OF THURSDAY, 21 FEBRUARY 2008

WELLINGTON: MONDAY, 25 FEBRUARY 2008 — ISSUE NO. 35

ELECTRICITY ASHBURTON LIMITED

INFORMATION FOR DISCLOSURE

PURSUANT TO SECTION 57T OF THE COMMERCE ACT 1986

CERTIFICATION OF FINANCIAL STATEMENTS, PERFORMANCE MEASURES, AND STATISTICS DISCLOSED BY DISCLOSING ENTITIES (OTHER THAN TRANSPOWER)

We, Edwin Glass and John Bruce Tavendale, Directors of Electricity Ashburton Limited certify that, having made all reasonable enquiry, to the best of our knowledge -

- (a) The attached audited financial statements of Electricity Ashburton Limited, prepared for the purposes of regulation 6 of the Commerce Commission's Electricity Information Disclosure Requirements 2004 comply with those Requirements; and
- (b) The attached information, being the derivation table, financial performance measures, efficiency performance measures, energy delivery efficiency performance measures, statistics and reliability performance measures in relation to Electricity Ashburton Limited, and having been prepared for the purposes of requirements 6, 14, 15, 16, 20 and 21 of the Electricity Information Disclosure Requirements 2004, comply with those Requirements.

The valuations on which those financial performance measures are based are as at 31 March 2007

Dated this 13 day of February 2008

ELECTRICITY ASHBURTON LIMITED - LINES BUSINESS NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2007

1 STATEMENT OF ACCOUNTING POLICIES

Statutory Base

Electricity Ashburton Limited is a Co-operative company registered under the Co-operative Companies Act 1996.

These financial statements have been prepared for the purpose of complying with the requirements of the Electricity Information Disclosure Requirements 2004 from the financial statements of Electricity Ashburton Limited as at 31 March 2007

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a modified historic cost basis have been followed.

Accounting Policies

a) Revenue

Line revenue is recognised as actual amounts invoiced during the period. Capital contributions are recognised as revenue in the year of receipt.

b) Transmission Charges

Transmission charges are recognised as a direct cost to the line business activity.

c) Depreciation

Depreciation has been provided on all tangible fixed assets other than freehold land on the following basis and at the following rates which amortise the cost of the asset over their economic lives.

Fixed Assets:

Distribution Network 1.4 % to 6.7% straight line

Buildings

concrete
brick
wooden
1 % straight line
2 % straight line
2.5% straight line

Motor Vehicles 14.4% to 31.2 % diminishing value

Plant & Equipment 7.5% to 60% diminishing value

Depreciation has been charged on a monthly basis on assets acquired and which became operational during the month.

d) Income Taxation

The income taxation expense charged against the operating surplus for the year is the estimated liability in respect of that operating surplus and is calculated after allowance for permanent differences.

Deferred Taxation is calculated on the comprehensive basis using the liability method (see Note 4). Future tax benefits attributable to tax losses or timing differences are only realised when there is virtual certainty of realisation.

e) Valuation of Assets

Land is stated at cost, all other fixed assets (except distribution assets) are stated at cost less accumulated depreciation.

All distribution system assets were revalued on an Optimised Deprival Value (ODV) basis by PricewaterhouseCoopers as at 31 March 2004. All additions to the distribution network are recorded at cost. Revaluation periods for the distribution system will be set to align with the requirements for regulatory information disclosure, normally every five years.

f) Accounts Receivable

Receivables are shown at net realisable value. All known bad debts have been written off during the year.

g) Inventories

Inventories are valued at the lower of cost, determined on a weighted average cost basis, and net realisable value

h) Goods and Services Tax (GST)

These financial statements have been prepared exclusive of GST with the exception of accounts receivable and accounts payable, which are shown inclusive of GST.

i) Allocation Methodologies

Allocations of costs, revenues, assets and liabilities have been allocated in accordance with the Electricity Information Disclosure Requirements 2004.

Changes in Accounting Policies

There have been no material changes in accounting policies. All accounting policies have been applied on bases consistent with those used in the previous year.

RE	EVENUE	2007 \$	2006 \$
a)	Revenue from line / access charges;	0	0

Distribution assets were revalued by PricewaterhouseCoopers as at 31 March 2004

The directors believe that rating valuation is a fair representation of the company's land and buildings excluding the administration buildings. The rating valuation of land and buildings as at 1July 2006 excluding administration land and buildings is \$820,822. A commercial valuation has been obtained from Cunneen McLeod Valuation Ltd registered public valuers for the administration land and buildings giving a current market value at 12 April 2007 of \$4.9M.

10 FINANCIAL INSTRUMENTS

Electricity Ashburton Limited estimates that in respect of the reported Financial Instruments being cash, bank deposits, account receivables and investments reported in the financial statement.

- a) Fair value is equivalent to carrying an amount as stated in the statement of financial position.
- b) Concentration of credit risk is minimised in respect of:-
 - Receivables, the company has exposure of credit risk by having six line customers. Credit risk with each of these
 customers is managed by a use of system agreement. The company performs credit evaluations where considered
 necessary.
 - ii) Bank deposits, by a specific policy of spreading investments between registered trading banks, Canterbury Building Society and the Loan and Building Society.
 - iii) Cash, by being held in minimal quantities.

The Company has a \$10 million multi option credit line facility and a \$500,000 overdraft facility with Westpac. During the year being reported an additional \$12M multi option facility has been established with BNZ. All loan facilities with BNZ and Westpac are secured by a negative pledge over assets. During the year the company uplifted loans to the value of \$4.5M million from BNZ and Westpac. Interest rates for existing loans are between 6.79% and 8.18% and expire on 25 July 2011 At balance date the company had a forward exchange transaction with Westpac for \$US75,000 at \$0.6094 with an expiry date of 27.06.07 to cover imported consignment stock.

11 COMMITMENTS

Estimated capital expenditure contracted for at balance date is \$206,000 (2006: \$444,672)

The company entered into a two year lease agreement in February 2007 for rental premise to house the Network Line Store. Lease payments not later than 1 year \$123,154 (2006: Nil) Lease payments later than 1 year and not later than 2 years \$102,628 (2006: Nil)

12 CONTINGENT LIABILITIES

As at 31 March 2007 there were no material contingent liabilities (2006 Nil)

13 SEGMENT INFORMATION

The predominant activity of Electricity Ashburton Limited is the distribution of electricity. All operations are conducted in New Zealand.

14 RELATED PARTIES

Electricity Ashburton Limited has a contracting division that provides services to the Lines Business. The services provided are for the maintenance of the network and capital construction of System Assets. The services are provided in an ongoing capacity. The standard charge for these services are:

Labour\$37.00 per hourExternal PurchaseCharged at costTransport (light truck)\$14.22 per hourTransport (heavy truck)\$21 to \$42 per hour

The contracting division of Electricity Ashburton Limited has provided the following services at cost, including overheads, for the period 1 April 2006 to 31 March 2007

	2007	2006
	\$	\$
Construction of distribution lines & cables	6,610,305	3,790,386

17 INTERNATIONAL FINANCIAL REPORTING STANDARDS

Adoption of the New Zealand equivalent of the International Financial reporting Standards may result in changes to accounting policies which will have an impact on the reported financial performance of the company.

The Company is one of a group of lines companies that engaged the services of Ernst & Young to provide advice and assistance to implement the International Financial Reporting Standards from 1 April 2007. At this stage no reliable estimate can be made to quantify the impact on the Company's results from adopting International Financial reporting Standards.

AUDITORS REPORT

To the readers of the Financial Statements of Electricity Ashburton Limited.

We have audited the accompanying financial statements of Electricity Ashburton Limited on pages two to twelve. The financial statements provide information about the past financial performance of Electricity Ashburton Limited and its financial position as at 31 March 2007. This information is stated in accordance with the accounting policies set out on pages five and six.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under Section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of Electricity Ashburton Limited as at 31 March 2007, and the results of operations and cash flows for the year ended 31 March 2007.

Auditor's Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the Directors and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:-

- the significant estimates and judgments made by the Directors in the preparation of the financial statements;
- whether the accounting policies are appropriate to the Electricity Ashburton Limited's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary. We obtained sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Our firm and the partners and employees of our firm, deal with the company on normal terms within the ordinary course of the business of the company. As part of these trading activities our firm and the partners and the employees are obliged to hold shares in the company. Our firm and the partners and employees have no other interests in the company.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:-

- proper accounting records have been maintained by Electricity Ashburton Limited as far as appears from our examination of those records; and
- the financial statements of Electricity Ashburton Limited on pages two to twelve:-
 - (a) comply with generally accepted accounting practice; and
 - (b) give a true and fair view of the financial position of the Company as at 31 March 2007 and the results of its operations and cash flows for the year then ended; and
 - (c) comply with the Electricity Information Disclosure Requirements 2004

Our audit was completed on 13th February 2008 and our opinion is expressed as at that date.

AUDITOR'S OPINION OF PERFORMANCE MEASURES

We have examined the attached information, being -

- (a) a derivation table; and
- (b) an annual ODV reconciliation report; and
- (c) time-weighted averages calculations (if they apply); and
- (d) financial performance measures; and
- (e) financial components of the efficiency performance measures

that were prepared by Electricity Ashburton Limited and dated 13th February 2008 for the purposes of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

In our opinion, having made all reasonable enquiry, to the best of our knowledge, that information has been prepared in accordance with the Electricity Information Disclosure Requirements 2004.
