

Determination of New Organisms

Pursuant to section 26 of the Hazardous Substances and New Organisms Act 1996 (“Act”), the Environmental Protection Authority hereby determines that the p-endophyte that lives naturally inside grass pasture species *Lolium perenne*, *F. arundinacea*, *F. pratensis* and *F. gigantea* is not a new organism for the purpose of the Act.

Dated at Wellington this 7th day of November 2017.

DR JOHN TAYLOR, Chair, Decision-making Committee of the Authority.
