

Te Aho o Te Kura Pounamu (Te Kura) Enrolment and Dual Tuition Policy

Pursuant to Section 7 of the Education Act 1989

Date: This policy comes into effect on 1 January 2019

Introduction

This document sets out the criteria for government-funded¹ and fee-paying enrolment at Te Aho o Te Kura Pounamu ("Te Kura").²

It also sets out the criteria for government-funded and fee-paying access to dual tuition at Te Aho o Te Kura Pounamu.

Section 1—Early Childhood Education General

The purpose of the Early Childhood Education (ECE) enrolment policy is to provide – as far as is possible – equity of access to ECE for children whose location, health, educational or personal circumstances prevent attendance at a reasonably convenient service.

Priority for Enrolment

The number of state-funded enrolment "places" is capped. This may mean that not all children who are eligible may be able to be enrolled at the time they first apply.

Children whose access to ECE is limited by their rural location and geographic isolation will normally be given first priority for enrolment. Children who are residing in New Zealand will normally be given priority for enrolment over children who are residing overseas.

Children approved by Te Kura as eligible for enrolment but for whom a place is not immediately available will have their names placed on a wait list. Wait-listed children will normally be enrolled in age order, oldest first.

Programmes

Te Kura provides two types of ECE programme – full-time and part-time.

Categories

There are two categories of enrolment:

- Access – a parent can make an application for their child's enrolment.
- Referral – the parent's application must be supported by referral documents (as set out in the referral gateways below).

Gateways

Within each category there are a number of "gateways" (i.e., sets of entry criteria).

Access gateways:

- Geographic isolation
- Itineracy
- High health needs
- Special circumstances

Referral gateways:

- Special development needs
- Ministry of Education

Eligibility to Enrol

To be eligible for enrolment in an ECE programme at Te Kura, children must be:

- a. domestic students³;
- b. under the age of six;
- c. not enrolled in a primary school, or about to be enrolled within the first two weeks of February that year;
- d. meet the criteria for enrolment in either a full-time Te Kura ECE programme or a part-time Te Kura ECE programme; and

NEW ZEALAND GAZETTE

- e. meet the criteria for a gateway where a place is available.

Criteria for Enrolment in a Full-time or Part-time Programme

Full-time Programme

Children may be enrolled in a **full-time** Te Kura ECE programme where they are:

- a. eligible to enrol in an ECE programme; and
- b. not enrolled in a licensed ECE service for more than two six-hour sessions a week.

Part-time Programme

Children may be enrolled in a **part-time** Te Kura ECE programme where:

- a. they are eligible to enrol in an ECE programme;
- b. they fit the criteria for the Ministry of Education referral gateway; and
- c. a place is available through that gateway.

A child ceases to be eligible for enrolment when age or changed circumstances mean that the gateway criteria under which they were enrolled are no longer met. Te Kura must check in a timely manner when the child is expected to start school to ensure that funding is not claimed in error.

Access	Itinerancy	<p>Child of a family whose itinerancy requires a change of licensed and/or chartered ECE service each school term.</p> <p>The minimum enrolment period is six months.</p> <p>Parents/caregivers must provide, at the commencement of enrolment, an itinerary demonstrating that they will change location at least once per term and that each change in location will require a change of licensed and/or chartered ECE service. A written declaration to that effect will also be required.</p> <p>Te Kura will review these enrolments every six months. For this review, caregivers will provide a written declaration confirming that they continue to meet the requirements of this gateway. Caregivers will also provide an updated itinerary to demonstrate continued eligibility.</p>	Government funded
Access	High health needs	<p>Child has a long-term illness or medical condition preventing their attending a licensed and/or chartered ECE service.</p> <p>Caregivers must provide, each year, a medical certificate from a medical practitioner specialising in the condition preventing attendance, or a referral letter from a general practitioner to a specialist.</p>	Government funded
Access	Special circumstances	<p>Child does not fit any other ECE gateway, but may be enrolled by Te Kura; for example, where:</p> <p>(a) a sibling has a medical condition such as a bone marrow transplant preventing, for reasons of cross-infection, the child attending a licensed and/or chartered ECE service;</p> <p>(b) the child's caregiver has a medical condition preventing attendance at a licensed and/or chartered ECE service; or</p> <p>(c) other special circumstances, as discussed by Te Kura and the Ministry of Education manager.</p>	Government funded

This report will include verification that no locally available service is able to meet the child’s special development needs.</p>	Government funded
Referral	Ministry of Education	<p>The child does not fit any other ECE gateway and is referred by the Ministry of Education at its discretion.</p> <p>The Ministry of Education is the referral agency and all referrals must be signed off by a Ministry manager (or their delegate), who must be satisfied that:</p> <p>(a) the child’s family/whānau faces multiple barriers (e.g., transport and cultural barriers) in accessing a local face-to-face ECE service that meets their needs; and/or</p> <p>(b) there is a high probability that without access to Te Kura, the child will have no, or less than optimal, access to ECE.</p> <p>The Ministry referral letter must:</p> <p>(a) clearly state how the child’s enrolment in Te Kura meets these criteria; and</p> <p>(b) set a date for Ministry review to ascertain whether the enrolment in ECE by distance education is still required for the child.</p>	Government funded

Section 2—Adult and Young Adult Students Eligibility to enrol

- Students may be enrolled with Te Kura as an adult student, or as a young adult student, where they are: a domestic student⁴; and
- resident in New Zealand.

Eligibility for Government-funded Enrolment

Where enrolment is government-funded, no fee for enrolment has been prescribed under section 7A of the Education Act 1989, except the tuition administration fee for adult students.

Section 3—Year 1-15 Full-time Students General

The purpose of the full-time enrolment gateways is to provide equity of access to compulsory education for students whose location, itinerancy, educational or personal circumstances prevent attendance at a reasonably convenient school.

Students meeting the entry criteria for the access or international category gateways can self-refer to Te Kura. Full-time enrolments through the referral category gateways must be made through the designated agency.

Eligibility to Enrol

Students aged 5-19, or in Years 1-15 (or up to aged 21 with Ongoing Resourcing Scheme funding or a Section 9 agreement), may be enrolled in a full-time primary or secondary programme at Te Kura where they meet the entry criteria for one of the enrolment gateways identified.

Except for the gateways for non-enrolled students, and for expelled or excluded students, eligibility ceases when changed circumstances mean that the entry criteria for the gateway concerned no longer apply. Year 11-15 students whose circumstances change during term 3 or later may stay enrolled until the end of the school year in question.

Requirements

Unless otherwise stated:

NEW ZEALAND GAZETTE

1. the minimum period of enrolment is one term;
2. an educational profile of the student is to be provided to Te Kura within six weeks of enrolment;

4. all enrolments must be reviewed by Te Kura on an annual basis or as otherwise specified for a specific category;
5. the student must be resident in New Zealand; and
6. the student must be a domestic student⁵.

Section 4—Dual Tuition

Eligibility for Government-funded Dual Tuition

All state and state-integrated schools, and the private schools listed in the definition below, may register domestic students⁶ aged 5-19, or in Years 1-15 (or up to aged 21 with Ongoing Resourcing Scheme funding or a Section 9 agreement) with Te Kura for supplementary government-funded dual tuition where the entry criteria for one of the registration gateways set by the attached Schedules 2-6 are met. Where dual tuition is government-funded, no fee has been prescribed under section 7A of the Education Act 1989 for tuition at Te Kura.

This supplementary dual tuition is additional government resourcing to that provided to state and state-integrated schools through operations monies and staffing entitlements,

The supplementary government-funded dual tuition is for curriculum adaptation and for curriculum capability purposes. The curriculum adaptation categories cover circumstances where the school at which the student is enrolled is unable to provide the required specialist programming or curriculum adaptation. The curriculum capability categories are to enable generally smaller schools to provide a full and balanced curriculum.

Accountabilities

The school at which the students are enrolled retains all legislative accountabilities, including for attendance, while its students are registered for supplementary dual tuition from Te Kura. Students registered with Te Kura must attend the school that they are enrolled in on a full-time basis.

All supplementary government-funded dual tuition arrangements are subject to a Dual Provider Partnership Agreement being in place between the registering school or home education family and Te Kura.

The Partnership Agreement defines the tuition, supervision and support responsibilities of both parties and the circumstances in which these dual tuition arrangements may be terminated by Te Kura.

Parents/caregivers must be made aware of dual tuition arrangements, by the registering school, prior to the student's registration with Te Kura.

Students registering under the Summer School gateway, or their parents/caregivers, may initiate registration themselves and retain accountability for supervision and support.

Students for whom dual tuition is terminated by Te Kura, because its return of work and/or course completion requirements have not been met, cannot be re-registered for the course or programme concerned that school year.

Requirements

Unless otherwise stated:

- a. the minimum period of tuition is one school term or a period of Summer School; and
- b. all dual tuition arrangements, except those for Regional Health School students, cease automatically at the end of each school year; and
- c. Summer School enrolments will cease automatically at the start of Term 1 of the school year.
