<p style="text-align: center;">THE POWER COMPANY LIMITED LINE BUSINESS NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2007</p>
--

1. STATEMENT OF ACCOUNTING POLICIES

Reporting Entity

The Power Company Limited is wholly owned by a Consumer Trust and is registered under the Companies Act 1993.

The Parent Entity consists of the network assets of The Power Company Limited.

The Group consists of the Line Business network assets of The Power Company Limited, along with the joint venture interests in PowerNet Limited, held by The Power Company Limited's wholly owned subsidiary Last Tango Limited.

Purpose of the Financial Statements

These financial statements have been prepared for the purpose of complying with the Electricity Information Disclosure Requirements 2004 and relate to the Group's Line Business incorporating the conveyance of electricity, ownership of works for conveyance of electricity and provision of line function services in accordance with Requirement 6 of the Requirements.

The activities of the Parent have been separately disclosed in these Financial Statements as that is a requirement of generally accepted accounting practice. The Parent activities are not required under the Requirements.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis are followed by the Group with the exception that certain property, plant and equipment have been revalued.

Specific Accounting Policies

a) *Principles of Consolidation*

The interest in PowerNet Limited has been accounted for at the Group level on a line by line consolidation of revenue and expenses after the elimination of all significant inter-company transactions.

b) *Revenue*

Network Charges

Revenue comprises the amounts received and receivable for goods and services supplied to customers in the ordinary course of business.

Investment Income

Interest and dividend income are accounted for as earned.

Customer Contributions

Contributions from customers in relation to the construction of new lines for the network are accounted for as income in the year in which they are received.

c) *Avoidable Cost Allocation Methodology*

The Avoidable Cost Allocation Methodology as described in the Electricity Information Disclosure Handbook has been used to separate "Other" activities from The Power Company Limited and PowerNet Limited. Other activities or non Line Business activity has been excluded from these accounts.

d) Receivables

Receivables are stated at their estimated realisable value. All known losses are written off in the period in which it becomes apparent the debts are not collectable.

e) Inventories

Inventories are stated at the lower of cost (at weighted average cost price) and net realisable value.

f) Property, Plant and Equipment

All property, plant and equipment is initially recorded at cost less accumulated depreciation. The cost of purchased property, plant and equipment is the fair value of the consideration given to acquire the assets and the value of other directly attributable costs which have been incurred in bringing the assets to the location and condition necessary for their intended service.

Revaluation

The network system assets were revalued by means of a "Directors' Revaluation" on 31 March 2007 to assessed fair value. The assessed fair value was achieved by taking the previously revalued assets at their 2004 carrying values and updating those values in terms of today's material and labour costs. Previously these assets were recorded at cost less accumulated depreciation.

Network assets are revalued on a cyclical basis to fair value using a Depreciated Replacement Cost methodology with no asset being recognised at a valuation undertaken more than five years previously.

Revaluation increments are transferred to the Asset Revaluation Reserve.

g) Depreciation

Property, Plant and Equipment is depreciated on the basis of valuation or cost price less estimated residual value over the period of their estimated useful life.

Rates used are:

Buildings	2.50% – 15.00%	Straight Line/Diminishing Value
Office Equipment & EDP Equipment	9.00% – 80.40%	Diminishing Value
Network Assets	1.82% – 16.67%	Straight Line/Diminishing Value

h) Impairment

Where the estimated recoverable amount of an asset is less than its carrying value, the asset is written down to its estimated recoverable amount and an impairment loss is recognised in the Statement of Financial Performance.

i) Income Tax

The income tax expense charged against the profit for the year is the estimated liability calculated at 33 cents in the dollar in respect of that profit.

j) Capital Work In Progress

Capital Work In Progress is stated at cost and is not depreciated.

k) Goods And Services Tax

These accounts have been prepared on a GST exclusive basis with the exception of accounts receivable and accounts payable which are GST inclusive.

l) Financial Instruments

The Line Business is party to financial instrument arrangements as part of its everyday operations. Revenues and expenses in relation to all financial instruments are recognised in the Statement of Financial Performance on an accrual basis.

The Line Business has no off-balance sheet exposures. The Line Business values all financial instruments at fair value in the Statement of Financial Position.

m) Operating Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Payments under these leases are recognised as expenses in the periods in which they are incurred.

n) Foreign Currency

Transactions covered by short-term forward exchange contracts are translated at the exchange rates specified in those contracts. Other foreign currency transactions are translated to New Zealand currency at the exchange rates ruling at the dates of the transactions. There are no assets or liabilities in foreign currencies at balance date.

o) Employee Entitlements

Provision is made in respect of the Company's liability for annual and long service leave. Leave has been calculated on an actual entitlement basis at current rates of pay.

Changes in Accounting Policies

There have been no changes in accounting policies during the year ended 31 March 2007.

AUDITORS' REPORT

TO THE READERS OF THE FINANCIAL STATEMENTS OF THE POWER COMPANY LIMITED – LINE BUSINESS FOR THE YEAR ENDED 31 MARCH 2007

We have audited the financial statements of The Power Company Limited – Line Business ("the Company") and Group on pages 2 to 13. The financial statements provide information about the past financial performance and cash flows of the Line Business of the Company and Group for the year ended 31 March 2007 and their financial position as at that date. This information is stated in accordance with the accounting policies set out on pages 6 to 8.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of the Line Business of the Company and Group as at 31 March 2007, and the results of their operations and cash flows for the year ended on that date.

Auditor's Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the Directors and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Directors in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the Company and Group's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary. We obtained sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors and providers of other professional services we have no relationship with or interests in The Power Company Limited or any of its subsidiaries.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion –

- proper accounting records have been maintained by The Power Company Limited – Line Business as far as appears from our examination of those records; and
- the financial statements of the Line Business of the Company and Group on pages 2 to 13:
 - (a) comply with generally accepted accounting practice in New Zealand; and
 - (b) give a true and fair view of the financial position of the Line Business Company and Group as at 31 March 2007 and the results of their operations and cash flows for the year ended on that date; and
 - (c) comply with the Electricity Information Disclosure Requirements 2004.

Our audit was completed on 20 February 2008 and our unqualified opinion is expressed as at that date.

A handwritten signature in black ink, appearing to read 'P. J. [unclear]', is written over a horizontal line.
