).

Ministry means the Ministry of Business, Innovation and Employment.

product means interfering equipment, susceptible equipment and radio apparatus, as defined in the Radiocommunications Act 1989, and includes any assembly of components, modules or sub-assemblies that form a finished product.

product description means sufficient information for a person to determine whether the product is the same as a product for which a declaration of conformity was prepared.

RCM means the following symbol:

RCM registration number, in relation to the RCM compliance mark, means a unique identifier issued by the Electrical Regulatory Authorities Council (ERAC) to a supplier, and recorded in the National Registration Database (NRD).

Regulation and Regulations means Regulations made pursuant to the Act.

standard means a publication, or those parts of a publication, prescribing the measurement procedures, processes, and limits relating to the electromagnetic compatibility of a product.

supplier means a person in New Zealand who installs, sells, distributes, manufactures, or imports a product.

supplier code number, in relation to the C-tick compliance mark, means a code number issued to a person before 1 March 2013 and consisting of:

- (i) the letter "Z" and a unique numeric identifier allocated by the Chief Executive; or
- (ii) the letter "N" and a unique numeric identifier allocated by the Australian Communications and Media Authority.

supplier identification means any of the following:

- (i) the supplier's name, address and place of business in New Zealand;
- (ii) the supplier's New Zealand Company Number;
- (iii) the supplier's registered trademark;
- (iv) when used in conjunction with the C-tick, the supplier's supplier code number; or
- (v) when used in conjunction with the RCM, the supplier's RCM registration number.

test report means:

- (i) the text, drawings, diagrams and tables specifying the standard or standards to which a product has been tested;
 - (ii) the general procedure followed in testing the product;
 - (iii) the measurement results; and
 - (iv) a statement as to whether or not the product conforms to the standard or standards to which the product has been tested.
- (b) Other words and expressions contained in this notice that are defined in the Act, Regulations and notices made under the Regulations, have the meanings so defined.

3. Scope

- (a) This notice, in conjunction with other notices made under Regulation 32(1)(a) to (d) of the Regulations applies to:
- (i) product suppliers in New Zealand; and
 - (ii) products supplied in New Zealand.
- (b) This notice does not apply to products that meet the exemption requirements in the Radiocommunications (Mutual Recognition: Australia) Notice 2008 or a notice in replacement thereof.

4. Suppliers

The requirements to be met by a supplier of a product are:

Level of conformity 1 – If the product is in a class to which level of conformity 1 applies, then, prior to supplying the product, the supplier must ensure that the product complies with an applicable standard and:

- (a) may label the product (other than a radio transmitter) with a compliance mark in which case the supplier must:
- (i) provide a product description; and
 - (ii) make a declaration of conformity.
- (b) must, if the product is a radio transmitter:
- (i) provide a product description;
 - (ii) make a declaration of conformity; and
 - (iii) label the product with a compliance mark.

Level of conformity 2 – If the product is in a class to which level of conformity 2 applies, then, prior to supplying the product, the supplier must ensure that the product complies with an applicable standard and must:

- (i) obtain a test report, or other reasonable documented confirming compliance with an applicable standard;
- (ii) provide a product description;
- (iii) make a declaration of conformity; and
- (iv) label the product with a compliance mark.

Level of conformity 3 – If the product is in a class to which level of conformity 3 applies, then, prior to supplying the product, the supplier must ensure that the product complies with an applicable standard and must:

- (i) obtain a test report from an accredited testing body, confirming compliance with an applicable standard;
- (ii) provide a product description;
- (iii) make a declaration of conformity; and
- (iv) label the product with a compliance mark.

Level of conformity A1 – If the product is in a class to which level of conformity A1 applies, then, prior to supplying the product, the supplier must:

- (i) provide a product description;
- (ii) make a declaration of conformity; and
- (iii) label the product with the supplier's supplier identification and the suffix "(R-NZ only)".

Level of conformity A2 – If the product is in a class to which level of conformity A2 applies, then, prior to supplying the product, the supplier must:

- (i) obtain a test report, or other reasonable documented confirming compliance with an applicable standard;
- (ii) provide a product description;
- (iii) make a declaration of conformity; and
- (iv) label the product with the supplier's supplier identification and the suffix "(R-NZ only)".

Level of conformity A3 – If the product is in a class to which level of conformity A3 applies, then, prior to supplying the product, the supplier must:

- (i) obtain a test report from an accredited testing body, confirming compliance with an applicable standard;
- (ii) provide a product description;
- (iii) make a declaration of conformity; and
- (iv) label the product with the supplier's supplier identification and the suffix "(R-NZ only)".

5. Documentation

- (a) A test report, or other reasonable documented evidence of conformity of the product with an applicable standard must:
- (i) be in English;
 - (ii) if only available in a written form, be held at the supplier's place of business in New Zealand;
 - (iii) be retained by the supplier for a period of five years from the date on which the product ceases to be supplied by the supplier; and
 - (iv) must include any variants of the product.
- (b) Declarations of conformity, test reports and other documentation required by or provided for by this notice, may be kept in an electronic form but must be made available, at the written request of the Chief Executive, within 10 working days of the request being made.

6. Labelling

- (a) The compliance mark and supplier identification must:
- (i) be placed on the external surface of the product as near as practical to the model identification;
 - (ii) be durably applied by any suitable means such as printing, painting, moulding, etching and engraving; and
 - (iii) be legible with normal, or corrected to normal, vision and no smaller than 3mm in height for the compliance mark and 1mm in height for the supplier identification.
- (b) The product can be electronically labelled by means of an integral display or screen provided that:
- (i) the documentation that accompanies the product when it is supplied to the user sets out a method for displaying the compliance label; and
 - (ii) the compliance label is applied to the product in a way that would make it difficult to delete, modify or prevent the display of the label.

7. Revocation

The Radiocommunications (Compliance) Notice 2004* made pursuant to Regulation 32 of the Radiocommunications Regulations 2001 is hereby revoked on **1 March 2013**.

8. Transitional Provision

Notwithstanding the revocation of the notice set out in clause 7, every product which is being supplied in compliance with the requirements of that notice on the commencement date of this notice is deemed to be compliant with the requirements of this notice.

Schedule – Declaration of Conformity

A declaration of conformity must include the following:

- (a) The name of the supplier;
- (b) the New Zealand address at which the supplier can be contacted;
- (c) the supplier's New Zealand Company Number or GST number (if applicable);
- (d) the supplier's contact information, for example, telephone, fax, or e-mail (as applicable);
- (e) the supplier's RCM Registration Number or Supplier Code Number;
- (f) the product details being (as applicable):
 - (i) brand name;
 - (ii) model, lot, batch or serial number;
 - (iii) description and function;
 - (iv) applicable standard(s) title, number and edition;
 - (v) test report number or other identifier; and
 - (vi) transmitter power and frequency, or frequency range (radio transmitters only);
- (g) the declaration of conformity, being the statement:

"I hereby declare that the product to which this declaration of conformity relates complies with the mentioned standard(s), and all products supplied under this Declaration will be identical to the sample identified in this Declaration";
- (h) the name of the person responsible for the declaration of conformity, and the nature of their authority to make the statement in relation to the product; and
- (i) the date the declaration was made.

Dated at Wellington this 11th day of January 2013.

CHRIS BRENNAN, Compliance Manager, Radio Spectrum Management, Ministry of Business, Innovation and Employment.
